This media guide was designed by Sports Information Graduate Assistant Jen Lawson with assistance from the Lindenwood Sports Information Office. Photos used in the media guide taken by Don Adams Jr. unless otherwise noted.

MEDIA INFORMATION

General Information

The Lindenwood Sports Information staff is your host for each and every home Lady Lion hockey game. Sports Information Director Daniel Newton is the main contact for any questions, and Assistant Sports Information Director Mike Morgan will also be available. Game notes, rosters, and game day programs will be available before each game. A full statistical booklet will be available 20 minutes after the conclusion of the contest.

Working Credentials

Working media will be required to wear a media credential at all times. All requests for credentials should be made to the Lindenwood Sports Information Office.

Statistics

Lindenwood uses the StatCrew Statistical program for ice hockey. StatCrew rosters will be available for opposing schools and a packed game file will be sent following the conclusion of the game.

The Lindenwood Sports Information Department has designed this media guide to assist the media in covering the 2013-14 Lindenwood hockey team. If there is any information that you need and cannot find, you are welcome to contact the sports information department. You may also find more information on www.lindenwoodlions.com. If you would like to request photos or interviews for feature stories, contact the SID office.

The phone number will be available by calling the Lindenwood Sports Information Department.

LINDENWOOD SPORTS INFORMATION

Daniel Newton came to Lindenwood University in December of 2006 as the school's Sports Information Director. He is in his 14th year working full-time in a Sports Information Office.

At Lindenwood, Newton helps with the public relations effort and statistical operations for the 27 NCAA sports. From 2006-11, he also assisted with the public relations for 21 Student Life Sports. Besides his regular duties, Newton has assisted with starting the Lindenwood Athletics Hall of Fame in 2007, created a new athletics website in 2009, and led the redesign of the athletics website in 2012. He

has also researched many historical items about Lindenwood athletics, including creating record books for numerous athletic teams.

In 2007, Newton became the first person at Lindenwood to nominate deserving student-athletes in the prestigious Capital One Academic All-American program. Since that time, Lindenwood student-athletes have won 29 academic all-district honors and six Academic All-American awards.

Newton served as the NAIA media relations contact at the 2009-11 NAIA Swimming and Diving National Championships, and worked in the press room at the 2009 and 2011 NAIA Division I Men's Basketball National Championships.

Prior to coming to Lindenwood, Newton served as the Media Relations Coordinator at Truman State University from 2002-2006, and was the Assistant Media Relations Director at Portland State University from 1999-2002. He has also worked in press rooms for various professional teams, including the Portland Trailblazers (NBA) and Portland Beavers (Triple A Baseball), and was the assistant media relations contact for the 2000 NCAA Division I Women's Basketball West Regional.

Newton worked as a student assistant in the Sports Information Office at Truman from 1996-99 and received a bachelor degree in business administration from Truman in 1999. He earned his master's in sports management from Lindenwood in 2009.

Newton is a member of the College Sports Information Directors of America. He has won numerous awards from that organization for his works on designing and producing media guides.

Daniel and wife, Jennifer, reside in St. Peters, Mo. and have two sons, Bryan and Jordan.

Mike Morgan is entering his third year as the Assistant Sports Information Director at Lindenwood University. Before moving into his current role, he served as a graduate assistant in the Sports Information Office for two years.

Morgan will serve as the primary contact for seven sports, which include men's soccer, men's and women's basketball, baseball, softball, and gymnastics. To go along with his primary sports, Morgan will design all media guides, game day programs, and graphic design work that will be displayed on the Lindenwood athletic website.

Morgan can also be heard hosting numerous coaches shows, and doing play-by-play on the lindenwoodlions.com Sports Network.

During his time as a graduate assistant, Morgan helped implement a new athletic website and assisted with the 2010 and 2011 NAIA Swimming National Championships. He also assisted on press row for the 2010 and 2011 NAIA Basketball National Championships. In 2012, he worked on press row for the NCAA Division I Men's Basketball Tournament.

Prior to his time at Lindenwood, Morgan was the Director of Broadcasting/Media Relations Director for the River City Rascals, a minor league baseball team in O'Fallon, Mo. He was also the play-by-play voice for the team. After his stint with the Rascals, he moved on to become the Senior Staff Writer for St. Louis Scoop High School Sports Magazine, where he wrote over 35 feature length articles a week to go along with designing the magazines.

In 2009, Morgan was the play-by-play voice for the Lindenwood football team who played in the NAIA National Championship game against Sioux Falls. That was Morgan's second stint as the play-by-play voice. In 2004, Morgan was behind the mic for the first ever undefeated regular season in school history.

Morgan received his bachelor's degree in mass communication from Lindenwood in 2004 and his master's degree in business communications in 2011.

Mike and his wife, Nichole, reside in O'Fallon, Mo. and have a son, Kevin, and two daughters, Natalee and Reagan.

LINDENWOOD HOCKEY

COACHING STAFF

VINCE O'MARA

HEAD COACH || TENTH SEASON || 15-47-3 NCAA RECORD
FOUR-TIME ACHA NATIONAL CHAMPIONS ('06, '08, '09, '10)
THREE-TIME CONFERENCE CHAMPIONS

Vince O'Mara is in his tenth season as the Lindenwood women's ice hockey head coach in 2012-13, including the program's second as a NCAA program.

