Choosing The

...is an insight to the directions people can take in life. While everyone has an idea of what he or she envisions the future holding, only a few pursue their dreams or fulfill their expectations. Lindenwood students choose to plan their futures and make their dreams come true.

Right Tomorrow...

Faculty & Staff

Leadership & Guidance...

...are the choices of those who serve as the faculty and staff at Lindenwood. They are committed to leading students in making the best choices for their futures. Faculty members are dedicated to teaching and mentoring their students, and preparing them for their lives beyond the gates.

Campus Life

Work & Play...

...go hand-in-hand at Lindenwood. Among the choices students had this year were events like Casino Night, Homecoming and Cotillion, Spring Fling, Christmas Walk, Apollo Night and Powder Puff Football. Lindenwood's emphasis on educating the whole person in and out of the classroom is brought to life through a variety of student activities and opportunities to gain practical experience, such as Work and Learn.

Work & Learn Pays Off

Work and Learn is a great opportunity for students to help pay for their college education. Some have a work and learn assignment that relates to their future career. One example, athletic trainer, is ideal for students planning a career in sports medicine and allows them to use their hours as both training and work and learn.

Work and Learn is a learning experience as well as a preparation for the future. Many participants have started to learn what the 'real world' is going to be like as a result of their experiences in their daily work environment on campus.

Dreams To Remember

Homecoming '92

Homecoming 1992 was held October 3 at the Holiday Inn Airport West. Student volunteers spent hours decorating the ballroom with balloons in pink, silver and white to create the festive atmosphere. Partygoers danced the night away to a wide mix of music supplied by a local disc jockey.

Holiday Happenings

Holidays are a time of joy and excitement at Lindenwood. The season began when members of the Lion Pride Marching Band, the Lion Line and the Cheerleaders attended the Halloween football game, wearing costumes instead of their usual uniforms.

After students celebrated Thanksgiving dinner together in the dining hall, the campus geared up for the annual Christmas Walk. The peaceful campus was a heavenly sight. Thousands of candles illuminated the campus roads and sidewalks, and the dorms were beautifully decorated. Entertainment included musicians, carolers, storytellers and a visit from Santa Claus.

Do You Believe In Magic?

Cotillion '93

The annual Spring Cotillion was held April 3, 1993, at the Holiday Inn Airport West. This year's theme was "Do You Believe In Magic?" and the colors were black, purple and silver. "It was a lot of work getting ready for the dance, but it was definitely worth it," said Kelly Hortiz, who worked on the decorating committee.

Students dressed up for the occasion, pulling out semi-formal and formal gowns, suits and tuxes. Memories of the night's glamour were captured with Party Pics and formal photographs.

Casino & Apollo Nights

Rock the 'Wood

Lindenwood tradition brings out the best in its students. Apollo Night, sponsored by Nexus, displayed some of the fine talent that the students have. Performances included singing, poetry reading and musical exhibitions. Shanna Williams was the First Prize winner for the evening.

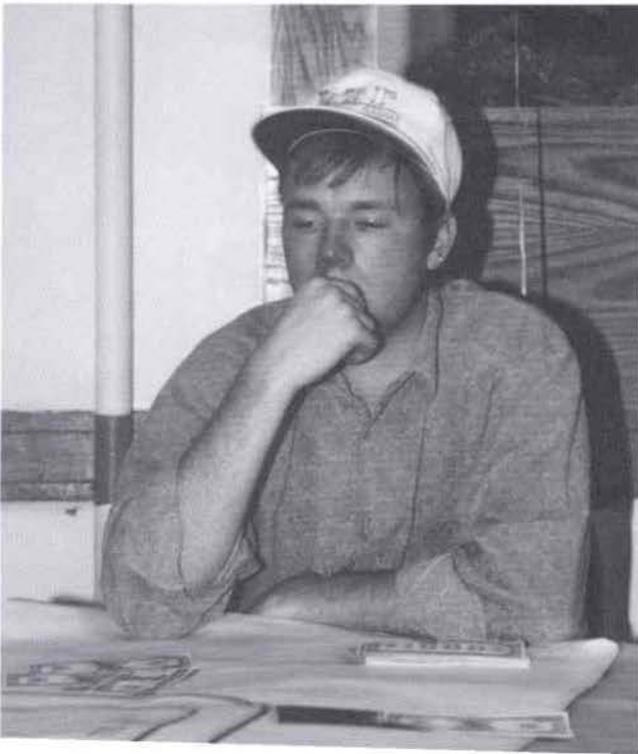

On Feb. 5, Student Activities sponsored the Annual Casino Night in Ayres Dining Hall. Students were tried their hand at Craps, Black Jack, Poker and Roulette while placing bets with "funny money." Door prizes, such as sweatshirts, food coupons and gift certificates to the bookstore were given away throughout the night. Amy Amelotti said, "I'm using this as practice for when I go to Las Vegas this year."

