Dear Old Timers Member:

I am sure that we do not need to tell you the many problems faced in our community relative to our young people. All of us in the Old Timers are concerned about the problems and feel that the Old Timers Baseball program, to a significant extent, helps to combat juvenile delinquency.

The whole purpose of the program, of course, is to provide baseball for any Denver boy who wants to play; but like any other organization, we want to expand the membership in our program. Therefore, we are embarking on a membership campaign and earnestly solicit your help. At the present time, we have only 150 senior members. We feel that we should have at least 500 members. Therefore, we are enclosing herein 2 membership applications. We would appreciate it very much if you could solicit 2 new members and return their applications together with the \$5.00 fee to our office at the above address. The cost of the senior membership remains at \$5.00, as it has for the past 15 years. A general membership meeting has been scheduled for Tuesday, May 21st, and we would like to invite you to that program which will be held at the Denver Eagles at 1328 California Street, commencing promptly at 7:30 P. M.

At the meeting we would like to report the results of the membership drive, so please turn in your membership applications as soon as possible. Don't forget--the membership is tax-deductible.

Yours for boys' baseball,

Bill Kemp
Bill Kemp, Co-Chairman
Membership Committee

Ken Settle
Ken Settle, Co-Chairman
Membership Committee