O'Mara led the Lady Lions last year through its first season against NCAA competition. Lindenwood had 15 newcomers on the roster, including 14 freshmen, and it faced a schedule that included just four home games and seven games against top-10 NCAA Division I programs, including two at No. 1 Wisconsin. Despite the obstacles, Lindenwood finished the season with eight victories, including a six-game winning streak to end the year. The team picked up its first official varsity win against the College of Saint Benedict and won its first NCAA Division I game over Sacred Heart.

O'Mara also played a key role in 2011 in getting Lindenwood admitted into College Hockey America. The Lady Lions join their new conference this season and will be members with Mercyhurst, Penn State, RIT, Robert Morris (Pa.), and Syracuse.

For his first eight years at Lindenwood, O'Mara collected a record of 241-26-11 at the club level. He helped Lindenwood win four American Collegiate Hockey Association (ACHA)

National Championships and he earned two ACHA National Coach of the Year honors.

In 2011, Lindenwood finished the season with a record of 33-3-2. The Lady Lions won the CCWHA regular season and tournament championships. At the national championship event, Lindenwood went 4-1 and finished third. Five players earned All-American honors at the conclusion of the season.

Midway through the 2011 season, O'Mara was also an assistant coach for Team USA at the Winter World University Games in Turkey. The United States finished fourth at that competition with an all-star team made up of ACHA players.

In 2010, Lindenwood captured the program's fourth ACHA national title and third in a row. The Lady Lions amassed an overall record of 43-2-2. The 43 wins is the most in school history. To go along with the school record in overall wins,

the Lady Lions finished the conference schedule with a perfect 12-0 record and a 17-0-1 mark at home. The postseason started off well for the Lady Lions winning the CCWHA Conference tournament and then dominating the National Tournament. Not only did the team have success, but Amanda Blanc was named an Academic All-American.

In 2009, the Lady Lions captured the third national championship in school history and compiled an overall record of 32-3-3. The Lady Lions also won the CCWHA championship with a 4-3 shootout win over Michigan State. In the ACHA National Championship game, the Lions defeated Robert Morris 2-1. In addition, the program placed six skaters on the ACHA All-American team.

In 2008, the Lady Lions won their second national championships. The Lady Lions had a record of 36-3. In the ACHA title game, the Lady Lions defeated a familiar foe, Robert Morris, 2-1. To go along with the ACHA national title, the Lions won the CCWHA title.

In 2007, the Lady Lions compiled a record of 27-6-1 but fell in the ACHA championship to Robert Morris 4-1.

In 2006, the program really put itself on the map with an outstanding year. The Lady Lions amassed a record of 29-3, won its first ACHA national championship, had the national player of the year, the national coach of the year, and three ACHA All-Americans. In the ACHA championship game, the Lady Lions won a thrilling 3-2 game in overtime against Robert Morris.

In the program's first two seasons from 2003-2005, the Lady Lions had a record of 41-6-3 and placed a skater on the ACHA All-American team in the program's second year.

O'Mara is starting his 16th year coaching women's hockey. Prior to joining the Lindenwood coaching staff, O'Mara was the head coach for the St. Louis Force select 16 and over women's team. He had a combined record there of 135-25-12. He also has numerous years of playing and coaching men's hockey. He has been involved in instructing and running many hockey camps and schools for both men and women.

O'Mara coached teams to four WCHL league championships, five Missouri State titles, four Central Regional championships, and four national championship appearances.

O'Mara has one daughter, Alyssa.

COLLEGE HOCKEY AMERICA

The College Hockey America (CHA) women's conference began in the fall of 2002 with four teams including three from the former Great Lakes Women's Hockey Association (Findlay, Mercyhurst and Wayne State) and Niagara, who previously played in the ECAC.

In the first year of the league (2002-03), each member played two games against the other conference schools. Mercyhurst won the regular-season CHA title with a 6-0 mark outscoring its opponents 26-9. Niagara's Val Hall earned both CHA Player of the Year and Student-Athlete of the Year honors after recording a league-leading eight points on five goals and three assists.

The following year (2003-04) the league schedule expanded to four games against each other institution. Mercyhurst won the regular-season title with an 11-1 mark and also claimed the tournament title at Niagara with wins over Wayne State (4-0) and Niagara (3-1).

Findlay dropped women's hockey following the 2003-04 campaign, but Quinnipiac joined the league for one season keeping the membership at four schools. The Bobcats had been a Division I independent for 2003-04.

Mercyhurst made it three consecutive CHA regular-season titles in 2004-05 by compiling an 11-0-1 league mark. The Lakers won three of the conference's year-end awards with Sisti earning his second coach of the year plaque. Clark was voted Student-Athlete of the Year, while Teresa Marchese was selected Player of the Year after scoring a league-leading 20 points on nine goals and 11 assists.

Robert Morris joined the conference for the 2005-06 season replacing Quinnipiac, who joined its men's team in the ECAC.

The sixth season of the CHA (2007-08) saw a first in that Mercyhurst and Wayne State tied for the regular-season title with identical 9-2-1 conference marks with the Warriors receiving the No. 1 seed for the conference tournament based on a 2-1-1 record vs. the Lakers. MC and WSU would meet in the conference championship game with the Lakers coming away with a 2-1 overtime victory.

The 2008-09 campaign will be remembered for many new achievements. With the addition of Syracuse University, the league schedule increased to 16 games (four each against the other four member schools) and the conference tournament expanded to three days for the first time in league history.

Some things stayed the same, and some new things took place in the eighth year (2009-10) of the CHA. Mercyhurst won both the CHA regular-season title, with a 14-1-1 record, as well as the CHA tournament title, with victories over Robert Morris (7-1) and Syracuse (3-1).