Spring Fling

The annual Spring Fling celebration was held April 29 through May 2, 1993. The Fling began with The Dating Game held in Young Auditorium on Thursday evening. Friday was packed with fun activities including Crazy Olympics; Marcos the Juggler; club booths and games; and the main attraction in Butler gym, the Velcro Wall. Many students took their turns putting on the velcro suit and jumping onto the wall. It was quite a sight! Later Friday evening there was a hypnotist and dance.

On Saturday, some of the outside activities were canceled because of rain, but the fun continued inside with a karaoke song system in Ayres and then a live band in Butler gymnasium. Students called it one of the best Flings ever!

Powder Puff Football

The women's soccer and softball teams played a grueling game of Powder Puff Football this fall -- as intense and exciting as a regular game of football. Freshman Crystal Crane organized the game with help from some of the ladies on the soccer team. "After the softball team accepted the challenge, I had to talk to just about everybody in Butler to get this thing going," said Crane. The soccer team scored first in the second half taking the lead. The softball team answered with a touchdown. Finally the soccer team pulled out the win with two minutes left in the game. As in any contact sport, the game got pretty aggressive, and everyone had a great time.

Blood Drive

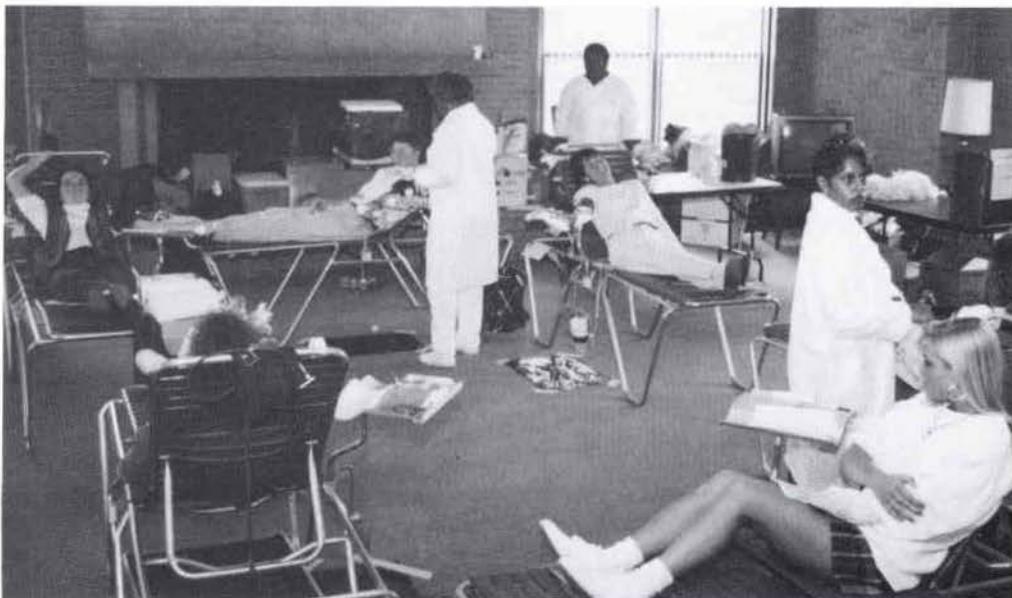

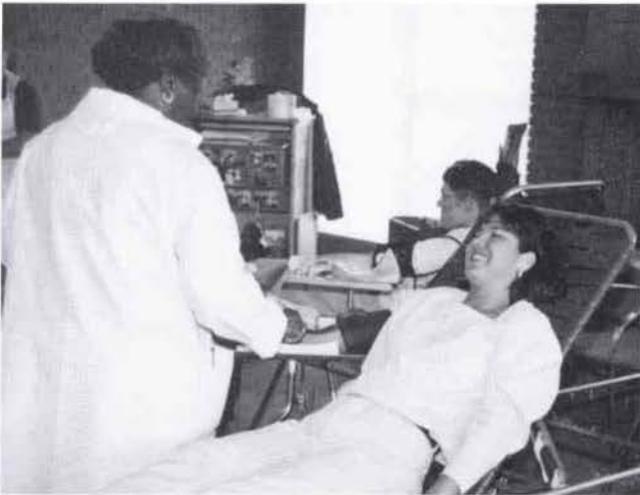

A competition between faculty, staff and students resulted in a winning blood drive in March. The American Red Cross collected a record number of units of blood donated by Lindenwood students, faculty and staff. Exactly 68 participants donated 57 units.

Delta Zeta Sorority won the contest with a donation of 15 units. Lindenwood sophomores Rodger Knedel and Mike Cuddihee helped organize the successful drive. The St. Charles Pizza Hut and National Supermarkets sponsored the event and provided refreshments for donors.

Clubs

Making the choice...

...about which club or organization to join at Lindenwood is a challenge as the college offers some 34 selections. Students can participate in service organizations, special interest groups, performance groups and honors organizations.

Student Activities sponsored Casino Night, and the event was a big hit with students.

