Message from the President

Dear Lindenwood Student:

We prepared this handbook specifically for you and hope you will use it to optimize your college experience. Your success – your personal, intellectual, and professional development – is of paramount importance to Lindenwood. This University exists because you do, and we measure our success by your success.

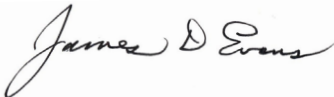

You will find that this grand institution, now 184 years old, has a uniquely warm and supportive campus culture. That culture consists of traditional American values, old and new customs and rituals, beliefs and legends, heroes and characters (whom you will identify for yourself), and a great deal of community spirit and mutual regard. From your perspective, campus culture will also become increasingly populated with lifelong images and memories as you experience Lindenwood through the coming months and years.

Other important components of any community of higher learning are the policies, procedures, rules, regulations, support structures, and services that determine academic and behavioral expectations and ensure effective behavior and coping. This handbook provides you with information on most of those vital items. Please take the time to read it, and then store it in an accessible place for regular use and reference. If you should lose this copy, you will be able to obtain a replacement from the Student Development Office at any time. We also have posted the handbook on the Lindenwood Website – www.lindenwood.edu.

The contents of this publication communicate Lindenwood’s philosophy of student development. We believe in educating the whole person – socially, physically, morally/spiritually, and intellectually. We consider all of our students to be adults and expect each of them to think, speak, and act as an adult. Relatedly, we insist that both our staff and our students exhibit mature adaptation to a rule-governed society. We believe in the dignity and worth of every individual and promote mutual respect among all members of our community. As you can gather from this publication, our goal is not just to provide you with academic content (although that is important in its own right). We intend to prepare you to be a successful professional in your chosen field and a mature human being in all areas of life.

So welcome to Lindenwood – the University that has always placed its students first. It is my personal hope and expectation that you will find the path for your life here. Please do not hesitate to let us know how we might facilitate your experience of self-discovery and actualization on this campus. Enjoy your college years and make the best of them. They are here for just an instant, but their effect will last a lifetime.

Very sincerely yours,

James D. Evans, Ph.D.
President

Message from Student Development

Dear Students:

We encourage you to take full advantage of all that Lindenwood has to offer. In addition to the outstanding academic opportunities available to you, this is an exciting time to be a student at Lindenwood and participate in our expanded activities, athletics, and fine arts programs. Lindenwood has expanded its list of concerts, dances, intramural programs, and a myriad of other student events. The Lindenwood Student Government Association plays an active role on our campus and with campus events. Our Fine and Performing Arts Center features outstanding student productions and performances as well as national acts. The Evans Commons, our new and exciting student center, is a great addition to our campus. Between our NCAA II teams and Student Life sports, we feature 49 athletic programs, giving our students a wealth of opportunities for participation and event attendance.

There are so many opportunities to be involved, and we urge you to be an involved student at Lindenwood. Employers want college graduates who do well in their classes and are active in the University. Lindenwood offers that opportunity to you. Please take advantage of the many opportunities that await you at Lindenwood. Our goal at Lindenwood is your success, because your success is our success.

In addition, Lindenwood is proud of the availability and volume of use of the student email system, Lionmail, as well as the Emergency Text Message Program. Both forms of electronic media are offered to enhance, expand, and empower students by providing University-related and/or emergency information. Please be aware that official University notices are frequently sent to students' Lionmail accounts. Therefore, students should check their Lionmail regularly as they are accountable for the information conveyed via this medium.

If you need assistance procuring access to either communication medium, please visit the Student Development Office located on the fourth floor of the Spellmann Center.

Sincerely,

Dr. John Oldani
Vice President for Student Development

LionMail

Lionmail is available to all currently enrolled students, undergraduate and graduate, part-time and full-time. Therefore, official University correspondence will come via this communication medium. Students are responsible for being aware of and responding to all University emails sent to them. Failure to do so may result in missing important deadlines, opportunities, or other need-to-know information.

Emergency Text Message Program

The Emergency Text Message Program is designed to disperse important alerts or emergency information, such as class cancellation due to weather conditions or negative activities affecting the campus. All students are automatically enrolled in the service with their Lionmail email addresses and mobile phone numbers if one is provided. Participation in the program is voluntary and students can opt out, but the University strongly encourages everyone to participate to ensure all are apprised of pertinent information.

Welcome to Lindenwood – A Proud Past and a Promising Future

Amid the beautiful linden trees, Lindenwood University was founded 184 years ago on the highest ground between two rivers. Today, it is the second oldest university west of the Mississippi River. Since 1827, when it was founded by pioneering educators Mary Easton Sibley and George Sibley, Lindenwood has enjoyed a reputation as an innovative force dedicated to liberal arts education in the highest sense of the term.

Mary Sibley, along with her husband, George Sibley, himself a prominent pioneer and frontiersman who helped chart the Santa Fe Trail, sought to establish an institution that would reach across all fields of knowledge. They wanted their school to teach a solid academic core and a balanced sense of self-worth, which accompanies dedication to the larger community and nation, and to be an institution that is always up-to-date in teaching the breadth of the liberal arts along with attention to the details of the sciences, seeking to synthesize all knowledge in an effort to educate the whole person.

Lindenwood has changed through the years in keeping with its innovative, pioneering heritage. A number of new programs and delivery formats are offered at both the undergraduate and graduate levels to meet the ever-expanding horizons of our student population—a population that now includes a wide range of working adults and professionals in addition to record numbers of traditional-aged university students.

This academic year, more than 17,000 full- and part-time students will attend classes at Lindenwood University. Approximately 4,000 of those students will live and work on the beautifully wooded residential core of the University. Campus residence halls and classroom buildings are newly renovated and modernized. There have been eight new dormitories built within a 10-year period. The \$20 million Evans Commons, a student union located adjacent to the Performance Arena, recently opened. This facility is for 100 percent student use.

The innovative, pioneering spirit of education the Sibleys challenged Lindenwood to share with its students certainly flourishes today. More than 30,000 alumni continue to distinguish themselves in virtually all fields and walks of life, reflecting not merely their excellent academic preparation but their development as balanced, whole persons. Lindenwood continues that tradition by preparing liberally educated, not merely specialized or trained, responsible citizens.

Lindenwood seeks to balance formal learning in the classroom with a wide range of extra- and co-curricular experiences designed to provide education for lifelong learning, education that continues to prepare individuals for success as responsible citizens while insisting that they be their very best.

An Understanding of Commitment

Lindenwood University is committed to the development of the whole person within a values system that acknowledges the University's Judeo-Christian heritage and focuses on four-dimensional personal growth: mental, social, physical, and spiritual. Resident life helps students establish good learning skills; gain a broad range of knowledge and understanding about the arts, humanities, and sciences; obtain social and physical enjoyment through athletic and recreational activities and special events; grow in capacity for work, achievement, and leadership; and experience self-discovery and personal fulfillment that will serve a lifetime.

The University community seeks to foster peace and harmony by maintaining order and stability. Policies and rules help to establish order and serve the common good. The Lindenwood University community is a voluntary society that asks you as its member to possess a loyalty to the institution and personal commitment to growth, education, and the community.

Your activities affect both you and others. In choosing to be a part of this learning community, you agree to be responsible and act in such a way that reflects favorably on yourself and the community. You are expected to abide by established laws. You are expected to conduct yourself at all times in a manner that exemplifies respect and seeks the best interest of all members of the community.

Responsible members of the Lindenwood University community demonstrate respect for self, others, and their institution by

- exhibiting personal qualities of honesty, fairness, integrity, and accountability;
- developing interpersonal relationships that enhance the quality of life on campus by treating other persons with respect and dignity;
- relating to others in a manner that assures their physical safety, emotional health, and psychological well-being;
- abstaining from any form of intimidation and harassment that causes fear, threat, or discomfort on the part of others;
- respecting the rights of students and staff by remaining reasonably quiet in the residence halls, classrooms, library, and laboratories;
- respecting the physical property of the University and of other students;
- striving to enhance the physical and mental health of all persons by not using, possessing, or providing others with alcohol, illegal drugs and chemicals, or other harmful substances;
- respecting traditional Judeo-Christian values;

- abiding by all policies of the University and fulfilling all contractual agreements with the University;
- abiding by the laws of the city, county, state, and nation.

When your behavior or attitude does not conform to these standards, you will be counseled in a personal, patient, and just manner. Referrals may be made to a University official for personal inventory, self-evaluation, counseling, and advice. Correcting behavior and fostering personal growth is more desirable than punishment. However, disciplinary action will be taken when warranted. The University reserves the right, with proper notice, to deny admission or dismiss a student whose behavior and living habits are judged to be detrimental to the welfare of the community.

The Mission of Lindenwood University

Lindenwood University offers values-centered programs leading to the development of the whole person—an educated, responsible citizen of a global community.

Campus Culture

Lindenwood University believes in the importance of co-curricular activities as a valuable supplement to classroom learning in the total educational experience. The Office of Student Life and Leadership, located in the Evans Commons, serves as a coordination center on campus and works with the Lindenwood University Student Government Association Senate and student organizations in facilitating their activities and projects. Various student-organized programs and events are scheduled throughout the year. Included are the programs, meetings, and other events of the Lindenwood Student Government Association, Greek organizations, and other student organizations. For a complete listing of events, click on the “calendar” link on the Lindenwood University homepage (www.lindenwood.edu).

