The 2011 Lindenwood Women's Basketball Media Guide was written and designed by Assistant Sports Information Director Mike Morgan. Editorial assistance was provided by the Lindenwood Sports Information and Public Relations Offices. Photos used in media guide taken by Don Adams Jr. unless otherwise noted.

MEDIA INFORMATION

General Information

The Lindenwood Sports Information staff is your host for each and every home Lady Lion basketball game. Assistant Sports Information Director Mike Morgan will be your main contact for any questions. Game notes, rosters, and game day programs will be available before each game. A full statistical booklet will be available 20 minutes after the conclusion of the contest.

Press Box

Lindenwood's Press Row is located on the player's benches side of the floor. Press Row is a working facility, and there will be no cheering. Restrooms for the media are located in the main entrance of the arena.

Working Credentials

All working media will be required to wear media credentials at all times. All requests for credentials should be made to the Lindenwood Sports Information Office.

The Lindenwood Sports Information Department has designed this media guide to assist the media in covering the 2011 Lindenwood women's basketball team. If there is any information that you need and can't find, you are welcome to contact the Sports Information Department. You may also find more information on www.lindenwoodlions.com. If you would like to request photos or interviews for feature stories, contact the SID office.

Phone and Fax Numbers

The Lindenwood Athletics Department can be reached by calling 636-949-4600. The department's fax number is 636-949-4636.

Statistics

Lindenwood uses Stat Crew Statistical program for basketball. Stat Crew rosters will be available for opposing schools and a packed game file will be sent following the conclusion of the game.

Radio/TV

All home basketball games will be broadcast live on 89.1 FM KCLC and on LUTV. You can also log onto lindenwoodlions.com to access streaming video and audio.

Visiting Radio

Requests for radio broadcast at Hyland Arena must be made through the Lindenwood Sports Information office. Lindenwood offers a courtesy phone line for visiting radio. The phone number is available by calling the Lindenwood Sports Information Department.

LINDENWOOD SPORTS INFORMATION

Daniel Newton came to Lindenwood University in December of 2006 as the school's Sports Information Director. He is in his 12th year working full-time in a sports information office.

At Lindenwood, Newton helps with the public relations effort for the 27-team athletics department. Besides his regular duties, he assisted with starting the Lindenwood Athletics Hall of Fame in 2007 and creating a new athletics website in 2009. He served as the NAIA media relations contact at the 2009, 2010, and 2011 NAIA Swimming and Diving National Championships and worked in the press room at the 2009 and 2011 NAIA Division I Men's Basketball National Championship.

Prior to coming to Lindenwood, Newton served as the media relations coordinator at Truman State University from 2002-2006 and was the assistant media relations director at Portland State University from 1999-2002. He has also worked in press rooms for various professional teams, including the Portland Trailblazers (NBA) and Portland Beavers (Triple A Baseball) and was the assistant media relations contact for the 2000 NCAA Division I Women's Basketball West Regional.

Newton worked as a student assistant in the Sports Information Office at Truman from 1996-99 and received a bachelor's degree in business administration from the school in 1999. He earned his master's in sports management from Lindenwood in 2009.

Daniel and wife Jennifer reside in St. Peters, Mo., and have one son, Bryan.

Mike Morgan is entering his first year as the Assistant Sports Information Director at Lindenwood. For the past two years he has worked as a graduate assistant in the department.

Morgan is the main contact for seven NCAA Division II programs. He is also in charge of designing media guides and other projects for the Lindenwood Athletics Department. Morgan can also be heard hosting Lindenwood coaches' shows that are broadcast on Lindenwood's radio station, KCLC.

Prior to coming to Lindenwood, Morgan worked as the play-by-play voice and media relations director for the River City Rascals, an independent league baseball team. After his time with the Rascals, Morgan moved into the role of senior staff writer for *St. Louis Scoop Sports Magazine*.

Morgan graduated from Lindenwood in 2004 with his bachelors of arts degree in communications. In 2010, he received his master's degree from Lindenwood in business communications.

In 2004, he was the play-by-play voice of the Lindenwood football team, which finished undefeated in the regular season. Morgan returned as the voice of Lions football in 2009 for a team that went undefeated in the regular season and made it all the way to the NAIA National Championship game.

Mike and his wife, Nichole reside in O'Fallon, Mo., and have a son, Kevin (3), and a daughter, Natalee (1).

Season Preview

There are a lot of expectations coming into this season for the Lindenwood Lady Lions basketball program after a successful season a season ago. Coach Tony Francis and his squad will try to build on a 23-10 season from 2010-11.

The Lady Lions were one of the few teams that were just left out of the tournament last season. The team will be using that experience as motivation.

“Getting close to the tournament and not making it in was a big disappointment for our team,” Coach Francis said. “Even though we have no postseason play this year, we are on a mission. We are trying to build a foundation for this program, and we will definitely be using last year as motivation.”

The Lady Lions will be extremely young this season. The team will consist of no seniors, three juniors, six sophomores, and four freshmen.

“The age of our team is going to test me as a coach and make me be more patient,” Francis said. “We have to embrace it. We have to work hard together. From what I have seen so far,

this team has very good chemistry and is working very hard together.”

Lindenwood will return three out of five starters from last season. Morgan Harrington, Sarah Schnieders, and Caroline Bourlioux will all be back in the starting lineup, and Coach Francis is expecting a lot from this threesome.

“Morgan, Sarah, and Caroline will be challenged by the coaching staff early and often,” Francis said. “Those three will have to take these young girls under their wings and teach them how to be good teammates on and off the court.”

