A Christmas Carol

Written By: Charles Dickens

Adapted By: Michael Juncal
and Rebecca Helms

A CHRISTMAS CAROL

Bring the entire family out to enjoy the magic and mystery as we celebrate the season with the classic tale, *A Christmas Carol*.

The old miser Ebenezer Scrooge is rather stuck in his ways and certainly never expected to be visited by the ghost of his old friend Jacob Marley, who sends him on a haunting journey with the Ghosts of Christmas Past, Present, and Future to view his life and the possibilities that lay ahead if he remains on the course he's traveling.

Don't miss the Cratchit family (including Tiny Tim) and the rest of your favorite Dickens characters as they once again show us the true meaning of Christmas.

Charles Dickens' classic has been a holiday tradition at Lindenwood University for over three decades. Many first-year Fine and Performing Arts students have made their performing debut in the annual production of *A Christmas Carol* and moved into more intensive roles in the production throughout their matriculation at Lindenwood.
