The Lindenwood men's volleyball team is preparing to start the 2013 season as it will be in its inaugural year of being NCAA Division II. As a result of the change from NAIA to NCAA, the Lions are the newest members of the Midwestern Intercollegiate Volleyball Association, an eight team league that spans from Ohio all the way to Arizona.

2013 LINDENWOOD MEN'S VOLLEYBALL MEDIA GUIDE

"We are extremely excited to be part of the MIVA conference. It will give us a challenging schedule – never

an easy match like we have had in previous conferences," said head coach Ron Young. "Being part of the NCAA and the MIVA conference has helped us on the recruiting side as well."

Members of the MIVA include Ball State, Grand Canyon, Indiana-Purdue at Fort Wayne, Lewis, Loyola-Chicago, Ohio State and Quincy. Lewis and Ohio State were co-champions of the MIVA conference regular season last year with a 9-3 record in the MIVA while Lewis won the MIVA conference tournament.

aces with 28.

will take on Belmont Abbey. Belmont Abbey men's volleyball team is in its inaugural season. Lindenwood will then travel to South Carolina for a match against Limestone. The Saints finished the 2012 season with a 14-11 overall record and 7-3 in the Conference Carolinas. To wrap up its Carolina trip, Lindenwood will play against Pfeiffer. Pfeiffer finished the 2012 season with a 21-6 overall record and 9-1 record in the Conference Carolinas.

> from its Carolina trip, Lindenwood will host four other schools, including fellow conference member in Quincy, in the Lindenwood Classic. Starting on March 1, the Lions will play in three matches in two days. Lindenwood will start the tournament with a match against Carthage, its second of the season. Later that evening, the Lions will have a match against King. On Saturday, Lindenwood will wrap up the tournament with its second match of the season against Limestone.

One of the most

anticipated matches for the Lions is the first match of the season. The Lions are starting MIVA play right away as they will welcome Ohio State to Hyland Arena. The Buckeyes have always been a strong team in the conference and two years ago they won the NCAA National Championship.

Lindenwood will have 14 total matches during the season against schools in the MIVA Conference. Seven out of the first eight matches are against MIVA teams. After that, Lindenwood will take a break from conference action before wrapping up the 2013 season with seven straight MIVA matches. The Lions will end the season out at Grand Canyon on April 11 and 13.

On February 21-23, the Lions will travel to the Carolina's for three, non-conference match-up against schools in the Conference Carolinas. On February 21, Lindenwood

Just two weeks later, Lindenwood will travel to Quincy for its final tournament of the season.

Lindenwood will look to Michael Adams for leadership on the court. Adams was second on the team in kills in 2012, producing 283 kills at 2.67 kills per set. Adams played in

all but one match for the Lions and led the team in service

Sophomore Logan Jarus was a key point of the Lions defense last season. The 6-6 middle blocker led the squad in total blocks with 115 and was second on the team in solo blocks with 17. Along with his defensive strengths, as a freshman, Jarus was third on the team in total kills with 179 at 1.61 kills per set. He also played and started in all 32 matches for the Lions.

Lindenwood also welcomes the return of its primary setter and libero. Playing in 27 matches for the Lions, Tim Schmidt recorded a team-high 950 assists to go along with 53 kills during the

season. Senior Chris Cox will also assist in setting duties, as he contributed 200 assists last season, second on the team in that category.

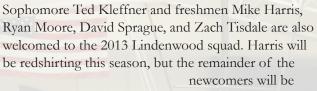

Libero Cory Buehler dug out a team-high 186 digs during the season, averaging over 2.16 digs per set. Along with Buehler, the Lions will look to junior David Poole for more depth in the defensive specialist position. Poole recorded 90 digs last season while playing in 78 sets.

Another key offensive threat for the Lions lies with Scott Siwicki. Siwicki recorded 152 kills in just 80 sets last season as well as recording 12 services aces.

Senior Casey Calder, a defensive specialist

in the past, will exchange roles for the 2013 season and will provide more depth for the Lions at the outside hitter position. Thomas Cruz and JeVaughn Saunders will also contribute more depth to the Lindenwood offense. These three players combined add an additional 57 sets of playing time last season.