Harrington will run the team at the point, and the offense will run through her. Last season, she averaged 13 points a game and also led, team in assists, three-point shooting, and free throw shooting.

Schnieders will be a key to the team’s play around the basket. In 2010-11, she was third on the team in scoring with 10.9 points and was third on the team in rebounds with over five a game.

Bourlioux is the third returner and will be the team’s primary scoring threat in the paint. Even after battling injuries a season ago, she still poured in eight points a game and almost five rebounds.

The team’s sophomore class will be a big key to this year’s success. Shantey Hibler, Marrisa Lehnig, Cassie Bluemner, Bourlioux, and Ashley Roth combined for 34 starts and almost 23 points a game.

Late last season Bluemner played a key role off the bench and started to shoot the ball with good success. Hibbler and Lehnig both averaged over four points a game and the coaches are expecting even more from the twosome after having a year of college basketball under their belts.

This year’s freshman class is highly touted and had tons of success in high school. Megan Hittle is a point guard from Indiana. Her high school team was one of the best in Indiana, and Hittle was a lynch pin in the lineup. Janel Whitworth and Katie Brown also played on very good teams their senior seasons. Julie Hlinak is the final season and she left high school as her school’s all-time leading scorer.

This year’s squad has a good mix of returners and newcomers, and the coaching staff is expecting big things.

Coaching Staff

HEAD COACH TONY FRANCIS

SECOND SEASON

Tony Francis is entering his second season as the head coach of the Lindenwood Lady Lions basketball program.

In 2010, Francis led one of the top turnarounds in the country when he took the Lindenwood program back to the upper echelon of the HAAC. The Lady Lions went from nine wins in 2009 to 21 in 2010. The program also finished in second place in the HAAC. Lindenwood put together two six-game winning streaks during the season. The

Lions compiled a home record of 12-4 and conference mark of 15-5. Under Francis' guidance, the team placed in the top five in numerous school records. Three Lady Lions were named to the All-HAAC squad, and Morgan Harrington was named to the NAIA All-American team. Coach Francis was also named the Conference Coach of the Year.

Before accepting the head coaching position at Lindenwood, Francis spent eight seasons as an assistant coach at NCAA Division I, St. Louis. At Saint Louis, Francis was the recruiting coordinator and he helped the Billikens land some of the top talent in the St. Louis area and beyond. He was also in charge of developing the team's post players. The past couple of seasons, he was a mentor to center Amanda Kemezys, who earned Atlantic 10 all-conference honors the past two seasons. He also signed Theresa Lisch, who was a first-team all-conference and Academic All-American at Saint Louis.

Francis helped the Billikens win 82 games. He was a member of the staff in 2002-03 when the team finished fifth in the Atlantic-10 and advanced to the WNIT. That squad had the second-best winning percentage at Saint Louis over the last 23

years.

Prior to coaching at Saint Louis, Francis was a successful head coach at Silex (Mo.) High School from 1994-2002. In eight years, he led the Owls to a 159-67 record and won five district and five conference championships. His top team came in 2001, when Silex won the Class 1A Missouri state championship. Francis coached five All-State players, and nine players earned college basketball scholarships. He was named the 1A Coach of the Year after his state championship season. He was the Lincoln County Coach of the Year five times and District Coach of the Year once.

Francis played basketball at Culver-Stockton College. He then began his coaching career there as a men's student assistant, helping the team win the 1991 HAAC Championship. He graduated from Culver-Stockton in 1991 with a bachelor's degree in physical education.

Francis and his wife, Rhonda, who is a 1990 grad of Lindenwood, have two daughters, Lexis and Arianna.

ASSISTANT COACH MELANIE SCHMIT SECOND SEASON

Melanie Schmit is entering her second season as an assistant coach for the women's basketball team.

In her first season, Schmit helped turn around the Lindenwood program. The Lady Lions went from nine wins in 2009-10 to 21 wins in 2010-11. Lindenwood finished second in the HAAC, had three all-conference performers, and one All-American.

Schmit comes to Lindenwood after spending 20 years as a high school coach. She spent 17 years at New Haven High School and the last three years at Troy High School.

While the head coach at New Haven, Schmit helped start the women's basketball program in 1994 and compiled an overall record of 177-69. She also led the Shamrocks to the 1A state championship in 2002, five conference titles, four district championships, and was named the 1A coach of the year in 2002.

For the past three years, Schmit was the head coach at Troy High School where the Trojans went 50-32 and played in the district title game for three straight seasons. Schmit was named Coach of the Year by the Lincoln County Journal.

KELLY ALBERS
GRADUATE ASSISTANT
FIRST SEASON

Kelly Albers is in her first season on the coaching staff for the Lady Lions. Albers will be a graduate assistant for Coach Tony Francis after playing for Lindenwood the previous two season.

During her playing days at Lindenwood she averaged over 10 points a game and seven rebounds. She was named to the third team all-conference her senior season and recorded 16 double-doubles over her career as a Lady Lion.

Before making her way to Lindenwood, she played junior college basketball at Kaskaskia College.

RUSHVILLE, IND.
RUSHVILLE

High School:

Attended Althoff Catholic High School ... earned second-team all-conference honors last season despite missing the second half of the season due to an injury ... prior to the injury, she was averaging 7.8 points, 3.8 rebounds, and 4.5 assists ... over the last two seasons, Althoff Catholic was 42-20 and won two conference championships ... during her junior season, she helped the team advance to the quarterfinals of the state tournament.

