CLASS NOTES

Class Secretary
Aimee Becker
837 First Capitol Dr.
St. Charles, Mo. 63301

Our Round Robin was lost several times since last I wrote, but like the wise old owl (our mascot) it came back to roost with the following information: NELL GREEN HOUSER passed away on June 6, 1967 in McAllen, Tex., and IRENE GREASON HAWORTH died July 23, 1967. Irene had the pleasure of visiting Lindenwood in 1965 at a class reunion and I enjoyed being with her so much at that time. We shall all miss Nell and Irene and wish to extend our sincere sympathy to both of their families.

After some time in the hospital we are happy to say that ROMAYNE WHITLEY BROWN has recovered nicely and is again enjoying her church activities, bridge and is Regent of the D.A.R. in Eldorado, Ill.

ETHYL SPENCER CRAVEN is living in San Mateo, Calif. with her son and family, but finds time to visit with her sister in Oklahoma quite frequently.

LOUISE D. FERGUSON keeps the home fires burning in Augusta, Ark. at the old family homestead built by her grandfather in 1860 and where her many relatives visit quite often. MARY BARTON FERGUSON writes that she, too, was hospitalized last summer, but is much improved.

MARY VANCE MARTIN is fine and I am wondering why she never pays L.C. and St. Charles a visit. "Do try, Mary, Joplin is not so far away."

ISABEL ELY SHANK and her husband have moved from their lovely home to the Bethesda Town House, 16 Plaza Square, St. Louis, Mo.

JOSEPHINE NICKS SMITH leads a very busy life in Fort Worth, Tex. She has had new responsibilities in being nurse to a sister-in-law and, also, to her brother who passed away. Our sincere sympathy to Jo. She, also, enjoys her garden whose blossoms she shares with her many friends.

LYL URBAN STRASZER writes that she is now living at 1862 So. Palm Canyon Dr., Palm Springs, Calif. 92262 with her sister and is enjoying good health.

MARY STATLER WHITE had a busy summer entertaining friends and relatives who had come for the 100th anniversary of Marissa, Ill. She was, also, kept busy with the marriage of her granddaughter.

ELIZABETH RICHARDS WHITMORE is living in Annada, Mo. where she enjoys her grandchildren and their many activities. She recently entertained her sister, Elizabeth, from Wyoming.

Note: Please jot down any of the new addresses as you may receive the chain letter before I do.

Lauderdale, Fla.; traveled to Calif. with son, John, where they visited with her youngest son, Harry, and his family; and then, they all spent a week at Yosemite Lodge.

'17

JESSIE RANKIN MCEWEN sent news that her daughter, Mrs. Marilyn Kelsey, and family are living in Fort Smith, Ark. where Dr. Kelsey practices obstetrics. Their daughter, Margo, is a freshman at Lindenwood this year. Jessie's son, Dr. McEwen, also resides in Fort Smith where he practices ophthalmology. Dr. McEwen has two sons.

50th REUNION

"Hope to be with all of you in 1968 for our 50th Reunion on May 4," writes MARION HOYT LEWIS of Pana, Ill.

'21

A letter from DOROTHY TAYLOR HAYMAKER: "My husband, Willis, has been associated with Billy Graham for many years as Crusade Director. The work has grown through the years and there are now eight associate evangelists and about that many crusade directors. We have just returned home from Greenbrier, White Sulphur Springs, Va. where we attended our annual Billy Graham Team Retreat. This was a wonderful "mountain top" experience. It has been a great experience to be associated with Billy Graham and the Team through the years and we thank God for this wonderful opportunity to serve Him".

ELEANOR BROWN SIMPSON and her husband had a glorious vacation in Oct. and Nov. Eleanor "loafed" and Mr. Simpson, a Professor at Oberlin College, did some writing in their beach cottage at Runaway Bay on the north coast of Jamaica.

IRENE WILSON DRAKE and Robert R. Swickard were married in a quiet ceremony on Nov. 14, 1967. Before her retirement Irene worked as a librarian. They reside at 210 Maple St., Mercer, Pa.

From ESTHER DYAR "The forty years have passed quickly and have been good years for all of us, I hope. Most of my winters have been spent teaching twenty here in Roseburg, Ore. This winter I am out of high school and am teaching two classes in the Community College. The summers have given me time to see all of the U.S. (except Hawaii and Alaska) and Canada, the World Fairs, and left me some time to take care of my yard, visit friends and look after my cat, Andy. I think the high light of all my trips was last year when I took the Caribbean cruise on the S.S. Oriana and spent one week in Trinidad. We were caught in the air strike while in Trinidad, so flew Air France and Air Canada to circle the U.S. and Canada, with an opportunity to visit several islands not generally included in the trip, in order to get back to Vancouver, B.C.--our starting point."

Our deepest sympathy to Byron Egan whose wife, MARY HAGLER EGAN passed away last year after a long and difficult illness.

Julia Louise Palmer Parker
(Mrs. Palmer)

We are hoping for a good attendance for our 40th REUNION on May 3 and 4. When I hear from you I will know what can be planned, perhaps a luncheon or dinner just for our class. I have letters from a few of you, but I regret to say that very few of you have heard from me. Time is not equal to intent and desire.

The one we all love so dearly, KAY WALKER, writes every Christmas and once in awhile in between. She is her usual brave self, using her energies in doing for others. How I would love to see her. She and I collaborated on one of LC's musical comedies. BETTY BIRCH and I did a second one. Betty passed away quite suddenly several years ago.

When JULIA PALMER PARKER was in Sante Fe last year she saw KATHERINE PENCE MATHEWS. In August Julia had a visit from HELEN HOOK HUME '29 and "it was grand talking over the golden days at L.C." Julia says, "All old Lindenwood girls and new, too, are welcome to come and visit me--just one block from old Highway 66 in Grants, N.M. Julia is our class fund agent for the Alumnae Annual Giving campaign and I hope all of you have responded to this plea. It may seem impossible to you, but in order to do the things that are necessary, and to obtain the faculty to do them, Lindenwood does need our help. Please don't fail to reply!"

EDNA BALDWIN is having a gay 'ole time, as is CATHERINE STALEY HAMILTON, traveling around! Edna also manages two farms in Illinois where she raises Hereford cattle and is a member of the Chicago Farmers Club. In her spare time she is chief social worker in psychiatry in Chicago's Mercy Hospital!

ROSE PARMALEE FOSTER has just moved to her farm at St. James, Mo. She is in beautiful country. I know, for I lived close by in Steelville where my father was the Presbyterian minister for near thirty-five years. May you have as many happy years there, Rose.