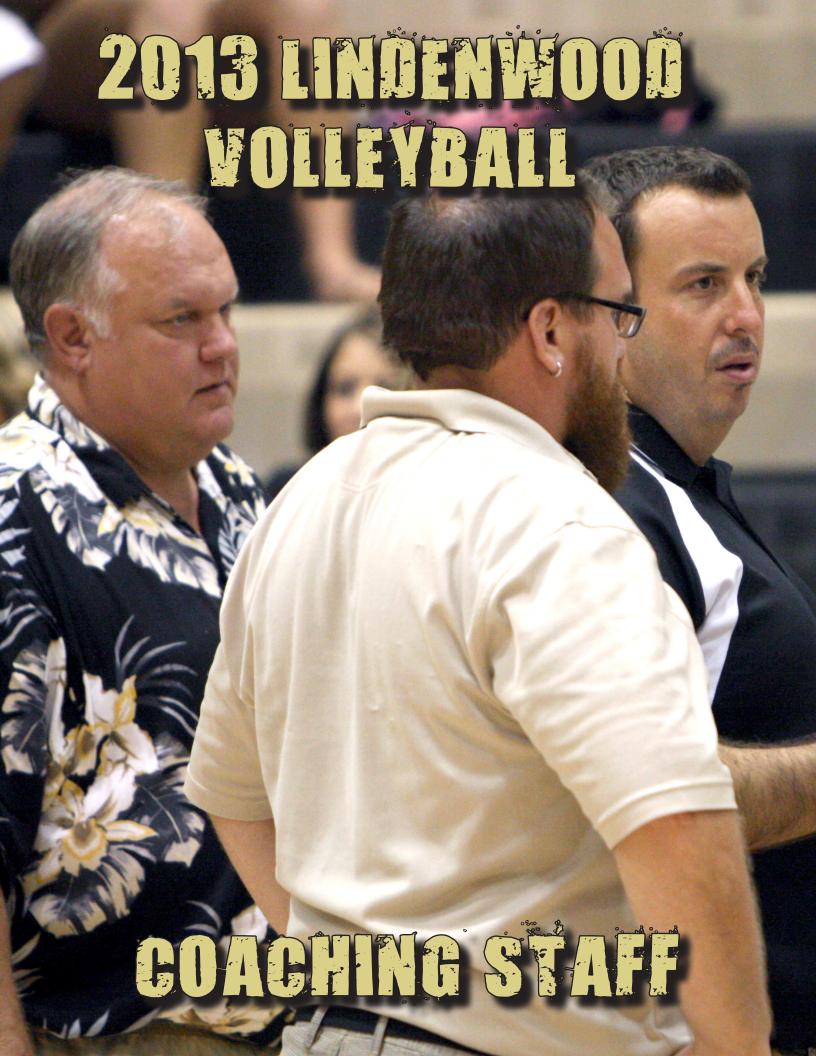

Four members of the squad will return to the lineup after redshirting during the 2012 season. Tim Huizinga and Kyle Overby will bring more to the outside hitter position while Zach Bequette steps in as a middle hitter and Colin Hackworth, a 6-9 sophomore, will step in as an opposite side hitter.

newcomers will be looking for playing time. As a team last season, the Lions averaged 12.76 kills per set, 0.75 kills higher than their opponents. The team also hit .245 as a whole, .022 higher than its opponents. Lindenwood averaged almost an ace per set and 2.4 total blocks per set during the 2012 season.

"This group of players is constantly pushing each other to get better — competition at each position is very high," stated Young. "They are more serious about their preparation this season and I believe they have good team chemistry which still has room for growth."

## ASSISTANT COACH CARY CUSUMANO

### SIXTH SEASON

Cary Cusumano is in his sixth season in 2013 as the lead assistant of the Lindenwood men's volleyball team, and his sixth year overall at the school. He also serves in the same capacity for the men's squad as well as serving as the lead recruiter.

Cusumano assists with all areas of the program, primarily defensive systems with an emphasis on training and developing setters and outside/right side hitters. He plans practices, assists in game plans,

leads the off-season volleyball training, and works closely with the strength and conditioning staff to create programs for spring and summer conditioning.

Under Cusumano's guidance, the Lady Lions have compiled a record of 166-56. During that time, Lindenwood has won three HAAC championships and advanced to the NAIA National Tournament three times. Cusumano played a big role in Lindenwood's men's program

winning its first national title. At the 2009 Men's NAIA National Invitational Tournament, head coach Ron Young was unable to attend the first day of play leaving the team in Cusumano's care. Cusumano stepped in with confidence, coaching the team to near flawless sets, defeating Hope International University and defending National Champion Park University. The following day the men's team went on to defeat perennial powerhouse and four-time national champion California Baptist in straight sets for the Lions' first-ever national championship.

In addition to his duties at Lindenwood, Cusumano coaches boys and girls for St. Louis High Performance Volleyball club. For the last two years, he has served on the coaching staff for the USA Boys Youth National A2 Program and has been an evaluator for the USA Junior and Youth National teams. He formerly worked for Team St. Louis Volleyball Club, Genesis Volleyball Club,

Missouri Thunder Volleyball Club and Team Momentum Volleyball Club. Cusumano joined Lindenwood after six seasons of coaching at Notre Dame High School in St. Louis.

Cusumano is a 1995 graduate of St. Louis University High School. Cusumano received his bachelor's degree in education from Harris-Stowe State University in 2006. He received a master's in education from Lindenwood in

2009.