The ninth season of the College Hockey America (CHA) (2010-11) saw Mercyhurst complete a 16-0 regular-season, on its way to another regular-season title. The Lakers played the No. 3 seed and host of the 2011 CHA tournament Syracuse, in a rematch of the 2010 championship game, once again Mercyhurst came out on top with a 5-4 victory behind Tournament MVP Meghan Agosta's hat trick.

Wayne State dropped women's hockey following the 2010-11 season to leave CHA with four members.

The tenth season of the College Hockey America (CHA) (2011-12) saw Mercyhurst complete a 8-1-3 regular-season, to capture its tenth straight regular-season title. The 2012 CHA Championship was hosted by the number two seed Robert Morris who won their first-ever league title shocking the top seeded Lakers 3-2, behind Tournament MVP, goaltender Kristen DiCiocco with a career-high 45 saves.

Mercyhurst advanced to the NCAA tournament for the eighth straight year as the eight-seed and traveled to Madison, Wis. to take on the top-seed Wisconsin. The Laker's came up short and lost 3-1 with Kelley Steadman scoring the lone goal for Mercyhurst. The Badger's scored the game winner 8:42 into the third period.

2011-12 was a big expansion year for CHA with the announcement of Lindenwood, Penn State and RIT all joining the conference for the 2012-13. Niagara dropped women's hockey following the 2011-12 season to leave CHA with six members.

LINDENWOOD

AT

LINDENWOOD UNIVERSITY

ATHLETICS DEPARTMENT

ABOUT LINDENWOOD ATHLETICS

The Lindenwood University athletics department has grown significantly over the past two decades, going from just a few sports to having one of the largest and most successful athletic departments in the nation. Lindenwood will sponsor 48 varsity athletics teams in 2011-12 and add a 49th in 2012-13. Over the last 10 years, Lindenwood has won 43 varsity national championships.

Twenty-seven of Lindenwood's sports programs are currently transitioning to the National Collegiate Athletic Association (NCAA). Twenty-four of those teams will compete for NCAA Division II National Championships, while the other three will compete for NCAA National Collegiate Championships, which are mostly made up of NCAA Division I programs.

In 2012-13, the majority of Lindenwood's NCAA programs will compete in the Mid-America Intercollegiate Athletics Association (MIAA). The MIAA is one of the top NCAA Division II conferences, and it sponsors championships in baseball, men's and women's basketball, men's and women's cross country, football, men's and women's golf, women's soccer, softball, men's and women's tennis, men's and women's indoor track and field, men's and women's outdoor track and field, and women's volleyball.

The MIAA was founded 1912 and in 2012-13 will include the following schools: Central Missouri, Central Oklahoma, Emporia State, Fort Hays State, Lincoln, Lindenwood, Missouri Southern, Missouri Western, Nebraska-Kearney, Northeastern State, Northwest Missouri State, Pittsburg State, Southwest Baptist, Truman, and Washburn.

Lindenwood also offers a variety of sports outside of the

NCAA, most of which are among the top programs in their respective national and conference organizations.

Athletics Philosophy

Lindenwood University is committed to the development of the whole person within a value system that acknowledges our Christian heritage and focuses on a four-dimensional personal growth: mental, social, physical, and spiritual.

The actions of the student-athlete affect both himself/herself and others. In choosing to be a part of the Lindenwood learning community, the student-athlete agrees to be responsible and to choose his/her actions in such a way that they reflect favorably on the student-athlete and the Lindenwood community.

Mission Statement

It is the mission of intercollegiate sports at Lindenwood University to advance learning, enliven campus life, develop leadership skills, and foster the personal growth of the student athlete through offering a high quality athletics program. Athletics Department personnel strive to provide model programs that develop meaningful standards of scholarship, athletic performance, leadership, community service, and sportsmanship conduct. Through sports, Lindenwood seeks to contribute to a sense of collegiate identity and positive perception in the community. The Athletics Department shall strive for excellence in the competitive environment in accord with the philosophy, rules, and regulations of the NAIA and other sports governing bodies in which Lindenwood has membership.

ATHLETICS DIRECTOR - JOHN CREER

be the head cross country and track and field coach at Missouri Baptist. In 1991, Creer would move to Lindenwood, but it wasn't until 1996 that he became the head coach of the cross country and track and field teams.

During Creer's coaching career he coached three national championship teams in women's track and field, seven men's track and field team championships, two world champions in track and field, three Olympic silver medalists, one Olympic bronze medalist, 15 Olympic games participants, 125 individual national champion, and 512 All-Americans.

Not only has Creer coached national championship teams and national champions, he has been awarded many individual accolades. He has been the NAIA National Coach of the Year eight times, the NCCAA National Coach of the Year, the West Texas Hall of Fame Coach of the year three times, and the NAIA region and conference coach of the year numerous times.

To go along with all of the coach-of-the-year awards Creer has been inducted into four Halls of Fame. He was inducted into the NAIA Hall of Fame in 2001, the Missouri Baptist Hall of Fame in 2006, the Lindenwood University Hall of Fame in 2007, and in 2009 he was inducted into the Wayland Baptist Hall of Fame.

Along with his numerous duties at Lindenwood, Creer is the chair of the Lindenwood Athletics Hall of Fame committee and is on the Board of Directors for the St. Charles YMCA.

Creer received his bachelor's degree in English from Western Michigan University in 1970 and earned his master's degree from Troy State in educational administration and supervision in 1976.

