

# 8 THE LINDENWOOD COLLEGES NEWS BULLETIN

## GRANT FROM FORD FOUNDATION

The Ford Foundation has approved a grant of \$200,000 to Lindenwood and six other liberal arts colleges in Missouri to assist the colleges in recruiting and providing counseling and tutoring programs for disadvantaged students. The grant also will make possible the development of workshop programs for faculty members of the colleges, and the organization of a scholarship fund-raising program for needy students. Participating in the seven college consortium will be Fontbonne, Lindenwood, Maryville, Park, Tarkio, Webster, and Westminster Colleges. Lindenwood President, John Anthony Brown is the founding chairman of the consortium.

## NEW CONSTRUCTION

The new fine arts building is currently progressing well ahead of schedule, and the college hopes to be able to begin utilizing the building sometime during the fall term. Labor difficulties in the building trades in the St. Louis area, however, may delay completion of the 28,000 sq. ft. addition to Lindenwood's teaching facilities. Spacious studio classrooms and large window walls facing North for even light are features of the structure. This building will make it possible to discontinue the holding of art classes in World War II quonset huts and a converted greenhouse.

## FACULTY NEWS

A new procedure in recruiting faculty members was initiated this year by Dean Gary H. Quehl. In addition to the usual interviews, each candidate for appointment to the faculty was invited to meet alone with students who are majoring in the department concerned. Following the candidate's visit, students were asked to write a formal evaluation of the prospect and submit it to the Dean and the President for consideration. This new procedure has been enthusiastically received by the students, and has helped the college in recruiting faculty members who can significantly strengthen our academic program.

**Dr. Patrick Delaney, Jr.**, who has been named Outstanding Teacher of the Year by the students at Holy Cross

College in Massachusetts for the past two years, will join the Lindenwood faculty in September as Chairman of the Biology Department. Dr. Delaney received his Ph.D. from Brown University, has a brilliant teaching record, and a reputation for involving undergraduate students in his research projects. **Dr. Dominic Soda**, who has taught at both Yale and Washington Universities, will come to Lindenwood as Director of the Center for the Undergraduate Study of Mathematics. He will be joined by **Dr. Aaron Konstam**, who is currently a research specialist with Monsanto in Dayton, Ohio. Dr. Konstam has served on the faculties of Wright State University, Brooklyn Polytechnic College, and the Technion-Israel Institute of Technology. He will become director of Lindenwood's new Computer Science Center. **Mr. John Nichols**, who is considered one of the best teachers of undergraduate mathematics students at Washington University, will also join us on the faculty of the Mathematics Center. **Mrs. Jeanne Huesemann** has been a member of the Lindenwood faculty since 1957 and will continue her outstanding teaching as the fourth member of the mathematics faculty. **Professor S. Louise Beasley**, who has been a member of the faculty at Lindenwood for the past twenty years, has elected early retirement. Miss

Beasley served as chairman of the Mathematics Department for many years and her contributions to the growth of the department have been significant. **Associate Professor of Mathematics Robert W. Murdock** will be on leave of absence during the coming year to pursue individual research and study.

**Dr. Lynnewood F. Martin** has joined the faculty of the History Department. A specialist in medieval and early Renaissance history, Dr. Martin received his bachelors and masters degrees from Washington University and earned his Ph.D. degree at St. Louis University. He was formerly a member of the faculty of Quincy College in Illinois.

**Mr. Craig Carlson**, currently at Augsburg College, will join the faculty of the English and Communication Arts Departments, where he will teach creative writing. He is completing his doctorate degree at the University of Exeter.

**Mr. Klaus Gradinger** has been appointed assistant professor in the Modern Languages Department and will teach French and German. A native of Mainz, he is a graduate of the Saarbrücken University and has taught in Great Britain, France and the United States. **Mr. Rudolph Hirschmann** will also join the Modern Languages Department as assistant professor of German. A graduate of the University of Colorado and Valparaiso University, he is a doctoral candidate at the University of Rochester. He has also studied at the Universities of Gottingen, Berlin, and Bern in Europe. **Mrs. Jane Mudd**, who has been serving as an instructor of German for the past two years, will be on leave of absence during the coming year.