Luke Young is in his fifth season as an assistant coach for the Lindenwood women's volleyball team in 2012, and his sixth with the men's program in 2013. Young assists with all areas of the program and serves as the women's recruiting coordinator.

2013 LINDENWOOD MEN'S VOLLEYBALL MEDIA GUIDE

In 2011-12, the Lady Lions finished the year 27-13 and captured the Transition Tournament Championship. Twotime NAIA All-American senior outside hitter Ellen Fandry was named tournament MVP. The Lion men had a successful 19-13 outing, finishing on a hot-streak defeating three future

conference opponents, including Ball State University in three straight sets.

Under Young's direction, the Lady Lions have compiled 126 wins and a .724 winning percentage, appeared in the NAIA National Tournament three times, and earned three conference championships. Young has coached three NAIA All-Americans, eight All-Conference Members, six NAIA Scholar-Athletes, and the 2012 Lindenwood University Female Scholar-Athlete of the Year in the Lady Lion program.

Since joining the coaching staff for the men, the Lions have compiled 117 wins and a .709 winning percentage, appeared in the NAIA National Invitational Tournament four times, and earned three conference championships. At the 2009 NAIA National Invitational Tournament, the Lions defeated California Baptist University in three straight sets in the national championship. Young has coached three NAIA All-Americans, nine All-Conference, one MAMVIC Player of the Year, and the 2009 Lindenwood University Male Scholar-Athlete of the Year.

Young has a strong record of coaching at the collegiate, high school, and club level over the past eleven years. Prior to joining Lindenwood, he served as an assistant coach at Graceland University in Lamoni, Iowa. Young also coached high school volleyball at Cornerstone Christian Academy in Sycamore, Illinois, and at Wentzville Holt High School. At Cornerstone, Young led the Royals to the ACS Illinois State Championships in 2006.

Young has also been active coaching club volleyball in the area with Team Momentum and Missouri Thunder volleyball clubs.

In addition to coaching club volleyball, Young spends most of his summer traveling the Midwest coaching and running camps for high school athletes. Young has worked camps for Washington University in St. Louis, Wichita State University, Iowa State University, University of Missouri, Northern Illinois University, Southwest Missouri University-West Plains, Molten Volleyball Camps, All-America Volleyball Camps, Lights Out Volleyball Camps and has served as a clinician for the USA Volleyball High Performance Tryouts.

Young received his bachelor of arts degree in visual communications and studio art from Graceland in 2004. While at Graceland, he was part of the men's volleyball and track and field teams. Young earned his master's of fine arts degree in studio art from Northern Illinois University in 2008.

Young also serves as an instructor in the Lindenwood Fine Arts Department, teaching studio art courses.

#### **MIVA History**

They had no idea that such simple beginnings would have such a huge impact upon the future of a sport. On Feb. 4, 1961 representatives of Ball State University, Detroit Institute of Technology, Earlham College, George Williams College, Lancing College, Michigan State University, Ohio State University and Wittenberg College met in Lansing, Mich. to form the Midwest Intercollegiate Volleyball Conference, the nation's first men's college volleyball league. The league started through the efforts of Jim Coleman of Wittenberg College and Don Shondell of Ball State University.

Later the league name was changed to the Midwest Intercollegiate Volleyball Association. The Midwest's premier volleyball conference has provided the foundation for the sport in the region at every competitive level, from juniors to the United States national teams More than forty schools have participated in the MIVA during its history.

Currently, there are eight members of the MIVA Conference. Ball State and Ohio State are the only two schools remaining from the original seven schools. IPFW joined the conference in 1981, Lewis University and Quincy University joined in 1994, Loyola University-Chicago joined in 1996, Grand Canyon University joined in 2010, and Lindenwood University, the eighth and final member of the conference joined in 2013.

#### Statement of Purpose

The purpose of the organization shall be to provide a men's intercollegiate volleyball association through which member institutions maintain athletic programs in conformity with the dignity and purpose of higher education. The members shall incorporate intercollegiate men's volleyball within their respective educational programs and shall place and maintain such athletics under the same administrative and academic control as that which exists in their other educational programs.

2012 LINDENVIOOD

STASON IN BEFERE

The Lindenwood men's volleyball team finished up another successful season in 2012 with a 19-13 overall record. The Lions spent the season in the transition between being a member of NAIA and becoming a NCAA Division II institution.

Throughout the 2012 season, the Lions got a taste of what was in store for them in 2013 as they had matches against five of the seven schools in the Midwestern Intercollegiate Volleyball Association, the future conference they would become a member of. Those five schools included Ball State, Grand Canyon, Lewis, Loyola and Quincy. Lewis was ranked in both appearances against the Lions and Loyola was ranked in the lone appearance against Lindenwood. All three of the contests between Lewis and

Loyola resulted in losses for the Lions. Lindenwood split against both Grand Canyon and Quincy and defeated Ball State at home.