After ten years of widowhood, NELLIE RUTH DON CARLOS was married to Gene Petty last Aug. 15. Nellie has been teaching school for the last ten years in Kearney, Mo.

This time I'll add a bit about us. Nancy Helen (class of '63) is in her fifth year of teaching social studies at the junior high level in Springfield, Ill. Our son, Porter III, will graduate from Vanderbilt University in early June and has served as president of the Interfraternity

Please keep writing. I look forward to seeing many of you at our 40th Reunion in May!

A note from MARGARET HOLLANDS ARMSTRONG, "We came to Geneva, Switzerland for two years and have now been here 18-1/2 yrs. We love it, but with our oldest son back in the U.S. this year for his first year of college, Switzerland seems a little farther away from the U.S. than before.

Christmas brought many cards and notes from classmates and quite a few indicate that they are planning to attend our 25TH REUNION.

DEALVA McALISTER GRAHAM is among those hoping to see old friends and the many improvements to our campus.

She writes that she is a grandmother - her daughter has "a precious little girl named Tara Elizabeth." Her son is a senior at Texas Military Institute, a prep school, where he was captain of the football team the past season. He has also been a class officer for three years.

She says her life has been filled with raising a family, civic and church activities, and music, which has always been one of her chief interests.

She would particularly like to hear from the following classmates: Marjorie Ross, Gail Fletcher, Wilma Schacht and Mary Sawyers. Why don't you girls all plan to join her at the reunion?

As CAROL HAMMERSCHMIDT AL-CORN'S husband, Frank, a physician, will be in St. Louis for a meeting on the weekend of May 4, she is planning to be at the reunion.

She writes that her daughter, Elizabeth, is growing up and likes "to dance and listen to that awful music?"

"J.T." (JANET THOMAS NILSSON) says "Of course, I will be there in Mayl. . ."

She had hoped to attend Alumnae Day in '67, but was unable to do so because of her mother's illness. Her mother passed away on Aug. 31, 1967.

RENA EBERSPACHER HALE will be at the reunion.

She reports a busy and interesting past year. Her daughter, Freda, graduated from Mizzou and was married in June. Both Freda and her husband are teaching physical education in the public schools at Columbia, Mo.

Tom, Rena's older son, a senior in high school, was captain of his football team. The Hales have another high school senior in their home this year, Yasu, a Japanese lad who is in this country as an American Field Service student.

John, Rena's younger boy, 11 years old now, is having an interesting time in the 6th grade as a pupil in an experimental school.

HARRIET COURTNEY CROSBY tells me that she will probably be at the reunion although she seems to have doubts that her one year qualifies her as a class member. (Anyone who completes one year is an Alumna, Harriet)

After her year at Lindenwood, she went three years to Parsons School of Design, received a certificate in interior decorating, and then worked as an interior decorator in St. Louis until she began to raise her family.

Her son, Courtney, is a freshman at Denver University, which he chose because he is a skiing enthusiast. Her daughter, Helen, is a freshman in high school, and her young son "Dee" is a 5th grader.

All the Crosbys like the out-of-doors and they are currently excited over their acquisition of a farm in the Missouri Ozarks.

"Petie" (RUTH PETERSON WAGGONER) is another one of those planning to be on hand in May.

Her daughter, Beth, is now 18 years old and ready for college next year. Petie is hoping Lindenwood will be her choice.

The big event in the Waggoner family during 1967 was the marriage of their son, Charles Mack, Jr. to Miss Patricia Ann Dewey of Oklahoma City.

JANE FINLEY WILSON wrote that she enjoyed the 1967 Alumnae Day and plans to be back for the 25th reunion.

She had a disc operation in Oct., but is now recovering.

I have it by the grapevine that LOUISE "OLLIE" OLSON MARKS is planning to be at the reunion.

BETTY MYERS EGLE would like to attend the reunion, but may instead go to Parents' Day at Mt. Holyoke College where her daughter, Becky, is a sophomore.

Betty says Becky is a very good student, but her favorite class is one in ice skating which she takes at Amherst, where the boys are. Becky, also, is a skiing enthusiast and likes modern dancing.

RUTH HAINES DOERING didn't say "yea" or "nay" on the reunion. Here's hoping she'll be there!

Her eldest son, Christian, is now a sophomore (advanced placement) at Harvard. Her second son, Peter, attends Middlesex Prep School, but prefers ice hockey and drumming to studying. Gretta, her daughter, is a sophomore at Farmington, a preparatory school for girls, where she does study, but misses boys.

GLORIA OMOHUNDRO PALMER says she would love to attend the reunion, but only time will tell whether or not she can make it. She was in Missouri eight weeks last fall, because of her father's illness.

Gloria also in Ann Arbor visited with her son who attends the Univ. of Mich. While there she telephoned Betty Gierse Fain, but didn't have time to see her.

Bette and Glo, hope you'll get together at the reunion!

MAURITA ESTES STUECK will be at the reunion unless a Girl Scout camping trip prevents. She is as busy as ever with her scouting.

She reports that her eldest, Linda, is at Ohio Wesleyan and tales of her dorm, roommate, etc. make her mother nostalgic.

JANE MEREDITH KENNEDY says she would like to get back for the 25th reunion but her teaching chores will probably prevent. She is teaching chemistry to 144 high school students.

Her son, Richard, is in his second year at Wofford College, where he had the highest scholastic average in his freshman class. He plans to be a lawyer. Her daughter, Kathy, will attend Tift College in Forsyth, Ga. next year.

CHARLOTTE FISHER CAPELLE doubts she'll get back to the reunion, so she sent highlights of her life since leaving Lindenwood.

She took three years of nursing at Kahler Methodist School of Nursing in Rochester, Minn. graduating in 1949 and marrying Donald Capelle that same year. In 1950 they moved to Carroll, Iowa where their first daughter was born. In 1952 they moved to Des Moines and a second daughter arrived. Then they moved on to Phoenix, Ariz. in 1956 where their son was born. In 1960, they went further west to Calif., a location they love, as both beaches and ski slopes are handy.

Char has done part time nursing over the years but finds her family keeps her too busy for much work at present.

CAROL ROBINSON McLEAN sent me a copy of her Christmas letter to relatives and friends. From this I glean that she has four children, Dave, Steve, Robin and Kathy. Dave and Steve both attend Australian National University and the two girls are in high school. Her husband, Doug is Superintendent of a 1300 bed Psychiatric Centre in Parramatta, a 100,000 population suburb of Sydney, Australia.

They are all real Australia boosters, reminiscent of some Texans they've known. She says: "There's an air of enthusiastic optimism and a feeling of limitless opportunity in this country which is still relatively undeveloped."

She sends greetings to all the "classmates of olden days" from down under.

