LINDENWOOD  
WELCOMES  
YOU!!

PRESIDENT FRANC L. MCCLUER

Lindenwood College

## WELCOME!

To the students, who are entering Lindenwood this fall—a hearty welcome! As many of you know, you will find your college a friendly home, and, we trust, an inspiring community. Mrs. McCluer and I have appreciated the genuine friendliness and cordial welcome given us by the students and the members of the college staff this last spring. For some of you and for us, this will be the first participation in an opening program at Lindenwood College. We look forward eagerly to these opening days and we also look forward to the pleasure of greeting you in our home on the campus.

Lindenwood College is equipped and staffed to give you a splendid educational opportunity. May each of you have great happiness in your personal relationships here and abiding satisfaction in your achievement, during the coming year.

*F. L. McCluer*

Lindenwood Customs  
and Traditions

## CUSTOMS AND TRADITIONS

Lindenwood is more than a century old in traditions—some traditions and customs in the long list go back to 1827 and to the days of the Sibleys, and others are as comparatively new and modern as the Lindenwood girl of 1947.

You will find your first freshman days at Lindenwood filled with traditions—the “hot dog” barbecue served by the men on the campus, the “get-acquainted” parties and teas, the first Street Supper, the Hillside Sing, and the Opening Vesper Convocation.

October brings, first of all, college picnics, when the slogan, “Relax, unbend, and have a good time”, is observed by all. Founders’ Day comes on the fourth Thursday, with many distinguished guests on the campus. On Halloween, the Queen, elected by student vote from the Freshman Class, is crowned at the first all-campus formal dance. That night at the stroke of twelve the weird strains of the organ in Sibley Chapel are heard—campus tradition leads us to believe that it is Mrs. Sibley’s ghost at the organ. And by the way, when the dining room suddenly becomes hushed and still, you will hear an upperclassman whisper, “Mrs. Sibley’s ghost is passing through.” By this time everyone is in the swing of student meetings on Tuesday mornings, chapel assemblies on Monday and Friday mornings, and vesper services on Sunday evenings.

November at Lindenwood means hockey games; thrilling news of our football heroes; the first all-college play. Although it seemed it would never come, "turkey day" is here, and we say our thanks and wonder why we ate so much. Then we know that winter is really upon us when we hear the exclamations over the first flakes of snow.

The Christmas Season is marked by many events. The dolls have been dressed and toys collected for the kiddies at Markham Settlement House. Letters are flying and excitement runs high as we plan for the Christmas Ball. Never to be forgotten is that first breathless moment when the lighted Christmas tree on the campus is seen, with the star at the very top. Another "never to be forgotten" is the family Christmas dinner party. Finally, at midnight, before leaving for that thrilling vacation at home, the strains of "Silent Night" float over the campus—the Sophomores are caroling and distributing holly in each residence hall, as is the custom.

January—back from the vacation of vacations with brand new pictures of handsome young men and many thrilling tales to last far into the night. But soon it seems that all pleasure must be forgotten and all one knows is study for "finals"—burning the midnight oil becomes popular, and a worried look is in vogue. Then the first thing we know we are safely over that hard hump and it is popularity queen time—"Who will it be?"

February sees the girls in the post office in a perfect rush—boxes upon boxes of candy are piled high, red roses are everywhere, happy smiles—why, of course, it's Valentine Day and there's a Romeo to be chosen for the Linden Bark contest. Winter goes on, but the shops in St. Louis are beginning to show spring wardrobes and we hasten to look them over. Ground hog day passes without a shadow—Spring can't be far off!

March—The Lenten Season opens with Religious Emphasis Week which brings distinguished speakers to the campus. With the announcement of the St. Louis Flower Show we choose our candidate for the College Day Queen. Sophomore tests—no worry for the Freshmen.

April finds us planning for spring vacation and rushing to complete term papers. Our water pageant, "Aqua Holidays" is Terrapin's colorful fete. The Lindenwood Fashion Show is a triumph for the Home Economics Department.

May—picnics at the ovens, sunbathing on the golf course, and we all go out for Play Day! Wonderful times together, and a weak feeling that it is almost over! Class Day Convocations, with the Seniors relinquishing their high and mighty place on the campus to the Juniors, are exciting. Trunks are in the halls, bags are half packed, and proud parents are being greeted with many squeals of joy.

