The student on the left is a young woman with glasses and a denim jacket, holding a tablet. The student in the middle is a young woman in a white top and patterned skirt, holding a red folder. The student on the right is a young man in a striped t-shirt and a grey cap, holding a folder. The lighting is bright and natural, coming from the side.

Lindenwood University has one of the largest athletic programs in the United States competing in NCAA Division II and a variety of other conferences and divisions. We believe the athletic field is one of many stages on which our students display the perseverance, values, and work ethic that we teach here. When our athletes graduate, the education they receive at Lindenwood helps them to continue enjoying incredible successes, whether as professionals on athletic fields or professionals in their fields of study. Lindenwood Lions proudly don the black and gold and have even gone on to win Olympic gold. Now that's real.