ELIZABETH THOMPSON BARRY, writes that after one year at Lindenwood, she transferred to Carleton College in Minn. where she graduated in 1943 with a B.A., major in botany and minor in psychology. She says her interest in botany was aroused by Dr. Dawson's freshman class. For a while after graduation she put her botany to use working for Dow Chemical Co. in a greenhouse testing fungicides.

In 1946 she married a boy from her home town, Cedar Rapids, and settled down to live there, raise her family, and engage in many community and church activities. Her two sons, Donald and Steven, are now 19 and 15 years old. Donald is a sophomore at Carleton. Liz assists her husband in his residential contracting business and has taken many courses in business administration at Coe College.

ESTELLE MILLER FOTSCH writes that her husband is the minister of the United Church of Christ in Barneveld, Wis. and is attending the Univ. of Wisconsin at Madison in pursuance of a Ph.D. in higher education administration. them were appreciated and enjoyed, though I wish all 200 plus had written.

JO DAVIS HAGER wrote a month by month account of the past year which I found a most interesting way of telling friends what the past year included. For the Hagers this was a trip to Lake of the Ozarks and a vacation on Gull Lake, Minn., golfing, skiing and fishing. Their children, Nan, junior high age and Brad, 10, are both swimmers and won medals during the summer. Unfortunately, Brad had an accident on the diving board and cut his lower jaw quite nastily.

Word was received that ELSIE MARSHALL CARLSON is now living at 4628 Thoroughgood Dr., Virginia Beach, Va. Her husband, Swede, is in the Marines and was wounded in Viet Nam, but has recovered and is now at home. Their children are Karen, who graduates from college this year and John, who is a college freshman.

RUTH TITUS wrote that she is at home in Shawnee Mission, Kan. after going to school for a year in Manhattan, Kan. She is Director of Food Services at Trinity Lutheran Hospital in Kansas City and is working on her thesis to receive her masters degree in June.

MARY LEE NATHAN BARKLAGE added a note to a Christmas card to bring us up to date on her family. Their daughter, Sally, is fourteen, a freshman cheerleader and class secretary. Son, Dave, is a senior with plans to attend the Univ. of Missouri in the fall.

PAT LATHEROW RUPERT and her husband spent the Christmas holidays in Acapulco and Mexico City.

Little Rock, Ark. is the home of BETTY KILBURY TERRY and she is a strong Razorback rooter (no pun intended). Betty wrote that they have about raised their three daughters, Beth at 19 is a junior at Univ. of Ark., Ellen 16 at All Saint's Episcopal School, Vicksburg, Miss., and Susan 11, is in the 6th grade. Betty says she plays lots of tennis, serves on civic boards and generally does what we all do.

RUTH BARGQUIST HELZER writes that her daughter, Sherry, was married a year ago and now lives at Grand Canyon where her husband is with the Park Service. Son, Lee, is in college, Craig is a high school sophomore and Davy is a fourth grader. Ruth began ministerial training last fall and is still working, so she, too, stays most busy.

JOY SALOMON SILVER, 75 Old Albany Post Road, Ossining, N.Y. 10562, wrote to say that she and her husband, who is an assistant drama critic for the N.Y. Daily News, are planning to move to New York City soon. The commuting is making the move necessary. The Silvers have two children, Jonathan who is 11 and Matthew, 2-1/2. Joy said that after they move she hopes to be able to resume her acting career which she gave up when Jonathan was born.

As for the Schuberts, we too stay busy. This year we have had a Rotary Club Exchange student from Sweden living with us and have enjoyed having her share our home. She and our eldest daughter, Leslie, are the same age, 16, and both are juniors in high school, so they have been very compatible. Leslie is still interested in ballet and plans to attend TCU for their summer ballet program beginning in June. She is also a member of the high school gymnastic team and is proud of the fact that she was the first sophomore girl to letter in a sport in Hobbs High School. Son, Charles, is 14 and a 9th grader. He plays baritone in the junior high band and is most interested in science. Jennifer, who is 10, takes ballet and tap and is a Girl Scout.

Enjoyed hearing from GENELLE PHILLIPS BRANNEKY who lives at 46 Sunnyside Ave., Pleasantville, N.Y. 10570. Genelle writes, "Bud enjoys his work as

Administrative Assistant at J. Walter Thompson Co.--world's largest advertising agency--in N.Y.C. I enjoy his regular hours and the fact that he does no traveling." Along with managing two daughters, (Sue, 16, and Jane who is in jr. high school), Genelle started to work part-time last year at a scientific equipment company as receptionist and secretary to the president.

She sends news of MERLYN MERX MICHAEL, who now lives at 55 Ave. Belle Vue, Waterloo, Belgium. Meryln spent some time last summer in the St. Charles area, and also on Long Island where Genelle was able to visit her.

JOAN BOHRER MARKIDES, writes that she and her husband must be resigned, at last, to living in Washington, as they bought a house late in August. Their new address is 5105 Waukesha Rd., Bethesda, Md. 20016. As usual, I can always depend on Joan to tell of some exciting traveling they have done. The latest trips are to St. Vincent and Barbados in the Caribbean in May-June, and a week in Rio in late October.

MARGOT COOMBS LEE is real busy just keeping up with her family. Her husband is president of the First National Bank in Neosho, Mo. and last year was president of the Mo. Bankers Assn. The Lees have four sons, the eldest attending Westminster College in Fulton, Mo.

JANE EVANS RICHARDSON is back in school at Framingham State College in Mass. and is working towards a masters degree in Education with an emphasis on Home Economics. She hopes to teach when she finishes.

EDNA WEINETH CHRISTIAN, her husband and two children have had two wonderful trips to Europe within the past several years. The Christians live in an area of Albert Lea, Minn. which had extensive tornado damage in April, 1967, but they were fortunate to only have property damage.

ROSALIE EVANS BELT has three children which keep her busy. Evan has just received his Eagle Scout award; Carol is interested in Civil Air Patrol; and Karen is active in Girl Scouts and anything else that comes along.

Do you remember Hanna in Irwin Hall? Well, she received a Christmas letter from COY PAYNE HOWE, 1210 East Main, Houma, La. who said, "John Dick, our high school senior, keeps busy cutting apron strings and other outdated ties. His press towards independence has caused us to evaluate family ties. You know what happened? We discovered that we are six very distinct individuals--each cherishing the family tie in his own way, but each seeking meaningful way for independent expression. So in the light of this new discovery: Dad went to college; Mother started writing a book; John announced that he would miss family trips in favor of activities with his own friends (will leave for college at L.S.U. in the fall); Dot selected the courses she wanted in high school and as a result has cracked out top grades. David bought a bike and declared himself independent of school busses and parental transportation (chalked up 300 miles in two months); and Paul lives kindergarten--the people there are his size."