Finally the last few days are here—crowning of the May Queen, the Art Exhibit, the Horse Show, Baccalaureate, with its dignified procession, comes on Sunday morning.

At last it's here—Commencement! It's all over! Promises to write, tears, (more than in September), goodbyes, and "I'll be back next year". LINDENWOOD!

## LINDENWOOD COLLEGE SONGS

## LINDENWOOD HYMN

School of our mothers, in days of yore,  
 Goal of their fond ambitions long;  
 Within the portals of thy door,  
 Ideals were formed and wills made strong;  
 Thy honored rule was ever good,  
 Old Lindenwood, Old Lindenwood.  
 The tumult and the shouting dies,  
 The Seniors, year by year, depart;  
 Still stands thy ancient edifice,  
 A stately and a noble pile,  
 With arched limbs of sacred wood  
 'Round Lindenwood, Old Lindenwood.  
 Far called, old teachers pass away,  
 But new ones rise to take their place;  
 And all the pomp of yesterday  
 Goes on with but a change of face.  
 Few hearts but throb with kindly good  
 Toward Lindenwood, Old Lindenwood.  
 On girls that come, and girls that go,  
 On all that walk beneath thy shade;  
 A heaven-sent gift wilt thou bestow,  
 A graceful and a gracious maid,  
 With brains for power and heart for good—  
 Old Lindenwood, Dear Lindenwood.

Amen.

LOUISE CRANDALL.

## REMEMBER

(SENIOR CLASS SONG)

Remember the days you've spent here,  
 Remember when you're away,  
 Remember the friends you've made here  
 And don't forget to come back some day;  
 Remember the old traditions  
 And promise to be true.  
 For you all belong to Lindenwood  
 And Lindenwood belongs to you!

## LINDENWOOD ALMA MATER SONG

Lindenwood, our Alma Mater  
 We will stand by thee,  
 We will fight and fail you never  
 To eternity.  
 We will love you until the end  
 You know that it's you we'll defend  
 So, hail, hail, the gang's all here  
 And we're loyal to you L. C. (1)

Always forward  
 We'll be on the top.  
 Always forward  
 We will never stop  
 Hit 'em high, hit 'em low  
 Come on L. C.—let's go—  
 (repeat to 1.)

## MELODY, "ILLINOIS' LOYALTY"

We're loyal to you, Lindenwood;  
 We're yellow and white, Lindenwood.  
 We know you can stand  
 'Gainst the best in the land,  
 For your standard is grand, Lindenwood,  
 Rah! Rah!

Then, on with your work, Lindenwood;  
 Not one girl will shirk, Lindenwood.  
 Our school is our greatest pleasure;  
 On girls, with great endeavor;  
 Three cheers for New Lindenwood!  
 Cha! he! Cha! haw!—Che! he! haw! haw!  
 Lindenwood, Lindenwood, Rah! Rah! Rah!

## PRIZE SONG, 1923-24

Words by Virginia Symms, Music by Elizabeth Bates

In the heart of our great country,  
 Under western skies of blue,  
 As a beacon-light of knowledge  
 Stands our Alma Mater true.  
 'Neath her flag of gold and snowdrift  
 Bow her leafy sheltering trees,  
 Stretching arms of love and service,  
 To inspire to nobler deeds.  
 Let us truly be the children  
 Of this mother, grand and good;  
 Hail to thee, our Alma Mater;  
 Hail to thee, our Lindenwood!

## PRIZE SONG OF 1923-24

Words by Jessie Schaper, Music by Alberta Shell

'Neath the shade of massive lindens,  
 At the gateway of the West,  
 Stands our dear old Alma Mater,  
 Loved in ages, far the best,  
 Truth and honor, held the highest,  
 By our mothers, loved and true,  
 Are the standards that surviveth,  
 Girls of Lindenwood, for you.  
 For your ideals and traditions,  
 For your colors firm we stand;  
 Lindenwood, our Alma Mater—  
 Best in ages, of the land.

