10. Removes discrimination against women, assuring them equal civil and political rights.

Vigorous Campaign Urgently Needed To GET OUT THE VOTE FOR the NEW CONSTITUTION Tuesday, February 27

Missourians Face Most Important Issue Since 1875

At the Special Election, Tuesday, Feb. 27, Missourians face the most important issue in seventy years.

On that day you will go to the polls to vote on the proposed New Constitution and a Greater Missouri.

Times Have Changed!

Much of the present Constitution is still good—still valuable to the state. *Those parts have been retained!* But, unfortunately certain parts of it are outmoded. After all, the present Constitution was born 70 years ago—in stagecoach days! It has been amended 60 times. The result is a crazy-quilt, patched-up affair.

The New Constitution makes it possible for Missouri to have government in keeping with its greatness as a State. The New Constitution is a well organized, entirely practical document. It is geared to today. It brings the flexibility to state and local government that is absolutely essential to Missouri's functioning as a great state in the postwar era.

It is designed to bring a better, happier life to you and yours. It is written in the interest of the state as a whole. This Constitution is

NOT one of special privilege, but one *against* special privilege.

Build a Greater Missouri

You and all of us want our boys and girls in the service to come home to a strong, sound Missouri—one better equipped to stand the rigors of any depression or other changes the postwar period may bring.

You have a tremendous stake in this New Constitution. You and other Missouri citizens have invested approximately \$1,000,000 to secure its numerous benefits. *Its savings will many times offset the cost.* Its benefits are now within your grasp. It would be tragic to lose them. Indifference and complacency on the part of voters can deprive Missouri of the great future the New Constitution will give our state.

Get Out the Vote!

It is essential... more, it is urgent... that Missouri voters know how they... and how the state as a whole... will benefit so tremendously from this fine new document. This must be brought home to Missouri voters so emphatically that they will flock to the polls on Tuesday, February 27.

This won't "just happen." A vigorous campaign is necessary to inform the voters and to *get them out to the polls.*

You can play a most important roll in this great effort to make our state a better place in which to live. We most earnestly invite you to join with us in the campaign to attain this worth-while objective.

HOW YOU CAN HELP...

Your help is urgently needed in the campaign for the proposed New Constitution and a greater Missouri. Here are some things you can do:

- Line up your friends, neighbors and associates.
- Supply them with educational literature.
- Have them sign and mail pledge cards. No postage required.

(If your local or county campaign committee cannot supply pledge cards and literature, notify Missouri Committee FOR the New Constitution, Room 300, 511 Locust Street, St. Louis 1, Mo.)

- Offer your services to the local organization being formed in your community to support the proposed New Constitution. If none is being formed, get in touch with State Headquarters and help will be forthcoming.
- Get organizations to which you belong to endorse the New Constitution and notify State Headquarters. Distribute pledge cards and literature to their members.
- On election day, Tuesday, February 27, be sure to remind those with whom you have talked to vote FOR the proposed New Constitution.
- Remember—service men and women can vote in this election. If you are next of kin to a service man or woman, apply to your County Clerk or Election Board for a ballot to be sent to your relative in the service.