Honors Day

More than 250 students were recognized for their academic achievements at the annual Honors Convocation held Sunday, May 2. Awards, plaques, certificates, scholarships and honors were presented by departments, honorary societies and Campus Life.

After the ceremony, students and their guests mingled with faculty and staff members at a reception.

Lindenwood Honors

ΑΣΤ, ΑΛΔ, Who's Who, Linden Scroll, Dean's List

Alpha Sigma Tau, founded at Lindenwood in 1922, honors graduating seniors who have demonstrated excellence in their studies. Those seniors achieving a cumulative grade point average of 3.5 or higher are invited to membership.

Alpha Lambda Delta is a national scholarship honor society for first year or transfer students. The Alpha Lambda Delta chapter at Lindenwood has been active since 1949. This honor society recognizes superior academic performance among entering college and university students.

Who's Who recognizes students for their scholastic achievement and contribution to community life. The students are nominated by their peers and teachers.

Linden Scroll is a service honorary organization at Lindenwood. Its main purposes are to promote college loyalty, to promote and maintain high standards of scholarship, and to encourage leadership.

The Dean's List is an honorary society for semester students who excel in the academic field. Students must maintain a 3.5 G.P.A. to become a member.

Linden Scroll members help at the graduation ceremony each year.

American Humanics Circle K

This was the first year for the American Humanics Student Association at Lindenwood. The organization was started by David Hill and Director of Campus Life Sheryl Guffey. AH prepares members for careers in non-profit agencies such as the Boy Scouts, Girl Scouts, 4-H and the YMCA. Members of American Humanics participated in a Fall Retreat, attended many informational seminars and held various fundraisers to help pay for the annual trip to AHMI (American Humanics Management Institute). The members who attended AHMI were required to hold at least a junior status. David Hill said, "AHMI is a great place to meet people, eat good food and network with students from other AH campuses."

The Circle K club is affiliated with the Kiwanis Club and was very active this year. Circle K participates in a variety of service projects, including a benefit golf tournament as well as sponsoring a check point where Walk America participants can stop and rest. The organization also hosted a booth at Spring Fling selling sodas. John Snipes was elected to serve as Governor for the Missouri-Arkansas District.

Delta Zeta, Phi Sigma Sigma, Alpha Sigma Phi & Delta Chi

ΔΖ

Delta Zeta was the first Greek organization to be officially installed on the Lindenwood College campus. The members immediately got busy planning fun social events such as date parties, formal dances, and sorority/ fraternity mixers. Delta Zeta donated food to the homeless, sandbagged during the flood, and helped kids in "Youth in Need."

ΠΣΣ

April 29, 1993, was the start of the second national sorority on the campus of Lindenwood College. Alpha Chi Alpha local sorority was Ribbon Pinned in a special ceremony by their new field representative from Phi Sigma Sigma National Sorority. Later, the women of Phi Sigma Sigma sponsored a photo button booth at Spring Fling and started planning for Rush in the fall. Members of Phi Sigma Sigma also participated in Intramural Bowling in the spring.

ΑΣΠ

The Alpha Sigma Phi fraternity was colonized this fall and has since become very active on campus. In January, Alpha Sigma Phi was given Eastlick House to live in. Shortly after, they hosted a toga party at their house for all Lindenwood students. Several members of the fraternity were clad in togas and the traditional leaf headdresses. The Alpha Sigs served punch at the party and many who attended enjoyed dancing, talking to friends and playing foosball.

The new Phi Sigma Sigma pledge colony posed for pictures after the Ribbon Pinning ceremony on April 19.

Some members of Phi Sigma Sigma and new pledges went ice skating at Brentwood Ice Rink.

This was just one of the many activities the sorority sisters did together.

Delta Zeta members at their installation are: Fourth row (L to R) Susie Pundmann, Heather Troutt, Nancy Cox, Christine Reichart, Melissa Weishaupt, Stacy Ward, Diana Griscoom, Susan Bicknoea, Amy Altmansharger, Becky Lamkemeyer, Joley Mitchell and Debbie Nack; Third row, Marvona Tsavlin, Dana McMillan, Kammie Kobyleski, Michelle Spencer, Heather Lauser, Stacia Smith, Sara Biddlingmeier, Carrie Evans, Allison Rash, Jennifer Milton, Trisha Hill, Denise Wilson, Veronica Mills, Julianne Ott, Cathy Cook, Shana Williams, Kelley Locke, Lea Faulk, Victoria Smith and two chapter consultants; Second row, Diane Stecher, Lonnie Schwent, Jennifer Dirnbeck, Hayley Billingsley, Jamie Dirnbeck, Karen Clark, Renee Knobbe, Annette Wolk and Mrs. Dennis Spellmann and a DZ national official; First row, Karen McKinley, Tamara Nance, Jill Henkel, Lisa Kvislen, Susan Hanes, Tiffaney Bogle, Tracy Harbor, Brenda Holland, Tish Becker, Melissa Braungardt, Amy Fly, Amy Wood and Carrie Zezoff.