## HELLO SONG

Lindenwood girls are a friendly lot—  
 Hello, Hello, Hello, Hello,  
 Are we downhearted; I'll say we're not—  
 Hello, Hello, Hello, Hello!

## REFRAIN

Hello, Hello, Hello, Hello—  
 That's what we all want to say.  
 We're peppy, we're jolly,  
 We have lots of fun  
 For these are our college days.

Lindenwood College  
Student Association

Student Counseling  
For  
Freshmen

NANCY HARDY KERN, Class of "48"!

Hello! I'd like to add my welcome to Jeane Sebastian's greeting. You have many wonderful experiences awaiting you here at Lindenwood, and of course you're anxious to know just "what happens" here. This handbook, together with help from your student counselor, (ask her all the questions you want!) will give you a picture of our campus life. You will see this picture in action every day as you become a part of it.

We, Student Counselors, shall be glad to help you during Freshman Week and throughout the year.

NANCY HARDY KERN, Chairman  
Student Counselors for Freshmen

## FRESHMEN ONLY

AT LINDENWOOD WE BEGIN AND CLOSE ALL COLLEGE EVENTS ON TIME.

YOUR HEALTH IS IMPORTANT—TAKE CARE OF IT! EAT YOUR MEALS REGULARLY, GET PLENTY OF SLEEP, AND PLAY AS HARD AS YOU WORK.

BEGIN WELL! REMEMBER, POOR WORK THE FIRST WEEK IS APT TO DRAG THROUGH THE YEAR. TRY TO MAKE GOOD GRADES NOT ONLY FOR PERSONAL ADVANTAGE BUT BECAUSE THE HABIT OF DOING THINGS WELL IS A VERY GOOD HABIT.

ONE OF THE FIRST PERSONS YOU WILL MEET ON THE LINDENWOOD CAMPUS WILL BE YOUR *STUDENT COUNSELOR*. SHE WILL HELP YOU WITH YOUR FIRST EXPERIENCES ON THE CAMPUS, SUCH AS REGISTRATION, PLACEMENT TESTS, CAMPUS TRADITIONS AND REGULATIONS.

THE FACULTY IS EAGER TO COUNSEL WITH YOU—SO GIVE THEM AN OPPORTUNITY. ALWAYS RESPOND PROMPTLY TO A NOTE FROM A FACULTY MEMBER, OR AN ADMINISTRATIVE OFFICER, ASKING TO SEE YOU.

THE LINDENWOOD COLLEGE STUDENT ASSOCIATION EXISTS TO PROMOTE BETTER CITIZENSHIP ON OUR CAMPUS. ACCEPT ITS RESPONSIBILITIES AS WELL AS ITS PRIVILEGES.

IT IS MUCH MORE PLEASANT TO LIVE IN A CLEAN ROOM.

IF YOU SMILE, YOU WILL GO FARTHER. YOU NEVER LIKE ANYTHING UNTIL YOU TRY IT.

YOU KEEP YOUR MONEY IN YOUR ROOM AT YOUR OWN RISK! DEPOSIT IT IN THE LINDENWOOD COLLEGE BANK.

WHEN LEAVING THE CAMPUS, "SIGN OUT"; WHEN RETURNING, "SIGN IN". REMEMBER YOU ACTIVELY REPRESENT LINDENWOOD WHEREVER YOU GO AND WHATEVER YOU DO!.

WATCH THE BULLETIN BOARDS IN ROEMER HALL AND IN YOUR RESIDENCE HALL. YOU MAY SEE SOMETHING OF INTEREST THERE.

## CAMPUS COURTESIES

Be considerate—leave a girl's room when you find her studying.

ALWAYS KNOCK BEFORE ENTERING A ROOM. IF THE DOOR IS CLOSED IT USUALLY MEANS THAT THE OCCUPANT IS BUSY. DO NOT ENTER ANOTHER'S ROOM UNLESS THE OWNER IS THERE.

Try to develop a spirit of gratitude toward your parents, teachers, and friends.

“Neither a borrower nor a lender be.” Careful planning of your personal wardrobe and school supplies will eliminate the need to use your neighbor's. Strict adherence to such a policy will make dormitory living much happier.