Student organizations are an integral part of university life, providing opportunities for students to design and implement programs, events, and activities that extend and amplify the goals of Lindenwood’s mission. Students may complement their academic experiences by becoming involved with some of the 70-plus student clubs and organizations. Along with Student Life and Leadership, student organizations are the major scheduling sources for lectures, movies, dances, entertainers, and a wide variety of other events planned to satisfy the diverse needs and interests of the Lindenwood University community. It is necessary for each organization to complete a renewal recognition form through the Student Life and Leadership each academic year and to provide the name of a faculty or staff advisor, an LSGA representative, a current constitution, and a current list of officers and members. Contact Student Life and Leadership for details.

The role of the Lindenwood Intramural Activity program is to involve the student body, faculty, and staff; enhance the overall University morale; and increase satisfaction with campus life. Participating in the intramural program will, in effect, raise levels of physical, mental, and social skills development as well as develop positive time management habits. Current LU intramurals include flag football, washers tournaments, basketball, sand volleyball, dodgeball, powderpuff football, dance classes, charity activities, soccer, kickball, and ping-pong. All events are publicized through Student Life and Leadership. LU intramurals are also on the Lindenwood website under the Athletics link. For more information, call (636) 949-4613.

Student Responsibilities: Policy and Procedure

Lindenwood University views a resident's experience in group living as an opportunity to learn, live, and work with others of varying ages, cultural backgrounds, and interests. Resident advisors (RAs) are available throughout the buildings to provide a support system for the students. Each facility is supervised by a resident director (RD) who lives in the residence halls. Together with their RAs, RDs oversee the general safety and well-being of the residents, assist and support

students with the daily challenges of University life, and coordinate maintenance and housekeeping activities within the buildings.

The Director of Housing has overall responsibility for student housing. Students are encouraged and expected to take responsibility and to be responsible to the community in which they live. Active participation in residential activities aids residents in developing a sense of community spirit. Resident students may direct questions, concerns, or ideas about residential living to an RA or RD or to the Director of Housing or the Dean of Students.

Absence from Residence Halls

Students who become ill, are involved in an accident, or for some other reason are going away from the residence hall for a time period exceeding one day should inform their RDs so that the students can be reached in the event of an emergency. The Housing Office occasionally receives calls from residents' parents/guardians regarding their whereabouts. By informing your RD of your travel plans, you enable us to keep your family informed in the event of an emergency.

Checking Into Residential Housing

All residents are required to complete the check-in procedure at the beginning of each semester. Students must first report to the designated check-in area (see the LU website or refer to LU Lionmail for location), complete the process, and obtain their student ID cards and their key cards for their housing assignments. Upon completion of the check-in process, the student may proceed to his or her assigned residence hall to check in with the resident director, receive a key, and move in. Failure to complete the official check-in process will result in a fine to be assessed to the student's account.

Checking Out of Residential Housing

All residents are required to check out of their housing assignments at specific times each year (see holiday closings) and will receive reminders of these move-out dates at their residences. At the end of each semester, the residents are required to return their keys to the resident director prior to leaving for the break.

Prior to your departure, the resident director is required to assess any possible damage that might have occurred to your residence. Also, rooms must be returned to their original state (personal items removed, tape and staples removed from walls, and left in clean condition with all trash removed and properly thrown away). In multi-occupancy rooms, the first person to leave is responsible for settling with other roommates any concerns about the physical state of the room, including damaged or missing equipment. Cleaning the room and returning the individual room keys to the resident director is the responsibility of each individual. In the event that a room is

left dirty, all individuals will be charged. An additional fee of \$100 will be assessed for improper checkout. Appeals for improper checkout or any other damage charges must be addressed with the resident director.

Conference Travel

Students are encouraged to make their own travel arrangements but are permitted to travel to a conference in a faculty member's vehicle if they sign a waiver releasing the professor and Lindenwood from any and all liability associated with the particular outing.

The Lindenwood Student Scholars Fund supports travel for the purpose of reading a paper or other scholarly work, presenting a poster session to communicate a scholarly work accepted for presentation at the event, serving as a moderator or invited discussant in a scholarly panel, or exhibiting one's artistic productions that have been explicitly invited or accepted by the organizers of the event. Applicants must be currently enrolled at Lindenwood University and must provide documentation of having been invited or accepted to present a scholarly project or serve as a discussant in a panel session. An undergraduate student may be awarded up to \$300. A graduate student may receive up to \$500.

Dress Code

Students are expected to dress in a manner consistent with the location and nature of their educational activities. Failure to do so will result in the removal from a class session and possibly the course or even the institution. Notification of inappropriate attire may come from a staff member, instructor, or any other University official. It is at the University representative's discretion to ask the student to change his/her attire. Students failing to comply will be subject to the above disciplinary action. Specifically, students should not wear attire to class or University functions that could be categorized in one of the following ways:

- clothing and accessories that contain vulgar, derogatory, or suggestive diagrams;
- pictures, slogans or words that may be interpreted as racially, religiously, ethnically, or sexually offensive;
- clothing symbolic of gangs or disruptive groups associated with threatening behavior, harassment, or discrimination;
- sheer pants.

Guests

Any guest of a student who is visiting the campus and staying overnight must be pre-approved and registered with the Student Development Office by the Director of Housing and the Dean of Students. No visitation will be allowed unless specifically approved on an individual basis. Male guests must be housed in men's residence halls and female guests in women's residence halls. All guests must pay cash for meals taken in the cafeteria. The University holds the student responsible for the behavior of any guest and for informing the guest of the University's policies. There is a three-day limit on all approved visits.

Invited guests of residents must use the front door of the residential facility and be properly checked in according to the regulations of the facility. Arrangements should be made by the residents to meet the guests in the lounge or at the front door.

Visiting guests must be accompanied by their hosts at all times when on campus and

in a residential facility. Resident hosts are responsible for their guests until they are escorted out of the residence and have left the campus.

Visits by parents or family members of the opposite sex are permitted by notifying the resident director and making a courtesy announcement to other students sharing the facility. Unauthorized guests, especially non-family juveniles under the age of 18 and uninvited or inconsiderate persons, are not welcome in campus residences or on the campus and are considered trespassers. Parents are not authorized to remain in the residence overnight.

Violations of the regulations may result in immediate dismissal from the University. Lindenwood University students visiting dorms other than their own will be considered guests and must check in as such.

Holiday Closings

For security reasons, residences are closed and locked at 4:30 p.m. on the last day of classes before each holiday/break. They will re-open at noon on the day before classes resume. Lindenwood University encourages students and their families to make travel plans early in accordance with this schedule. All residences are closed for Thanksgiving, Christmas break, and spring or Easter break. Dates of vacation breaks are available in the Office of Academic Services and online (see Academic Calendar in the Course Catalogs and Schedules of the LU Web site).

Failure to leave by the designated time or returning before the halls re-open will result in charges being added to the student's account. Students must address special circumstances in writing to the Housing Office, which must be approved by the Director of Housing at least one week prior to the date in question. Location designation will be made on a space-available basis. Students remaining on campus during these breaks may be required to relocate to other residences. It is the responsibility of the student to contact the Housing Office two days prior to check-out day to verify if he or she has been approved to stay accordingly. A charge will be made to the student's account based on the approved period of the stay. Also, food service ends after lunch on the day of residential closing and resumes at breakfast on the first day of classes. Students remaining during the break may request food by completing a food request contract. Payment for these meals must be made in advance to the Business Office. The contracts are available in the Spellmann Center cafeteria.

As students prepare to leave for holidays or breaks, they should make certain they have disconnected all electrical appliances, locked windows and doors, and removed all opened food items from the residence. University staff will make health and safety checks during this time. Additionally, the University does not provide storage of belongings during the summer or other vacation/break periods.

Quarter or trimester students who are not on the traditional housing schedule may be asked to relocate temporarily.

Housing Assignment

Rooms are assigned by the University to each new resident student. The room is to be used and occupied as a residence by the student and for no other purpose. The University does not guarantee to assign the student to a specific room in a specific residential building, nor does it guarantee to assign a specific roommate to share the space. Rosters are maintained as official records of the University. Assigned rooms are held for the students for 48 hours from first date of classes. Students must notify the Director of Housing of late arrival in writing. If no arrangement has been made, the room may be reassigned. Room changes may be requested after the first two weeks of each term. Approval for the change is granted by the Housing Office. Students changing rooms must follow the check-out and check-in procedures supplied by the Student Development Office. Any resident living in an under-occupied room/house must be prepared to receive a roommate at any time. The Housing Office may consolidate assignments for students who do not have roommates. Consolidation may include moving to another room/house. For specific information regarding the consolidation process, contact the Housing Office at ext. 4848 or 4312. If a student's roommate moves to another location on campus, withdraws, graduates, or leaves the University for any reason, the Housing Office may request that the student move to another room. All room assignments and changes are made by the Housing Office. Unauthorized room changes will result in a \$250 fine.

