

# Lindenwood Female College,

SAINT CHARLES, MO.,

UNDER THE CARE OF THE PRESBYTERY OF ST. LOUIS.

REV. A. V. C. SCHENCK, A. M., PRESIDENT,

*Assisted by a full Board of Instructors, in all the solid and ornamental branches of a first class Female College.*

This Institution is situated in the suburbs of the city of St. Charles, about an hour from St. Louis, in the midst of beautiful and extensive grounds and groves. The main edifice, which is just completed, is finished in the most modern and approved style, with water in every story, and gas in every room, supplied from the College Gas Works. The whole equipment of the College, including the furniture of every description, musical instruments, etc., is new and of the best quality.

The College will be opened for the reception of pupils on the first Monday in September, 1857.

The Scholastic Year commences on the first Monday in September, and continues forty weeks without any intervening vacation.