Personal:

Daughter of Tom and Donna Whitworth ... majoring in biology.

High School:

Attended Rushville High School ... was a four-year letterwinner ... as a senior, she averaged 12.6 points, 5.0 rebounds, 3.3 assists, and 1.6 steals a game ... she was named to the all-conference squad, was team co-MVP, and was the recipient of the Heart of a Lady Lion award ... was selected to the 2010 Indiana top 100 underclassman workout and the 2011 East West all-star game ... earned all-district honors and was honorable mention academic all-state ... during her time in high school, her team won three sectional championships and her 2010 team advanced to the state championship game.

Personal:

Daughter of Dustin and Andrea ... has one brother, Garrett ... majoring in journalism.

Tony Francis on Janel

"Janel spent her high school career as a significant contributor to Althoff Catholic's dominance on the Illinois high school scene. A strong guard whose best basketball is well ahead of her, she has quickly proven she is a tough competitor."

Tony Francis on Meagan

"Meagan comes to Lindenwood after leading Rushville H.S. deep into Indiana's state play-offs during her career. A very heady point guard who plays under control, she has quickly demonstrated she wants to be challenged and embraces adversity."

FORT ZUMWALT SOUTH

High School:

Attended Fort Zumwalt South High School ... is the school's all-time leading scorer with 1,314 points ... averaged 17 points and 9.9 rebounds last season, shot 81 percent from the free-throw line, and made 60 three-pointers ... was a three-time first-team all-conference selection and was named the conference MVP in 2010 ... she was also named a Fox 2 News Player of the Week in 2010 and a *Post-Dispatch* Scholar-Athlete ... over the last two seasons, she led her team to a 43-11 overall record and a district title in 2011.

Personal:

Daughter of Debbie Hlinak ... has three siblings, Charlie, Justi, and Eli ... majoring in chemistry.

Tony Francis on Sonya

"Sonya is a compact, physical force who will bring that tough presence needed in the paint. Sonya received great instruction at Mineral Area and she is prepared to face the challenges our schedule will provide."

Tony Francis on Julie

"Julie comes to Lindenwood as a prolific shooter from Ft. Zumwalt South. Julie's desire to become a very good collegiate player is evident in the amount of work she has already accomplished toward getting in better shape and gaining strength."

2010-11 Lindenwood

Season in Review

The date was April 6, 2010, when the Lindenwood Lady Lions basketball program received a facelift. Head Coach Tony Francis was introduced as the new head coach and did not waste any time working on changing the attitude and the perception of the Lindenwood women's basketball program.

Fast forward almost 12 months later and that is exactly what he accomplished. The program finished second in the conference and had one of the best turnarounds in the whole country, winning 21 games compared to nine from the previous season.

The first thing that Coach Francis did was give the roster an overhaul. Only four players from the 2009-10 were on the roster and Coach Francis brought in six freshman. Mix in a NCAA Division I transfer and an All-Conference performer who took a year off, and that made up the squad.

The 2010-11 season started off well for the Lady Lions, who won their first two games over Lindenwood-Belleville and Harris-Stowe by an average margin of 15 points.

Up next was a three-game stretch against very good teams. The Lady Lions started the stretch with a tough five-point loss to McKendree, followed by losses to Missouri Baptist and Columbia College. Lindenwood got back in the win column with a victory over Harris-Stowe. Unfortunately, the Lady Lions could capitalize on the win and fell on the road to Hannibal-LaGrange. The final game before the conference portion of the schedule was a win over Fisk.

After the win, the team started the conference portion of the schedule with a win over Culver-Stockton and a hard-fought loss to Baker. What happened next might have been the turnaround game for the team. You would think the turnaround moment would have come in a win, but it was quite the opposite.

Lindenwood got run out of the gym against Evangel, losing by 26. After the game, due to scheduling and holiday breaks, the team did not play a game for almost a month. Most teams would have sulked for a month after getting blown out, but the ladies rallied around each other and went on a huge run.

The first game back, the Lady Lions beat Missouri Valley and then won the next five games. The biggest win in the stretch came on the road against perennial conference top dog William Jewell. It was not only a win but a 24-point blowout. With the win, the team had a record of 11-6 overall and 7-2 conference mark and sat in second place all by themselves.

With the team rolling right along, Benedictine came to the Hyland Arena and played the role of a little speed bump. The six-game winning streak was snapped

after the Ravens won 69-56. After the defeat, Lindenwood won its next two games and had a rematch against conference leader, Evangel.

The Lady Lions still had the bad taste of a 26-point loss in their mouths and gave the Crusaders everything it could take. Evangel jumped out to a seven-point lead in the opening half, but Lindenwood did not go away. The Lady Lions came out in the second half on fire to actually take a five-point lead late in the half. Evangel battled back and the game was tied under a minute to play. Evangel won the game from the free throw line but definitely had changed its opinion about this Lindenwood squad.

After the loss to Evangel, the Lady Lions went on another six-game winning streak. The closest contest in that streak was a seven-point win. The team was really starting to hit its stride. Lindenwood would go 1-1 in its final two games and headed into the conference tournament as the No. 2 seed.

The opening round game came against Baker. The two teams had split their two regular season games and would open the tournament at Hyland Arena. The Lady Lions won a hard-fought game by six points and moved on to the semifinals against Avila.

Avila was the third ranked team in the conference but had an 0-2 record against Lindenwood during the regular season. The Lady Lions held a four-point advantage heading into the second half but outscored the Eagles by 13 in the final half.