Each spring semester, returning students participate in a priority assignment process and will be notified of the dates by letter to their residences and through the LU Lionmail system. Priority assignment allows returning students the opportunity to select their rooms and roommates for the next academic school year. Students may reserve the same room by following a process through their student portal. Students are permitted to sign up for new rooms based upon their class year. (The class year is determined by the number of credit hours that have been accepted by the University.)

In order to remain in campus housing, all residential students must be enrolled in classes for the upcoming semester (12 hours for undergraduate students, and graduate/quarter students should refer to their program requirements for full-time status). Any student falling below full-time status will be asked to leave Lindenwood housing. Failure to register for classes by the last day of the term will result in the loss of a housing assignment.

Each resident student must complete a housing contract. Once resident students sign their housing contracts, they are bound to the contracts for the entire time they are enrolled in classes as full-time students. Students wishing to change to commuter status must first meet with Financial Aid to determine the difference in cost, then proceed to the Housing Office to complete an electronic Change of Status /Check Out form. The housing contract is a primary component of the University's planning process that commits the University to provide a certain level of housing and incurred food costs, regardless of whether the student stays in campus housing every night or eats every meal in the cafeteria.

Keys

Student signatures are required to receive keys to rooms. The room keys must be turned in to the resident director before departure from the University. Lost room keys result in a \$35 replacement charge because the door must be re-keyed for proper security. The Resident Director must be notified immediately about lost keys so he/she can authorize the key replacement. No additional locks are authorized to be placed on any residential interior or exterior doors without prior approval from the director of the maintenance office.

Maintenance Service

Although every effort is made to maintain physical facilities in working order, fixtures and furnishings will occasionally need repair. The procedure for repair or replacement is as follows:

- Minor Repairs: Call the Maintenance Office at (636) 949-4922. You may also e-mail the Maintenance Office at maintenancehotline@lindenwood.edu.
- Emergency Repairs: Call Maintenance during regular business hours or contact Campus Security or your RD after 5 p.m. or on weekends at (636) 262-4622.

Maintenance Personnel are authorized to enter facilities to resolve maintenance requests.

Personal Property

Lindenwood University cannot assume responsibility for the personal property, including automobiles, of students and guests. The University carries no insurance to cover such property losses even in the case of fire, theft, or other disasters. Students are urged to consider insuring personal property through a homeowner's or personal-effects policy (preferably by extending the policy carried by their parents). Students should clearly mark personal possessions and maintain records of serial numbered items to discourage theft and aid in filing insurance claims.

Students in non-traditional housing, located in the Linden Terrace and First Capitol housing areas, are not authorized to utilize the basements for storage of personal belongings. Any items placed in these areas are done so at the student's own risk.

Loss or damage to personal property should be reported immediately to the Director of Public Safety and Security. The University can furnish documentation for insurance purposes. All personal property left in residence 48 hours after student's final checkout will be considered abandoned and will be disposed of at the student's expense (please see check-out cost sheet with the Resident Director).

Lost and Found

All property found on campus should be taken to the Campus Security within 48 hours of being found. Security will act as custodians of all found property.

- If an individual finds an object in a public area, such as on the sidewalk, it is his/her responsibility to take it to the Campus Security Office.
- Items left in common areas, such as in the library, will be taken to Security by the personnel in these areas.
- All staff workers are directed to take found items to Security no later than the end of their shift.
- Athletic clothing and other athletic-related items found at the Robert F. Hyland Performance Arena will be handled by the Athletic Department at the arena.
- Items found at the Lindenwood Ice Arena will be handled by the staff at the arena.
- Members of the Lindenwood faculty are asked to use discretion in dealing with lost property. For example, a textbook containing the name and contact information of the owner should, if possible, be given to the student rather than transferred to Security.
- Unclaimed items will be discarded two weeks after the end of each academic year.

Non-Traditional Housing Options

Lindenwood University offers housing for single-parent students. Single-parent housing is a shared living arrangement with two parents per house. Utilities are also provided by the University with the exception of telephone, cable, and Internet. Year-round rental options are available for non-traditional students. Please see the Housing Office for further details.

Quiet/Study Hours

The primary purpose of the residence facility is to foster academic achievement. Where large numbers of people are living together, careful planning and the sharing of responsibility are essential to ensure the best atmosphere. It is necessary that quiet hours be observed by everyone living in University residential facilities. Quiet/study hours are established to allow for adequate study and resting periods for all students. Quiet hours begin Sunday through Thursday at 10:00 p.m. and Friday and Saturday at midnight. The respect that the residents of the facility have for one another is necessary for keeping noise to a minimum for those who wish to study or sleep. The final responsibility for the effectiveness of the plan rests with the student. The residence hall staff determines the acceptable noise level during specific hours of the day. Undue or excessive disturbances of the usual tranquility of the Lindenwood University campus and surrounding community through the use of electronic or other sound-producing instruments and/or vocal levels is not permitted.

Recording Devices

During classroom instruction, the use of cameras, video, audio taping devices, or any other kinds of recording devices (including telephones) is allowed only after obtaining permission from the instructor; otherwise, the use of such devices is prohibited.

Residential Authority and Room Privacy

The University will make every reasonable effort to respect the privacy of students and give prior notice when entry is needed into students' rooms for the purpose of inspection, verification of occupancy, or maintenance. The University reserves the

right to enter without notice for such purposes as necessary to assure compliance with University policies and to meet emergency needs. However, throughout the year, resident directors will be instructed to conduct unannounced inspections.

Bedrooms in the basements of the houses in Linden Terrace and First Capitol are NOT permitted unless designated by the University. Failure to comply may result in disciplinary action to include a \$250 fine. Please contact your resident director if you have any questions. If necessary, the right of entry will also apply to student-owned or operated vehicles located on University property.

Residential Deposit Refund

Resident students are expected to each pay a \$300 fee to reserve their rooms. After the term charges have been paid, the room reservation fee becomes a refundable room deposit. This deposit remains on account at the University as long as the student resides in campus housing. Charges for any damages to the assigned housing during residence will be charged to the student's account. Students are entitled to a deposit refund upon completion of the Student Check-Out Form once all outstanding debts to the University have been satisfied. If a new student withdraws prior to the beginning of a term, the housing application deposit is not refundable. Continuing students must notify the Director of Housing of plans not to return the following term as a resident student and complete the Student Check-Out Form. Failure to complete this process by the date of the last class or exam preceding the departure will result in the forfeiture of the deposit. Application for the refund is available in the Business Office. Appeals on refund calculations for students and parents who feel that individual circumstances warrant exceptions from published policy should be addressed to the Business Office comptroller. The student must submit a written request that includes any evidence that would substantiate the appeal. The final decision to refund the deposit is made by the Business Office.

Upon acceptance for admission, students, parents, and/or guardians accept all the conditions of payment, as well as all the regulations of the University. In making the initial payment of \$300, the student and parent or guardian acknowledge these terms and signifies acceptance of these obligations. No promise or contract that differs from these terms shall bind the University unless it has been signed by the Chief Operating Officer of Lindenwood University. The University reserves the right to increase or reduce fees each year according to changes in fiscal conditions.

Room Furnishings, Possessions, and Care

Students are expected to care for their rooms and residences, keeping them clean and free from damage through carelessness or neglect. All furnishings provided by the University are to remain in place and not be dismantled or removed for any reason without specific authorization. Any plans for room/house modifications beyond the reasonable introduction of furnishings must be submitted, in writing and in advance, to the Student Development Office for approval. Students living in residence halls may not bring personal furniture (such as couches, love seats, recliners, computer desks, or chairs, etc.) without prior approval from the Director of Housing. All Lindenwood-supplied furniture MUST be in place in the room/house upon checkout from the University for the summer months.

Permitted items include small portable refrigerators, electric fans, shavers, hair dryers, electric blankets, coffee pots, and self-contained popcorn poppers. Televisions

and electric equipment are permitted at reasonable volumes, and students bringing such equipment are advised to engrave the items with the owner's name and driver's license or social security number and record the serial numbers of each piece of equipment as a security precaution.

Prohibited items include waterbeds, wireless routers, washers, dryers, pets, dart boards, cooking appliances (such as microwaves, toasters, toaster ovens, electric grills, blenders, and any other cooking appliances, except those mentioned above), barbecue pits, air conditioners, outside antennae, halogen lamps, incense and candles, and empty alcohol containers used as decoration. All exceptions must have the approval of the Director of Housing.

- We recommend purchasing items that have an automatic shut off because irons left on are a serious fire hazard.
- Clothing irons should be used with extreme caution and only on an ironing board. Ironing on beds and floors is prohibited.
- Weapons of any type, including decorative and ornamental, are prohibited.
- Room decorations may be hung on the walls with stick pins or small thumb tacks ONLY in Blanton, Calvert Rogers, Rauch Memorial, Guffey, Flowers, and Mathews Halls.
- 3M products with Command adhesive, white poster putty, or sticky tac may be used in any residence hall on the Heritage campus; however, other adhesive products, nails, or screws are not permitted anywhere for hanging decorations. Shelves or units that need to be attached to walls are NOT permitted.
- Room painting is also prohibited, except when approved in advance and in writing by the Business Service Center. Rooms that are painted with colors unauthorized by the Maintenance Office will result in a charge to have the room repainted.
- The use of signs, flags, and pictures as window coverings is unacceptable, and except for emergencies, windows are not to be used as an entrance or exit. Controversial flags are unacceptable as room décor.
- Out of respect for others, smoking is not permitted in any resident hall hallway or public area.