DO NOT APPEAR IN THE DINING ROOM LOOKING UNKEMPT AND FROWSY. BE DRESSED SO THAT YOU MAY MEET GUESTS WITHOUT EMBARRASSMENT.

THE WINDOW SILL OF YOUR ROOM IS NOT A GOOD STORAGE PLACE FOR COKE BOTTLES.

RETURN EMPTY BOTTLES TO THE TEA ROOM.

Regard any task given you with great seriousness and with a sense of responsibility.

## Class Attendance

## CLASS ATTENDANCE

I. ATTENDANCE: Academic work in Lindenwood College is based upon the regular attendance of students at all classes. It is understood, therefore, that attendance at class is required.

II. ABSENCE: In general, excuses will be given only for sickness. All other requests for absences must be passed on by the Attendance Committee. Only absences of the utmost urgency will receive consideration. Excuses for absences granted by the Attendance Committee will be issued in the Personnel Office. All written excuses must be presented to each instructor upon return to class. Responsibility for any work missed during an absence from class is a matter which rests with the student and the instructor.

Absence from class caused by illness will be excused by the College Physician. Students who are ill should report immediately to the B. Kurt Stumberg Health Center.

*Class excuses issued by the Health Center and the Personnel Office must be claimed within one week after a student returns to classes.*

## III. TESTS:

No student may be absent on the day of an assigned test, or other special assigned work, unless an excuse is presented to the instructor. In the case of an unexcused absence, the student cannot expect to make up the assigned test, or other special assigned work missed.

## IV. VACATIONS:

Absence from any class within the last twenty-four hours before, or the first twenty-four hours after, any regular vacation or holiday is not permitted. Tardiness of more than twenty minutes from any class the last twenty-four hours before, or the first twenty-four hours after, any regular vacation or holiday, shall be considered as an absence for that class period. Students are not permitted to change sections in a class immediately before a vacation. For unexcused absences at any vacation period, a student shall not take her final examination in the courses missed until the end of the first six weeks of the following semester.

## V. RECORDS:

All instructors will keep complete records of absences from class. Weekly reports of absences will be made to the Secretary to the Academic Dean; all absences from class within the last

twenty-four hours before, or the first twenty-four hours after, a vacation or holiday shall be reported to the Secretary of the Academic Dean immediately.

#### VI. GRADES:

Under the prevailing plan governing class attendance, instructors *only* are responsible for the final determination of students' grades. All grades reported to the Office of the Academic Dean are to be recorded without modification, except on the order of the instructor making the original report.

A FACULTY COMMITTEE ON CLASS ATTENDANCE WILL CONSIDER THE CASE OF ANY STUDENT NOT PROVIDED FOR IN THIS CLASS ATTENDANCE PLAN.

#### REPORTS ON SCHOLARSHIP

Complete reports of students' scholarship are sent to parents as soon as possible after the close of each semester.

At the close of the first semester a complete report will also be sent to the principals of the high schools who transferred credits to Lindenwood. It is our desire to co-operate with them by keeping them informed of the progress of their former students.

## General Information

## HISTORY

In 1827 the history of Lindenwood College began. Major and Mrs. George C. Sibley were the founders. The purpose of the founders was to establish a distinctive school for young women.

The sparsely settled Southwest was in need of good schools; surely women should have the best. Thus Lindenwood College was established. The name was chosen from the site selected, which at that time was in a grove of linden trees.

In 1853 the Sibleys transferred the management of the school to the Presbytery of St. Louis, and a state charter was secured. A Board of Directors, fifteen in number, was appointed. In 1870, the appointment of the Board was transferred to the Presbyterian Synod, U. S. A., of Missouri. The College, while under the direction of a Board appointed by a denominational organization, is nonsectarian in its admission of students and permits the greatest religious freedom. In accordance with the wishes of its founders, the College maintains the teaching of the Word of God as a regular part of its curriculum.

## EDUCATIONAL STANDING

Credits earned in Lindenwood may be transferred for undergraduate work or for graduate or professional work in any institution. Students should remember that successful transfer will depend on two things. First, the personal qualifications and academic achievement of the applicant for transfer is considered. Second, one should pursue courses which will meet course requirements in the institutions to which transfer is desired.

