

Cover

Cover: Photo by Tom Gasko - The Vacuum Cleaner Museum (St. James, Missouri) is dedicated to celebrating and preserving the history of Vacuum Cleaner. Starting before they had motors to the most recent introductions, the Vacuum Cleaner Museum divides these amazing machines into their decade of production. The original advertising is displayed in each decade-themed room, making the transition from decade to decade an easy one. Learn why vacuum cleaners have headlights, as well as take a peek into the inner workings of period machines (both motorized as well as non-motorized models). Tours of the Vacuum Cleaner Museum are FREE. Souvenir shop available with T-Shirts, Pens, Tote bags, Key Chains, as well as vacuum cleaner Ornaments. The Vacuum Museum, #3 Industrial Drive, St. James, Missouri is open Monday – Saturday from 9 a.m. to 5 p.m.