Telecommunications

The campus switchboard is located in the Work and Learn Office in the Spellmann Center. Dorm rooms are assigned an extension number and voice mailbox. There is a \$180 per term communications fee for semester students living on the main campus. The fee provides “local” telephone access with Metro calling, voice-mail, and cable TV services. It is strongly recommended that all students living in residence halls utilize the telephone service provided by the University in addition to cell phone use. Students must provide their own telephones, computers, and televisions. The University provides two complementary high-speed Internet connections per dorm room. If there are not enough high speed Internet connections for the number of students assigned to a room, please contact your resident director to resolve the situation. Further, the use of wireless access points and or wireless routers is prohibited in the dormitories. These devices may cause interference with Lindenwood’s network and could degrade network connectivity in the dormitories. These devices will be confiscated by Security if found being used on campus and or the dormitories.

Residents not living on the main section of the campus (Gamble Hall, First Capitol, and Linden Terrace) will need to make arrangements directly with the telephone company for installation and service. It is recommended that students who will be sharing the cost of having a telephone subscribe only to the basic service and use a calling card for long distance calls to prevent potential disputes over monthly long distance charges. Pre-paid calling cards are available at the Spirit & Supplies Shoppe. If students wish to have cable TV services or high-speed Internet, students will also need to make arrangements directly with the cable and/or Internet provider(s).

All telephone, cable TV, and Internet jacks are inspected prior to student check-in in dorms for functionality. If any jacks are destroyed, the cost of replacement will be the responsibility of the student. Fees range from \$30 to \$60 per student. Courtesy and consideration of those using the telephone is requested of all students. Acceptance of

collect calls on University phones is prohibited.

Visitation

Visitation within residential housing must be managed with concern for personal safety and security and consideration for the well being of all students. Visitation by members of the opposite sex is authorized in the traditional residence halls under strict University policy guidelines as posted each semester. However, like visitation within one's home, the privilege requires certain understanding, restrictions, and responsibilities. Violations of the regulations may result in immediate eviction and/or dismissal from the University.

A visitor is defined as any person who does not reside in a particular residence hall and is 18 years of age or older. Visitors under the age of 18 are not allowed. It is the responsibility of the host to ensure his or her guests are aware of University policies and rules and that those rules are followed. Visitors who are in violation of the rules will be asked to leave and the host could face disciplinary action. Residents are required to meet their guests at the main entrance and to accompany them at all times.

Visitation Policy

The visitation policy is based upon the University's confidence in the ability and willingness of Lindenwood students to make mature decisions about their social behavior. It rests on a major principle that no individual has the right to infringe upon another's freedom, privacy, or safety. Visitation is a privilege that is granted by the University because it has faith in the student's ability to be responsible.

A visitor is defined as any person that does not reside in a particular residence hall and is 18 years old or above. It is the responsibility of the host to ensure his or her visitors are aware of University policies and rules and they are followed. Visitors who are in violation of these rules will be asked to leave, and the host could face disciplinary action.

Residents are required to meet their guests at the main entrance and accompany them at all times. Violation of these rules may result in the loss of privileges and disciplinary action. Repeated policy violations could result in the student being evicted from University housing.

Any student may decline to allow his or her roommate to have visitors in the dorm room because of personal preference or privacy. A student who objects to visitation must register the objection with his or her resident director in writing. The resident director will keep the petition on file and inform the roommate of the objector.

A person who wishes to have a non-Lindenwood student visit the campus for visitation to include in-room must submit a request, in writing, to the Director of Housing with the name and birth date of the individual he or she wishes to have visit and the dates of the visit and must insure adherence to established guidelines.

During room visitation, room doors are to remain open when a visitor is present. In order to facilitate in-room visitation, the following guidelines must be adhered to:

1. Resident directors or assistant resident directors are required to be in the dorm

during hours of visitation.

2. Resident advisors must be scheduled to be on duty at their residence during the hours of visitation.
3. All visitors will be required to produce picture identification and the name of the person they are visiting. (No exceptions.)
4. All visitors will be escorted by the person they are visiting at all times.
5. At no time will visitors be allowed to enter the residence without approval from all roommates.
6. If at any time there is not an RD or RA found at the main entrance, visitation will be cancelled immediately.
7. Possession of alcohol will result in cancellation of visitation, followed by disciplinary action. Lindenwood students will be allowed to have non-Lindenwood students in their rooms during in-room visitation hours. Lindenwood students must submit (via e-mail) to the Director of Housing for approval the name and age of the non-student they wish to have visit. All policies will apply. Violation of this policy will result in loss of privileges or disciplinary action.

Dorm: Hours of Visitation

Monday - Thursday: 4 p.m. – 10 p.m.

Friday: 4 p.m. – Midnight

Saturday: Noon – Midnight

Sunday: 12 p.m. – 10 p.m.

Visitation is authorized for Lindenwood non-traditional housing areas. These areas include the First Capital, Linden Terrace, Powell Terrace, and Glenco subdivisions. Below are guidelines that must be followed.

1. Visitation is for the outside of the residence only. At no time will members of the opposite sex be allowed to enter the residence.
2. Visitation will be allowed for the specific times listed below.

House: Hours of Visitation

Monday – Friday- 4 p.m. to dark

Saturday and Sunday – 12 p.m. to dark

Withdrawal from University Housing

Students who decide not to continue at Lindenwood are required to complete a checkout. The checkout process involves a face-to-face meeting with Student Services. All meetings should be scheduled electronically prior to the end of the semester. To check availability and to schedule an appointment, students must access the electronic scheduling system at <http://rich36.com/lindenwood/> and choose the “St. Charles Campus Checkout” option. All residential students graduating or not returning to the University must also officially check out with their resident directors; they must also complete the check out process by the last day of the semester in which the student is enrolled. Student-athletes participating in an NCAA sport should refer to the student-athlete handbook for additional requirements.

Failure to check out properly may result in the loss of the housing deposit. Prior to the student’s departure, the resident director is required to assess any possible damage that might have occurred to the residence. Also, rooms must be returned to their original state; personal items must be removed, tape and staples must be

removed from walls, and room must be left in clean condition with all trash removed and properly thrown away. Cleaning the rooms and returning the individual room keys to the resident director is the responsibility of each individual.

Work & Learn Program (Work Study), Community Work Service

Eligible resident students may elect to participate in the University Work & Learn Program—a practical work experience under faculty, staff, and/or administrative supervision. The program is designed to

- help defray the cost of a University education;
- develop in students a sense of the importance and dignity of working;
- combine with academic studies to build credentials upon graduation and entrance into the public job market;
- assist the day-to-day operations of the University by reducing overhead costs and enabling more University resources to be channeled to greater educational goals for students.

Students are assigned to offices, departments, or facilities and thus have vital “hands-on” responsibility for the life of the University. More experienced persons with positive work records will be selected as group leaders. These students will receive more advanced assignments. The amount of the University Work & Learn award is specified in the original financial aid package that is signed by the student. The signed agreement or contract between the student and the University represents a commitment by the student to cover these University costs through a conscientious and reliable work attitude. No additional compensation will be made for hours worked in excess of the amount specified on the award letter. Work & Learn is a financial aid component, and work must be completed during the period specified by the Financial Aid award. If students do not fulfill their portion of the work agreement, they will be removed from the program, their Financial Aid awards will be adjusted to reflect termination from the program, and they will be expected to find alternative means to pay for that portion of their education. Students have 10 days from the date the notification is sent to contact the Work & Learn Office to rebut this action. Termination from the program is permanent; however, discharged students may appeal for reinstatement not less than four weeks prior to the start of the semester for which they wish to be reinstated. Students can expect to be assigned to, and remain in, their positions for the academic year unless terminated by the Work & Learn Office. Student-athletes participating in an NCAA sport should refer to the student-athlete handbook for additional requirements.

The student Community Work Service program is designed to expose students to volunteer agencies and social programs in the local community and to enable students to be involved in hands-on experience outside their normal disciplines and provide diverse opportunities that will broaden their ranges of marketable talent. Lindenwood University residential students may participate in the Community Work Service segment of their Work & Learn Program during their junior or senior year. This assignment will replace Work & Learn on campus. The student will work an average of 10 hours per week for 15 weeks, or a total of 150 hours, in the participating community service organization. The student’s University account will be credited exactly the same as if he or she had been working on campus.

Academic Advising

Academic advising at Lindenwood University is a collaborative relationship between the advisor and student that is designed to assist the student in

1. developing educational plans and goals consistent with the student's interests and abilities;
2. choosing a major field of study as well as courses that are appropriate for the major, interests, background, and capabilities of the student;
3. understanding the course choices, prerequisites, and requirements;
4. following and becoming familiar with the University policies, procedures, and timeline requirements;
5. maintaining scholastic standards by identifying strategies and resources for academic success, and
6. making timely and satisfactory progress towards a degree.