With the loss, Lindenwood ended its season with a record of 21-10 and would have to wait and see if it did enough to earn a spot in the NAIA National Tournament. The brackets were released the Lady Lions ended up being one of the first two teams to be left out of the field.

Even though they did not make it to the national tournament, the 2010-11 edition of the Lindenwood Lady Lions put together one of the best turnarounds in all of women's college basketball.

The Lady Lions were also recognized for the season with three named to All-HAAC teams. Morgan Harrington was named to the first team All-HAAC, Honorable Mention NAIA All-American and was named the newcomer of the year for the conference. Harrington led the Lady Lions with 13.4 points a game. She also was tops on the team with a .895 free throw percentage, a .402 percentage from behind the arc, and in assists with 2.8. Harrington was also the team's top scorer in 12 games.

Sarah Schnieders and Kelly Albers were named to the third team All-HAAC, and head coach Tony Francis was named the coach of the year.

Lindenwood Athletic Department

ABOUT LINDENWOOD ATHLETICS

The Lindenwood University athletics department has grown significantly over the past two decades, going from just a few sports to having one of the largest and most successful athletic departments in the nation. Lindenwood will sponsor 48 varsity athletics teams in 2011-12 and add a 49th in 2012-13. Over the last 10 years, Lindenwood has won 43 varsity national championships.

Twenty-seven of Lindenwood's sports programs are currently transitioning to the National Collegiate Athletic Association (NCAA). Twenty-four of those teams will compete for NCAA Division II National Championships, while the other three will compete for NCAA National Collegiate Championships, which are mostly made up of NCAA Division I programs.

In 2012-13, the majority of Lindenwood's NCAA programs will compete in the Mid-America Intercollegiate Athletics Association (MIAA). The MIAA is one of the top NCAA Division II conferences, and it sponsors championships in baseball, men's and women's basketball, men's and women's cross country, football, men's and women's golf, women's soccer, softball, men's and women's tennis, men's and women's indoor track and field, men's and women's outdoor track and field, and women's volleyball.

The MIAA was founded 1912 and in 2012-13 will include the following schools: Central Missouri, Central Oklahoma, Emporia State, Fort Hays State, Lincoln, Lindenwood, Missouri Southern, Missouri Western, Nebraska-Kearney, Northeastern State, Northwest Missouri State, Pittsburg State, Southwest Baptist, Truman, and Washburn.

Lindenwood also offers a variety of sports outside of the

NCAA, most of which are among the top programs in their respective national and conference organizations.

Athletics Philosophy

Lindenwood University is committed to the development of the whole person within a value system that acknowledges our Christian heritage and focuses on a four-dimensional personal growth: mental, social, physical, and spiritual.

The actions of the student-athlete affect both himself/herself and others. In choosing to be a part of the Lindenwood learning community, the student-athlete agrees to be responsible and to choose his/her actions in such a way that they reflect favorably on the student-athlete and the Lindenwood community.

Mission Statement

It is the mission of intercollegiate sports at Lindenwood University to advance learning, enliven campus life, develop leadership skills, and foster the personal growth of the student athlete through offering a high quality athletics program. Athletics Department personnel strive to provide model programs that develop meaningful standards of scholarship, athletic performance, leadership, community service, and sportsmanship conduct. Through sports, Lindenwood seeks to contribute to a sense of collegiate identity and positive perception in the community. The Athletics Department shall strive for excellence in the competitive environment in accord with the philosophy, rules, and regulations of the NAIA and other sports governing bodies in which Lindenwood has membership.

ATHLETICS DIRECTOR - JOHN CREER

John Creer is entering his 21st year at Lindenwood and his 11th year as the Athletics Director. Before becoming the athletic director at Lindenwood, Creer served as the Dean of Students from 1991 until 1999.

Creer is currently leading Lindenwood's move to the NCAA Division II level. He has helped the program enter the candidacy stage in the NCAA process. Creer oversees 27 sports that are seeking membership in the NCAA.

Prior to Lindenwood's move to the NCAA, Creer oversaw an athletic department that included 21 NAIA sports programs and 25 other varsity programs that competed in other national organizations. While he was athletics director, those programs captured 40 national championships and 134 conference championships. In the NAIA, the athletics department finished in the top five in the Learfield Sports Directors' Cup in every season but one since he became Athletics Director. In 2001-02 and 2002-03, Lindenwood won the Directors' Cup for being the top overall athletics department in the NAIA.

During Creer's tenure, the Athletics Department has grown in the number athletic programs and in the quality of facilities. Creer has been part of the construction of the Lou Brock Sports Complex and the Lindenwood Track, the purchase of Lindenwood Ice Arena, and the major renovations of Harlen C. Hunter Stadium.

Before moving into the administrative side of athletics, Creer was one of the most successful track and field coaches in the country. Creer began his head coaching career in 1970 at Winter Haven High School (Fla.), where he coached the cross country teams and assisted with the track and field teams. In 1973, Creer accepted a teaching position at Kathleen High School in Lakeland, Fla., and was head coach for the cross country and track and field teams.

In 1975, he moved onto the collegiate level when he became the head cross country coach and assistant head coach of the track and field team at Troy State University. After the 1977 season, Creer moved onto the Division I level at the University of Florida. At Florida he was the associate head coach of the track and field team from 1977-1978 and in 1978-79 became the interim head coach of the Gators.

