OFFICE OF THE TOWN CLERK,
Portage des Sioux, Mo.

February 27, 1930.

Mr. Henry Machens,
Machens, Mo.

Dear sir:-

This is to advise you that the Board of Trustees of the Town of Portage des Sioux, Missouri, at their regular monthly meeting held on February 27, 1930, among other things considered upon motion duly made and seconded, did order and authorize the Chairman and clerk of the said Board of Trustees, acting for the inhabitants of the said Town, that for and in consideration of the right to drain the surface waters collecting from time to time at the East end of said Town, thru a certain ditch along said east end of said town which is being created by the construction of a levee being built by you, did and do by this instrument of writing authorize you to use any and all of the streets of the said town at such point where such streets ----- will cross or run parallel with the said levee and ditch ~~for the~~ and will come in contact with such levee or ditch ----- for the purpose of construction of the said levee and ditch, as shall be necessary for the construction of said levee and ditch.

Done at the office of the Town Clerk of Portage des Sioux, Missouri, by order of the Board of Trustees, this 27th day of February, 1930.

Chairman
of Tr

Clerk of Board
Trustees.

PROCEEDINGS OF THE BOARD, Aug. 15, 1929

PROCEEDINGS OF THE BOARD Jan. 3, 1930

The Board of Trustees of the town of Cottage des Sours, Mo. met at A. J. Duvall's store in said town on Friday Jan. 3, 1930 in regular form of meeting. Meeting was called to order at 8:10 P.M. with C. A. Barnard in the chair. Those present were: C. A. Barnard, A. J. Duvall, A. J. Eichel, W. Le Claire and C. A. Rothermick. By order of the chair, minutes of the last meeting were read and approved as read.

C. A. Rothermick reported to board on the relaying to proper depth of the drainage tile on the street just west of the Church from the spillway at the picnic grounds to a point about midway between Church Street and Fourth Street. It having been shown by survey of County Highway Engineer that said tile now there is about 2 1/2 feet too high to drain water from Common Field Street thru this place. Said C. A. Rothermick having had an offer from a certain man (W. C. Mitchell) who was recommended by the County Highway Engineer) to relay said tile (a distance of about 550 ft.) for the sum of sixty (\$60.⁰⁰) Dollars. This offer was upon motion duly made and seconded, accepted, and C. A. Rothermick was ordered to notify said W. C. Mitchell, that his

offer or bid had been accepted, and to start relaying said tile as soon as possible.

The terms, ^{and specifications} of the relaying being that as surveyed and marked by County Highway Engineer.

Mr. Henry Bilsmith brot before the house a proposition for the draining of the water which flows over his property at the east end of town, This being to co-operate with Henry Machers in the construction of a ditch at the north-east end of town making an outlet thru the ditch along the levee of said Henry Machers, to the Mississippi River. This was tabled for further consideration, so as to allow consideration by those benefited by such drainage, and to seek their cooperation.

There being no other business before the house, on motion meeting adjourned at 9:45 P. M.