Academic advisors are assigned based upon the information given to the University on the application for admissions. Students can locate their academic advisors by using the student portal; the advisor's name is listed on the "My Grades" screen. Advisors' office locations, phone numbers, and email contact information are on the University webpage at http://www.lindenwood.edu/contact/public/print_list.cfm. While every effort is made to place each student with an advisor that correlates with the student's discipline and needs, students are free to change advisors at any time. If students wish to change advisors, they may visit Academic Services to obtain a Change of Advisor form and ask for new advisor recommendations. If a student would like to request a specific advisor, he/she may do so by asking the new advisor to sign the Change of Advisor form.

The student will meet with the academic advisor each semester prior to registering for classes, or as needed throughout the semester for advice regarding courses, withdrawing from courses or the University, University policies, or career concerns. A student should expect that the advisor will be knowledgeable about major plans and requirements, graduation standards and requirements, and University policies and procedures. In addition, the student should expect that the advisor will be an excellent resource and mentor for planning internships and employment opportunities within his/her discipline, as well as advising about graduate and professional school applications.

Both the student and the advisor at Lindenwood hold a shared responsibility. The advisor can help students choose coursework, inform students about academic policies and procedures, and help address a variety of academic problems. However, it is ultimately each student's responsibility to be apprised of current graduation requirements for his or her particular degree program and to work successfully toward completion of all required courses. The student should expect to locate and contact the academic advisor to plan all meetings at a mutually agreeable day and time; come prepared to all meetings regarding scheduling with a reasonable expectation of future coursework; and respond to contact from the academic advisor in a timely manner.

By developing a respectful relationship with his or her academic advisor, the student will have a liaison to the University. The advisor is key in helping to match

University resources to the student's personal needs and goals in order to get the maximum benefit from the college experience.

Academic Assistance

Students who experience academic problems are encouraged to consult their professors, advisors, the Dean of Student and Academic Support Services, the Student Success Office, or the First-Year Programs Office. Through the Office of Student and Academic Support Services or the First-Year Programs Office, students can access a broad range of support services and resources, including success advisors, strategies, personal development tools, and counseling referrals. The First-Year Programs office is available to first-year students in the Student Development suite located on the fourth floor of the Spellmann Center or by calling (636) 949-4728. All students may also seek assistance by contacting Student Services and the Student Success Office by calling (636) 949-4768 or (636) 949-4697. Student Services is located on the second floor of the Memorial Arts Building.

Book Ordering

Textbooks for all classes at Lindenwood University are available through BOOK-X-CHANGE. The store is a short walk from campus (2144 First Capitol Drive). Students can rent textbooks, the least expensive option, or purchase them new or used. Books can be acquired in the store, over the phone (636-949-2422), or online (www.LUtextbooks.com). To ensure the proper book selection, students should have a course list when contacting BOOK-X-CHANGE.

Business Office

Located on the main floor in Roemer Hall, the Business Office maintains student billing accounts. All student payments should be sent or given to this office. The Business Office serves the Lindenwood community by assisting students with their accounts and by functioning as a depository for the University. The Business Office mails statements to students on a regular basis, manages the collection of the student receivables, and records University deposits. The direct office number is (636) 949-4969 for questions concerning student accounts.

Margaret Leggat Butler Library

Butler Library prides itself on the service it provides to the students of Lindenwood University. While the library provides all of the traditional services associated with an academic library, the staff has worked very hard to develop services that reflect the changing environment of information resource delivery. In addition, the administration of Lindenwood University has provided support at every level to ensure both traditional and off-campus students have equal access to resources.

Access to over 6,000,000 book titles is available through Butler Library in conjunction with its membership to a statewide academic library consortium (MOBIUS). MOBIUS gives enrolled students physical and electronic access to virtually every academic library collection in the state of Missouri. In order to take advantage of these resources, students must obtain a student ID.

Other research materials are made available to students through Butler Library's website (<http://www.lindenwood.edu/library>). Butler Library subscribes to more than 50 online databases that are accessible through the Library's website. A large

number of the databases provide full-text access to research materials. In addition to the databases, the library has purchased supplementary electronic tools that easily facilitate navigation of these online resources. A valid student ID is also required to access the library databases.

Additional services available through Butler Library are as follows:

- a wireless network to allow network connectivity within the library;
- access to reference librarians in person, via email, or by telephone;
- 25 computers equipped with Internet and the Microsoft Office Suite;
- hardcopy journal collections;
- an interlibrary loan service for any items not available at Butler Library or through MOBIUS.

For current hours, students may contact the library via the following methods: email library@lindenwood.edu; the library website www.lindenwood.edu/library; or via telephone at (636) 949-4820.

Campus Accessibility

It is the guiding philosophy of Lindenwood University to make our facilities, programs, and classes as accessible to individuals with disabilities as practical. In instances where a room or building is not easily accessible, it may be necessary to bring the service or class to the student. It is the responsibility of the student to advise the Student Support and Accessibility Coordinator when special arrangements are needed.

Career Development

The Office of Career Development is committed to helping students make the transition from academic life to the world of work. The Career Development office coordinates on-campus interview and job posting services, bringing together LU students/graduates and representatives from corporations, government agencies, and educational institutions; conducts job search seminars; hosts or co-hosts a variety of networking opportunities; and maintains the LIONetwork—an online career center management program.

For more information about Career Development, stop by the Career Center located on the third floor of the Spellmann Center in room 3175 or call (636) 949-4806.

Communication

Lindenwood's School of Communications offers more opportunities for experiential learning than many other colleges or universities. The campus has a larger population than many towns in the Midwest, and the School of Communications is responsible for keeping Lindenwood's "residents" and the community as a whole informed. Lindenwood students operate these facilities, which are vital in fulfilling this responsibility. This translates into dozens of hands-on learning experiences for students.

The University's communication facilities serve as learning laboratories. The main purpose of the student newspaper, *The Legacy*; the campus radio station, KCLC 89.1 The Wood, and the University's cable station, LUTV, is to shorten the step from classroom to career. The time students invest behind a microphone or in front of a television camera, editing a feature story, or designing a website pays big career dividends. Lindenwood graduates get jobs.

These media options, along with the Lindenwood website, serve as sources of information for and about Lindenwood University. Campus activities, sports, concerts, and performances of all types are announced for the benefit of Lindenwood students and staff as well as the surrounding community.

Computer Labs

A computer lab for student use is located in the Spellmann Center (3rd floor). More than 100 computers are available for students at this location. Valid Lindenwood student IDs must be presented for computer access. Hours of operation are posted. The consumption of food and drinks of any kind is not allowed in the computer lab or any computer classroom. Computer services reserves the right to block websites deemed inappropriate.

Classrooms are not computer labs. Therefore, students should not utilize classroom computers or space outside of a class session unless told to do so by an instructor.

Counseling—The Student Counseling and Resource Center (SCRC)

College life is full of challenges, but sometimes these challenges turn into stressors resulting in feelings of being overwhelmed, isolated, lonely, and unmotivated. The SCRC is available to students who are trying to cope with life's issues and those who may be dealing with more serious issues. Through individual or group counseling, SCRC provides assistance in decreasing student stress, developing an emotionally healthy environment, and helping students to develop, focus on, and increase motivation towards their personal, relational, and career goals.

To contact SCRC, students can either call the center at (636) 949-4528 from 9 a.m. to 5 p.m. or email Professor Marsha Andreoff at mandreoff@lindenwood.edu or Professor Jan Munro at jmunro@lindenwood.edu. A professional counselor will set up a time to meet with the student. Dr. Andreoff and/or Dr. Munro will assess the student's needs and match the student with one of SCRC's counseling interns. During the intake process, the student will be asked to fill out some paperwork. The SCRC follows both state and federal guidelines to ensure the highest level of confidentiality. The Student Counseling and Resource Center is located in LUCC, and its services are free to Lindenwood students.

Disability Services

Students who require special accommodations in either the classroom or throughout the campus are encouraged to contact the Student Support and Accessibility Coordinator in the Memorial Arts Building to obtain assistance.

Financial Aid

Located in the lower level of Roemer Hall, the Office of Financial Aid works closely with the Office of Undergraduate Admissions, students, and families to establish financial aid packages. Financial Aid consists of a combination of Federal (Pell) Grant, (State Grant) Guaranteed Student Loan, Perkins Loan, University Work and Learn, special external funding, Lindenwood University Scholarships, and family contributions. Financial aid packages are finalized based on commitments by the

students, their families, and the University. Any changes or questions must be taken to the Financial Aid Office, where personal and confidential discussions will help ensure students' understanding of the details.

First-Year Programs

The Office of First-Year Programs is committed to providing first-year students with the support and resources needed to have a successful transition to Lindenwood University. This office facilitates a retention program for first-year students, provides services to enhance their academic and personal development, and works towards fully engaging and integrating first-year students into the University community. All traditional undergraduate students who are attending college for the first time and transfer students with fewer than 24 credits are encouraged to utilize the support services of First-Year Programs. The office is located in the Student Development Office (Fourth Floor of the Spellmann Center) and can be reached at (636) 949-4728 or fye@lindenwood.edu.