Next up for Creer was the international level. In 1979, he was the assistant national coach for the Kingdom of Saudi Arabia's Olympic track and field team. In 1983, he would become a head coach at Wayland Baptist University. After a five-year stint at Wayland, Creer was hired to

be the head cross country and track and field coach at Missouri Baptist. In 1991, Creer would move to Lindenwood, but it wasn't until 1996 that he became the head coach of the cross country and track and field teams.

During Creer's coaching career he coached three national championship teams in women's track and field, seven men's track and field team championships, two world champions in track and field, three Olympic silver medalists, one Olympic bronze medalist, 15 Olympic games participants, 125 individual national champion, and 512 All-Americans.

Not only has Creer coached national championship teams and national champions, he has been awarded many individual accolades. He has been the NAIA National Coach of the Year eight times, the NCCAA National Coach of the Year, the West Texas Hall of Fame Coach of the year three times, and the NAIA region and conference coach of the year numerous times.

To go along with all of the coach-of-the-year awards Creer has been inducted into four Halls of Fame. He was inducted into the NAIA Hall of Fame in 2001, the Missouri Baptist Hall of Fame in 2006, the Lindenwood University Hall of Fame in 2007, and in 2009 he was inducted into the Wayland Baptist Hall of Fame.

Along with his numerous duties at Lindenwood, Creer is the chair of the Lindenwood Athletics Hall of Fame committee and is on the Board of Directors for the St. Charles YMCA.

Creer received his bachelor's degree in English from Western Michigan University in 1970 and earned his master's degree from Troy State in educational administration and supervision in 1976.

Creer and his wife Liz have three daughters (Kimberly, Jennifer, Ashley), and three grandsons, and one granddaughter.

LINDENWOOD ATHLETICS HISTORY

Athletics has been an important part of Lindenwood University throughout its 181-year history, from the school's beginnings as an all-girls school to the last 40 years as a coed institution. Over the last decade, Lindenwood athletics has reached their greatest heights as the Intercollegiate Athletics Department has been one of the most successful programs in the country at any level.

Early Years

There were not many Lindenwood publications in the 1800s, but the few that have been found refer to athletics at the school. An 1898 edition of the school newspaper, *Under The Lindens*, leads with a story about the importance of physical training at the school:

"Few ladies' schools, and especially in the West, can boast of better facilities for gymnastic training. Each student is required to take regular training in the gymnasium under the direction of a competent teacher, the value of which training need not be dwelt up."

In 1905, a permanent athletics association was organized for the first time at Lindenwood to oversee sports at the school. The first programs included tennis, bowling, fencing, basket-ball, and walking clubs, with the big event being the senior-junior basket-ball contest in which a prize of \$10 went to the winning team. It is believed that in the mid-1940s Lindenwood women's teams began playing intercollegiate athletics, with the major sports being field hockey and basketball. Equestrian also became one of the biggest athletic competitions around the Lindenwood campus during this time period.

Modern Athletics Department

The beginning of the current Lindenwood athletics department can be traced to the early 1970s, when the school began to open its doors to male students. Sports such as baseball, basketball, and soccer were added to the varsity roster and the school began its association with the National Association of Intercollegiate Athletics (NAIA).

The first major impact that the Lindenwood athletic department had on a national scale would not come until the 1980s when the women's soccer team became a yearly threat for the national title. The Lady Lions would never win a national championship, but they reached the national tournament 13 times and had two runner-up finishes and three third-place showings. Lindenwood women's soccer was a part of one of the greatest collegiate championship games of all-time when it and Simon Fraser played scoreless soccer for over 162 minutes before Simon Fraser scored in the fifth overtime.

1990s

The 1990s marked the beginning of a major expansion of the Lindenwood Athletics Department. By the turn of the century, the school would field a team for all 21 sports in which the NAIA offered a national championship. The biggest addition was a varsity football team in 1990. The program won its inaugural game by a 21-14 score over Dana College and went on to have a winning record its first year, foreshadowing what would become one of Lindenwood's top programs.

The highlight of the decade came in 1998 when the indoor track and field team won the NAIA National Championship, the first ever title for the Lindenwood athletics program. The Lions led by just two points heading into the final event of the competition, but the school's 4x400 relay team finished second to seal the championship. Current Athletics Director John Creer was the head coach of that program, and Sharif Karic was named the meet's outstanding performer.

Aside from the men's track and field national championship, it was the women who provided the top highlights for Lindenwood throughout the 1990s. The women's basketball team advanced to three national tournaments and won five conference championships and five conference tournaments during the decade. As mentioned earlier, women's soccer was a threat nearly every year to have a high finish at the national tournament. Softball became a regular winner late in the decade, going to three national tournaments from 1998-2000.

Heart of America Athletic Conference (HAAC)

Lindenwood briefly belonged to the American Midwest Conference for three years in the 1990s before joining the Heart of America Athletic Conference (HAAC) in 1996. The school's affiliation with the HAAC, an 11-team league with schools in Missouri, Kansas, and Iowa, would be its longest with a conference in its history.

Almost from the very beginning, Lindenwood raised the reputation of the HAAC on the national level. The athletics program wasted little time in becoming the most prominent member of the conference, finishing second in the conference's all-sports trophy standings in 1996-97 and then winning the HAAC all-sports award every year since.

Lindenwood won nearly 46 percent of the total conference championships during its time in the HAAC. Its 128 HAAC titles are 93 more than the next closest school has won in that span. In fact, in just 15 years, Lindenwood won more HAAC titles than any other school in conference history, despite the fact that many of the HAAC schools have been in the league since it was started in 1971. Runner-up to Lindenwood is William Jewell, which has won 108 titles in 40 years. No other HAAC school has won more than 87 conference titles.

