COMMUNITY SERVICE TRANSCRIPT DESIGNATION PROGRAM presented by Dr. Julie Turner

Lindenwood University embraces community service as an extension of service-learning, which is a philosophy of experiential learning in which students participate in community service not only to meet the needs of the community, but also to develop their critical thinking skills, commitment to values, and skills for effective citizenship. Because of the value that the university places on community service, students who achieve at least 500 hours of qualified community service during their time at Lindenwood University receive special recognition for this accomplishment.
