Q2 MOMENTS

We have a couple Q2 Moments to share this week:

“I would like to recognize Brittany Howard with a Q2 moment. Brittany helped me through the admissions process of enrolling. Even though it has been twenty years since I was last in school, Brittany made me feel very comfortable and excited about my decision to go back to school. She was very upbeat and caring and answered all of my questions immediately when asked. I feel she deserves this Q2 Moment because of her superb customer service and enthusiasm. Thank you!”

“Thank you to our awesome copy center superstars for always delivering quality copies so quickly!”

We thank all of you for your dedication and commitment to the culture of service excellence we embody at Lindenwood!
