- **Family Day** was held September 19<sup>th</sup>, with a full itinerary of events starting with the honors reception, check-in brunch, business expo, Men's Rugby game, school presentation, kids' corner, international festival, ice cream social, and football game.
- Starting in the November/December issue of St. Charles-based **Streetscape Magazine**, Michael will have a regular column called "Confluence with Michael Shonrock." It will explore the ever-changing

landscape of education, focusing on themes of our shared humanity and cultural relevance.

- **Hastings and Chivetta**, campus master planning consultants, provided an update to Brett Barger, Julie Mueller, and Michael Shonrock regarding their initial findings on building assessments, classroom inventory, and classroom utilization at the St. Charles, Belleville, and off-site campus locations.
- Belleville professor **Roy Lantry** was one of the first Americans to get a look behind the barrier between the United States and Cuba during a mission to see how the island nation's medical system works.  
<http://www.bnd.com/news/local/education/article35724678.html>
- **Dr. Joe Cernik**, Department of Public Affairs Administration Chair and Professor of Political Science and Public Administration is celebrating his 25<sup>th</sup> year at Lindenwood.
- Michael reached out to the 29 recipients of the **Board of Directors Scholarships** with a personal note last week.
- Congratulations to Women's Skeet World Champion **Morgan Craft**, Lindenwood Class of 2015, who earned an Olympic Team nomination with her win!
- Below is a link that will allow you to see the proposed redesign for the **NCAA Athletics page**,  
<http://sites.sidearmsports.com/lindenwood/post/index.htm>
- The **Missouri Colleges Fund, Inc.** held their Board of Directors meeting at Drury University (September 23<sup>rd</sup>); new board member Michael Shonrock joined the meeting 'virtually' from St. Charles. The Fund raises over \$1million annually from private business/etc. distributed to member colleges/universities.
- The **Honors College** had a meet and greet for parents, Honors Panel members and Michael Shonrock at the Family Day event. The Honors

College is also working with Academic Services and Admissions on Honors articulation agreement with St. Charles Community College.

- Belleville students, faculty, and staff participated in a **Moment of Remembrance** on 9/11/2015. Participants paid their respects to the Firehouse in Belleville where they viewed a steel column from the fallen World Trade Center.
- The **School of Accelerated Degree Programs** offers 22 degree programs. The average quarterly enrollment in 2014-2015 was 2,156 students per quarter in Missouri and Illinois combined. They currently have 22 fulltime faculty in Missouri and 8 fulltime faculty in Illinois.
- Most crime labs will now only hire criminalists who possess science degrees and backgrounds in criminal justice. The Lindenwood St. Charles campus offers one of the only Chemistry Degrees with a **Forensics** Emphasis in the area.
- Belleville's "**See Something, say something**" is an ongoing initiative designed to encourage individuals to actively participate in the quality of their environment. The program is currently being integrated as part of the LUL 101 courses, residential hall trainings, as well as in print, digital media and social media.
- The **MoCow Bell** 5k half marathon and marathon sponsored by the **Economic Development Center**, will be held on Sunday, October 4<sup>th</sup>. There will be over 200 Lindenwood University athletes serving as volunteer course monitors and in various other positions.
- The **Plaster School of Business and Entrepreneurship** had its largest opening day in enrollment history. The faculty and staff greeted **4394** new & returning students. The school is on track to celebrate its ninth consecutive semester of record enrollment.
- Over 100 attendees from St. Charles, St. Louis, and East St. Louis recently participated in the Lindenwood University "**Nonprofit Boot camp: Is Your Nonprofit F.I.T.**" The event provided specialized training in fundraising, financial capacity, information technology,

training and development to help nonprofit organizations achieve sustainable results and survive tough times.

- Lindenwood University senior, Ben Holtmeyer spent the summer working as an intern for the St. Louis Cardinals. Ben was one of 48 students in Lindenwood's **School of Communications** that have participated in the internship course.
- A huge thank you goes out to some members of the Football Team, for volunteering to set up and clean up at the "**Taste of Ferguson**" event.
- Lindenwood **Belleville** students participated in the annual Labor Day Parade by handing out candy and goodies to spectators.
- **Peter Carlos**, professor of digital cinema arts, will soon become a **Fulbright Scholar**. The Fulbright Program is the U.S. Department of State's flagship international education exchange program, operating in over 100 countries and granting more than 7,000 awards annually.  
<http://www.lindenwood.edu/news/2015/1280.html>