BETTY PACATTE SHOWMAKER will soon complete her M.S. in Home Economics at the Univ. of Idaho. She is doing occupational curriculum research in vocational home economics for her thesis. She did a comprehensive study of food additives and, as a result, is in demand

as a speaker and a consultant in that area.

"It's always so disappointing to look in the '50 column and see so little news." So begins a letter from MARIANNE METZGER PEPOON, whose family numbers three sons - Mike, 14; Steve, 11; and Bill, 9. Marianne helps her husband, a general contractor, as a part-time office Gal Friday. Her writing achievements have included a four-year stint at publishing an institutional magazine for a Kansas City home savings company, garnering first place in a state wide Federation of Kansas Women's Clubs contest for book reviews, plus a few whirls as playwright for local civic groups. At the moment, Marianne is a hot contender in an essay contest. We wish her luck, and thank her for including us in her numerous writing activities.

Also bringing us up to date about her life is ANNE MARGARET WATT FOX, who reports that after leaving Lindenwood in '48, she received her B. Mus. from USC two years later; then taught kindergarten in Hawaii for five yrs. Anne became an Army wife in 1956, and has since lived in Maryland, Georgia, Kansas, and Germany. The latter tour of duty was spent in Bavaria. Her husband Bernie, was recently promoted to Lt. Col. after service in Vietnam. New address for the Fox family: 1651 McClelland Ave. East Point, Ga. 30044.

This marks the "30" or farewell article for your present class secretary. Kudos to those of you who have helped fill this space during the past two years. To all, keep the news coming; there's nothing wrong in writing!

As you can see my mailbox hasn't been overflowing with letters, so I am rather hard put to even admit that the class of '52 exists!

A Christmas note from JEWETT LANGDON MACLISE who lives in Connecticut says: "Our house appeared in the May 1967 issue of AMERICAN HOME. Not our furniture, though, as we only had a couch, a television set, and an avocado tree in the living room when they came to take the pictures. HELEN PARKS dropped in to see us last summer and we had such a gabfest, despite a toe to thigh cast on my left leg."

From Peoria, Ill. a note from MARILYN FAWLEY INGLETTE telling about their new house which she, George, and the children just finished building and moved into a couple of months ago. When I stopped to see Marilyn on my way home from St. Louis last May, I saw the plans. Also, recently ran across an article in the newspaper about a red berry George had discovered in Africa which is several hundred times sweeter than sugar.

JOAN KIRCHHERR ALLEN is teaching at Ohio State in the dental school and her husband, John, is connected with the University hospitals and the chemistry department. Last summer they attended Expo 67 where they managed to evade most of the lines, because John had a broken foot and his cast was a ticket to fast admission.

I had a note from NELL CULVER telling of her marriage to Guy Park Krause on April 30, 1966. She writes: "We now live in Jefferson City, Mo. 65101, 202 Lafayette St., with my two sons, John Culver Wilson, 13, and Stephen Collett Wilson, 12. Can it really have been that long ago that all of us were 20? Guy is a Community Betterment Representative with the State Division of Commerce and Industrial Development."

Had a note from DINKY IZENBERG MARCUS informing us that they moved to the suburbs, 41 Wood Lane, Scarsdale, N.Y. 10583. Dinky writes: "I joined the ranks of the happy suburban housewife this past Sept. when we moved in our 'new old house'. We all adjusted quickly to our new way of life and truthfully this is about as close to paradise as I expect to get." Dinky went on to say that she had seen ARLINE KRUEL FOSTER and ANN GILBERT OSTROW at a Lindenwood Alumnae luncheon.

I must apologize to BARBARA SPANDET GAZZOLLO who wrote me sometime ago. I misplaced her letter, but happy to say I found it. Barbara writes: "My husband, Francis, and I have been living for eight years in Wilmette, Ill. We now have three children: Michele in 1st grade, Philip in nursery school and Paul Alexander, 15 months. Our present interests are family travel, bicycling, politics, reading, skiing, music and unusual restaurants."

The most absolute divine time of my life was spent last summer touring all of Europe, Spain, Portugal, and (of course) Greece--would you believe it was almost as divine as L.C.? While heading towards the Aegean for a swim, I just happened to run into Angela Vellou Keil -- I'm serious. I had a marvelous time visiting with Angie and her husband, Carl. They were in Salonika visiting her family, having just returned from two years in Africa where Carl was doing research for his doctorate in Sociology. They recently purchased a small island for summer retreats with their daughter, Aphrodite -- Isn't that the greatest!

Getting back to reality wasn't exactly welcomed, but teaching, as well as graduate school beckoned. I'm working towards my master's in Language Arts and I'm really excited with the program at Webster College.

In January I managed to visit with GWEN RYTER GOETZ and her family who had a half hour stop at the airport. They all looked wonderful and were very happy to be going to the Midway Islands in the Pacific. Lieut. Commander Herb is the Chaplain of the islands for the next eighteen months.

TILLIE MICHELLETT ANDREWS has recently become the mother of child number eight, a boy. I talked with her during the holidays and she sounds as fabulous as ever, keeping herself busy as ever!

"Newborn News" is the title of a clipping received from BABS CARTER CARAWAY. "Caraways" finally produced a boy, Andrew Carter, and Cathy can't help but shout it -- our hearts are full of thanks and joy." Babs recently directed a local theater guild production of "Barefoot in the Park" in McMinnville, Tenn.

JULIE RASMUSSEN COLVIN sends a "filler" for us. She writes that after two years at L.C. she attended and graduated from the University of Michigan and that year became Mrs. John. "We are deeply entrenched, as this is our first house, after having lived in Michigan and Illinois apartments until our first born became school age." She is still active in the art world -- has taught and lectured and is now set on improving her portrait technique. The proud mother of three boys, she regrets that there are no Colvin girls to experience L.C. fun.

"I'll try to give you a quick run down on my life since L.C. and I departed company in 1954, writes ANN WOOD NEESE. After Lindenwood Ann attended Auburn for one year and then married Charles. Charles has his doctorate in Optometry and is in practice with Ann's father. The Neeses, with their three boys, reside in the country. The boys have a rompin' time with their horses and dogs. "I've been meaning to write all of these years, perhaps I had better hit only the high points," writes PUDDIN SARAZAN PALMER. After one year at Lindenwood she graduated from the University of Oklahoma in '57 with a B.S. in elementary education. She was secretary of the Student Senate and President of her sorority her senior year. "I have had a lengthy career of teaching and working as a secretary, which saw me living in Fort Worth, Dallas, Aspen, Canada, and Washington, D.C."