Creer and his wife Liz have three daughters (Kimberly, Jennifer, Ashley), and three grandsons, and one granddaughter.

John Creer is entering his 22nd year at Lindenwood and his 12th year as the Athletics Director. Before becoming the athletic director at Lindenwood, Creer served as the Dean of Students from 1991 until 1999.

Creer is currently leading Lindenwood's move to the NCAA Division II level. He has helped the program enter the candidacy stage in the NCAA process. Creer oversees 27 sports that are seeking membership in the NCAA.

Prior to Lindenwood's move to the NCAA, Creer oversaw an athletic department that included 21 NAIA sports programs and 25 other varsity programs that competed in other national organizations. While he was athletics director, those programs captured 40 national championships and 134 conference championships. In the NAIA, the athletics department finished in the top five in the Learfield Sports Directors' Cup in every season but one since he became Athletics Director. In 2001-02 and 2002-03, Lindenwood won the Directors' Cup for being the top overall athletics department in the NAIA.

During Creer's tenure, the Athletics Department has grown in the number athletic programs and in the quality of facilities. Creer has been part of the construction of the Lou Brock Sports Complex and the Lindenwood Track, the purchase of Lindenwood Ice Arena, and the major renovations of Harlen C. Hunter Stadium.

Before moving into the administrative side of athletics, Creer was one of the most successful track and field coaches in the country. Creer began his head coaching career in 1970 at Winter Haven High School (Fla.), where he coached the cross country teams and assisted with the track and field teams. In 1973, Creer accepted a teaching position at Kathleen High School in Lakeland, Fla., and was head coach for the cross country and track and field teams.

In 1975, he moved onto the collegiate level when he became the head cross country coach and assistant head coach of the track and field team at Troy State University. After the 1977 season, Creer moved onto the Division I level at the University of Florida. At Florida he was the associate head coach of the track and field team from 1977-1978 and in 1978-79 became the interim head coach of the Gators.

Next up for Creer was the international level. In 1979, he was the assistant national coach for the Kingdom of Saudi Arabia's Olympic track and field team. In 1983, he would become a head coach at Wayland Baptist University. After a five-year stint at Wayland, Creer was hired to

LINDENWOOD ATHLETICS HISTORY

Athletics has been an important part of Lindenwood University throughout its 181-year history, from the school's beginnings as an all-girls school to the last 40 years as a coed institution. Over the last decade, Lindenwood athletics has reached their greatest heights as the Intercollegiate Athletics Department has been one of the most successful programs in the country at any level.

Early Years

There were not many Lindenwood publications in the 1800s, but the few that have been found refer to athletics at the school. An 1898 edition of the school newspaper, *Under The Lindens*, leads with a story about the importance of physical training at the school:

"Few ladies' schools, and especially in the West, can boast of better facilities for gymnastic training. Each student is required to take regular training in the gymnasium under the direction of a competent teacher, the value of which training need not be dwelt up."

In 1905, a permanent athletics association was organized for the first time at Lindenwood to oversee sports at the school. The first programs included tennis, bowling, fencing, basket-ball, and walking clubs, with the big event being the senior-junior basket-ball contest in which a prize of \$10 went to the winning team. It is believed that in the mid-1940s Lindenwood women's teams began playing intercollegiate athletics, with the major sports being field hockey and basketball. Equestrian also became one of the biggest athletic competitions around the Lindenwood campus during this time period.

Modern Athletics Department

The beginning of the current Lindenwood athletics department can be traced to the early 1970s, when the school began to open its doors to male students. Sports such as baseball, basketball, and soccer were added to the varsity roster and the school began its association with the National Association of Intercollegiate Athletics (NAIA).

The first major impact that the Lindenwood athletic department had on a national scale would not come until the 1980s when the women's soccer team became a yearly threat for the national title. The Lady Lions would never win a national championship, but they reached the national tournament 13 times and had two runner-up finishes and three third-place showings. Lindenwood women's soccer was a part of one of the greatest collegiate championship games of all-time when it and Simon Fraser played scoreless soccer for over 162 minutes before Simon Fraser scored in the fifth overtime.

1990s

The 1990s marked the beginning of a major expansion of the Lindenwood Athletics Department. By the turn of the century, the school would field a team for all 21 sports in which the NAIA offered a national championship. The biggest addition was a varsity football team in 1990. The program won its inaugural game by a 21-14 score over Dana College and went on to have a winning record its first year, foreshadowing what would become one of Lindenwood's top programs.