ΔΧ

Delta Chi was the first fraternity to colonize on campus (spring '92). Led by President Tim Wilson, this group planned social events such as their first hayride, "Lion in the Hay," which they hoped to make an annual event. During Spring Fling, they sponsored volleyball tournaments. Delta Chi helped out in the community by donating clothes from their "Bargain Barn" party to the homeless. The fraternity is housed in Stumberg House on campus.

Delta Chi fraternity has a large membership and resides in Stumberg House.

Theatre

From the first scene in *Brighton Beach Memoirs*, to the last dance in *Dance Alive*, the theatre department's Mainstage presentations dazzled audiences for yet another year. Under the leadership of Bryan Reeder, the company presented four productions including *The Mystery of Edwin Drood* and *The Elephant Man*. *Dance Alive* starred the Lindenwood Dancers.

Although the productions look extremely smooth, Brian Peters says that it is not as easy as it looks. "In all of the preproduction work for the plays, the entire staff became a family of sorts. That is really important in the making of a good production."

Reeder, the department head, emphasizes that auditions for play parts are open to all students. Lindenwood plays are chosen to give students the opportunity to try out different types of acting, a variety of characters and exposure to different playwrights, he said.

Students also act and direct one-act plays in the college's Downstage Theatre, located in the Fine Arts Building.

Symphonic Band, Jazz Band

The Music Department produced a number of talented groups who performed for many on- and off-campus events. The Symphonic and Jazz Bands entertained students and faculty alike during performances for the Christmas Walk, A Little Noon Music and many other events. Members of these bands met for practice on a regular schedule during the year.

The choirs also worked hard to be able to travel and perform. The members sold candy to raise money for a trip to Kansas City and followed a regular and rigorous practice schedule. Group members performed for the Christmas Walk and took part in the graduation ceremony.

Lion Pride Marching Band

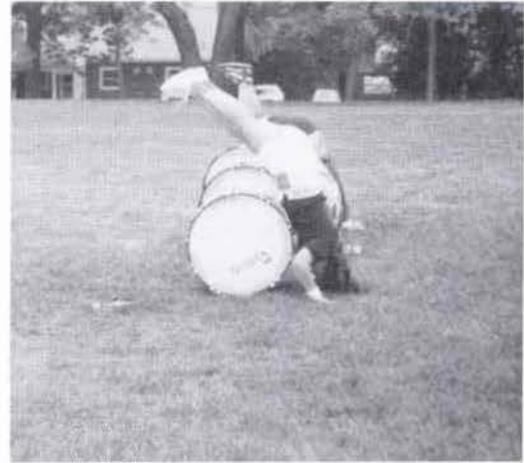

The 1992-93 school year marked the beginning of a new era for Lindenwood College. The excitement rose as the Lion Pride Marching Band took the field at the first home football game. For the football fans, having the band there to perform was a new and exciting experience. The 30-plus Lion Pride members worked three to four days a week under the direction of Robert M. Carter, professor of music and director of bands, to prepare for the games.

Drum major Melanie Foster said, "We were small, but we pulled together really well to make the shows a lot of fun for everyone." The band experimented a lot in their first year to see what worked for the performances. The result was several different shows with production numbers ranging from Bacchanal to Great Balls of Fire.

DeAnna Strong, clarinet player, said, "Being in the band was a great learning experience for all of us."

Lion Line Dance Squad

The 1992-1993 Lion Line started off the year with a bang. New uniforms and musical numbers added to the dancers' home football game performances. The women were allowed to attend the Bowl Game in Minneapolis, Minn., and perform at half-time. They also performed with the marching band.

Basketball season was a lot of work for the Lion Line. This year there were several home games very close together, and the women worked to learn new routines for them. For the second year, the Lion Line sponsored a guy and girl dance at one of the home basketball games. This dance was fun for the dancers and the guys, who gave it their best.

Toward the end of the year, the dancers sponsored an auction. People could bid on the pommer of their choice to spend a few hours doing whatever the bidder wanted, as long as the requests conformed to the required guidelines.

Cheerleaders

More than 24 Lindenwood men and women cheered our football, soccer and basketball teams this year. With stirring cheers and halftime shows to delight the crowds, the Lion cheerleaders helped to build school spirit throughout the year. The group also raised enough funds to go to the NSIC Football Classic held in the Minnesota Metrodome in November and cheer on the Lions as they tangled with the University of Minnesota-Morris.

Sports

Athletics play...

...a very important part in the philosophy of Lindenwood College. According to President Spellmann, "We want students to get the best education they can possibly receive...at the same time, we want to help them develop their physical, social and spiritual capabilities as well." Student-athletes learn first-hand about teamwork, competition, and facing challenges. This year, Lindenwood offered 14 intercollegiate sports for men and women.

