## Fall Festivities

Homecoming '98 will feature fun for students and alumni alike

The Lindenwood Homecoming celebration of the 1998-99 school year will be a joining of the past and the present. The football team is out of the shadow of its past, and has moved on to an undefeated season so far, getting ranked in the NAIA poll. Culture shock is sure to ensue when the Lindenwood students of the '90s meet the fashions and sounds of the '70s at the Homecoming dance, themed *Saturday Night Fever*.

The activities of Homecoming are not limited to just these two events. From Thursday October 8 through Sunday October 11,

**Homecoming '97 was a rousing success, with a victory in football, a king and queen coronation, a dance at the LU Club and a variety of other events.**

students will be anything but hard pressed to find something to do. These four days are filled with sports events, art exhibits, pep rallies, and a bonfire (see student activities calendar on page 2). Also students are invited to participate in a dorm decorating contest.

On Saturday the football game featuring the undefeated Lions vs. Benedictine College promises to be entertaining. It starts at 1:30 p.m. at the Harlen C. Hunter Memorial Stadium. Come root the Lions on to victory as they look to extend their undefeated season.

The culmination of the events will be the dance held at the Lindenwood University Club Saturday night from 9 p.m.-1 a.m. Tickets are \$7 and, following with the theme, not only can you wear the standard semi-formal attire, but '70s disco attire is appropriate. Your tickets to boogie will be for sale all this week in Ayres Dining Hall.

If you think you don't have anything to do this weekend, you are lying to yourself. Get out, get involved, and enjoy a meshing of the past with the present during Lindenwood's Homecoming.

# KCLC to celebrate 50th at Lindenwood Homecoming

From its humble beginnings 50 years ago as a 10-watt carrier current AM station, KCLC has evolved into a 25,500-watt FM station and is the centerpiece of one of the best college broadcasting programs in the country.

To celebrate KCLC's 50th birthday, station general manager Glen Cerny has been working diligently with Lindenwood's National Broadcasting Society Chapter to

bring back some distinguished alumni who spent many an hour at KCLC preparing themselves for the working world.

On Oct. 9, some of the alumni have agreed to participate in some hour-long seminars between 9 a.m. and 4 p.m. The alumni will offer thoughts on broadcasting and their careers.

There will be seminars for students in most fields of study, so be sure to look for the

### Career Development . . .

Let the Career Development Office help you with your job search. If your graduation date falls on or before December 15, 1999, you are eligible to become a part of the LIONetwork Placement Catalog.

This catalog will be distributed to more than 1,000 prospective employers in March. Ninety-eight percent of the students featured in the 1998 catalog have already been placed in full-time positions or graduate school.

Stop by Butler 100 or call 949-4806 to complete a Talent Accomplishment Profile today.

### Campus Life . . .

The long-awaited arrival of the mailboxes is finally over. The Lindenwood University Post Office became operational on Oct. 5. If you have not done so already, please stop by and pick up your mailbox combinations. Jason Moore will be manager of the post office. If you have any questions concerning mail, please contact him at extension 4980. His office is located in Butler Centre. Butler Centre held its Grand Opening on Oct. 5. The Centre is open for students and their

guests only.

Hours of operation are from 8 a.m. to midnight, Monday through Friday, 9 a.m. to midnight on Saturday and noon to midnight on Sunday. There are plenty of special activities planned, so keep an eye out for dates and times.

The center is equipped with a large-screen television that will be used for movie nights and special theme parties. The center also offers a variety of board games and other entertainment and has numerous places to meet up with friends.

### Work and Learn Office . . .

The following is a sample of the opportunities available through the Work & Learn Office:

- Work concessions for the Homecoming game on Oct. 10.
- The St. Charles Chamber of Commerce is looking for individuals with leadership potential to represent Lindenwood University.

Call 949-4990 or stop by the Work and Learn Office in Butler 100 (The Leadership Center) for more information on these and other make-up work and learn opportunities.

### Alpha Sigma Pi

The Brothers of Alpha Sigma Pi would like to take a few minutes to let you know what's happening with us over the next couple of months. To start with, we had a great turnout for Rush. Some of the finest men on campus came out to find out about the ways to "better the man."

We recently had our pledging ceremony, which was an absolute success. After the ceremony, we sponsored a team for the humanics golf

tournament (which won third place) and several brothers helped run the event. (No, that's not why we placed.)

Next up is a charity on Halloween at St. Joseph's Hospital, where we will try to make the hospital stays for some children there a little better. We will do another charity along the same lines at Christmas for children at Head Start.

And, as always, we will have weekly meetings to discuss the policies of our fraternity – what we can do to improve our

community and how we can help ourselves to "better the man."

For the women on campus, we are developing an escort service that will be stationed in Butler Hall and available to women walking to parking lots and other nearby locations in the evenings. Watch for flyers about the escort service soon.

For any man interested in bettering himself, our meetings are every Monday at 9 p.m. in Young Auditorium, or call Nguyen Vong at x4359.