Lindenwood is on the list of institutions approved by The North Central Association of Colleges and Secondary Schools, The Association of American Colleges, The American Council on Education, The Presbyterian College Union, and The Missouri College Union.

## NATIONAL ASSOCIATION OF SCHOOLS OF MUSIC

Lindenwood College is a member of the National Association of Schools of Music, and the regulations for entrance and for graduation, as set forth in the catalog, are in accordance with the published requirements of the National Association of Schools of Music.

## ENDOWMENT

The College is not dependent alone upon its tuition fees. A productive endowment of over two million dollars, exclusive of buildings, is available. Its income enables the administration to secure an able faculty of professors and instructors. Students in Lindenwood have opportunity to know their teachers, who have been educated in the leading colleges and universities of America.

## BUILDINGS AND GROUNDS

Over one and one-half million dollars are invested in buildings on the campus. Every building used for educational and dormitory purposes is of the highest type of construction. Koemer Hall, used for administrative and educational purposes, is the central building of the campus. In the quadrangle are Butler Hall, Ayres Hall, Sibley Hall, Niccolls Hall, Irwin Hall, The B. Kurt Stumberg Health Center, Eastlick Hall, the President's home, The Gables, The Tea Room, and the Library. The Lillie P. Roemer Memorial Fine Arts Building, on Butler Way, is used by Music, Art, and Speech Departments. The central heating plant furnishes steam and hot water for all the buildings. The Lodge is the home of the Superintendent of Buildings and Grounds. The Watson is the home of the Maintenance Man. The Greenhouse, Isolation Hospital, and Water Clarifying Plant are among other buildings on the campus. The grounds cover an area of 140 acres. Golf course, tennis courts, athletic field, and riding paddock are attractive features of the Campus.

## HEALTH CENTER

Because the foundation of education is good health, the program of the college is planned so that careful attention is given to the physical condition of the students. A Health Center under the direction of the College Physician and two Registered Nurses cares for the students in case of sickness. No extra charge is made in ordinary cases of sickness nor for consultation with the College Physician. To consult any Doctor, other than the College Physician, a student must advise with the College Physician.

## FACULTY

It is to your advantage to make the members of the faculty your friends and counselors through college. They are eager to know you.

After you have called, do not hesitate to go again, for they are always glad to see you.

All members of the faculty have office hours. Call on them while you are waiting for class.

When a Lindenwood student receives a note from a faculty member, asking to see her, a prompt response is expected. It will be to your advantage to report as requested to the office of any faculty member who wishes to see you.

## RELIGIOUS LIFE AND SERVICES

Religious education is given an important place at Lindenwood. Although the college is non-sectarian in matters of religion, it is insistent upon the knowledge of the Word of God and Christian training. Every student during her freshman or sophomore year is required to take two semester hours in the

study of the Bible.

Addresses are given during the year by ministers, missionaries, and laymen, upon topics that will give the students a larger vision of Christian work in the world. The Student Christian Association is a most effective organization in the development of the religious life. Pastors of the city are given the names of students who express denominational preference. Each student usually attends the church of her choice every Sunday morning. Some of our students engage in Christian service in the local churches and teach in the Sunday Schools.

Membership in Alpha Sigma Tau is the highest scholastic honor Lindenwood College confers upon students in the College of Arts and Science. Only those vocational hours accepted toward the Bachelor of Arts degree may be included. The members of this honor society are chosen by faculty vote.

We urge every student in the College of Arts and Science to have this honor as her goal. It requires no more hours of work than an arts and science student should take in order to meet the graduation requirements. To meet the other requirement, it takes no more character and no more loyalty than every student should have.

## COMMUNITY LIVING

The college takes the place of the home while the student is in residence, and every effort is made to foster democratic living. The greatest individual freedom consistent with the best interests of all is the objective. Each student may seek counsel on matters pertaining to her welfare in the Office of Student Guidance and Personnel. Individual responsibility is encouraged.