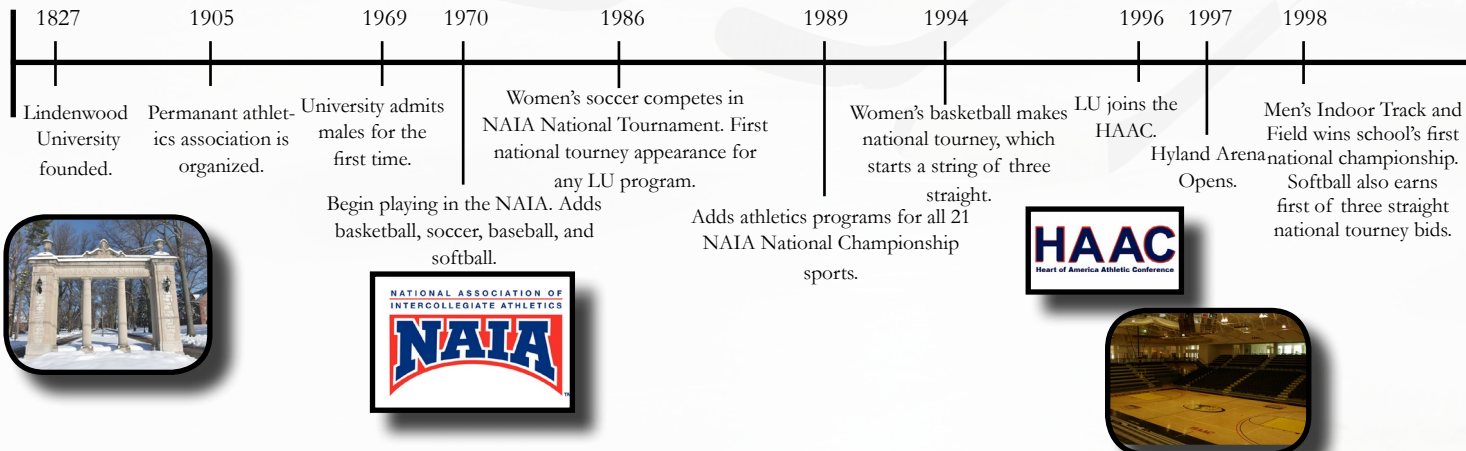

The highlight of the decade came in 1998 when the indoor track and field team won the NAIA National Championship, the first ever title for the Lindenwood athletics program. The Lions led by just two points heading into the final event of the competition, but the school's 4x400 relay team finished second to seal the championship. Current Athletics Director John Creer was the head coach of that program, and Sharif Karie was named the meet's outstanding performer.

Aside from the men's track and field national championship, it was the women who provided the top highlights for Lindenwood throughout the 1990s. The women's basketball team advanced to three national tournaments and won five conference championships and five conference tournaments during the decade. As mentioned earlier, women's soccer was a threat nearly every year to have a high finish at the national tournament. Softball became a regular winner late in the decade, going to three national tournaments from 1998-2000.

Heart of America Athletic Conference (HAAC)

Lindenwood briefly belonged to the American Midwest Conference for three years in the 1990s before joining the Heart of America Athletic Conference (HAAC) in 1996. The school's affiliation with the HAAC, an 11-team league with schools in Missouri, Kansas, and Iowa, would be its longest with a conference in its history.

Almost from the very beginning, Lindenwood raised the reputation of the HAAC on the national level. The athletics program wasted little time in becoming the most prominent member of the conference, finishing second in the conference's all-sports trophy standings in 1996-97 and then winning the HAAC all-sports award every year since.

Lindenwood won nearly 46 percent of the total conference championships during its time in the HAAC. Its 128 HAAC titles are 93 more than the next closest school has won in that span. In fact, in just 15 years, Lindenwood won more HAAC titles than any other school in conference history, despite the fact that many of the HAAC schools have been in the league since it was started in 1971. Runner-up to Lindenwood is William Jewell, which has won 108 titles in 40 years. No other HAAC school has won more than 87 conference titles.

On a national scale, Lindenwood has won 10 NAIA National Championships since joining the HAAC, including five in sports that are sponsored by the conference. The other 10 HAAC programs have combined to win three national championships during the league's history.

2000s

The last 10 years of Lindenwood athletics has been marked by two main themes – continued expansion and success. The two themes merged in 2008 for the biggest accomplishment of the program's history when two athletes with Lindenwood ties competed in the Olympic Games.

NAIA Success

The last decade has seen Lindenwood's NAIA programs make the leap from being good to being elite.

Lindenwood won 10 NAIA national championships, with nine of them coming since the 2002-03 school year. Half of these have come from the Lions wrestling team, which has won five titles starting with the 2002 national championship. Besides its 1998 title, men's track and field has also won two other indoor national championships and one outdoor title. The final national championship came from the 2004 men's soccer team.

In the annual NACDA Directors' Cup standings, Lindenwood has finished seventh or better for 13 straight years, and only once in that span has the school finished outside the top five. It has four runner-up finishes, and twice Lindenwood has won the Directors' Cup. In 2001-02, Lindenwood won the Directors' Cup for the first time. That year, the school had seven top-ten national finishes as it edged the second-place school by 23.5 points. In 2002-03, Lindenwood repeated in another close contest that saw the school win by 28.5 points. That year, the school again had seven athletic programs with top-ten finishes at their national events.