Identification Cards

Student identification cards are provided at no charge upon registration. The identification card is to be carried at all times. Students are required to present their ID cards at the request of all University and residence hall officials. The ID is required to obtain meals at the cafeteria, to use the library, to cash checks at the Business Office, and to attend various social, theatrical/dramatic, and athletic events. There will be a replacement fee of \$15 for lost cards. Replacement cards must be paid for at the Business Office before a new card will be made. Many student facilities also require the ID card. The ID card is not transferable and any alteration invalidates the card. It must be surrendered upon graduation or upon withdrawal from the University to the Student Development Office. ID cards may be obtained in the Work and Learn Office located on the third floor of the Spellmann Center. Students who misplace or lose their ID card must report to the Business Office to pay a replacement fee; they may then have it replaced by showing proof of payment at the Work and Learn Office located on the third floor of the Spellmann Center.

Internet

Internet access is available for all staff and students through the University network for use as an instructional learning resource. As such, it is important that all users

- respect the privacy of others and not intentionally obtain copies of or modify files, passwords, or data belonging to another person;
- respect the legal protection provided by copyright license;
- respect the rights of other individuals and not use language that is abusive, profane, or offensive; and
- avoid seeking to use sites that have been blocked from access.

Lionmail

Lionmail is the Lindenwood email system for all enrolled undergraduate and graduate students. Lionmail can be used for personal or academic related purposes. However, Lindenwood University faculty and staff will utilize this communication medium to provide important school related information. It is the students' responsibility to frequently monitor their Lionmail accounts to ensure they receive updates from various faculty members, staff offices, or University constituents.

Students may access their Lionmail accounts by going to <http://apps.lindenwood.edu/StudentEmail/welcome.cfm>. There, students will need to enter their last names and birth dates or last names and their 10-digit identification numbers to obtain login and password information.

Mail

All resident students may request a mailbox. The University is not responsible for lost mail packages. The student mailroom is located in Evans Commons. The University recommends that students use the following address:

Student name; Lindenwood University; Box Number; 209 S. Kingshighway, St. Charles, MO 63301-1695.

Mail is delivered daily, Monday through Saturday, although only limited service is available on Saturdays. Students will be notified of receipt of oversized and accountable items through the Lionmail system; students are encouraged to make a habit of checking this system on a daily basis as unclaimed mail is returned to sender after 14 days. A drop box for outgoing mail is located next to the information desk in the Spellmann Center. Note: It is critically important to check the Lindenwood mailbox daily. Failure to do so may result in missed deadlines and opportunities. Each spring, students who wish to retain their mailboxes for the upcoming year must contact the mailroom to make a reservation. All mailboxes are closed for the summer; therefore all students must empty their mailboxes prior to departing for the summer. Mail left in the mailboxes will be returned to sender.

Safes

To increase security for our residents, Lindenwood has an agreement with College Safes Inc. to provide added protection of personal belongings. Safes are offered in the traditional dorms for the protection of valuables such as laptops, games, and personal items. Safes are available in residence hall rooms. If a student would like a safe installed in his or her residence, he or she must contact the Student Development Office. The University reserves the right to open any safe without notice to assure compliance with University policies and meet emergency needs. If you would like to contact College Safes Inc., please call 1-888-233-9540.

Student Health Center

The Sisters of St. Mary (SSM) Student Health Center serves on-campus resident students for a variety of medical conditions, from flu-like symptoms and minor injuries to physical examinations and immunizations. The clinic has an onsite nurse practitioner to assist students with their healthcare needs. Walk-ins are welcome, but students with appointments take first priority. The health center is located in the Connection on the first floor of the Spellmann Center.

Student Services

Students who experience problems of any type are encouraged to visit with Dean of Student and Academic Support Services. The Office of Student Services (Retention) assists students in the resolution of obstacles that impede academic progress. Examples include dispute resolution, inter-office facilitation, and institutional guidance, to name a few. The office is located in the Memorial Arts Building. Please contact the office at (636) 949-4697.

The Connection

The Connection houses the Student Health Center and the Information Technology Office (HelpDesk).

The Loft

The Loft provides students a place to relax, socialize, and study. The Loft, located on the lower level of Butler Hall, includes a lounge with big-screen TV, tables for study, wireless Internet access, activity bulletin boards, and the Lion Mart, where Grab-and-Go meals are available. Hours of operation are posted.

Tutoring Services

Tutors are available for many of the courses at Lindenwood University. Students who are having difficulty in a given course should contact their professors to determine if tutoring assistance is available. Students may also access PCCommon from any Lindenwood University computer lab to find the times and locations of tutoring services and contact information for tutors. Tutors are typically either upper-level majors in the subject areas or students who excel in that area of study.

Writing Center

The Lindenwood University Writing Center is designed to help students with all aspects of the writing process. The Writing Center emphasizes a personalized, collaborative approach that helps each writer gain both confidence and competence in his or her writing skill. The Writing Center also provides assistance with study skills, reading skills, and pronunciation practice for students learning English as a second language. In addition, the Writing Center provides a unique and valuable learning experience for those students working as writing consultants.

The Writing Center director is also a full-time member of the English Department. The writing consultants are graduate and undergraduate students involved in the Work & Learn program. Writing consultants are selected, interviewed, trained, and managed by the Writing Center director.

The Writing Center is located in the basement of Butler Library. Several large tables with chairs are available to conduct writing consultations. In addition, the center offers computer workstations linked to the Internet, the library, and a printer. The center also houses a small library of reference manuals including dictionaries, style manuals, writing texts, grammar texts, and various readers with sample essays. There are also small study rooms.

Students are encouraged to go to the Writing Center on a voluntary basis. Occasionally, some professors will refer students to the center; most students come (and return for future visits) of their own accord. The primary operational technique is a one-on-one (face-to-face) interaction between the writer and a writing consultant. These consultations utilize and emphasize basic principles of the writing process—journaling or freewriting, drafting, peer response, and revision. Students typically read their work aloud in order to keep both parties actively engaged in the process. Consultations generally last from 30 minutes to one hour, and students are encouraged to return for additional visits. Walk-ins are welcome, but appointments are preferred. For more information and a semester schedule, please see the folder called Writing Center on PCCommon.

Campus Policy/Student Conduct

Lindenwood University helps prepare students for success in their personal and professional services. Training and guidance for their future begin as they enter through the Lindenwood gates. Combined with classroom education, there will be many instances where they will also develop their personal and social skills for successful living. The following guidelines are to assist students and help ensure that they attain the highest possible degree of educational, social, and spiritual fulfillment as they attend Lindenwood.

- Give proper respect to faculty, staff, and others in authority.
- Be courteous to fellow students and authorized campus visitors.
- Choose your language and speaking volumes with consideration for others.
- Wearing of hats or head coverings in the classroom is at the sole discretion of the instructor or professor.
- Good grooming and personal hygiene is a reflection of your health, attitude, and personality.
- Remember, smoking is prohibited in all residence halls and is only allowed in designated areas outside of campus buildings. Smoking is hazardous to your health; however, if you smoke outside, please properly dispose of cigarette butts in ashtrays and sand-filled receptacles only. Check to make certain all cigarette butts are “cold” before emptying your ashtrays. A smoldering cigarette is a fire hazard. Smoking is allowed in designated smoking areas only.
- Students, prospective students with their families, alumni, corporate executives, and other financial supporters will visit the campus throughout the year. We expect our students to present the best possible image of Lindenwood University by keeping the campus attractive and keeping a positive attitude at all times. A friendly smile with directions for a campus visitor is remembered and highly respected. If you see any trash on the campus grounds, please pick it up and deposit it in a nearby receptacle. Also, please keep entrances to residence halls and campus buildings free and clear of congestion, litter, and loitering. Your campus is your home, and its beauty is something for you and your visitors to enjoy.
- Adhere to all local, state, and federal laws on and off campus. Failure to do so may result in your dismissal from Lindenwood University.

Academic Honesty

Academic honesty is the foundation of any educational institution. It is the responsibility of each student, professor, and administrator at Lindenwood University to uphold the honor of the institution by acting honestly and truthfully in all situations. To this end, Lindenwood University has developed the following policy on plagiarism*:

The names of students found guilty of cheating or plagiarizing will be sent to the University Provost. A first offense of academic dishonesty may result in a lessened or failing grade on the work/test or failure in the course or possible failure of the class. A second offense will lead to academic probation and failure of the class, and a third offense will result in expulsion from the University. Any questions concerning this policy should be directed to the Provost.

**Plagiarism is defined as “the presentation of someone else’s ideas or words as your own. Whether deliberate or accidental, plagiarism is a serious offense.” (Fowler and Aaron 680).*

Each of the following is a type of plagiarism and must be avoided in all academic work:

- Copying directly from a source without quotations and source citation.
- Paraphrasing or summarizing another's idea without attribution.
- Changing a sentence's structure but copying words.
- Changing a sentence's words but copying its basic structure.
- Using audio, video, or other media sources without acknowledgement.
- Submitting a paper written by another student and claiming it as your own.
- Using information obtained through interviewing an expert on the subject without attribution.
- Purchasing or downloading a paper from another source and claiming it as your own.
- Collaborating excessively on an essay with another person.
- Submitting an essay that was previously written for another class without the consent of both professors (Plagiarism Defined 1).