On a national scale, Lindenwood has won 10 NAIA National Championships since joining the HAAC, including five in sports that are sponsored by the conference. The other 10 HAAC programs have combined to win three national championships during the league's history.

2000s

The last 10 years of Lindenwood athletics has been marked by two main themes – continued expansion and success. The two themes merged in 2008 for the biggest accomplishment of the program's history when two athletes with Lindenwood ties competed in the Olympic Games.

NAIA Success

The last decade has seen Lindenwood's NAIA programs make the leap from being good to being elite.

Lindenwood won 10 NAIA national championships, with nine of them coming since the 2002-03 school year. Half of these have come from the Lions wrestling team, which has won five titles starting with the 2002 national championship. Besides its 1998 title, men's track and field has also won two other indoor national championships and one outdoor title. The final national championship came from the 2004 men's soccer team.

In the annual NACDA Directors' Cup standings, Lindenwood has finished seventh or better for 13 straight years, and only once in that span has the school finished outside the top five. It has four runner-up finishes, and twice Lindenwood has won the Directors' Cup. In 2001-02, Lindenwood won the Directors' Cup for the first time. That year, the school had seven top-ten national finishes as it edged the second-place school by 23.5 points. In 2002-03, Lindenwood repeated in another close contest that saw the school win by 28.5 points. That year, the school again had seven athletic programs with top-ten finishes at their national events.

Lindenwood has also had several exciting runs at national championship events throughout the years. The Lions football team began building a powerhouse with the hiring of Patrick Ross in 2004. The program reached its greatest heights in December 2009 when it played in the NAIA national championship game, losing by just three points to future NCAA Division II school Sioux Falls. Men's basketball reached the NAIA Division II semifinals in 2006 and advanced to the second round of the NAIA Division I National Tournament in 2011. On the women's side, volleyball head coach Ron Young has taken his team to three NAIA national championship events in the last four years, including a quarterfinal showing in 2007. Women's track and field has been coming closer to a national title in recent years, including a third-place finish at the 2009 outdoor championships.

2008 Beijing Olympics

During the opening ceremonies of the 2008 Beijing Summer Olympics, two Lions were among the athletes who marched into the stadium. Lindenwood University was even mentioned by Bob Costas on the national telecast that was seen by over 34 million people, making the school just one of two United States colleges mentioned during the parade of athletes.

The athlete that Costas talked about was Donald Thomas, who has one of the most unique stories in track and field history. Thomas was a junior varsity basketball player at Lindenwood who tried the high jump one evening in order to win a dare. Less than two months after winning that dare, he finished second at the national championships in the indoor high jump and helped Lindenwood win a team national title. After graduating from Lindenwood in 2006, he used his final year of eligibility to become a NCAA Division I national champion at Auburn University. He then burst onto the national scene by winning the 2007 World Championships. At the Olympics, Thomas, who was representing the country of the Bahamas, finished 21st after clearing 2.20m.

A Lindenwood athlete at the time, Sean McLelland was also a participant at that year's Olympics, representing the United States in the International Skeet Shooting competition. McLelland had his best international performance at the event, tying for sixth after hitting 118-of-125 targets. That showing advanced him to a shoot-off to determine who would advance to finals, and he fell short in that round. Despite being one target short of making the finals, he still finished ahead of 13 shooters above him in the world rankings, including five in the top ten.

Hyland

Home of the Lind

The Hyland Arena was built in 1997 and is home to many Lindenwood athletic programs along with athletic department offices. Men's and women's basketball, volleyball, wrestling, and women's gymnastics programs compete at the arena along with table tennis, dance and cheerleading.

The facility was named after Robert Hyland, who was the chairman of the Lindenwood board for many years and was also the CBS Regional Vice President and General Manager of radio station KMOX in St. Louis, Mo. for four decades. Hyland introduced the first talk radio format and the first listener call-in programs at KMOX in 1960.

Hyland Arena has hosted numerous special events. In 2010, the arena hosted a nationally televised (ESPNU) high school basketball game. The facility also hosts basketball state championship tournament games and many other events.

FITNESS CENTER

The Fitness Center/ Field House on the Lindenwood Campus is where students and athletes can work out. To go along with racks of free weights and weightlifting equipment students and athletes can jog around a track and use one of the many cardio machines. The field house is home to many athletic teams' offices along with locker rooms for Harlen C. Hunter.

The HIT Center's specialized programs are designed to provide an opportunity for Lindenwood University athletes to utilize its unique services. These programs are open to all the University's athletic programs, and they will be conducted during the hours of 8 a.m.-12 p.m. Each program is limited to a specific number of athletes per session, and they are filled on a first-come, first-served basis.

Programs Include:

Eye-Mertix

- The Eye-Mertix program is designed to improve hand-body-eye coordination, peripheral vision, depth perception, visual recognition, object tracking, and speed of eye movements. The athlete's visual system accounts for 80-85 percent of the sensory information he/she receives. This program gives the athlete an opportunity to train this integral system.

Body Composition

- This program is designed to provide the necessary knowledge, information, and training to help the athlete reach his/her desired body composition. The program includes the following:
 - Complete energy expenditure profile
 - Full metabolic profile
 - Body composition analysis
 - Nutritional consultation (no specific meal plans provided)
 - Fitness training sessions
 - Follow-up evaluation

Overspeed

- This program utilizes the ELG treadmill, which has no resistance and extremely fast speeds. This creates more stimulus and enables the body to recruit more Type II (fast twitch) muscle fibers while focusing on proper running form and technique.