Lindenwood College maintains five modern residence halls. Each hall provides living rooms; bedrooms; recreation rooms; pressing rooms; reading nooks with daily newspapers, current periodicals, fiction and non-fiction books, and many other features that add to the comfort and happiness of the students. Teas and birthday parties in the residence halls are pleasant occasions; in fact, the whole atmosphere is one of family life all through the school year. Loyalty to the hall is strong, and it is within these units that most friendships are formed. Hall organization aims to promote scholarship, enrich social life, and develop a respect for community life and social living.

Each residence hall furnishes a suite of rooms for the social activities of the students. A suite consists of a kitchenette, dinette, and recreation room where students may prepare refreshments for small groups of friends and entertain them in various ways. In the kitchenettes will be found electric refrigerators, electric stoves, toasters, grills, as well as complete services of china and silver adequate for the preparation of food for the many parties and other celebrations that take place.

In each hall there is a Head Resident, who acts as a hostess and a counselor to the students. Each hall is governed by a hall president and her staff elected by the members of the hall. Hall staffs constitute the Residence Council.

## THE HALL

**Furniture:** Furniture may not be moved from one residence hall to another, or from one room to another, without permission from the Head Resident. Any injury done to furniture or furnishings will be charged to the student.

**Laundry:** Each hall makes provision for laundry collection; however, the expense for laundry is a personal item.

*Arrangements for laundry and other personal services may be made with the Head of the Residence Hall.*

**Rooms:** Students may not change rooms or roommates without written permission from the Secretary of the College.

If it should happen that a student living in a double room finds it impossible to select her own roommate within two weeks after one-half of the room has been declared vacant, the college shall assume the responsibility of selecting a roommate for her.

Any student, who consistently finds it impossible to keep her room in the residence hall in an approved condition, may be denied residence in the hall in which she lives.

**Solicitors:** No solicitors or salesmen of any kind are permitted in the residence halls, or on the campus.

**Storage:** Trunks and traveling bags may be stored in the basement of the residence halls. There is no charge for this storage. If a student prefers, she may keep her trunk in her room.

Places You Will Want To Find

Soon after your arrival at Lindenwood you will want to find the following places. Each of them will play an important part in "your life at Lindenwood".

## THE BANK

The College Bank is located on the first floor of Roemer Hall, and is open daily from 8:30 to 9:30 A. M., and 1:30 to 2:30 P. M., and from 8:00 to 10:00 A. M. *only*, on Saturdays. Students are urged to deposit their money here to insure its safety. Carrying money about or leaving it in your room often-times leads to carelessness and loss. The college stands responsible only for money placed in its care. *The bank is for "depositing," not borrowing. Checks drawn by students on their parents or guardians will not be honored except when written instructions for such privileges from parents or guardians are on file in the bank.*

## BOOK STORE

The College Store is located in the Post Office. Here general supplies of books, stationery, sheet music, ink, pencils, pennants, pillows, college jewelry, etc., may be obtained. Regulation gym uniforms, and tank suits to be used in the swimming pool, may be purchased here. All students wishing to have garments dry cleaned may leave them at the Book Store.

## POST OFFICE

The Post Office is located on the ground floor of Roemer Hall. A lock box is assigned to every student. Only the box assigned to you is accessible for your mail. A college woman assumes responsibility for getting her OWN mail and for carrying her own keys.

The Post Office is known as Station 3 of the St. Charles Post Office and is conducted under the usual regulations. Packages may be mailed here, stamps bought, etc., as in any Government post office. In each hall are mail boxes for outgoing mail, which is collected twice a day.

## EXPRESS OFFICE

Express packages may be sent from the office of the Superintendent of Buildings and Grounds. His office is on the ground floor of Roemer Hall, and is open from eight in the morning until five in the afternoon.

## MR. MOTLEY'S OFFICE

More than once your feet will lead you to this office for information. You may not change rooms, or roommates, without first talking it over with Mr. Motley, and obtaining a written permission from him to do so. He can tell you just what train to take to get you home with great speed. See Mr. Motley, too, for theatre tickets and all transportation arrangements.

## THE B. KURT STUMBERG HEALTH CENTER

In case of sickness, students are placed in the care of the college physician, registered nurses, and an assistant, who have charge of a well-equipped Health Center.

