of

Bryan Wyatt

April 30, 1999

Bryan Wyatt

Bryan graduated from Sumner Academy of the Arts and Science in Kansas City, Kansas in 1995. That fall he attended Columbia College in Columbia, Missouri, in pursuit of a BFA in Fashion Design. He was very active, both in the department and throughout the school. After learning of plans to phase out the fashion program in the spring of 1997, Bryan transferred to Lindenwood University.

As one of Lindenwood's first students in fashion design, Bryan was and is encouraging others in the program by assisting Dr. G.P. (Teri) Jones in the fashion studio. While at Lindenwood, Bryan has also been involved with university theatre productions, both on and off stage.

Bryan had the opportunity to study at Cordwainer College in London, England, last fall where he studied shoes and accessories. While in London, Bryan had the chance to intern at two companies, Burro and Jeffery Green Ltd. While at Burro, he worked as a pattern assistant and had a chance to work in public relations for a short time. During his internship with Jeffery Green Ltd., Bryan had duties in all aspects of business: from working on designs for clothing and ties to dealing with clients and manufacturers. All the experience gained will aid him in his professional endeavors.

Upon graduation in May, Bryan has plans to utilize his BFA in Fashion Design Menswear with Jeffery Green Ltd., London, where he will be the assistant designer with duties in all aspects of the company.

Bryan has worked many hours and through many frustrations with his senior collection and feels it is his best work to date. The inspiration and ideas he developed while in England have merged to form his Senior Collection: Millennial Warmth.

Millennial Warmth

This collection is inspired by modern architecture and the idea of asymmetry, as seen in the works of architects like Frank Lloyd Wright, Bart Prince, Eric Owen Moss, and Frank O. Gehry. These ideas together with the lush fabrics and detail of the clothing combine for "Millennial Warmth."

Special Thanks.....

There are so many people to thank, and there is so little time to do it.

I must thank my models, who gave of themselves and their time to help me present my collection, Lynn Roseberry and Stephen Cook for their help on the music; Joanna, Shannon, Theresa, Sarah, Matt, Lilly, Sara, Crystal, Tammy, Tim, Louis, Erin, Lisa, M.T., Colleen, and Angie for their ongoing encouragement and support throughout the last semester; Jeff Coval for lighting; Stephanie Taylor for her advice and help; Dr. G.P. (Teri) Jones for sharing her knowledge, friendship, and support (even when my ideas or my fabric weren't the best) over the last four years and Simon Green and Deborah Jeffery for providing much of the fabric and giving me the opportunity of a lifetime with your company, Jeffery Green Ltd. You allowed me to become part of your company and you became my friends. I look forward to my future with your company. I thank God for seeing me through, my family for support and putting up with me, and especially my mother, who is also my best friend. For without your support (both emotionally and financially), I would not be where I am today. *I LOVE YOU MOM!!!!*