Lindenwood jumped out to a quick 3-0 start before falling to Quincy and Park in the fourth and fifth contests of the season. Until mid-season, the Lions went backand-forth with wins and losses, keeping their record at least two games over .500. On February 15, the

Lions defeated Fontbonne which sparked an 8-3 run that bumped their record to 15-8.

The Lions finished the last nine games with a record of 4-5, including three victories and three losses to MIVA teams. Of those final nine games, eight of them were on the road. Lindenwood ended the season by defeating both Ball State and Quincy 3-0.

Over half of the team's matches ended in three sets. The Lions finished 11-7 in games with three sets, 5-4 in games with four sets and 3-2 in games that ended in five sets. Lindenwood is also riding on a four-game home winning streak dating back to March 2.

One of the best showings of the season for the Lions came against Pfeiffer on March 3, where the Lions hit .500 as a team and recorded 46 kills on 80 attempts in the 3-0 victory. That was one of two matches where Lindenwood recorded a season-low six hitting errors. The Lions recorded a season-high 64 kills in the 2-3 loss to Park. In the four set victory to Limestone, Lindenwood recorded 63 digs.

As a team, the Lions hit .245 and averaged 12.8 kills per set. Lindenwood recorded 98 aces throughout the season compared to its opponents 82 aces. The Lions also outblocked their opponents 78-67 in solo blocks and 406-393 in block assists.

Senior Jack Mitchell led the Lions offensively, tallying a team-high 361 kills at 3.31 kills per set. Mitchell

> hit .251 in 109 sets. Playing in all 32 games for the Lions, Mitchell recorded 21 games with at least double-digit kills. He also recorded four, kill-dig doubledoubles.

Sophomore Michael Adams also made his mark offensively for the Lions, recording 283 kills at a .208 clip during the season. Apart from the team's libero, Cory Buehler, Adams was second on the team in digs per set, averaging 1.60.

Buehler, the team's primary libero, averaged 2.16 digs per set and carried a 96.4 receiving percentage.

Logan Jarus, as a freshman, led the Lions in blocking with 115 total blocks. He recorded 17 solo blocks, just one shy of a team-high 18 by Mitchell, and 98 block assists. The freshman started and played in all 32 matches for the Lions. Jarus was third on the team in kills with 179.

Due to being in the candidacy stage for NCAA Division II, the Lions were unable to compete in a conference and therefore completed their season against Quincy. Looking ahead to 2013, the Lions are the newest member of the MIVA conference. Lindenwood will compete against each member school twice, tallying up for 14 conference matches.

# 2009 NAFION

Prior to 2009, the Lindenwood Lions men's volleyball team had made three appearances in the national championship game but came up short every time. That all changed when the 2009 Lions finally broke through. The Lions began the season ranked number four in the national rankings but the regular season began with a loss to Lewis. Lindenwood rebounded by winning the next 11 matches.

That streak ended with back-to-back losses to California Baptist, but that would be the last time the Lions lost a match that season. Lindenwood went 20-0 for the rest of the regular season, losing just 12 games in that span, and also captured the MAMVIC regular season championship with a perfect 10-0 mark.

With the regular season over the Lions moved on to the MAMVIC conference tournament as the number one seed. The Lions won the tournament with a pair of 3-0 sweeps against Graceland and Park. Next up for Lindenwood was the NAIA National Invitational Tournament, which it entered as the number two seed. Lindenwood defeated both Park and Hope International in pool play in four games, and the Lions advanced to bracket play. In the semifinals the Lions shutout Cardinal Stritch three games to none.

Next up for the Lions was the national championship game against familiar finals foe, California Baptist. The Lions had lost to California Baptist in two of their three previous trips to the national championship game, but Lindenwood finally got over that hurdle with a 30-20, 30-28, 30-27 victory. Lindenwood finished the 2009 season with a 37-3 mark.

#### **ABOUT LINDENWOOD ATHLETICS**

The Lindenwood University athletics department has grown significantly over the past two decades, going from just a few sports to having one of the largest and most successful athletic departments in the nation. Lindenwood will sponsor 48 varsity athletics teams in 2011-12 and add a 49th in 2012-13. Over the last 10 years, Lindenwood has won 43 varsity national championships.

Twenty-seven of Lindenwood's sports programs are currently transitioning to the National Collegiate Athletic Association (NCAA). Twenty-four of those teams will compete for NCAA Division II National Championships, while the other three will compete for NCAA National Collegiate Championships, which are mostly made up of NCAA Division I programs.

In 2012-13, the majority of Lindenwood's NCAA programs will compete in the Mid-America Intercollegiate Athletics Association (MIAA). The MIAA is one of the top NCAA Division II conferences, and it sponsors championships in baseball, men's and women's basketball, men's and women's cross country, football, men's and women's golf, women's soccer, softball, men's and women's tennis, men's and women's indoor track and field, men's and women's outdoor track and field, and women's volleyball.