JUDY SMITH PRIBOR says, "Let's see if I can fill you in as promised long ago" -- Judy continues that she and husband Hugo reside in Westfield, N.J. and have three children. Hugo is the director of the Institute of Laboratory Medicine and computers in laboratory medicine. They have a 37 foot blackwatch sloop-rigged sail boat which they race in Long Island Sound during the summer. They are sending the boat to Florida for the winter and are planning to race and later cruise in the Bahamas before returning home. "Last winter we had a marvelous vacation in Hawaii, where we were able to spend some time with Carol Lee Knight Blanchard and her husband, who entertained us royally."

SUSAN RICHARDS SCRUGGS and family are now living in Houston, Tex. after 9 yrs. in sunny California. Susan has three sports minded boys who are 8, 10 and 12 yrs. of age. Husband, Bob, is the Little League football and baseball coach for their area of Houston.

MARELLA GORE ROBINSON'S husband is Assistant Professor of the English Dept. at Michigan State University. The Robinsons have three children.

NANCY ROOD WRIGHT and her husband own a purebred hereford ranch on a spectacular trout stream in Absarokee, Mont. Nancy is kept busy with clubwork, politics and her three daughters, ages 5, 7, 11.

Please continue to write. There are still so many of you that I haven't heard from.

JANE JOHNSON DIPPEL and KATHY GERHOLD got together for a visit last summer. They had not seen each other since they left L.C. Jane sells charms for the St. Louis Lindenwood Club. If you would like to have a beautiful gold or silver charm you know where to order it.

10TH REUNION

Class Secretary

Carol Gardner Transou
(Mrs. Bedford T., Jr.)
1104 Seminole Drive
Johnson City, Tenn. 37601

I want to remind you again of our 10th reunion May 3-4 at Lindenwood. Many of us are planning to come -- write your friends and plan to be there. Also, how about some letters from those of you we haven't heard from for our next Bulletin.

A Christmas letter from ELLEN DEVLIN reveals that she is teaching for the second year at the College of Saint Teresa Winona, Minn. and working on her dissertation. Ellen enjoys the country life, having moved into a "little house in the country with only birds, rabbits, and one raccoon for company".

JOANN BURGIN COTTON visited her college roommate, DORIS LANGENECK-ERT DIECKGRAFE, this past summer. She writes that while in St. Louis they visited the campus, and that "John and Al had to tease us about being so sentimental". Joann and Doris' children are becoming good friends.

ANN CLEVENGER RAY, 1016 Lanette Drive, Cincinnati, O., included a picture of their two adorable children with her Christmas greeting. Jane is 5 and Mike is 3. Ann's husband, Earl, is Branch Manager for his company. Since Jane is in kindergarten, Ann is again involved in school activities.

SYDNEY FINK REDING also sent a picture of Chris 6, Steve 4-1/2, and Dixie 2. Sydney says she is busy "full-time" with the children, her church, as kindergarten room mother and as vice-president of the Faculty Wives Club at Oklahoma State University, where her husband is Conference Coordinator.

A picture from NANCY HULSE TIRRELL (my college roommate) came in a recent letter. It's such a good one I wanted to let all the class see the handsome family. Nancy's children are Laurie 7, and Donnie 5-1/2.

Since Sept. 1, SONDR JUPIN GILLICE and her husband Jim and their son, Tom 3, have been living at 60 Hamilton Ave., Apt. 9D, St. George, Staten Island, N.Y. 10301. Jim is Assistant Manager of the Engineering Dept. of Royal Globe Insurance Co. Sondra is Divisions Training Supervisor for Liberty Mutual Insurance Co. Her job involves coordinating the training in the eight N.Y. offices for the college trainees. Tom attends the Montessori School on Staten Island. Sondra writes of the beautiful view of lower Manhattan from their apartment.

BARBARA HOLLABOUGH GUSTAFSON has a new address - 130 El Toyonal, Orinda, Calif. 94563. Her children are Mark 5, and Lynne, 3-1/2.

What a change in the life of JANET JOHNSON SZEMBORSKI. In January they moved to Daytona, Fla. where her husband is owner-manager of The Daytona Inn right on the beach. This is quite a change for Chet who was a Corporate Systems Analyst in Bethlehem, Pa. The Szemborski's plan to live at the motel, 730 N. Atlantic, Daytona Beach, Fla., until they find a home.

ANN STEWART POSNER is another classmate who has just moved to 1343 Summer Ave., Schenectady, N.Y. 12309. After returning from Japan in 1966, Alan was attending anesthesiologist at Columbia-Presbyterian Hospital in NYC. Schenectady is a town of 100,000 and they are looking forward to a "small" town after New York. Ann's children, David and Debbie, are in nursery school and kindergarten, and Debbie is in a "Suzuki" method violin class. (I don't know what that is - but I remember Ann played the violin.)

MARCIA JONES CURRIE'S Christmas card indicated a change of address -- Windy Hill Farm, Rt. 2 Box 358A, Lake Villa, Ill. 60046. Marcia wrote that she was planning to come to the reunion and that Elizabeth, their baby daughter, was "so much fun".

Another classmate planning to attend the reunion is BETH DEVLIN JETT. Beth says she mentioned the reunion in all her cards. Beth's new address is Sail-on-Inn, Deepwood Dr., Lexington, Ky. 40505.

The news from SHIRLEY NOLAND TURNER is always interesting. They moved to 195 Mt. Paran Road, N.W., Atlanta, Ga. 30327. The Turners bought a "garage-supposedly servants' quarters in an acre of land" and started to remodel.

After six months work, they moved and while Shirley says that the "kitchen is like camping out". Charles retorts that the "living room is all arranged - gift shop" since Shirley collects antiques. The house sounds very interesting and

with Shirley's good taste, I know it must be. Shirley is interested in hearing from you who are planning on being on campus for our 10th Reunion May 3-4. So am I!

LYNNDA CLARDY PAUKUNE and her family have just moved into their new "older" home at 2433 Stanmore Dr., Houston, Tex. 77019. Lynnda says, "ideal for raising their three children."

SUNNY VAN EATON, assistant professor of voice at Phillips University, Enid, Okla., was named for inclusion in the 1967 edition of Outstanding Young Women of America. Sunny is a graduate of the Univ. of Denver with both the Bachelor's and Master's degrees in concert voice. She was instructor at the Univ. of Denver for five years and a frequent soloist with the Denver Symphony before joining the faculty at Phillips.

Our deepest sympathy to GAIL BOOTH JACKSON whose father was killed in a plane crash last June. Gail and Ralph reside at 804 W. Hillwood Blvd., Nashville, Tenn. 37205 with their two year old son.