## VOLUNTEER LEADERSHIP AIDS ANNUAL GIVING PROGRAM

---

Annual gifts from alumnae, parents, and friends are vital to the growth of the college in helping fill the gap between tuition charges and the actual costs of education. This year's Community Support Campaign in St. Charles has been under the direction of Mr. Donald E. Meyer, an able young realtor. His hard work has resulted in a Community Support Committee of 82

St. Charles civic leaders, all of whom are working to obtain contributions for the college.

The Alumnae Annual Giving Program this year has been under the capable direction of Mr. and Mrs. Edwin D. Van Woert, Jr. Van graduated from Lindenwood in 1958 and his wife, Julie, received her degree a year later. Mr. and Mrs. David Umsted of Pontiac, Illinois, have served as chairmen of this year's Parents Campaign, and contributions are still coming in.

### LINDENWOOD INSTRUCTOR HEADS SUMMER YOUTH PROGRAM

---

Mrs. Joy Ebest, instructor in physical education, will contribute her time this summer as Director of a special youth sports program in the inner-city of St. Louis. Mrs. Ebest, with the help of an \$18,250 grant from the National Collegiate Athletic Association, will direct a summer sports program for more than 200 needy youth.

Dean Barnett

In a letter to James H. Wilkinson, National Summer Youth Sports Program Director for the NCAA, St. Louis Mayor A. J. Cervantes cited Lindenwood College for providing a unique service to the community. . . . "they are bringing the program to a major poverty area of St. Louis and will hire about 90% directly from the area to train as professional leaders and student instructors. . . . this athletic program is especially encouraging because an attempt will be made to keep it on-going for the summer and if possible, on a year round basis, thanks to the initial grant made by the National Collegiate Athletic Association and the efforts of Lindenwood College."

**BACHELOR OF SCIENCE DEGREE  
PROGRAM ESTABLISHED**

---

The Bachelor of Science degree will be offered by both of The Lindenwood Colleges in addition to the Bachelor of Arts degree in selected areas of concentration. The faculty has authorized the new degree program which will require three exploratory electives in each division instead of two. The departments of Political Science and Sociology also require a course in Social Science Statistics. The Bachelor of Science program will not require proficiency in a foreign language. Those areas of concentration offering the B. S. degree option are: Studio Art, Biology (including physical education and nursing), Chemistry, Communication Arts, Economics, History, Mathematics, Music, Philosophy, Political Science, Psychology, and Sociology. Students interested in a divisional area of concentration in preparation for an elementary teaching credential may work toward the Bachelor of Science degree. Students interested in a secondary teaching credential should complete requirements for the Bachelor of Arts degree.

Areas of concentration in which students must meet the requirements for the Bachelor of Arts degree are Art History, Classical Civilization, English, Modern Languages and Religion.

**MODIFIED HOURS PROGRAM ADOPTED**

---

Following a trial period this spring and mutually advantageous discussion evaluation and planning among the students, faculty and administration, a modified policy on hours for women resident students has been adopted. The philosophy of student responsibility

with parental consent has been maintained.

The student leaders have agreed to enforce the policy through their House Judicial System. All residence halls will be closed at midnight Sunday through Thursday and at 2:00 a.m. on Friday and Saturday nights. All freshman students must be in by closing time. Sophomores, juniors, and seniors who have written permission from their parents for extended hours may return to the campus after closing time and will be admitted to the residence halls by a campus security officer. The policy of providing residence hall keys to seniors which has been in effect the past two years has been discontinued. Students returning after hours will report to a central lounge adjacent to the student parking lot and a security officer will then accompany the student to her residence hall and admit her to the building. Locks on all of the residence halls will be changed this summer.