Arm and Bat Speed

- This program is designed specifically for baseball and softball athletes to improve bat and arm speed, strength, and rotational power.

Club Head Speed

- This program is designed specifically for golfers to improve club head speed, strength, rotational power, and balance.

About the University

LINDENWOOD COLLEGE

PRESIDENT - DR. JAMES D. EVANS

James D. Evans, an accomplished scholar, teacher, author, academic administrator and a successful behavioral consultant, has been the president of Lindenwood University since the summer of 2006.

President Evans joined Lindenwood's faculty in 1974 as an assistant professor of psychology, and he advanced to the rank of professor of psychology in 1985. He was named dean of social sciences in 1994, dean of sciences in 1995, and dean of faculty in 1996. He was elevated to the post of provost in 2000.

Since becoming president, Evans has articulated a mission-based vision for Lindenwood – focus on students, strong academic programs, cutting edge technology, increased emphasis on student development and open and clear communication with the university's constituencies.

Under Evans' leadership, the administration has recruited some of the nation's top university teachers for Lindenwood's growing faculty. He played an integral role in establishing the University's first doctoral program, a doctor of education degree, and he is shepherding Lindenwood's pursuit of additional doctoral degrees. Under his leadership, specialized accreditations in the Social Work Department and the School of Business and Entrepreneurship have been obtained.

Evans is a catalyst for continuing physical plant improvements at Lindenwood. Under his leadership, the University has constructed additional residence halls, a new student center, and a major renovation and expansion of Harmon Hall. Three new extension campuses in Wildwood, Ofallon, Mo. and Downtown St. Louis, have been added during Evans' presidency. Evans is focusing on improving the campus landscaping and beautifying all of the Lindenwood University educational sites. Additionally, he has ensured that the school will be on the cutting edge of educational technology through wireless Internet connectivity at all of its major sites and campuses.

Evans received his Ph.D. in research psychology from Iowa State University in 1974; his M.S. in psychology from Iowa State University in 1969; and his B.S. in psychology from Geneva College in 1968. He is the author of two books and has been named to *Who's Who in the Midwest* and *Who's Who Among America's Teachers*. He is on the board of directors of the St. Charles Optimists Club, Partners for Progress, the RCGA, the United Way of Greater St. Louis, and the Economic Development Center of St. Charles.

He and his wife, Lois, a retired educator, live in St. Charles, Mo. They have a daughter, Laura L. Luebbert, who resides in Ferguson, Mo.

Founded in 1827, Lindenwood is a dynamic four-year liberal arts institution dedicated to excellence in higher education. Nestled amid the beautiful linden trees, our historic 500-acre campus is situated in the heart of St. Charles, Mo., a growing community of 62,000 just west of St. Louis.

We offer more than 120 undergraduate and graduate degree programs to approximately 15,000 students through values-centered programs that lead to development of the whole person. Our faculty, staff and administration are committed to an integrative liberal arts curriculum that focuses on the talents, interests and future of our students. Lindenwood is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools.

Lindenwood University is known nationally and internationally for innovation, entrepreneurship and extraordinary dedication to students. We believe that education is the way to personal freedom and responsibility, which are the keystones of any democracy. We have a liberal arts heritage that goes back more than 183 years. In that time, we have learned how to educate in a way that helps each student become an enlightened, principled citizen of a global community.

Mission Statement

Lindenwood University offers values-centered programs leading to the development of the whole person—an educated, responsible citizen of a global community.

Lindenwood is committed to...

- providing an integrative liberal arts curriculum,
- offering professional and pre-professional degree programs,
- focusing on the talents, interests, and future of the student,
- supporting academic freedom and the unrestricted search for truth,
- affording cultural enrichment to the surrounding community,
 - promoting ethical lifestyles,
 - developing adaptive thinking and problem-solving skills,
 - furthering lifelong learning.

Lindenwood is an independent, public-serving, liberal arts university that has a historical relationship with the Presbyterian Church and is firmly rooted in Judeo-Christian values. These values include belief in an ordered, purposeful universe, the dignity of work, the worth and integrity of the individual, the obligations and privileges of citizenship, and the primacy of the truth.

STUDENT LIFE AT LINDENWOOD

Lindenwood University believes in the importance of co-curricular involvement in activities as a valuable supplement to classroom learning in the total educational process. The Office of Student Life & Leadership serves as a coordination center on campus and works with student organizations in facilitating their activities and projects. Various student organized programs and events are scheduled throughout the year. Included are the programs, meetings and other events of the Lindenwood Student Government Association, Greek organizations and other student organizations.

Student organizations are an important part of university life, providing opportunities for students to design and implement programs, events and activities that extend and amplify the goals of Lindenwood's mission. Students may complement their academic experiences by becoming involved with approximately 71 student clubs and organizations which, along with the Student Life and Leadership Office, are the major scheduling source for lectures, movies, dances, entertainers, and a wide variety of other events planned to satisfy the diverse needs and interests of the Lindenwood University community. It is necessary for each organization to register at the Student Activities Office each year and provide the name of a faculty or staff advisor, a current constitution, and a current list of officers and members. Lindenwood also offers students opportunities to play intramurals. The role of the Lindenwood Intramural Activity program is to involve the student body, faculty, and staff; raise overall University morale; and increase satisfaction with campus life. The goal of the Intramural program is to develop individuals physically, mentally, and socially, as well as develop positive time management habits. Some of our activities include the first-year housing wars, table tennis, flag football, Lion Pride Olympics, basketball 3-point shoot-out, 3-on-3 and 5-on-5 basketball tournaments, faculty/staff vs. student softball, powderpuff football, dodgeball, judo, women's self defense, kickboxing and zumba classes, volleyball, hip hop/break dance classes, washers, kickball, and wiffle ball.