The T.R. Mooneys' (KAREN PREWITT) have bought nine acres and built a house near Annapolis, Md. Karen says, "love living in the country and I still have the 22 year old horse that I had when at L.C." Karen's address: Rt. #3, Box 48, Arnold, Md. 20112.

BARRIE BOWEN SHINN has certainly been busy during the past summer and fall. "Bonnie is now a Brownie Girl Scout and I keep busy as the leader of the troop, my newest fall activity being jogging with five other mothers. It is great exercise and fitness for the figure." Barrie is also quite active in the Park Ridge chapter of D.A.R. In August, JANIE BIGGS BOWEN and her three children visited with Barrie for two weeks of fun.

The John Cervoskys (MARYSUE BRAGG) have a busy home. "Our little boy is growing so fast - toddles around and gets into everything." Mary Sue attended an alumnae meeting in the fall and visited with JAN BACHELOR RIDDLE and JUDY DOWNING CUTCHALL.

"Since my last letter we've moved from an apartment into a house." These were the excited words of SUSANNE COMBE DOTY in her recent letter from 878 High Street, Worthington, O. 43085. Susanne's other exciting news was the arrival of Brett Charles on June 8, 1967. "Chuck is busy finishing his doctorate and in the process of writing his dissertation."

SYLVIA CRINK SMITH sends a note "to say a long overdue hello to L.C. friends of '60 class. I'm still teaching high school homemaking in Villisca, Ia. After 8-1/2 years of marriage Bill and I had a baby girl, Shelby Blair Smith, born February 11, 1967. Happiness is this pixie named Shelby and over night our world and lives began to wonderfully revolve around her." The Smiths also have other additions to their family - a new colt, German Shepherd puppy and initial black angus to begin a herd. "Drove through L.C. campus in August and reminisced two days in St. Louis enroute to deeper South. Many changes."

Another new address comes from OLTA JOE DEWITT HICKS, 7716 Burnelle Drive Little Rock, Ark. 72204. "Joel is working for Jacuzzi Bros., as a mechanical engineer in research and development. Our two sons, Don and Gene are now 4 and 2. Our new house will be finished around the 1st of March. Every day we go over and walk through the construction rubble to see what's new."

HIROKO FUJIWARA EGAWA has been very busy with her children. "Haruko and Takeshi are very fine and Haruko enjoys her kindergarten very much. We all love Naoko (our baby) and we love to watch her. We hope our two girls can go to L.C. when they are big." Hiroko would enjoy receiving letters from her L.C. friends - her address: c/o Mr. T. Fujiwara, 7-9 3-Thom Takaban, Meguro-Ku, Tokyo, Japan.

The Bill Browns (SANDY HAIRSTON) have a second daughter. "Susan Lynn arrived on Nov. 3, 1967. Diane is in the first grade and is thrilled to have a little sister." In her "spare" time, Sandy is working with the welfare department in Nowata, Okla.

We are certainly enjoying our new parish."

CLETA JONES SZOKE writes: "I've been playing the housewife role since we got back from our honeymoon, which incidentally was a dream" The Szokes enjoyed Europe during their honeymoon and one highlight of their trip was a visit to Budapest. "It was like going back a minimum of 30 years in time, which can be both delightful and discomforting." The Szokes current address is 850 Bloomfield Ave., Montclair, N.J. 07042, which is about 30 to 45 minutes from downtown Manhattan. Cleta is busy trying to furnish their apartment and is taking a couple of graduate courses in English literature at the local college.

"1967 was a very big year for us," writes DOTT LANGRIDGE BAUMANN. "I received my Master's degree in late August from Southern Illinois University,

a 'promotion' I had worked for going to night school for 3 years, while teaching full time. Charles and I bought our first home and moved in Sept. 1, 22 days before our Angela Anne arrived on Sept. 23, 1967. The Baumanns' new address is 4574 Tauneybrook dr., St. Louis, Mo. 63128.

"Teaching 2nd grade in suburb of Washington, D.C." keeps KAREN PREWITT MOONEY quite busy. Karen lives near Chesapeake Bay and Annapolis and would really enjoy hearing from any of the alumnae at her address: Route 3, Box 48, Arnold, Md.

Helen Rice has sent news of her "teaching art and French at Little Miami High School, 10 miles from Loveland, O., in a town called Morrow. I love my students and am having an especially marvelous year. They are a thoughtful group, and we have some very interesting discussions. As it is sung in 'The King and I', -- if you become a teacher, by your pupils you'll be taught."

The Thad Carvers (JANEY WARREN) have recently moved to 4724 Arrowhead Dr., St. Joseph, Mo. 64506. "Our change in address is a result of Thad's being lured 50 miles north of Kansas City by American National Bank where he's now working as Assistant Trust Officer. We're delighted with the town of St. Jo and are not as far away from Kansas City to miss the bright lights and traffic much. We have bought a brand new house with a second floor, which we plan to finish, and a basement which is crying for a recreation room. We feel we've just started construction."

For the next three years, Munich, Germany, will be the home for ANN WEST-COAT RITTER and her family. "Ray finished his residency in orthopaedic surgery at Barnes Hospital in St. Louis last June. Our family still numbers four: August is 6-1/2 yrs. and John is 5 yrs." The Ritters' mailing address is: 225th. Station Hospital, APO New York 90407.

Our belated sympathy to BARBARA MESTER TURI whose father passed away in 1966. Barbara writes, "Many classmates will remember him because of his weekly visits to the campus. I think Daddy loved L.C. as much as I did!" Barbara and her husband are the proud parents of Amber Elizabeth who was born Dec. 1, 1967.

Congratulations to JANE WATTS NORMILE and her husband, Bruce, who was recently appointed the youngest Circuit Judge in Missouri.

In Texas we are awaiting spring, which seems to be having a hard time pushing through the cold weather - we've had our share of snow and ice this winter. Maurice and I traveled to Illinois for the Christmas holidays and had hoped to visit with LC friends in the St. Louis area, but due to bad weather we were unable to stop. During the Thanksgiving Holidays we ventured to San Angelo, Tex. - my first peek at West Texas. One could almost feel as though they were in a western movie as they watched the tumbleweeds blow across the countryside. It was thrilling to receive so many notes from our classmates during the Christmas season - and some had written for the very first time. Don't hesitate to write any time, as I enjoy reading your mail and know our classmates enjoy reading the news in the Bulletin.