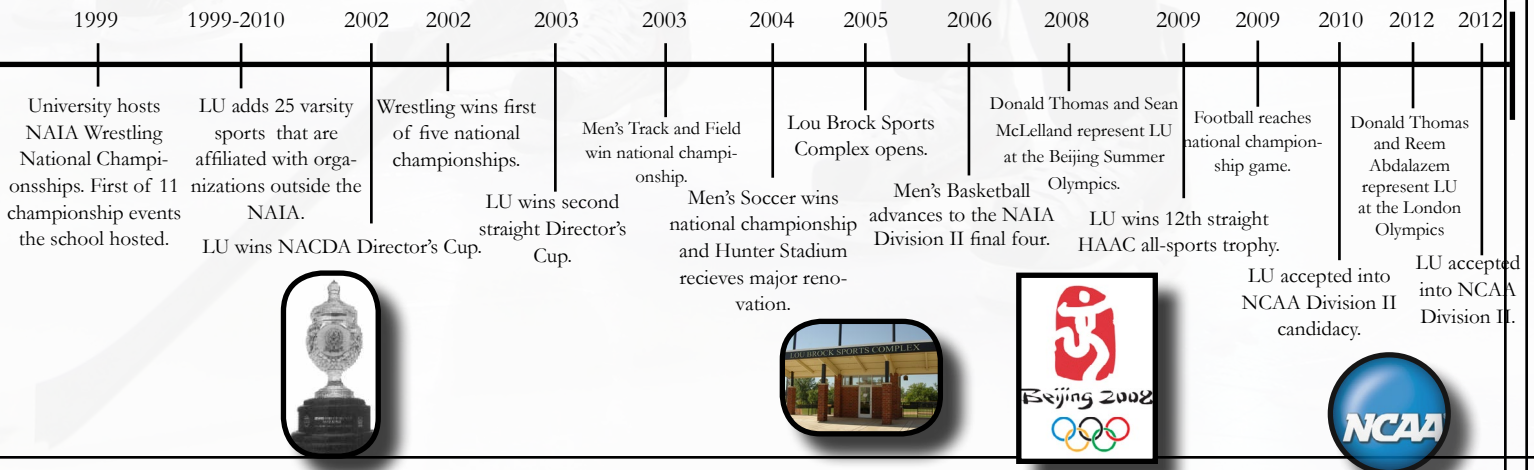

Lindenwood has also had several exciting runs at national championship events throughout the years. The Lions football team began building a powerhouse with the hiring of Patrick Ross in 2004. The program reached its greatest heights in December 2009 when it played in the NAIA national championship game, losing by just three points to future NCAA Division II school Sioux Falls. Men's basketball reached the NAIA Division II semifinals in 2006 and advanced to the second round of the NAIA Division I National Tournament in 2011. On the women's side, volleyball head coach Ron Young has taken his team to three NAIA national championship events in the last four years, including a quarterfinal showing in 2007. Women's track and field has been coming closer to a national title in recent years, including a third-place finish at the 2009 outdoor championships.

2008 Beijing Olympics

During the opening ceremonies of the 2008 Beijing Summer Olympics, two Lions were among the athletes who marched into the stadium. Lindenwood University was even mentioned by Bob Costas on the national telecast that was seen by over 34 million people, making the school just one of two United States colleges mentioned during the parade of athletes.

The athlete that Costas talked about was Donald Thomas, who has one of the most unique stories in track and field history. Thomas was a junior varsity basketball player at Lindenwood who tried the high jump one evening in order to win a dare. Less than two months after winning that dare, he finished second at the national championships in the indoor high jump and helped Lindenwood win a team national title. After graduating from Lindenwood in 2006, he used his final year of eligibility to become a NCAA Division I national champion at Auburn University. He then burst onto the national scene by winning the 2007 World Championships. At the Olympics, Thomas, who was representing the country of the Bahamas, finished 21st after clearing 2.20m.

A Lindenwood athlete at the time, Sean McLelland was also a participant at that year's Olympics, representing the United States in the International Skeet Shooting competition. McLelland had his best international performance at the event, tying for sixth after hitting 118-of-125 targets. That showing advanced him to a shoot-off to determine who would advance to finals, and he fell short in that round. Despite being one target short of making the finals, he still finished ahead of 13 shooters above him in the world rankings, including five in the top ten.

HYLAND HOME OF THE LIN

The Hyland Arena was built in 1997 and is home to many Lindenwood athletic programs along with athletic department offices. Both men's and women's basketball, volleyball, wrestling, and women's gymnastics programs compete at the arena along with table tennis, dance, and cheerleading.

The facility was named after Robert Hyland, who was the chairman of the Lindenwood board for many years and was also the CBS Regional Vice President and General Manager of radio station KMOX in St. Louis, Missouri for four decades. Hyland introduced the first talk radio format and the first listener call-in programs at KMOX in 1960.

Hyland Arena has hosted numerous special events. In 2010, the arena hosted a nationally televised (ESPNU) high school basketball game. The facility also hosts basketball state championship tournament games and many other events.

ARENA LINDENWOOD LIONS

FITNESS CENTER

The Fitness Center/ Field House on the Lindenwood Campus is where students and athletes can work out. To go along with racks of free weights and weightlifting equipment students and athletes can jog around a track and use one of the many cardio machines. The field house is home to many athletic teams' offices along with locker rooms for Harlen C. Hunter.

The HIT Center's specialized programs are designed to provide an opportunity for Lindenwood University athletes to utilize its unique services. These programs are open to all the University's athletic programs, and they will be conducted during the hours of 8 a.m.-12 p.m. Each program is limited to a specific number of athletes per session, and they are filled on a first-come, first-served basis.

Programs Include:

Eye-Metrix

- The Eye-Metrix program is designed to improve hand-body-eye coordination, peripheral vision, depth perception, visual recognition, object tracking, and speed of eye movements. The athlete's visual system accounts for 80-85 percent of the sensory information he/she receives. This program gives the athlete an opportunity to train this integral system.

Body Composition

- This program is designed to provide the necessary knowledge, information, and training to help the athlete reach his/her desired body composition. The program includes the following:
 - Complete energy expenditure profile
 - Full metabolic profile
 - Body composition analysis
 - Nutritional consultation (no specific meal plans provided)
 - Fitness training sessions
 - Follow-up evaluation

Overspeed

- This program utilizes the ELG treadmill, which has no resistance and extremely fast speeds. This creates more stimulus and enables the body to recruit more Type II (fast twitch) muscle fibers while focusing on proper running form and technique.

