Faculty OER Survey

As part of a study to expand awareness and use of OER or no-cost educational resources and the Institutional Repository (Digital Commons), faculty are asked to participate in a survey conducted by Dr. James Hutson.

The goal is to learn more about faculty awareness and use of OER or no-cost educational resource options at Lindenwood University. The survey will take about 7 minutes to complete and responses are invaluable to assist in providing a better understand of faculty perceptions of these materials, identifying any barriers to adoption, or support needed.