It is always better to ask for assistance and clarification than to purposefully or accidentally plagiarize. If a student has questions about citing sources, he/she should start by asking the classroom professor. You may also seek help at the Lindenwood University Writing Center in Butler Library.

Alcoholic Beverages

Present state law makes subject to arrest and prosecution any person under 21 years of age who consumes and/or possesses alcoholic beverages or supplies such beverages to a person under the age of 21. The University administration and Board of Directors have further instructed that alcohol be prohibited on campus. Lindenwood University has policies prohibiting alcoholic beverages at any athletic event on or off campus. Student problems relating to alcohol and its possession and/or use will be brought to the attention of University authorities resulting in immediate disciplinary action, including possible dismissal from the University.

Bulletin Boards and Notices

Announcements of meetings and events by campus-approved organizations may be posted or placed at designated areas on campus. These postings and announcements will reflect the integrity of the University and represent student meetings and events. Materials must be posted according to the following guidelines:

- Materials must be pre-approved by the Student Life and Leadership Office prior to posting. Approved materials must be signed by the Director of Student Life and Leadership.
- Posters, flyers, banners, or other notices may not be attached to or written on building walls, beams, glass, trees, hallways, lamp posts, doors of any type, floors or ceilings, or painted on sidewalks.
- No more than one flyer will be allowed per bulletin board.
- Flyers may be posted only once per week.
- No posting on top of other flyers. We request that you only use tacks when posting.
- No reference to alcohol or drugs is permissible; no sexist or discriminatory materials allowed.

Conduct

To maximize classroom and campus success for each student and to ensure a positive learning environment, the following conduct is expected of all students:

- Attend all scheduled classes and be on time for classes. Enter the room quietly if you are late for some reason.
- Appropriate dress required, including shirts and shoes.
- Tobacco may not be used at any time during class.
- Coffee and soft drinks may be permitted by the class instructor. However, empty containers must be properly disposed of after class.
- Talking during class is limited to class discussions only.
- Children are not permitted to attend classes with a parent. The faculty advisor or instructor should be contacted for special arrangements for unusual circumstances.
- Inform the instructor at the beginning of class if the student must leave that class for an important appointment while the class is in session. In these instances, it would be helpful for the student to sit near the door and leave quietly when it's time.
- At the end of each class period, check to make sure the classroom and especially the student seating area is properly arranged for the next class.
- No phone calls in class; phones must be set on vibrate or silenced.
- If class is on break or dismissed earlier than usual, please remain quiet while in the hall, as other classes may still be in session.
- Academic integrity and student honor are of the highest importance at Lindenwood University. Therefore, students are not permitted to sign classroom, lab, or lecture attendance lists for another student. Cheating, lying, and plagiarism of any kind will not be permitted in the academic program and will be considered a violation of University policy.

Controlled Substances

Lindenwood University cooperates with local, state, and federal officials regarding the use of controlled substances. Because the use of drugs harms the user physically and mentally, interferes with the user's ability to carry on his or her academic and social life, and infringes upon the social and academic rights of others, Lindenwood University will not tolerate and strictly prohibits any use, possession, or distribution of narcotics, illegal drugs, chemicals and/or related paraphernalia. Further, students receiving federal financial aid (Pell Grant, Guaranteed Student Loan, etc.) are required to sign pledges that they will not use, possess, or distribute controlled substances, and they risk the cancellation of that aid by involvement in such activity. A medical use of drugs is permitted when prescribed by a physician. Violation of this policy may result in immediate dismissal. A copy of the Lindenwood University Guide to a Drug-Free Campus is available in the Student Development and Student Life and Leadership offices. Lindenwood will assist in any substance abuse problem that may arise. The Student Development Office, the University Chaplain and the Student Counseling and Resource Center will provide additional assistance for students having a physical or psychological problem with alcohol, drugs, or other chemicals. Students may voluntarily approach a University official for assistance. In situations where a behavioral incident involves substance abuse and results in disciplinary action, the University's interest also includes the provision of screening, educational and informational assistance, and referral to other professional services.

County Library District Fines—St. Charles City

The University, in cooperation with the St. Charles City-County Library District, will collect any fines or assessments due the library and bill them to each student's

account. Any sums due will be treated as any other student fee.

Directory Information Notice

Pursuant to the Family Education Rights and Privacy Act (FERPA), Lindenwood University may disclose, without consent, “directory” information. This notice will advise you of the types of information considered as directory information. You must notify the Office of Academic Services, in writing, to request that certain directory information not be disclosed. Directory information includes name, address, telephone listing, e-mail information, photograph, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of athletic team members, dates of attendance, degrees and awards received, most recent school attended, and other like information.

Discipline

Disciplinary action for non-compliance with University policies, unless already specified in the Student Development Handbook, may result in one or any combination of the following:

- Warning
- Social probation
- Restitution work assignment
- Assessment of fines or charges for damage
- Expulsion from residence halls, non-traditional housing, or public facilities
- Dismissal from the University (dismissal may result without prior probationary action)

In serious situations, parents may be notified. If dismissed from the University, readmission requires a letter of appeal to be submitted to the Dean of Students that shows satisfactory understanding by the student of the following:

- Why the dismissal was necessary
- Why the student wishes to return
- What the student is willing to do in the future to prevent past problems from recurring and contribute to a more positive campus life

Drug-Free Schools, Communities, and Workplace Policy

Lindenwood University strives to uphold the ideal of an alcohol-free, drug-free campus, and we strictly enforce related policies and regulations. In keeping with this ideal, we comply with the Drug-Free Schools and Communities Act of 1989 and the Drug-Free workplace Act of 1988, and we seek to provide a healthy, safe and secure environment for students and employees. Lindenwood has implemented programs that provide for annual distribution, in writing, to each student and employee of (1) standards of conduct that clearly prohibit the unlawful possession, use or distribution of illicit drugs and alcohol by students and employees on University property or as part of any University activity; (2) descriptions of applicable legal sanctions under local, state or federal law; (3) descriptions of available drug or alcohol counseling, treatment, or rehabilitation or re-entry programs; and (4) clear statements of the disciplinary sanctions that the University will impose on the students and employees. Lindenwood University also provides for the biennial review of these programs to determine their effectiveness, implement needed changes, and ensure that disciplinary sanctions are consistently enforced. Non-compliance with the regulations by students, employees, and the institution carries serious penalties, including the termination of all federal financial assistance and

the possible repayment of funds received. Refer also to the Campus Policies section in the Student Development Handbook and to the information booklets distributed separately to both students and employees.

Fighting

Arguments may arise as students relate to each other on campus and in residences. However, students who resort to fighting and/or intentional use of objects to inflict personal harm will be dismissed from the University.

Fire and Tornado Alarms

All residents must leave the residence hall immediately when the fire alarm sounds. When the city tornado siren sounds with a steady blast, students need to go to the nearest designated campus shelter and remain there until the “all clear” is given by a University official. The City of St. Charles conducts a test of alarms on the first Monday morning of every month when the weather is clear.

Fire Protection Equipment

The presence of fire extinguishers, hydrants, and alarms is mandated by civil housing codes and state and federal laws. Any unauthorized use or tampering with such equipment is considered a violation of those statutes and University policy and will result in disciplinary action, financial charges for damage, dismissal when abuses are severe or repetitive, and possible prosecution by civil authorities.

Fireworks, Firearms, Explosives and Weapons

All fireworks, firearms, explosives, BB guns, archery equipment, knives, or other items that may be considered weapons (i.e., snowballs, water balloons, paint pellet guns, soft pellet pistols, decorative swords) are prohibited on the campus. Violators are subject to campus disciplinary action, up to and including dismissal and possible referral to appropriate local, state, or federal law enforcement agencies.

Gambling

Students are prohibited from Internet and other forms of gambling conducted on any University-owned property. Violations of this policy may result in University sanctions, up to and including dismissal.

Institutional Nonpartisanship

No office, organization, subdivision, student, or employee of Lindenwood University is to use University resources, advertising channels, or work time to promote, assist, or express support for any particular candidate(s) pursuing election or appointment to a political office. Nor is any Lindenwood student or employee to use those resources or University work time in behalf of his or her personal political initiatives, nor state or imply that he/she speaks as a representative of the University when expressing personal support for a political candidate. Nor is any Lindenwood employee or entity permitted to post, mount, erect, or stand a sign, banner, or poster of a political nature on any property owned, leased, or managed by the University.

This policy is in no way meant to deter students and organizations on campus from engaging in political discussion and debate. But Lindenwood as an institution must remain politically neutral relative to candidates for office. Students may invite active candidates in to stump as long as they issue equal invitations to the opposing candidate(s). The general principle is that we allow political activities on campus

only if they serve a clear educational purpose. Any such events must be approved by the Student Development Office.