Arm and Bat Speed

- This program is designed specifically for baseball and softball athletes to improve bat and arm speed, strength, and rotational power.

Club Head Speed

- This program is designed specifically for golfers to improve club head speed, strength, rotational power, and balance.

ABOUT THE UNIVERSITY

PRESIDENT - DR. JAMES D. EVANS

James D. Evans, an accomplished scholar, teacher, author, academic administrator and a successful behavioral consultant, has been the president of Lindenwood University since the summer of 2006.

President Evans joined Lindenwood's faculty in 1974 as an assistant professor of psychology, and he advanced to the rank of professor of psychology in 1985. He was named dean of social sciences in 1994, dean of sciences in 1995, and dean of faculty in 1996. He was elevated to the post of provost in 2000.

Since becoming president, Evans has articulated a mission-based vision for Lindenwood – focus on students, strong academic programs, cutting edge technology, increased emphasis on student development and open and clear communication with the university's constituencies.

Under Evans' leadership, the administration has recruited some of the nation's top university teachers for Lindenwood's growing faculty. He played an integral role in establishing the University's first doctoral program, a doctor of education degree, and he is shepherding Lindenwood's pursuit of additional doctoral degrees. Under his leadership, specialized accreditations in the Social Work Department and the School of Business and Entrepreneurship have been obtained.

Evans is a catalyst for continuing physical plant improvements at Lindenwood. Under his leadership, the University has constructed additional residence halls, a new student center, and a major renovation and expansion of Harmon Hall. Three new extension campuses in Wildwood, Ofallon, Mo. and Downtown St. Louis, have been added during Evans' presidency. Evans is focusing on improving the campus landscaping and beautifying all of the Lindenwood University educational sites. Additionally, he has ensured that the school will be on the cutting edge of educational technology through wireless Internet connectivity at all of its major sites and campuses.

Evans received his Ph.D. in research psychology from Iowa State University in 1974; his M.S. in psychology from Iowa State University in 1969; and his B.S. in psychology from Geneva College in 1968. He is the author of two books and has been named to *Who's Who in the Midwest* and *Who's Who Among America's Teachers*. He is on the board of directors of the St. Charles Optimists Club, Partners for Progress, the RCGA, the United Way of Greater St. Louis, and the Economic Development Center of St. Charles.

He and his wife, Lois, a retired educator, live in St. Charles, Mo. They have a daughter, Laura L. Luebbert, who resides in Ferguson, Mo.

Founded in 1827, Lindenwood is a dynamic four-year liberal arts institution dedicated to excellence in higher education. Nestled amid the beautiful linden trees, our historic 500-acre campus is situated in the heart of St. Charles, Mo., a growing community of 62,000 just west of St. Louis.

We offer more than 120 undergraduate and graduate degree programs to approximately 15,000 students through values-centered programs that lead to development of the whole person. Our faculty, staff and administration are committed to an integrative liberal arts curriculum that focuses on the talents, interests and future of our students. Lindenwood is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools.

Lindenwood University is known nationally and internationally for innovation, entrepreneurship and extraordinary dedication to students. We believe that education is the way to personal freedom and responsibility, which are the keystones of any democracy. We have a liberal arts heritage that goes back more than 183 years. In that time, we have learned how to educate in a way that helps each student become an enlightened, principled citizen of a global community.

Mission Statement

Lindenwood University offers values-centered programs leading to the development of the whole person—an educated, responsible citizen of a global community.

Lindenwood is committed to...

- providing an integrative liberal arts curriculum,
- offering professional and pre-professional degree programs,
- focusing on the talents, interests, and future of the student,
- supporting academic freedom and the unrestricted search for truth,
- affording cultural enrichment to the surrounding community,
 - promoting ethical lifestyles,
 - developing adaptive thinking and problem-solving skills,
 - furthering lifelong learning.

Lindenwood is an independent, public-serving, liberal arts university that has a historical relationship with the Presbyterian Church and is firmly rooted in Judeo-Christian values. These values include belief in an ordered, purposeful universe, the dignity of work, the worth and integrity of the individual, the obligations and privileges of citizenship, and the primacy of the truth.

STUDENT LIFE AT LINDENWOOD

Lindenwood University believes in the importance of co-curricular involvement in activities as a valuable supplement to classroom learning in the total educational process. The Office of Student Life & Leadership serves as a coordination center on campus and works with student organizations in facilitating their activities and projects. Various student organized programs and events are scheduled throughout the year. Included are the programs, meetings and other events of the Lindenwood Student Government Association, Greek organizations and other student organizations.

Student organizations are an important part of university life, providing opportunities for students to design and implement programs, events and activities that extend and amplify the goals of Lindenwood's mission. Students may complement their academic experiences by becoming involved with approximately 71 student clubs and organizations which, along with the Student Life and Leadership Office, are the major scheduling source for lectures, movies, dances, entertainers, and a wide variety of other events planned to satisfy the diverse needs and interests of the Lindenwood University community. It is necessary for each organization to register at the Student Activities Office each year and provide the name of a faculty or staff advisor, a current constitution, and a current list of officers and members.

Lindenwood also offers students opportunities to play intramurals. The role of the Lindenwood Intramural Activity program is to involve the student body, faculty, and staff; raise overall University morale; and increase satisfaction with campus life. The goal of the Intramural program is to develop individuals physically, mentally, and socially, as well as develop positive time management habits.

