LINDENWOOD

LINDENWOOD UNIVERSITY

ST. CHARLES, MISSOURI

Lindenwood Mission Statement

Lindenwood University offers values-centered programs leading to the development of the whole person – an educated, responsible citizen of a global community.

Lindenwood is committed to

- providing an integrative liberal arts curriculum,
- offering professional and pre-professional degree programs,
- focusing on the talents, interests, and future of the student,
- supporting academic freedom and the unrestricted search for truth,
- affording cultural enrichment to the surrounding community,
- promoting ethical lifestyles,
- developing adaptive thinking and problem-solving skills,
- furthering lifelong learning.

Lindenwood is an independent, public-serving liberal arts university that has a historical relationship with the Presbyterian Church and is firmly rooted in Judeo-Christian values. These values include belief in an ordered, purposeful universe, the dignity of work, the worth and integrity of the individual, the obligations and privileges of citizenship, and the primacy of the truth.

Message from the President

Dear Friends,

During a recent interview for one of Lindenwood's many excellent publications, I was asked what philanthropy means to me. That was an interesting question, and it evoked a spate of thoughts. Here are just a few:

Perceived need. I believe that gifts to universities and other nonprofit institutions signify, first and foremost, that the donor perceives a genuine need worthy of personal or corporate generosity.

Institutional wherewithal. Gifts also represent the benefactor's faith in the institution's viability, strength, and permanence. The giver is acting upon a conviction that the organization will use the gift effectively, will be around for a long time, and will persist in fulfilling the supported purpose.

Regard for the institution. As well, the contributor possesses a positive disposition toward the recipient - that is, believes the organization has integrity, serves an important mission, and is performing well.

Motivation to make a difference. Finally, the benefactor desires to make a positive change in the world by supporting a hospital, school, church, or social service agency that accomplishes particular purposes while furthering the greater good.

I thank everyone listed in this Report for expressing such faith and confidence in Lindenwood's mission and future through the many generous gifts made in Fiscal 2010. While our roster of supporters grows annually, the repeated appearance of many donors' names year after year strikes me as particularly indicative of our being on the right track. In that vein, I would especially like to thank our inimitable Board of Directors for once again participating in Lindenwood's fundraising campaigns at the 100% level. Appreciation is also due our alumni, who substantially increased their giving rate over the past year, as well as our many staunch corporate donors and individual friends who made gifts to the University even during an economic downturn.

Each year there are more significant developments at the University than could even be mentioned in this letter, and many of them are made possible in part by the generosity and goodwill of our benefactors. A few examples include Lindenwood's recent initiatives in intercollegiate athletics, the endowed emergency textbook fund, the single-parent program, the expanded Harmon Hall and Center for Business and Entrepreneurship, the high-tech Dunseth Auditorium in Harmon Hall, new campus art and sculpture, the Welcome Center at the Belleville campus, the remodeling of our fraternity and sorority meeting halls, and further plant and program improvements at the Boone Campus. It is fitting that all of these donor-sponsored projects and programs ultimately enhance the higher education experience of our students.

In response to and collaboration with your essential interest and support, we pledge to continue advancing this school in the best service of our mission and students. In the meantime, please continue sending us your thoughts, impressions, and suggestions.

Very sincerely yours,

James D. Evans, Ph.D.

President

The Honor Roll of Donors represents the generosity of Lindenwood friends and alumni during the past year. Through their support, they have helped Lindenwood University continue its mission to provide a values-centered education for all students. We honor these members of the Lindenwood family for their steadfast belief in the principles that guide Lindenwood University. The list below denotes gifts received between July 1, 2009, and June 30, 2010.

Ways Of Giving

Lindenwood University has made quite a difference in the lives of thousands of students during its 183-year history. The opportunities that many of these students have received were made available through the generosity of alumni and friends who wanted to make a lasting gift to the University.

You, too, can impact a student's life through a variety of programs available to alumni and friends, such as the Endowed Scholarship or Honors Award program. We currently have many established gift programs that help support students involved in the arts, education, sciences, communications, business, and other academic programs.

You can

- establish a scholarship or honors award
- establish a professorship
- pursue a naming opportunity

GIVING OPTIONS

Bequests

A will is the easiest and most effective means to ensure that you provide for your family and that your assets will be distributed as you wish. Ask your financial advisor about bequest options and assistance.

Appreciated Real Property

Donations of appreciated property can provide both a generous contribution to Lindenwood and financial benefits for you.

