Lindenwood TODAY

Lindenwood is built on over 175 years of tradition. Our roots enrich us and give us the solid foundation on which we build our mission: The value-based education of a well rounded individual. Our Heritage Campus has served us well for all these years, providing deep shade in the summer, quiet nooks for study and discussion and inspiring architecture to house our students and classrooms. The Heritage Campus features several buildings so significant that they are listed on the National Register of Historic Places.

TEACHING EXCELLENCE

Lindenwood has the very best faculty in the nation. Our faculty is free from the constraints of tenure, free to develop and to create. Faculty members seek to nurture students and go far beyond mere information delivery. They care.

RESULTS, PERIOD Lindenwood is one of 40 baccalaureate degree granting institutions in Missouri. Yet, because of its growth and retention, LU produces more than 10 percent of all the graduates in Missouri. Our placement rate is among the best in the United States. Our Talent Accomplishment Program has become a national model.

INTERCOLLEGIATE SPORTS

Lindenwood recently won the prestigious Sears Directors' Cup, given annually to the top NAIA Athletic Program in the nation. LU has 36 intercollegiate sports.

FISCAL RESPONSIBILITY

Lindenwood is debt-free...an accomplishment not many institutions can boast. We receive no direct federal or state subsidies. We are market-driven.

SUPERIOR RETENTION

A national study ranks LU among the best in the nation at retaining students from freshman to sophomore year.

VALUES, CHARACTER DEVELOPMENT

Already rated as one of America's Best Christian Colleges, Lindenwood places a strong emphasis on values and character, principles that have guided this institution since its inception in 1827.

EXPLOSIVE GROWTH Over the past decade, Lindenwood is unquestionably the fastest-growing institution in Missouri.

INVESTING IN TECHNOLOGY Students expect a high level of technology, and we are delivering it. Lindenwood has just completed a multimillion dollar technology project that brings high-speed access to the Internet and the Lindenwood network to all residence halls. Students also have cable television access in each residence hall room. Numerous high-tech classrooms are being added on the main campus and at sites in Wentzville and Westport.

OUTSTANDING MANAGEMENT

A leading accounting firm has ranked Lindenwood among the best-managed higher education institutions in the United States.