Football

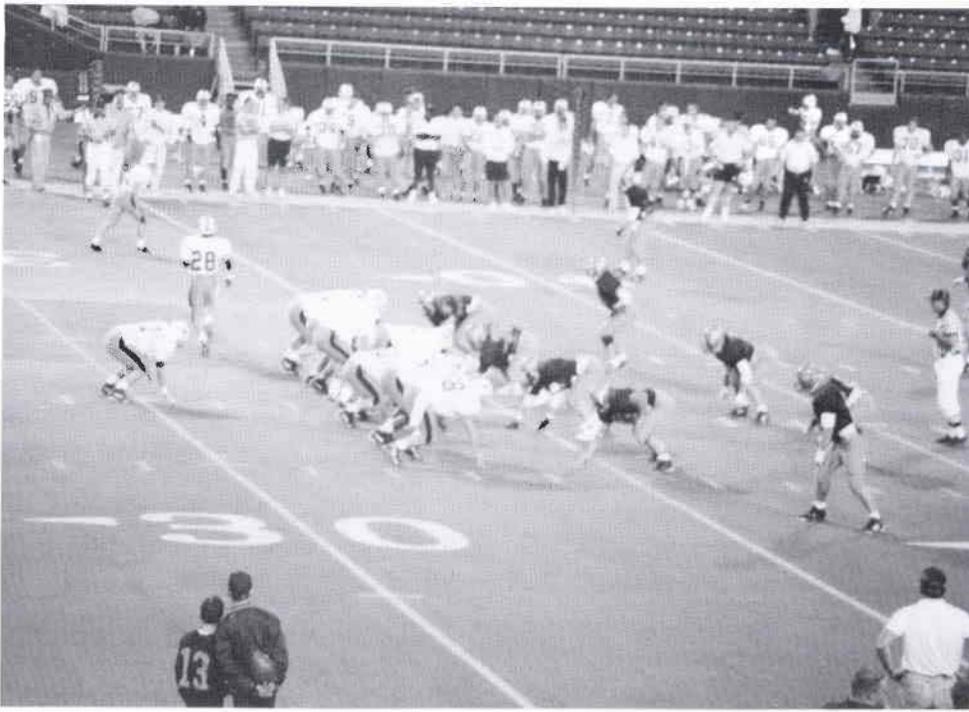

The 1992-93 Lions football season was one of challenge and transition: New Head Coach Jeff Driskill and his men faced a particularly tough schedule, and the majority of team members were freshmen, who were trying to adjust to the college level of play. As freshman Mark Harris observed, "It's not just playing at a new school, it's playing at a higher level." However, the team's spirit stayed strong throughout the season, and the men played their hearts out. The season finale took place in the Metrodome in Minneapolis, as the Lions played in the NSIC Classic against the University of Minneapolis. Season record: 1-9.

Women's Soccer

The 1992 Lady Lions had a tremendous season this year, finishing with an outstanding 17-3-3 record. They did not suffer a loss until the 10th game of the season. Along the way, they went on a stirring road run to win both the District and Regional crowns until their season ended at the hands of eventual national champion Lynn University in Tacoma, Wash.

After 10 years leading the Lady Lions, Coach Debbie Washburn has built the Lindenwood women's soccer program into one of the best in the nation. Honorable Mention Krista Neidenbach was the leading scorer for Lindenwood with 13 goals and six assists. Tisa Bauer was named to the NAIA National Championship All-Tournament Team, and Jackie Herren was named to the NSCAA All-Midwest Region Team.

Men's Soccer

The Lion soccer team was hot at the beginning of the year, winning their first six contests. Then they hit a slump and lost their next four games.