Gifts of Securities

Transfer of stock and other appreciated securities to Lindenwood can give you a substantial tax savings. Donors can receive an income tax deduction equal to the fair market value of the stock on the date of the gift — thus reducing your taxable capital gains.

Charitable Gift Annuity

This gift frees up your assets in order to generate current income to you during your lifetime. You make an initial gift to Lindenwood and then a set payment is paid during your lifetime or at a designated time, such as retirement.

Charitable Remainder Trust

This is a managed and invested trust that provides you and/or other beneficiaries you name with a stream of income for life or a period of years. Almost any asset can be used to fund the trust, and the trust can be tailored to suit your personal financial needs. A charitable remainder trust can have substantial tax benefits for you.

Charitable Lead Trust

This is almost the opposite of a charitable remainder trust. Instead of the donor's receiving the income, Lindenwood would receive the income for a specified number of years. At the end of the trust, the remaining principal is returned to you or another person of your choosing. You can potentially receive a charitable tax deduction for the percentage paid to Lindenwood.

Life Insurance

Either the donation of a fully or partially paid policy or the purchase of a new policy naming Lindenwood University as the beneficiary can lead to a substantial deduction for you and generous gift to Lindenwood.

Tax-Qualified Retirement Plan Gifts

With careful planning, gifts of tax-qualified retirement plan assets, such as IRAs, can reduce your taxes and allow for a charitable gift. The University will be the effective steward of your generosity.

*Building trust
is fulfilling your promises to the community.
We live it and teach it.*

Butler Society

The Butler Society is named after Colonel James G. and Margaret Leggat Butler, Lindenwood's most generous supporters during the 1900s. Today, the Butler Society honors a distinguished group of loyal friends who have followed in the Butlers' footsteps by committing their resources to promote the rich heritage of Lindenwood and support its vision for the future.

The Sibley Heritage Society takes its name from Major George and Mary Easton Sibley. Members of this esteemed group join hearts, hands, and minds to ensure Lindenwood University's future for generations to come. The society recognizes those who plan for Lindenwood's future by including the University in their estate, by making a gift of a paid-up insurance policy, or through planned gifts such as trusts, annuities, etc.

Endowed Scholarships

The purpose of the Endowed Scholarship Program at Lindenwood University is to assist deserving young men and women in financing their education and to recognize the generosity of the individual donors who support and encourage them. Lindenwood University accepts students from a large pool of outstanding applicants each year, but many of them cannot pursue their educational goals without financial assistance. These scholarships, combined with other assistance such as Work and Learn, provide students the opportunity to achieve their goals at Lindenwood.

A scholarship is fully endowed when the fund principal meets or exceeds \$25,000. An individual, family, group of friends, or a business may establish an endowed scholarship fund with an initial gift of \$1,000.

Additional gifts will be applied to fund the principal as they are received. Interest generated by the fund may be held and applied to the principal to help complete the fund or may be blended with other endowment interest to award scholarships until the fund reaches \$25,000. Only the interest generated by the fund is awarded. The corpus, or principal, of the fund is invested and is not distributed.

Your gift to a Lindenwood University endowed scholarship fund may also be easily multiplied, because many companies will match the contributions of their employees and retirees. Please contact the Lindenwood University Office of Institutional Advancement at 636-949-4903 if you are interested in participating in the Endowed Scholarship Program.

Honors Awards

The purpose of the Honors Award Program at Lindenwood University is to annually honor deserving young men and women and to recognize the generosity of the individuals, families, and organizations who support them. Every spring at the Honors Convocation ceremony, these awards of merit are presented to students who demonstrate outstanding examples of leadership, scholastic performance, loyalty, and service through academic and extracurricular activities at Lindenwood University.

It's easy to get involved in the Honors Award Program. An honors award fund is considered permanently endowed when the fund meets or exceeds \$10,000. An individual, family, group of friends, civic or social organization, or business may name an honors award with an initial gift of \$1,000. Gift payments may be made to the named award fund monthly, quarterly, or annually until the fund is fully endowed. Funding must be completed within 10 years after the initial gift. Please contact the Lindenwood University Office of Institutional Advancement at 636-949-4903 if you are interested in participating in the Honors Award Program.

Lynn Harmon, Grace Harmon (center) and Janis Dickson. The Harmon family has supported Lindenwood for decades not only through Honors Awards, but many other scholarships and gifts.