Christmas always brings word from Dr. and Mrs. Walter Chang (WILMA TYAU). They visited in the states in Feb. Wilma reports "I'm still home, breathless and in stitches caring for Chris and doing some volunteer club work. Chris was two years old in Oct. Wilma made all the invitations, favors, and decorations for his party. Gosh, I hope she doesn't burn out before he is in kindergarten. The Changs are also involved in remodeling their kitchen. Oh, how I wish I had the plane fare to Hawaii!"

The Floyd Herron's (LOU HAMACHER) have a new address and a 'brand spanking' new home at R.R. #2, Moracco, Ind. Lou reports Kelly's in the 4th grade and Teddy is in kindergarten. Gosh, time really flies. SUE ALLENDER MCCULLAH, and family are enjoying their own personally designed and executed kitchen. It sounds like a work of art. Don! Sue's little girl, Sara, age 3, has her own interests. It seems the grandmothers have tried to get Sara to give up her OLD doll, but as Sue says "Some things are just 'pecial' even if they have lost their hair and clothes and their skin no longer comes clean?!"

I have a new image these days -- pierced ears, white uniforms, and books. I'm interning this year as a medical technologist. The course will be completed the end of June. Its been a great experience, but gosh, it's work. I have to leave the house at 6:15 a.m. every morning (including Saturdays) and I'm competing with 'swingers' eight years my junior! My day starts by a lecture period and finally work in various labs in the afternoon. Dick has been a marvelous help -- in fact he does almost everything the dishwasher, washer and dryer don't do!

The Alumnae Assn. has asked me to urge all of you to take an active part in your local club. If no club is available, write the Alumnae Office and they will furnish a list of L.C. alums and you can START your own group!

Well, its time to sign off -- please, please let me hear from you.

First of all let me thank MARTY RADFORD DELMON for all her work she did for our class during the Alumnae Giving Campaign last fall. I do hope all of you have done your part, and if you haven't, will very soon. There are many enjoyable parts to the job of class secretary among which are receiving your many cards and letters. I do hope more of you will be checking in with me in the coming months. Another nice part of this job is the number of surprise phone calls you receive.

Last fall I received a call from BETH ALLEN while she was in Atlanta for a few weeks. Beth works for the Corning Ware Co. as their representative for southeastern U.S. She was conducting demonstrations in preparation for the Thanksgiving and Christmas holidays and the parties that go along with that season of the year. Some way, in her busy schedule, she was able to join us in our home for a meal and a lot of talk, mostly talk. Since she has no permanent location you can write her at her parents home at 33 Buckingham, Houston, Tex. 77024.

In January I had a call from ANN DARBY WOMELSDORF who is now living at 2142 Floyd St., Covington, Ga., just outside Atlanta. Ann finished her schooling at Auburn University in Alabama. Her husband works for a sporting goods manufacturer in Covington. She keeps herself busy at home with a girl - 2, and a boy - 4-1/2. Ann was visiting with ANN MADDOX STENHOUSE at the time she called. From Ann Stenhouse I received several new addresses for your address books. Ann's new address is 99 Copeland Rd., Apt. E21, Atlanta, Ga. where her husband is with the Public Health Service. Richard and DORIS MCCREARY TERRELL are now residing at 2152 N. Roger Reed Dr., Hampton, Va., where Richard is stationed in the Army. LOU THOMAS KELLEY and family have moved into their new home at 626 Highland Terrace, Sheboygan, Wis. The Stenhouse' have a daughter, 6-1/2, and a son, 2.

A nice letter from SHARON NIEDNER HAYS brings news of their latest move, courtesy the U.S. Air Force. After living three years in sunny California, they have been sent to -- you guessed it -- Eielson AFB, Fairbanks, Alaska. Sharon writes that despite the severe winter temperatures (a -38 degrees when she wrote) and an extreme lack of daylight during the winter months, they do like it there. They have all had their first experience with riding on dog sled. "It's

great fun as long as one can hang onto the sled long enough to get back home. I'm not too adept at the latter!" Their trip up was very interesting, since it included a two day trip on a ferry ship from Prince Rupert, British Columbia, to Haines, Alaska. Sharon's address is CMR #5 Box 906, APO Seattle 98737.

The Roger Hinckly's (MARILYN HUES) are now settled in their new home at 15 Surrey Dr., Norwalk, Conn. 06851 where Roger works for Owens-Ill. Co.

Another class member to move is HERMINA LAMBRECHSE WOOD. Dutch writes that they closed up their home, completed business matters, packed, and moved to California in two weeks. Harry is working with Shinn Engineering in Santa Ana. Hermina taught Dutch to Monsanto Co. business men going to Belgium, at the Berlitz School of Languages before her move. Their new address is 663 Apt. C Fashion Park St., Orange, Calif. 92667.

CHERIE CHURCHMAN is now Mrs. John Ingersoll. The Ingersolls live at 27030 Elena, Los Altos Hills, Calif. and are planning to redecorate their Spanish-style 1920's home which gives them a view of the entire bay area.

CHARLOTTE MCCREE MCCASLAND'S husband, Scotty, completed his fifth cruise with the Navy to Vietnam and bid farewell to the sea last year. They are now at 5416 Dennis Ave., Fort Worth, Tex. where Scotty is with General Dynamics Corp. Their son, Rick, was a year old in December. Charlotte would like to hear from any other Lindenwood gals in the Fort Worth area.

LUCY SCHWEICKHART HAMMOND is teaching nursing in Belleville, Ill. at the junior college. As an advisor of the student nurse organization she has accompanied students to conventions in New York and Chicago. In her spare time she plays the organ for her church and sings with the Belleville Philharmonic Chorus. Lucy sees Mary Moehlenkamp and Mary Warnecke Hull occasionally.

As a free lance artist LINDA BELL GEBERT has exhibited her paintings in two Kansas Artists' Annual Shows. Linda also works with the Young Patrons of Art with the Wichita Art Association.

GRETIL THIEME EDLIN'S husband, Martin, has been traveling around Europe a good bit. His most impressive experience, according to Gretl, was his report from the Israel War. Gretl received her doctoral degree in Feb. She writes that they enjoy their little daughter very much, even though she is able to turn the house upside down. Gretl's address is Zurich, Switzerland.

MARY GIBSON DODSON dropped by the Alumnae Office recently. She and her family returned from Europe last July and while Richard is serving in Viet Nam, Mary and her children (Linda and Drake) are in St. Charles living with her parents at 802 Monroe St. I'm sure that these letters and new addresses are only a few of the many that I should have in my file. Please write for without your letters and cards, there could be no article from the class of 1962. If there are any new or old L.C. alumnae in the Atlanta area and you have not been contacted about the new Alumnae Club starting in the area, please give me a call at 435-8548. Hope to be hearing from YOU in the near future.