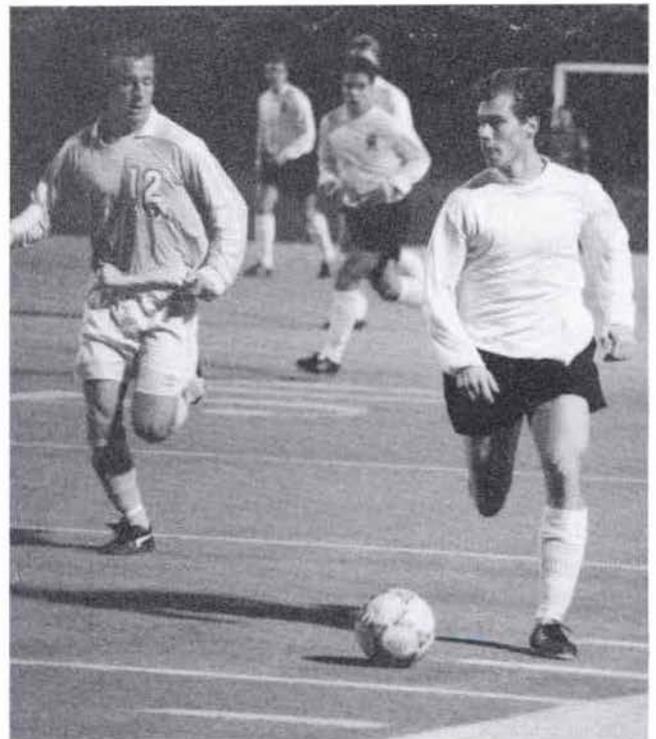

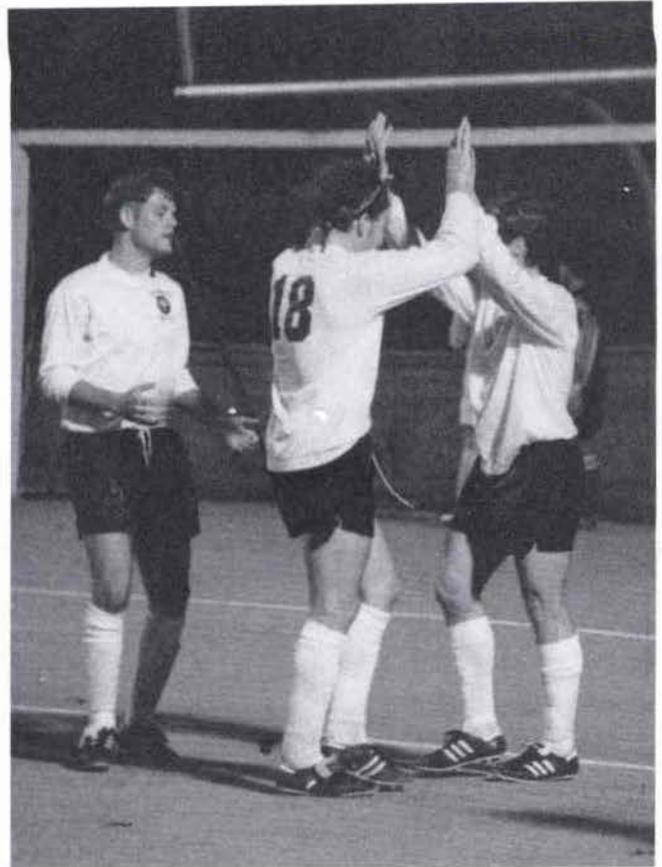

They recovered again to claim the Show-Me Collegiate Conference championship but drew a low seed for the District 16 tournament. Showing great character, they traveled on the road and fought all the way through to reach the district finals, but lost a bitter 2-1 match in overtime to Rockhurst. The Lions finished their season with a record of 14-6-1.

Volleyball

Improvement was a constant in the women's volleyball team formula. "We did a lot better than the previous year because we had more experience and played better as a team," said Shelly Gibson.