The MIAA was founded 1912 and in 2012-13 will include the following schools: Central Missouri, Central Oklahoma, Emporia State, Fort Hays State, Lincoln, Lindenwood, Missouri Southern, Missouri Western, Nebraska-Kearney, Northeastern State, Northwest Missouri State, Pittsburg State, Southwest Baptist, Truman, and Washburn.

Lindenwood also offers a variety of sports outside of the

The Lindenwood University athletics department has grown NCAA, most of which are among the top programs in their ificantly over the past two decades, going from just a few sports respective national and conference organizations.

#### Athletics Philosophy

Lindenwood University is committed to the development of the whole person within a value system that acknowledges our Christian heritage and focuses on a four-dimensional personal growth: mental, social, physical, and spiritual.

The actions of the student-athlete affect both himself/herself and others. In choosing to be a part of the Lindenwood learning community, the student-athlete agrees to be responsible and to choose his/her actions in such a way that they reflect favorably on the student-athlete and the Lindenwood community.

#### **Mission Statemant**

It is the mission of intercollegiate sports at Lindenwood University to advance learning, enliven campus life, develop leadership skills, and foster the personal growth of the student athlete through offering a high quality athletics program. Athletics Department personnel strive to provide model programs that develop meaningful standards of scholarship, athletic performance, leadership, community service, and sportsmanship conduct. Through sports, Lindenwood seeks to contribute to a sense of collegiate identity and positive perception in the community. The Athletics Department shall strive for excellence in the competitive environment in accord with the philosophy, rules, and regulations of the NAIA and other sports governing bodies in which Lindenwood has membership.

#### ATHLETICS DIRECTOR - JOHN CREER

John Creer is entering his 22nd year at Lindenwood and his 12th year as the Athletics Director. Before becoming the athletic director at Lindenwood, Creer served as the Dean of Students from 1991 until 1999.

Creer is currently leading Lindenwood's move to the NCAA Division II level. He has helped the program enter the candidacy stage in the NCAA process. Creer oversees 27 sports that are seeking membership in the NCAA.

Prior to Lindenwood's move to the NCAA, Creer oversaw an athletic department that included 21 NAIA sports programs and 25 other varsity programs that competed in other national organizations. While he was athletics director, those programs captured 40 national championships and 134 conference championships. In the NAIA, the athletics department finished in the top five in the Learfield Sports Directors' Cup in every season but one since he became Athletics Director. In 2001-02 and 2002-03, Lindenwood won the Directors' Cup for being the top overall athletics department in the NAIA.

During Creer's tenure, the Athletics Department has grown in the number athletic programs and in the quality of facilities. Creer has been part of the construction of the Lou Brock Sports Complex and the Lindenwood Track, the purchase of Lindenwood Ice Arena, and the major renovations of Harlen C. Hunter Stadium.

Before moving into the administrative side of athletics, Creer was one of the most successful track and field coaches in the country. Creer began his head coaching career in 1970 at Winter Haven High School (Fla.), where he coached the cross country teams and assisted with the track and field teams. In 1973, Creer accepted a teaching position at Kathleen High School in Lakeland, Fla., and was head coach for the cross country and track and field teams.

In 1975, he moved onto the collegiate level when he became the head cross country coach and assistant head coach of the track and field team at Troy State University. After the 1977 season, Creer moved onto the Division I level at the University of Florida. At Florida he was the associate head coach of the track and field team from 1977-1978 and in 1978-79 became the interim head coach of the Gators.

Next up for Creer was the international level. In 1979, he was the assistant national coach for the Kingdom of Saudi Arabia's Olympic track and field team. In 1983, he would become a head coach at Wayland Baptist University. After a five-year stint at Wayland, Creer was hired to

be the head cross country and track and field coach at Missouri Baptist. In 1991, Creer would move to Lindenwood, but it wasn't until 1996 that he became the head coach of the cross country and track and field teams.

During Creer's coaching career he coached three national championship teams in women's track and field, seven men's track and field team championships, two world champions in track and field, three Olympic silver medalists, one Olympic bronze medalist, 15 Olympic games participants, 125 individual national champion, and 512 All-Americans.

Not only has Creer coached national championship teams and national champions, he has been awarded many individual accolades. He has been the NAIA National Coach of the Year eight times, the NCCAA National Coach of the Year, the West Texas Hall of Fame Coach of the year three times, and the NAIA region and conference coach of the year numerous times.

To go along with all of the coach-of-the-year awards Creer has been inducted into four Halls of Fame. He was inducted into the NAIA Hall of Fame in 2001, the Missouri Baptist Hall of Fame in 2006, the Lindenwood University Hall of Fame in 2007, and in 2009 he was inducted into the Wayland Baptist Hall of Fame.

Along with his numerous duties at Lindenwood, Creer is the chair of the Lindenwood Athletics Hall of Fame committee and is on the Board of Directors for the St. Charles YMCA.