Hi, again! I think I'll start this issue's column with some excerpts from a wonderful newsy letter from EMILY SIMMONS VERDI. Jim and Emily and their two sons, David 4, and Alan, 10 months, are living in Imperial Beach, Calif. 92032 where Jim, now a Lt. j g, is a naval aviator at the North Island Naval Air Station. Emily writes that she loves southern California and the life of a Navy wife which is anything but dull or secure. Emily has kept in touch with several of you who I have not heard from for quite some time. While visiting with her husband's parents in Waukegan, Ill., she had an opportunity to visit with SARA LITTLE WINDSOR.

LINDA GLASSMAN is working in Boston in the advertising-art department of Batten, Barton, Dinstre, and Osborne. Another alum Emily has kept in touch with is JUDY HORST MURPHY. Christmas brought news from many of you, but not nearly enough. Please, gang, let me hear from you!

I received a nice note from WANDA WEAR WOOLEN. She volunteered to be class secretary, but I had beat her to the punch! She says, "the cotton business is rather frantic -- and, of course, the housewife business is too." I guess Laurie Lee, 5, and Leslie, 3-1/2, are what account for the latter half of the statement!!

RENEE RYTER MUELLER has two new hobbies. She and Lee are balling it up lately -- with a tennis ball -- that is! Also, Renee is taking a class in sculpture. Many of you will remember Renee's beloved Aunt Tillie. Renee reports she passed away just before Thanksgiving.

The Chuck Burtch family (SANDY WINGREN) have a new son, Mark Charles. He was born on September 11th -- 5 lbs. 14 ozs. and 19-1/2 inches long. Unfortunately, Sandy and Baby Mark have spent several hours in the hospital. Mark developed a type of pneumonia at five weeks of age due to allergies. Also, he was sporting a three-quarter body cast his first month of life due to a birth injury. He is doing fine now.

A note from CAROLYN DAUGHERTY MOSHER: "Hi! I'm kept busy these days with my two children, Kelly Ann, 3, and Timothy, 20 mos. ALUMNAE CLUB NEWS

COLUMBUS

At the Worthington Hills Country Club in Columbus, Ohio on March 16, alumnae enjoyed a luncheon with Earl Davis, Director of Admissions, who talked with them about the new Lindenwood Admissions Council.

INDIANAPOLIS

On March 8 the newly organized Indianapolis Club elected their officers: Mrs. John A. Henry (Linda Spears), president; Mrs. Richard L. Simon (Sara Stein), treasurer; and Mrs. Paul Bancel (Joan Spangler), special projects chairman. The Director of Admissions met with the group to discuss the Admissions Council and the successful new curriculum at the College.

LINCOLN

On the afternoon of Nov. 27, alumnae gathered in Lincoln, Neb. at the University Club. The occasion was conversation and luncheon with the Alumnae Secretary, Nancy McClanahan, who was in Lincoln attending the district meeting of the American Alumni Council.

LOS ANGELES

On February 17th in Los Angeles, Calif., alumnae gathered at the home of Mr. Milton Kuska (Janey Rasdal) for luncheon and an informative talk by Dr. James McBath, chairman of the Department of Speech at the University of Southern California, who is currently coaching the U.S.C. "College Bowl" T.V. team.

MINNEAPOLIS - ST. PAUL

In January alumnae entertained President Brown, Dean Quehl and Mr. Earl Davis for luncheon at the Northstar Inn in Minneapolis. Much enthusiasm was shown for the new curriculum at Lindenwood. The Minnesota Club has embarked on two fund raising projects. Their No. 1 project is the sale of Lindenwood note paper (shown elsewhere on this page). The traditional sketch of Sibley Hall was done by Mary Kirchherr Shoquist and the contemporary stylized designs were done by David Hahn, husband of Ginny Vanice Hahn. The profits from this project will go to the "Friends of the Library". The club's No. 2 project is the saving of trading stamps to be exchanged for merchandise or money. The club expects to get a strong Admissions Council underway this spring. Any interested alumnae please contact club president, Bunny Bailey Maki, 631-0146 for further details.

OKLAHOMA CITY

There was great enthusiasm and interest shown in Lindenwood's new curriculum when the Director of Admissions and his wife met with the Oklahoma City Club on February 17 at the home of Mrs. George Zachritz (Jerry Chandler). Mr. Davis gave an informative talk and showed slides of the campus.

ST. CHARLES

The St. Charles Club invited administration, faculty, day students, parents and alumnae to a silver tea in the new Day Student Lounge on the afternoon of March 24. The tea had a two fold purpose: to raise funds for the day students and to allow those alumnae who had not seen the new Day Student Lounge to view the lovely decor.

ST. LOUIS

St. Louis alumnae enjoyed a delightful book review by Miss Jo Farrington, Past Director St. Louis Library, on Feb. 19 at the home of Mrs. Carl Kottmeier (June Horstmeyer).

ADMISSIONS COUNCIL FORMED IN DALLAS

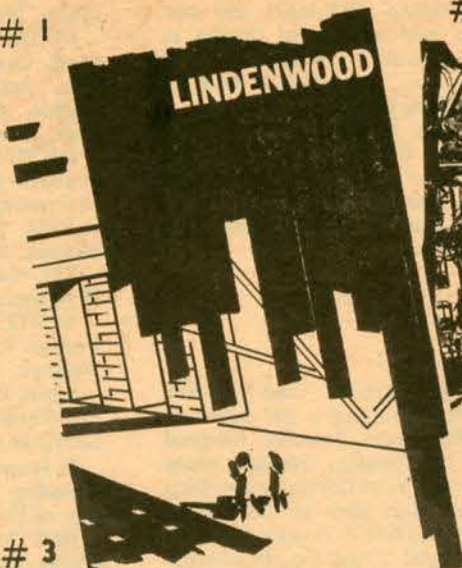

The first urban group of Lindenwood Admissions Council members were formally organized in Dallas, Tex., on Jan. 11, 1968. A training session for LAC volunteers was conducted in the home of Doris Gwin Townsend '45 by Earl L. Davis, Director of Admissions.

At the completion of the training session each alumna was assigned to two secondary schools. They will have the responsibility of contacting and becoming acquainted with the counseling staffs as well as interviewing any students who may apply from their assigned areas. Formal assignment will be through a letter from President Brown to the alumnae and guidance counselors.

Mary Rankin '59 was appointed area chairman for the Dallas area Admissions Council and it will be her responsibility to coordinate the activities for the Dallas LAC. Members of the Dallas area council are Maggie Burton Jones '48, Kay Fryfogle Sherrow '59, Suzanne Alexander Buchanan '60, Doris Gwin Townsend '45 and Mary Rankin '59, chairman.