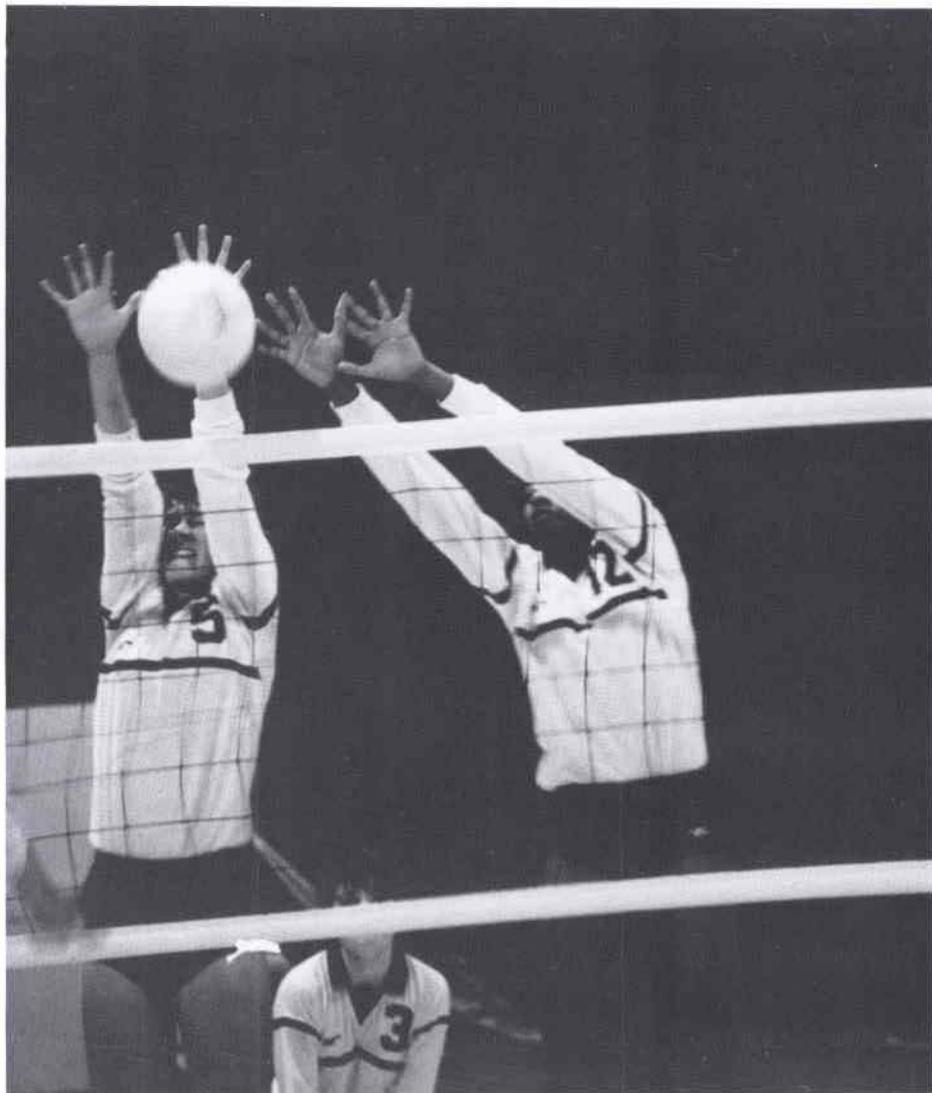

Even though the team was only in its third year as a varsity sport, Coach Laura Helwig was able to make improvements by hard practices and great encouragement. Another improvement was having the home team advantage. For the first time they had their own home courts. They either played at the new Lindenwood Sports Complex in Bridgeton or at a local high school. "Having a place to call home was great this year. It makes a lot of difference playing at home when you have your fans yelling and screaming," said Captain Lynn Hall.

With the team one game under .500, the fans were able to give encouragement and help the ladies to win against William Woods and Hannibal La Grange. Even with a shaky start to the season, the volleyball team was able to make it to the conference play-offs by the many wins toward season's end. The team gave Columbia a challenge when they took the team to five games during Conference.

With all the improvements, the ladies were able to show their strengths by going to districts for the first time.

Cross Country

The cross country Lions achieved the school's highest NAIA national cross country ranking as the men were ranked number eight at one point in the season. The women's team finished second in Districts. The men's squad finished second in District 16. Alan Schneider and Chris Rebello were both qualifiers for the national meet.

The 1993 track season proved to be a successful one for Lindenwood. The Lions hosted the District 16 meet. Coach Gary White was so busy running the meet as the director, he did not know the Lady Lions had claimed the district crown until he pressed the button on the computer and saw the Lady Lions on top with 172 points. The men had an excellent chance for the crown, with the running events giving the Lions an early lead, but they were edged out and finished second.

Men's Basketball

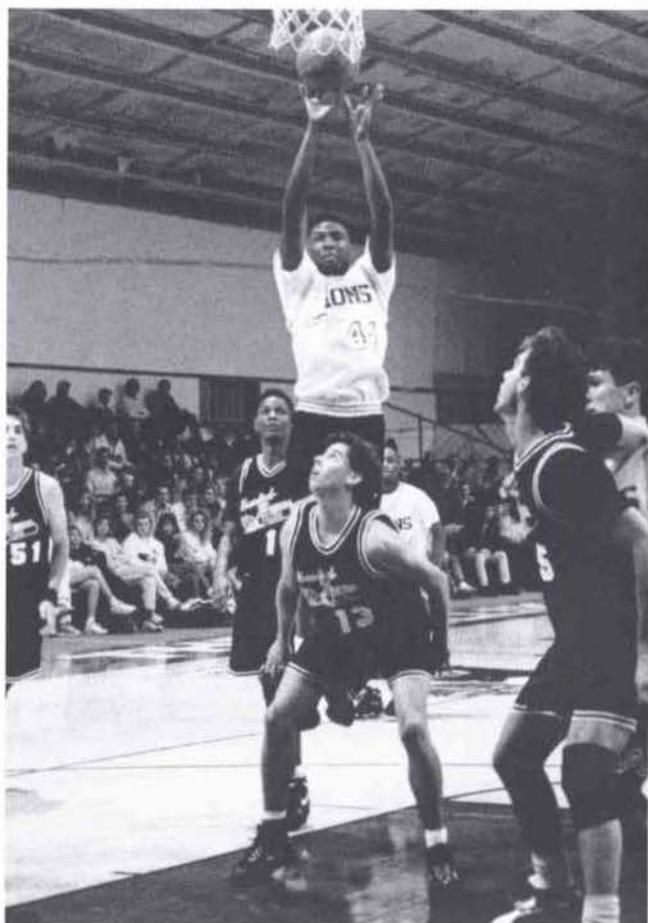

The 1992-93 season posted a 12-16 record, to include a best-ever conference mark and a total of six letter winners. Senior guard Brandon Braswell led the Lions in scoring with a 16.5 average and had a team high 72 assists in earning second team all-conference honors. The Lindenwood basketball Lions also achieved recognition in the classroom as three members were named to the Show-Me Collegiate Conference All-Academic team: Dave Bauer, Jim Kagie and Kris Pals.