Non-Discrimination Policy

Lindenwood University is an Equal Opportunity Employer. The University complies with the Civil Rights Act of 1964 and other legislation, as amended, including the Equal Pay Act of 1963, the Age Discrimination in Employment Act of 1967, the Americans with Disabilities Act of 1990, and other legislation which prohibits discrimination in employment and access to educational programs because of race, color, national origin, sex, age, or physical handicap. Lindenwood University is committed to a policy of non-discrimination and dedicated to providing a positive discrimination-free educational and work environment. Any kind of discrimination, harassment and/or intimidation may be defined as any attempt on the part of individuals, groups and recognized campus organizations to deny an individual or group those rights, freedoms, or opportunities available to all members of the University community. The University is committed to meeting the full intent and spirit of the anti-discrimination laws, not merely the minimum letter of the law. Inquiries concerning the application of Lindenwood University's policy on non-discrimination should be directed to the Student Development Office or Executive Offices of the University.

Parking

A valid parking permit is required for all vehicles used by undergraduate and graduate students, resident and commuter, on campus and at all University facilities.

Regulations and enforcement:

- The speed limit on campus is 15 MPH and will be closely monitored by public safety personnel. Numerous violations will result in loss of driving privileges on campus.
- Parking in areas other than those designated and marked parking spots is forbidden and will result in a fine.
- Impeding traffic is hazardous and causes unnecessary delays in the flow of vehicles and traffic. This action will result in a fine and possible immediate towing at the owner's expense.
- Handicap parking spots require the vehicle to have a valid state-issued hangtag or license plate. All others are subject to fines.
- Fire lanes are designated by yellow markings on the curb throughout campus. All vehicles are prohibited from parking at these curbs. Violators are subject to towing and additional fines.
- Courtesy lanes are designated by red markings on the curbs or signs throughout campus. These areas are provided for a maximum of 10-minute parking; cars parked longer than 10 minutes may be ticketed.

The MAB, Young Hall, and Roemer Hall lots are designated for commuter, faculty, and staff parking only. **NO RESIDENT PARKING.** Some spots are reserved specifically for Adjunct Faculty members. In an effort to be responsible and harbor a safe environment in all traffic and parking situations, students are required to find and park in valid, marked parking spots in designated parking lots without exception. Frequent violations and hazardous situations will result in booting of the vehicle, possible loss of driving/parking privileges on campus, and towing at the vehicle owner's expense without warning. Contact the Security Office for further

information about penalties for illegal parking. Parking fines are not subject to appeal.

Pets

No pets, except fish, are permitted on the University campus. Aquarium size is limited to ten gallons or less. In most cases, pets cause clean-up problems, create noise, occasional feeding and food storage problems, odors, aggravation of allergies, and sometimes health and sanitary violations. On occasion, a stray pet will be found roaming the campus. For safety reasons, please do not feed the animal or touch it. Please contact the Security Office regarding any stray animals. Any resident who is found to have an unauthorized pet will receive a \$150 fine.

Respect for Campus Authority

It is the policy of Lindenwood University, consistent with its efforts to foster an environment of respect for the dignity and worth of all members of the Lindenwood community, that harassment, improper language, and/or aggressive actions directed toward employees of the University will not be tolerated.

All staff, faculty, and resident directors participate fully in the University's lines of authority and are to be respected. They have full authority to administer University policies and recommend actions and have the responsibility to report any violation or areas of concern to the proper administrative office.

Security

- Always lock your room and car.
- Do not keep or carry large sums of cash.
- Protect your keys at all times and report a loss of keys immediately to your resident advisor, resident director, or the Student Development Office.
- Report strange behavior of any individual on campus to the campus security office.
- Do not violate campus security measures, including locked doors, access rules, and visitation policies.
- Report any known or suspected thievery to the Director of Public Safety and Security. This will ensure the safety of everyone's property. The Student Right to Know and Campus Security Act signed into law November 8, 1990, requires the University to collect information on campus security.
- To contact campus security for an escort to or from the parking lots or buildings, call (636) 262-4622 or 4623. Please give advance notice to campus security personnel on duty so they can accommodate you.

Sexual Harassment Policy

Illegal discrimination, including sexual harassment, is prohibited. Harassment on the basis of sex is a violation of Section 703 of Title VII. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitutes sexual harassment when (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting the individual, or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working or classroom environment. Retaliation against or intimidation of a person who has filed a complaint of sexual harassment is also prohibited.

It is Lindenwood University policy that sexual harassment will not be tolerated and that disciplinary action up to and including termination will be imposed on employees engaging in such actions. Disciplinary action up to and including expulsion may be imposed on students engaging in such action.

If a student is aware of sexual harassment or feels as if he/she is a victim of harassment, one of the University officers listed should be contacted: Dr. Richard Boyle, Vice President for Human Resources; Dr. John Oldani, Vice President for Student Development; Dr. Jann Weitzel, Vice President for Academic Affairs; Terry Russell, Dean of students; or Dr. Michael Mason, Chaplain.

Skateboards/Roller Blades/Motor Scooters

The use of skateboards, roller blades, and any non-street legal motor scooter is authorized as a mode of transportation only. Any student found to be damaging University property as a direct result of improper usage of the items listed above is subject to campus disciplinary action. Motor scooters and/or motorcycles must display a valid Lindenwood University parking permit for use on campus.

Social Events

Social events sponsored by recognized student organizations must meet with the approval of the faculty or staff advisor for the sponsoring organization and are to be scheduled with the Student Life and Leadership Office and approved (signed) by the director. Unless an exception is made, this scheduling must occur at least 14 days prior to the time of the activity. Scheduling requires completion and submission of a Special Event Request Form. Forms are available from the Student Life and Leadership Office and will indicate any special requirements to be met by the requesting group relative to facility use or upcoming activity. Student organizational event use of campus facilities will require the presence of a faculty or staff member during the event. Generally, this is the advisor for the group. The Student Life and Leadership Office is located in the Evans Commons. For a complete listing of all events happening at LU, visit www.lindenwood.edu and click on the Calendar link at the top of the page. To read about other student activities such as Upcoming Events (Weekly Activities List), Lindenwood Student Government Association (LSGA) Senate, or LU Crew, go to the Student Development section of the Lindenwood Web site.

Social Networking and Public Forms of Communication (Facebook/MySpace/Twitter)

Lindenwood respects each student's right to free speech and expression. However, students are responsible for the manner in which they choose to use this expression. The University's primary concern regarding social networking sites such as Facebook, MySpace, and Twitter involve the safety of students as well as the integrity of Lindenwood and its community. Potential employers, clients, and family members may access this information. Unfortunately, so may predators and criminals. Once information is posted to the Web, it becomes part of a public realm accessible to anyone with Internet capabilities. Students forfeit any right to privacy when pictures, blogs, and/or comments are submitted to these websites. In addition, these items can be archived forever. Remember, what you do represents you, your team, and the University.

While Lindenwood has no specific policy negating the use of these websites as it

recognizes that they can be educational, the University does possess resources to determine whether items posted defame the University, its students, faculty, and staff. Students will be held accountable for any such items, which may result in dismissal from the program and/or the University.

Listed below are a few guidelines to follow:

1. Avoid posting personal information like addresses, residence hall locations, cell phone numbers, etc.
2. Do not make references to alcohol or drugs in photos or blogs.
3. Do not post explicit pictures.
4. Do not post negative references to your classmates, instructors, staff, or athletic teams or players from other schools.
5. Logos and pictures posted on the University's Web site are copyrighted and cannot be used without University permission.

Solicitors and Salespersons

Students, campus organizations, or non-campus persons are prohibited from solicitation at any time for non-campus related activities. Any exceptions to this policy must be requested in writing to the Director of Student Life and Leadership. Students should be particularly alert to off-campus salespersons who pose a nuisance and security threat. Contact the Student Life and Leadership or Campus Security Offices immediately if you see questionable sales activity.

Stealing and Possession of Stolen Property

The possession of stolen property (from another student, the University, or the general public) or related suspicious behavior (i.e., uninvited entry, deception, false statements) is unacceptable. Violators are subject to campus disciplinary actions and possible referral to appropriate local, state, or federal law enforcement agencies.

Student Right to Know and Campus Security Policy

Lindenwood University complies with the Crime Awareness and Campus Security Act of 1990, and the Campus Securities Disclosures (Section 458 of the Higher Education Amendments of 1992). The University has developed and implemented policies and educational programs, maintains pertinent institutional statistics, and distributes the particular information to students, employees, and applicants. Policies pertain to (1) timely reporting of criminal actions and other emergencies, along with the University's response processes; (2) access to and the maintenance of facilities for the purpose of security; (3) law enforcement process, the authority of security personnel, and the working relationship with state and local law enforcement agencies; (4) possession, use and sale of alcoholic beverages, and enforcement of underage drinking laws; and (5) monitoring of any off-campus student groups and facilities. Education programs include those designed to inform the campus about security and general crime prevention. Statistical Records include incidents of criminal offenses (murder, rape, robbery, aggravated assault, burglary, and motor vehicle theft) and arrests on campus for violations of liquor laws, drug abuse, and weapons possession.