Creer received his bachelor's degree in English from Western Michigan University in 1970 and earned his master's degree from Troy State in educational administration and supervision in 1976.

Creer and his wife Liz have three daughters (Kimberly, Jennifer, Ashley), and three grandsons, and one granddaughter.

#### **LINDENWOOD ATHLETICS HISTORY**

Athletics has been an important part of Lindenwood University throughout its 181-year history, from the school's beginnings as an all-girls school to the last 40 years as a coed institution. Over the last decade, Lindenwood athletics have reached their greatest heights as the Intercollegiate Athletics Department has been one of the most successful programs in the country at any level.

#### **Early Years**

There were not many Lindenwood publications in the 1800s, but the few that have been found refer to athletics at the school. An 1898 edition of the school newspaper, *Under The Lindens*, leads with a story about the importance of physical training at the school:

"Few ladies' schools, and especially in the West, can boast of better facilities for gymnastic training. Each student is required to take regular training in the gymnasium under the direction of a competent teacher, the value of which training need not be dwelt up."

In 1905, a permanent athletics association was organized for the first time at Lindenwood to oversee sports at the school. The first programs included tennis, bowling, fencing, basket-ball, and walking clubs, with the big event being the senior-junior basket-ball contest in which a prize of \$10 went to the winning team. It is believed that in the mid-1940s Lindenwood women's teams began playing intercollegiate athletics, with the major sports being field hockey and basketball. Equestrian also became one of the biggest athletic competitions around the Lindenwood campus during this time period.

#### Modern Athletics Department

The beginning of the current Lindenwood athletics department can be traced to the early 1970s, when the school began to open its doors to male students. Sports such as baseball, basketball, and soccer were added to the varsity roster and the school began its association with the National Association of Intercollegiate Athletics (NAIA).

The first major impact that the Lindenwood athletic department had on a national scale would not come until the 1980s when the women's soccer team became a yearly threat for the national title. The Lady Lions would never win a national championship, but they reached the national tournament 13 times and had two runner-up finishes and three third-place showings. Lindenwood women's soccer was a part of one of the greatest collegiate championship games of all-time when it and Simon Fraser played scoreless soccer for over 162 minutes before Simon Fraser scored in the fifth overtime.

#### 1990s

The 1990s marked the beginning of a major expansion of the Lindenwood Athletics Department. By the turn of the century, the school would field a team for all 21 sports in which the NAIA offered a national championship. The biggest addition was a varsity football team in 1990. The program won its inaugural game by a 21-14 score over Dana College and went on to have a winning record its first year, foreshadowing what would become one of Lindenwood's top programs.

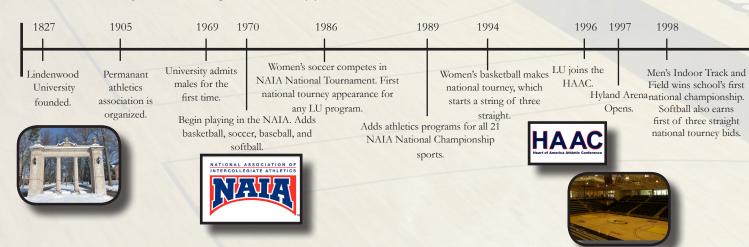

The highlight of the decade came in 1998 when the indoor track and field team won the NAIA National Championship, the first ever title for the Lindenwood athletics program. The Lions led by just two points heading into the final event of the competition, but the school's 4x400 relay team finished second to seal the championship. Current Athletics Director John Creer was the head coach of that program, and Sharif Karie was named the meet's outstanding performer.

Aside from the men's track and field national championship, it was the women who provided the top highlights for Lindenwood throughout the 1990s. The women's basketball team advanced to three national tournaments and won five conference championships and five conference tournaments during the decade. As mentioned earlier, women's soccer was a threat nearly every year to have a high finish at the national tournament. Softball became a regular winner late in the decade, going to three national tournaments from 1998-2000.

#### Heart of America Athletic Conference (HAAC)

Lindenwood briefly belonged to the American Midwest Conference for three years in the 1990s before joining the Heart of America Athletic Conference (HAAC) in 1996. The school's affiliation with the HAAC, an 11-team league with schools in Missouri, Kansas, and Iowa, would be its longest with a conference in its history.

Almost from the very beginning, Lindenwood raised the reputation of the HAAC on the national level. The athletics program wasted little time in becoming the most prominent member of the conference, finishing second in the conference's all-sports trophy standings in 1996-97 and then winning the HAAC all-sports award every year since.

2013 Lindenwood Men's Volleyball Media Guide

Lindenwood won nearly 46 percent of the total conference championships during its time in the HAAC. Its 128 HAAC titles are 93 more than the next closest school has won in that span. In fact, in just 15 years, Lindenwood won more HAAC titles than any other school in conference history, despite the fact that many of the HAAC schools have been in the league since it was started in 1971. Runner-up to Lindenwood is William Jewell, which has won 108 titles in 40 years. No other HAAC school has won more than 87 conference titles.

