2006 HONOR ROLL OF DONORS

# LINDENWOOD

LINDENWOOD UNIVERSITY

ST. CHARLES, MISSOURI

## MESSAGE FROM THE PRESIDENT

Dear Friends,

You have heard it on a million different occasions -- time passes quickly when you're having fun. This is my 18th year at Lindenwood University, and I am happy to say that Lindenwood is thriving. It is a great place to work, to teach, to learn.

Our student enrollment is growing, we are building for the future and we are investing wisely. It is fun to be associated with such a successful enterprise, and we are proud to report that the University stands completely debt-free.

The years ahead promise to be challenging ones. We are in the middle of a \$136.5 million capital campaign which we have named "Create the Future," and we have set an aggressive endowment target of \$200 million by 2027. Not only is 2027 Lindenwood's 200th anniversary, that year is the 100th anniversary of some significant changes on our campus: the construction of the main gate and the planting of the beautiful trees on the entrance drive.

You can be confident that Lindenwood will remain an independent, entrepreneurial, public-serving University. We will remain financially strong and fiscally responsible. We will continue to deliver high-quality programs and services. And we will remain focused on teaching students the importance of values and character.

The donors listed in the pages to follow have realized the importance of investing in the future of students who are pursuing an education at Lindenwood University. I am thankful to those donors for being a part of that future and for helping Lindenwood meet the \$1 million Mabee Foundation Challenge. Remember, it is the students who are the ultimate benefactors of your generosity.

Sincerely,

A handwritten signature in black ink, which appears to read "Dennis C. Spellmann". The signature is written in a cursive, flowing style.

Dennis C. Spellmann  
President

*The Honor Roll of Donors represents the generosity of Lindenwood friends and alumni during the past year. Through their support, they have helped Lindenwood University continue its mission to provide a values-centered education for all students. We honor these members of the Lindenwood family for their steadfast belief in the principles that are Lindenwood University. The list below denotes gifts received between July 1, 2005 and June 30, 2006.*

Lindenwood University has made quite a difference in the lives of thousands of students during its 177-year history. The opportunities that many of these students have received were directed through gifts made available through the generosity of alumni and friends who wanted to make a lasting gift to the university.

You, too, can impact a student's life through a variety of programs available to alumni and friends, such as the Endowed Scholarship or Honors Award program. We currently have many established gift programs that help students involved in the arts, education, sciences, communications, business and other academic programs.

You can:

- Establish a Scholarship
- Establish a Professorship
- Pursue a Naming Opportunity

### Options

**(1) Bequests** — A will is the easiest and most effective means to ensure that you provide for your family and that your assets are distributed as you wish. Ask your financial advisor about bequest options and assistance.

**(2) Appreciated Real Property** — Donations of appreciated property can allow for both a generous contribution to Lindenwood and have financial benefits for you.

**(3) Gifts of Securities** — Transfer of stock and other appreciated securities to Lindenwood can provide you a substantial tax savings. Donors can receive an income tax deduction equal to the fair market value of the stock on the date of the gift - - thus reducing your taxable capital gains.

**(4) Charitable Gift Annuity** — This gift frees up your assets in order to generate current income to you during your lifetime. You make an initial gift to Lindenwood

and then a set payment is paid during your lifetime, or at a designated time such as retirement.

**(5) Charitable Remainder Trust** — This is a managed and invested trust that provides you and/or other beneficiaries you name with a stream of income for life or a period of years. Almost any asset can be used to fund the trust, and the trust can be tailored to suit your personal financial needs. A Charitable Remainder Trust can have substantial tax benefits to you.

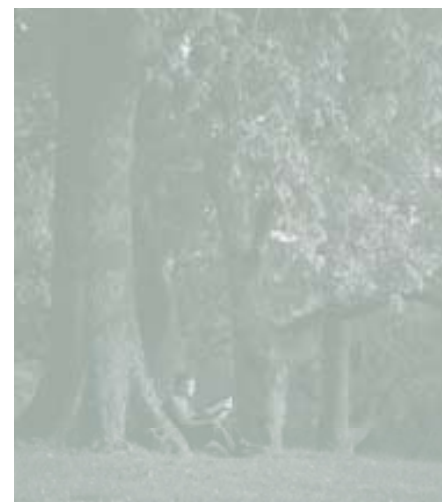

**(6) Charitable Lead Trust** — This is almost the opposite of a Charitable Remainder Trust. Instead of you, the donor, receiving the income, Lindenwood would receive the income for a specified number of years. At the end of the trust, the remaining principal is returned to you or another a person of your choosing. You can potentially receive a charitable tax deduction for the percentage paid to Lindenwood.

**(7) Life Insurance** — Donation of a fully or partially paid policy, or purchase of a new policy naming Lindenwood University as the beneficiary, can lead to a substantial deduction for you and generous gift to Lindenwood.

**(8) Tax-Qualified Retirement Plan Gifts** — With careful planning, gifts of tax-qualified retirement plan assets, such as IRA's can reduce your taxes, and allow for a charitable gift. The University will be the effective stewards of your generosity.

**Building trust is fulfilling your promises to the community.**

**We live it and we teach it.**

# ENDOWED SCHOLARSHIPS

*The purpose of the Endowed Scholarship Program at Lindenwood University is to assist deserving young men and women in financing their education and to recognize the generosity of the individual donors who support and encourage them. Lindenwood University accepts students from a large pool of outstanding applicants each year, but many of them cannot pursue their educational goals without financial assistance. These scholarships, combined with other assistance such as Work and Learn, provide students the opportunity to achieve their goals at Lindenwood.*

*A scholarship is fully endowed when the fund principal meets or exceeds \$20,000. An individual, family, group of friends, or a business may establish an endowed scholarship fund with an initial gift of \$1,000. Additional gifts will be applied to the fund principal as they are received. Interest generated by the fund may be held and applied to the principal to help complete the fund or may be blended with other endowment interest to award scholarships until the fund reaches \$20,000. Only the interest generated by the fund is awarded. The corpus or principal of the fund is invested and is not distributed.*

*Your gift to a Lindenwood University endowed scholarship fund may also be easily multiplied because many companies will match the contributions of their employees and retirees. Please contact the Lindenwood University Development Office at 636-949-4903 if you are interested in participating in the Endowed Scholarship Program.*

# HONORS AWARDS

*The purpose of the Honors Award Program at Lindenwood University is to annually honor deserving young men and women and to recognize the generosity of the individuals, families and organizations who support them. Every spring at the Honors Convocation ceremony, these awards of merit are presented to students who demonstrate outstanding examples of leadership, scholastic performance, loyalty and service through academic and extracurricular activities at Lindenwood University.*

*It's easy to get involved in the Honors Award Program. An Honors Award Fund is considered permanently endowed when the fund meets or exceeds \$10,000. An individual, family, group of friends, civic or social organization, or a business may name an Honors Award with an initial gift of \$1,000. Gift payments may be made to the named award fund monthly, quarterly or annually until the fund is fully endowed anytime within but not longer than 10 years after the initial gift. Please contact the Lindenwood University Development Office at 636-949-4903 if you are interested in participating in the Honors Award Program.*
