## Sibley Heritage Society

The Sibley Heritage Society takes its name from the estate planning done by Major George and Mary Easton Sibley. The foresight and thoughtfulness of the Sibleys laid the foundation for the success of the Lindenwood University of today. Members of the Sibley Heritage Society are dedicated to the continued growth of Lindenwood by ensuring its future for generations of students to come. The Society recognizes those who plan for Lindenwood's future by including the University in their estate, by making a gift of a paid up insurance policy, or through planned gifts such as trusts, annuities, etc.

## Butler Society

The Butler Society is named for Colonel James G. and Margaret Leggat Butler, Lindenwood's most generous supporters during the 1900's. Because of their generosity, Ayres, Butler and Niccolls halls were built and funds from the Butler estate led to construction of Roemer and Irwin Halls, Butler Library, the Gables and Eastlick residence. Today, the Butler Society honors a distinguished group of loyal friends who have followed in the Butlers' footsteps by committing their resources to promote the rich heritage of Lindenwood and to support its vision for the future.