On a national scale, Lindenwood has won 10 NAIA National Championships since joining the HAAC, including five in sports that are sponsored by the conference. The other 10 HAAC programs have combined to win three national championships during the league's history.

#### 2000s

The last 10 years of Lindenwood athletics has been marked by two main themes – continued expansion and success. The two themes merged in 2008 for the biggest accomplishment of the program's history when two athletes with Lindenwood ties competed in the Olympic Games.

#### **NAIA Success**

The last decade has seen Lindenwood's NAIA programs make the leap from being good to being elite.

Lindenwood won 10 NAIA national championships, with nine of them coming since the 2002-03 school year. Half of these have come from the Lions wrestling team, which has won five titles starting with the 2002 national championship. Besides its 1998 title, men's track and field has also won two other indoor national championships and one outdoor title. The final national championship came from the 2004 men's soccer team.

In the annual NACDA Directors' Cup standings, Lindenwood has finished seventh or better for 13 straight years, and only once in that span has the school finished outside the top five. It has four runner-up finishes, and twice Lindenwood has won the Directors' Cup. In 2001-02, Lindenwood won the Directors' Cup for the first time. That year, the school had seven top-ten national finishes as it edged the second-place school by 23.5 points. In 2002-03, Lindenwood repeated in another close contest that saw the school win by 28.5 points. That year, the school again had seven athletic programs with top-ten finishes at their national events.

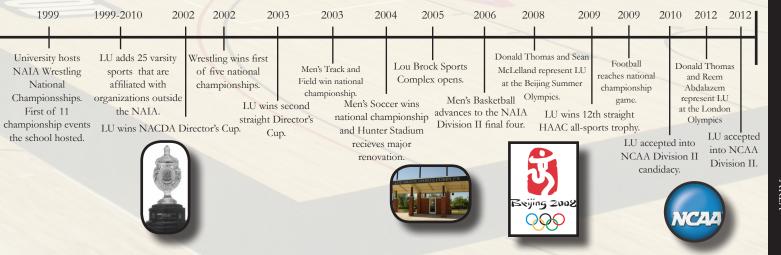

Lindenwood has also had several exciting runs at national championship events throughout the years. The Lions football team began building a powerhouse with the hiring of Patrick Ross in 2004. The program reached its greatest heights in December 2009 when it played in the NAIA national championship game, losing by just three points to future NCAA Division II school Sioux Falls. Men's basketball reached the NAIA Division II semifinals in 2006 and advanced to the second round of the NAIA Division I National Tournament in 2011. On the women's side, volleyball head coach Ron Young has taken his team to three NAIA national championship events in the last four years, including a quarterfinal showing in 2007. Women's track and field has been coming closer to a national title in recent years, including a third-place finish at the 2009 outdoor championships.