Some of our activities include the first-year housing wars, table tennis, flag football, Lion Pride Olympics, basketball 3-point shoot-out, 3-on-3 and 5-on-5 basketball tournaments, faculty/staff vs. student softball, powderpuff football, dodgeball, judo, women's self defense, kickboxing and zumba classes, volleyball, hip hop/break dance classes, washers, kickball, and wiffle ball.

SCENES FROM AROUND LINDENWOOD

St. Louis is located 20 miles east of St. Charles and is an independent city and the second-largest city in the state of Missouri. The city had a 2010 population of 319,294 and is the principal municipality of Greater St. Louis, population 2,845,298, the largest urban area in Missouri, the 4th-largest urban area in the Midwest, and 15th-largest in the United States.

St. Louis was found in 1763 by French explorers Pierre Laclède de Liguist and Auguste Chouteau. Rapids on the Mississippi River made St. Louis the northernmost navigable port for many large boats, and by the 1850s, St. Louis had become the largest US city west of Pittsburgh, and the second-largest port in the country, with a commercial tonnage exceeded only by New York City. With its French past and numerous Catholic immigrants in the 19th and 20th centuries, St. Louis is one of the largest centers of Roman Catholicism in the United States. Rapid immigration from Europe along with migration from the South pushed city's population to 856,796 in 1950. However, since 1950, the population of St. Louis has fallen to 319,294 as residents moved to surrounding suburbs.

St. Louis is situated near the confluence of the Missouri and the Mississippi Rivers, is the heart of Greater St. Louis, a metropolitan area of nearly 3 million people in Missouri and Illinois, the Illinois portion of which is commonly referred to as the Metro-East. It is home to some of the country's largest public and privately held corporations, including AT&T, Express Scripts, Enterprise Rent-A-Car, Graybar, Scottrade, Edward Jones, Emerson, Energizer, Anheuser-Busch, Inc., Boeing Defense, Space & Security, Purina, Monsanto Company, and MasterCard.

Baseball, hockey and football are always the topic of discussion in St. Louis, and the Gateway City has always enjoyed a love affair with its pro teams. The Blues, Cardinals and Rams make sure local sports fans have something to cheer about 12 months a year.

St. Louis is a rabid sports town. The city is home to three major sports professional teams.

The St. Louis Cardinals are the most successful national league baseball team with 11 World Series Championships. The team also has numerous Hall of Famers. The NHL's St. Louis Blues also play in St. Louis. The St. Louis Rams moved to the city in 1995 and were crowned Super Bowl Champions in 1999 and made it to the final game in 2001.

The St. Louis Zoo, is a zoo in Forest Park in St. Louis, Missouri. It is recognized as a leading zoo in animal management, research, conservation, and education. Admission is free based on a public subsidy from a cultural tax district, the Metropolitan Zoological Park and Museum District (ZMD); fees are charged for some special attractions. A special feature is the Zooline Railroad, a small passenger train that encircles the zoo, stopping at the more popular attractions.

The city purchased its first exhibit, the Flight Cage, from the Smithsonian Institution following the 1904 St. Louis World's Fair. After the zoo was established, new exhibits, areas and buildings were added through the decades to improve care of the animals, the range of animals and habitats shown, as well as education and interpretation.

ST. CHARLES

Since 1769, Saint. Charles, Missouri, a restored historic city on the Missouri River, has been welcoming visitors to its shores. Founded by French Canadian fur trader Louis Blanchette, the city was named Les Petites Cotes, ("The Little Hills"), which later evolved into Saint Charles. The town regularly welcomed guests from many nations and grew into an important trading center for countless pioneers. Because of its strategic location on the Missouri River and its entrance to the western territory known as the Louisiana Purchase, it was a critical destination for tens of thousands of travelers.

Today, over 65,000 people call St. Charles their home. The City of St. Charles is headquarters for Aspect, Our365, RX System, NewCo Enterprises, Patriot Machine, and Client Services and home to the regional offices of Coca Cola Enterprises, Sysco and American Freightways.

St. Charles is the oldest city on the Missouri River. St. Charles' sister city is Ludwigsburg, Germany.

Almost 200 years ago two brave men launched one of the most amazing adventures of all time. President Thomas Jefferson asked Meriwether Lewis and William Clark to find a route to the Pacific coast. You may know them as the famous Lewis & Clark.

In 1804, they left from Saint Charles to explore new lands from Saint Charles to the Pacific Ocean. During their journey, Lewis and Clark came face-to-face with many wild animals, discovered unknown plants and encountered many Indian cultures. The Lewis and Clark Museum is a great place to learn more about the path Lewis and Clark took. The trading post is filled with the unusual Indian artwork they found during their travels.

LES, MO.

Main Street has long been the hub of commercial activity for St. Charles. The 13-block stretch of downtown St. Charles runs from Boone's Lick Road to Clark, and boasts a bevy of shops, restaurants and businesses.

The temporary, but first, site for the state capitol.

Missouri's first legislators met in the buildings of the First Missouri State Capitol State Historic Site to undertake the task of reorganizing Missouri's territorial government into a progressive state system. From June 4, 1821, to Oct. 1, 1826, heated debates of state's rights and slavery filled the rooms of the temporary Capitol.

The second floor of two adjoining Federal-style brick buildings was divided and used as Senate and House chambers, an office for the governor, and a small committee room. The first floor of the Peck brothers' building housed a general store and Ruluff Peck's family residence. Chauncy Shepard operated a carpenter shop on the first floor of the adjoining building.