Women's Basketball

The Lady Lions had the finest season in school history with a record breaking 22-11 mark, and again finished the Show-Me Collegiate Conference with an undefeated regular season mark. The team broke 10 school records and won the school's second SMCC post-season tournament championship in three years. The ladies won a school record 11 straight games and 14 of 15 during one stretch. They ended the year ranked third in the nation in rebounding percentage, fifth in scoring defense, and eighth in three-point field goal percentage. Guard Daphne Hozée became the first Lions basketball player to be named NAIA Academic All-American, and the team had a conference-leading seven student-athletes on the SMCC All-Academic team: Hozée, Neel Høgh, Cyndi Johnson, Chris Kenny, Julie Larson, Kristen Miller and Josette Williamson. Hozée, Shannon Malek and Angie Warren earned All-District First Team honors. Malek and Warren were named to the SMCC first team, while Hozée and Marni Johnson were named Honorable Mention. Head Coach Steve Crotz was named Show-Me Collegiate Conference Coach of the Year for the second year in a row.

Lady Lion Softball

The Lady Lions struck a 30-19 record in 1993. Offensive leadership guided the team to an impressive season with bright prospects for 1994. The ladies achieved a ranking of 26 and a Final Four District 16 appearance.

The women took home several honors this season: Kris Tebbe earned All-Conference, SMCC Player of the Year, All-District 16, and District 16 Player of the Year runner-up. Heather Bigott (SS) was named Academic All-Conference and All-District, and Tammy Dewald (OF) received Academic All-Conference honors. Stacy Bogle (IF) led the team in steals with 24.

After completing its fourth season of intercollegiate baseball, Lindenwood has established itself as having a nationally competitive program. Over the past two seasons, the Lions have compiled a sparkling 60-37 record, have captured two successive District 16 titles and were Midwest Regional Finalists in 1993.

Nine of the players were named Academic All-Conference selections. One of these, Cory Tibbs, was an ABCA-NAIA All-American and the NAIA national RBI leader with 64 runs batted in 43 games, for an average of 1.49 RBI per game. Tibbs also finished in the top 10 in the nation in home runs (14) and batting average (.448). NAIA All-American honors were also earned by third baseman Tony Allison and pitcher Scott Sherrer, who had seven wins for the Lions and nine saves. For this, Sherrer won the District 16 Player of the Year award. Pitcher Buddy Smith was selected Show-Me Collegiate All-Conference.

At the end of this season, the Lions were nationally ranked in team batting average (15th), stolen bases (3rd) and team defense (15th). Coach Ward was honored for his leadership by being voted the District 16 Coach of the Year.

Wrestling

In their first year together, Dale Schallert and Stacy Weiland wasted no time establishing a team that shot to national prominence. Starting with an unheard-of eight freshmen, one sophomore and one junior, the team was able to achieve a national ranking in the top 25. Of this group, seven wrestlers, including sophomore John Michel at 118 pounds, freshman Eric Caldwell at 126, freshman Kris Bixby at 150, junior Jerry Neitenbach at 158, freshman Jason Clark at 167, freshman Marc Botindari at 190, and freshman Brian Wisdom at heavyweight, all qualified for the National Tournament held in Butte, Montana.

Men's Varsity Wrestling: (Back row, L to R) Coach Stacy Weiland, Coach Joe O'Mara, Marc Botindari, Brian Wisdom, Jason Clark, Scott Blackburn, Jamie Tillman, Will Gibbons, Coach Dale Schallert; (Middle row) Eric Caldwell, Gary Newtown, Chris Farris, Nate Camer, Joel Richardson; (Front row) Jerry Morton, John Michel, Leo Miller, Kris Bixby, John Keskowski, Josh Locke.

Choosing friends...

...is one of the more pleasant parts of life. Lindenwood is the college of choice for a wide range of personality types with many varied interests. Being able to find those people who can be good friends is what really makes Lindenwood a special place for collecting memories.

Sara Biddlingmeyer and Melissa Weishaupt pass the crowd at a home football game.

More students than ever before lived on Lindenwood's beautifully wooded campus during 1992-93. The residential student population topped 930. Students filled the seven traditional-style residence halls, married students and senior men lived in the Lindenwood Village area, and still more married couples occupied Gamble House, just down the street from the main campus.

A record number of 4000 students attended Lindenwood throughout the academic year. College students came in all shapes and sizes: full-time and part-time, resident and commuter, undergraduate and graduate.

The majority of students were from the St. Charles-St. Louis County area, although many residential students came from other states. About two percent of the college population was made up of international students, representing countries which included Belgium, Sweden, the Netherlands and Russia.

Commencement '93

Saturday, May 22, 10 a.m.

A record number 734 students received their diplomas at the 1993 Commencement. President Spellmann welcomed the crowd and congratulated the undergraduate and graduate students on their accomplishments. Retiring Education Professor Gene Henderson was awarded the title *Professor Emeritus* and gave a touching farewell speech. It was a gorgeous day at the Gazebo under the linden trees, and a wonderful send-off for the graduates.

Graduation

Looking back on LC through the gates, we remember the choices we made along the way. One thing we've learned above all is choosing the right tomorrow depends on the choices we make each day.