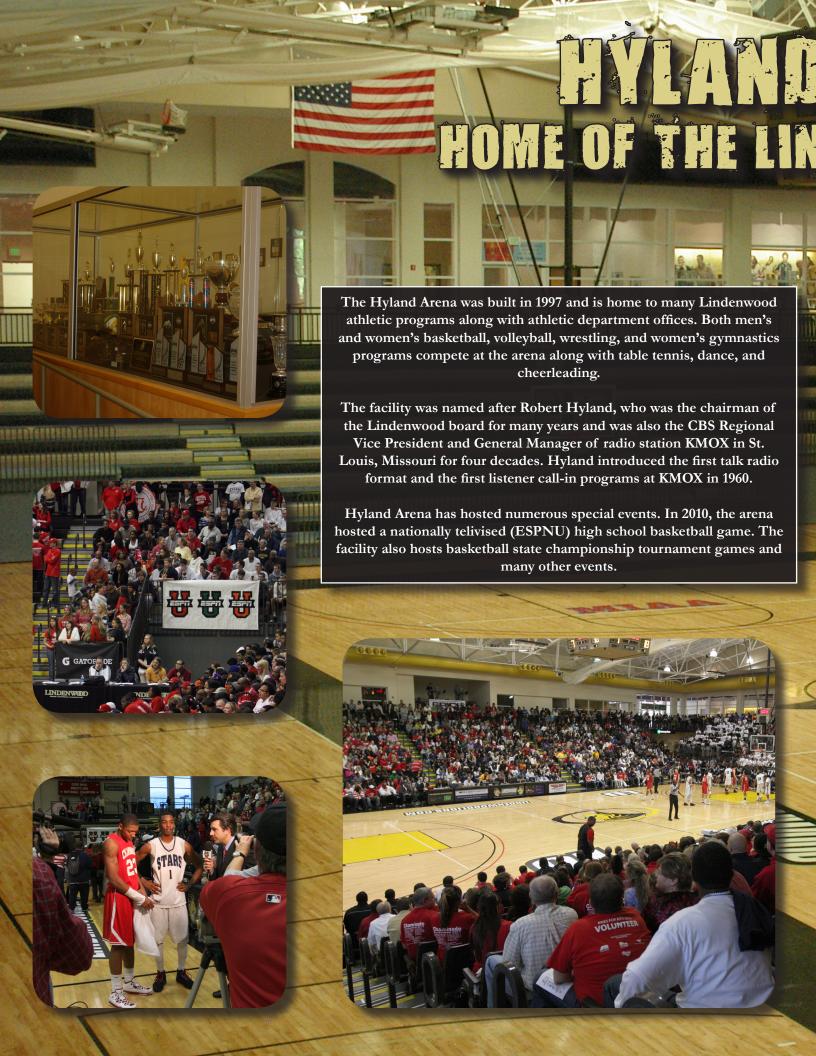

#### 2008 Beijing Olympics

During the opening ceremonies of the 2008 Beijing Summer Olympics, two Lions were among the athletes who marched into the stadium. Lindenwood University was even mentioned by Bob Costas on the national telecast that was seen by over 34 million people, making the school just one of two United States colleges mentioned during the parade of athletes.

The athlete that Costas talked about was Donald Thomas, who has one of the most unique stories in track and field history. Thomas was a junior varsity basketball player at Lindenwood who tried the high jump one evening in order to win a dare. Less than two months after winning that dare, he finished second at the national championships in the indoor high jump and helped Lindenwood win a team national title. After graduating from Lindenwood in 2006, he used his final year of eligibility to become a NCAA Division I national champion at Auburn University. He then burst onto the national scene by winning the 2007 World Championships. At the Olympics, Thomas, who was representing the country of the Bahamas, finished 21st after clearing 2.20m.

A Lindenwood athlete at the time, Sean McLelland was also a participant at that year's Olympics, representing the United States in the International Skeet Shooting competition. McLelland had his best international performance at the event, tying for sixth after hitting 118-of-125 targets. That showing advanced him to a shoot-off to determine who would advance to finals, and he fell short in that round. Despite being one target short of making the finals, he still finished ahead of 13 shooters above him in the world rankings, including five in the top ten.

#### FITNESS CENTER

The Fitness Center/ Field House on the Lindenwood Campus is where students and athletes can work out. To go along with racks of free weights and weightlifting equipment students and athletes can jog around a track and use one of the many cardio machines. The field house is home to many athletic teams' offices along with locker rooms for Harlen C. Hunter.

The HIT Center's specialized programs are designed to provide an opportunity for Lindenwood University athletes to utilize its unique services. These programs are open to all the University's athletic programs, and they will be conducted during the hours of 8 a.m.-12 p.m. Each program is limited to a specific number of athletes per session, and they are filled on a first-come, first-served basis.

#### Programs Include: Eye-Metix

• The Eye-Metrix program is designed to improve hand-body-eye coordination, peripheral vision, depth perception, visual recognition, object tracking, and speed of eye movements. The athlete's visual system accounts for 80-85 percent of the sensory information he/she receives. This program gives the athlete an opportunity to train this integral system.

#### **Body Composition**

- This program is designed to provide the necessary knowledge, information, and training to help the athlete reach his/her desired body composition. The program includes the following:
  - Complete energy expenditure profile
    - Full metabolic profile
    - Body composition analysis
  - Nutritional consultation (no specific meal plans provided)
    - Fitness training sessions

Almost 200 years ago two brave men launched one of the most amazing adventures of all time. President Thomas Jefferson asked Meriwether Lewis and William Clark to find a route to the Pacific coast. You may know them as the famous Lewis & Clark.

In 1804, they left from Saint Charles to explore new lands from Saint Charles to the Pacific Ocean. During their journey, Lewis and Clark came face-to-face with many wild animals, discovered unknown plants and encountered many Indian cultures. The Lewis and Clark Museum is a great place to learn more about the path Lewis and Clark took. The trading post is filled with the unusual Indian artwork they found during their travels.

Main Street has long been the hub of commercial activity for St. Charles. The 13-block stretch of downtown St. Charles runs from Boone's Lick Road to Clark, and boasts a bevy of shops, restaurants and businesses.

The temporary, but first, site for the state capitol.

Missouri's first legislators met in the buildings of the First Missouri State Capitol State Historic Site to undertake the task of reorganizing Missouri's territorial government into a progressive state system. From June 4,1821, to Oct. 1,1826, heated debates of state's rights and slavery filled the rooms of the temporary Capitol.

The second floor of two adjoining Federal-style brick buildings was divided and used as Senate and House chambers, an office for the governor, and a small committee room. The first floor of the Peck brothers' building housed a general store and Ruluff Peck's family residence. Chauncy Shepard operated a carpenter shop on the first floor of the adjoining building.