ST. LOUIS

St. Louis is located 20 miles east of St. Charles and is an independent city and the second-largest city in the state of Missouri. The city had a 2010 population of 319,294 and is the principal municipality of Greater St. Louis, population 2,845,298, the largest urban area in Missouri, the 4th-largest urban area in the Midwest, and 15th-largest in the United States.

St. Louis was found in 1763 by French explorers Pierre Laclède de Liguist and Auguste Chouteau. Rapids on the Mississippi River made St. Louis the northernmost navigable port for many large boats, and by the 1850s, St. Louis had become the largest US city west of Pittsburgh, and the second-largest port in the country, with a commercial tonnage exceeded only by New York City. With its French past and numerous Catholic immigrants in the 19th and 20th centuries, St. Louis is one of the largest centers of Roman Catholicism in the United States. Rapid immigration from Europe along with migration from the South pushed city's population to 856,796 in 1950. However, since 1950, the population of St. Louis has fallen to 319,294 as residents moved to surrounding suburbs.

St. Louis is situated near the confluence of the Missouri and the Mississippi Rivers, is the heart of Greater St. Louis, a metropolitan area of nearly 3 million people in Missouri and Illinois, the Illinois portion of which is commonly referred to as the Metro-East. It is home to some of the country's largest public and privately held corporations, including AT&T, Express Scripts, Enterprise Rent-A-Car, Graybar, Scottrade, Edward Jones, Emerson, Energizer, Anheuser-Busch, Inc., Boeing Defense, Space & Security, Purina, Monsanto Company, and MasterCard.

IS, MO.

Baseball, hockey and football are always the topic of discussion in St. Louis, and the Gateway City has always enjoyed a love affair with its pro teams. The Blues, Cardinals, and Rams make sure local sports fans have something to cheer about 12 months a year.

St. Louis is a rabid sports town. The city is home to three major sports teams.

The St. Louis Cardinals are the most successful national league baseball team with 11 World Series Championships. The team also has numerous Hall of Famers. The NHL's St. Louis Blues also play in St. Louis. The St. Louis Rams moved to the city in 1995 and were crowned Super Bowl Champions in 1999 and made it to the final game in 2001.

The St. Louis Zoo, is in Forest Park in St. Louis, Missouri. It is recognized as a leading zoo in animal management, research, conservation, and education. Admission is free based on a public subsidy from a cultural tax district, the Metropolitan Zoological Park and Museum District (ZMD); fees are charged for some special attractions. A special feature is the Zooline Railroad, a small passenger train that encircles the zoo, stopping at the more popular attractions.

The city purchased its first exhibit, the Flight Cage, from the Smithsonian Institution following the 1904 St. Louis World's Fair. After the zoo was established, new exhibits, areas and buildings were added through the decades to improve care of the animals, the range of animals and habitats shown, as well as education and interpretation.

ST. CHARLES

Since 1769, Saint. Charles, Missouri, a restored historic city on the Missouri River, has been welcoming visitors to its shores. Founded by French Canadian fur trader Louis Blanchette, the city was named Les Petites Cotes, ("The Little Hills"), which later evolved into Saint Charles. The town regularly welcomed guests from many nations and grew into an important trading center for countless pioneers. Because of its strategic location on the Missouri River and its entrance to the western territory known as the Louisiana Purchase, it was a critical destination for tens of thousands of travelers.

Today, over 65,000 people call St. Charles their home. The City of St. Charles is headquarters for Aspect, Our365, RX System, NewCo Enterprises, Patriot Machine, and Client Services and home to the regional offices of Coca Cola Enterprises, Sysco and American Freightways.

St. Charles is the oldest city on the Missouri River. St. Charles' sister city is Ludwigsburg, Germany.

Almost 200 years ago two brave men launched one of the most amazing adventures of all time. President Thomas Jefferson asked Meriwether Lewis and William Clark to find a route to the Pacific coast. You may know them as the famous Lewis & Clark.

In 1804, they left from Saint Charles to explore new lands from Saint Charles to the Pacific Ocean. During their journey, Lewis and Clark came face-to-face with many wild animals, discovered unknown plants and encountered many Indian cultures. The Lewis and Clark Museum is a great place to learn more about the path Lewis and Clark took. The trading post is filled with the unusual Indian artwork they found during their travels.

LES, MO.

Main Street has long been the hub of commercial activity for St. Charles. The 13-block stretch of downtown St. Charles runs from Boone's Lick Road to Clark, and boasts a bevy of shops, restaurants and businesses.

The temporary, but first, site for the state capitol.

Missouri's first legislators met in the buildings of the First Missouri State Capitol State Historic Site to undertake the task of reorganizing Missouri's territorial government into a progressive state system. From June 4, 1821, to Oct. 1, 1826, heated debates of state's rights and slavery filled the rooms of the temporary Capitol.

The second floor of two adjoining Federal-style brick buildings was divided and used as Senate and House chambers, an office for the governor, and a small committee room. The first floor of the Peck brothers' building housed a general store and Ruluff Peck's family residence. Chauncy Shepard operated a carpenter shop on the first floor of the adjoining building.