Office consultation of the college physician during his office hours is free to the students. In case of serious sickness, requiring a private nurse or special attention of a physician, the student bears the additional expense.

## THE TEA ROOM

The Tea Room is the attractive brown cottage just opposite Roemer Hall. It is the meeting place of the campus and is reached from the residence halls via the "coke walk". (Just ask any upperclassman where that is.)

The Tea Room is open for the accommodation of students from 7:30 A. M. to twelve noon; 2:00 P. M. to 5:00 P. M.; and 8:30 P. M. to 9:30 P. M. on Tuesday and Thursday. Sunday hours: 8:30 P. M. to 10:30 P. M.

## RECREATION ROOMS IN THE RESIDENCE HALLS

You will find the recreation room in your hall on the ground floor. You may use this room anytime you wish—see how much fun it is to cook your dinner there some evening. Dates may be entertained in the recreation rooms at anytime.

## LIBRARY CLUB ROOM

The Library Club Room is on the ground floor of the Margaret Leggat Butler Library, just next to Roemer Hall. It is furnished with attractive rugs and colorful furniture; adjoining the Club Room is a kitchenette with electric cooking and refrigerating equipment. The Club Room is used extensively by student groups and faculty members.

You will find the Club Room open from eight in the morning until ten in the evening. Students may go there at anytime during those hours, unless there is a regular club meeting or some other attraction scheduled there on the weekly calendar. You will find recordings of beautiful music and a radio to amuse you.

## SIBLEY CLUB ROOM

The Sibley Club Room is located on the ground floor of Sibley Hall. It has been refurnished with attractive modern furniture. It is used for Club meetings and for other events scheduled on the calendar.

## SWIMMING POOL

The swimming pool is in Butler Hall, near the gymnasium. Watch for the hours of "open pool", and earn extra points for the Athletic Association.

## GREENHOUSE

You will find the Greenhouse back of Sibley Hall under the water tower. Visit it now and then—it always has some thing lovely to offer.

## LITTLE THEATRE

The Little Theatre will be found on the ground floor of Roemer Hall. Watch for the announcements of plays and speech recitals to be held there. The stage is fully equipped, and attached to the theatre proper is a workshop where all the scenery is built and painted for the productions.

St. Charles - St. Louis

## HISTORY OF ST. CHARLES

St. Charles is rich in historical interest. It was the first white settlement north of the Missouri River, and the first after St. Louis west of the Mississippi, with the exception of the Spanish settlements in the far southwest. The village was called "Les Petites Cotes" (The Little Hills) by Louis Blanchette, founder of St. Charles, in 1769, and was known by this name until 1791, when it was renamed "St. Charles".

In 1820 the first Missouri Legislature met in St. Louis and St. Charles was chosen the capital of the state. For five years the assembly met here, until it was moved to the more central location of Jefferson City. The old building where the Legislature met still stands at 212 South Main Street.

Today, St. Charles, a city of fifteen thousand people, is in the very heart of transportation facilities for all parts of the United States. Bus service between St. Charles and St. Louis, a distance of twenty miles, is maintained every thirty minutes. The advantages of suburban and the privileges of city life are afforded Lindenwood students. The best concerts, lectures, and operas are of great interest to them, and the art museum and centers of culture are always open to Lindenwood students.

## ST. LOUIS

St. Louis, "The City Surrounded by the United States", is representative of all elements of American life. Because of its central location, historical background, and position as inland capital of the nation, it combines the hospitality of the South, the industry of the North, the democracy of the West, and the culture of the East.

Founded on the west bank of the Mississippi River in 1764, as a small fur-trading post, St. Louis today is a city of over nine hundred thousand people. It is the foremost city of the Mississippi Valley, the largest city between the Great Lakes and the Gulf, second greatest railroad center in the United States, and the ninth city in rank of commercial importance. It has retained, however, something of the spirit and picturesque-ness which went into the making of the rich historical background that is one of its greatest distinctions. St. Louis is a city old in years, but new in spirit, a step with cultural and business progress.

St. Louis has always been associated with Lindenwood College, with its founders and with its benefactors. In addition to campus activities, and the historic activities of St. Charles, Lindenwood students have easy access to St. Louis. In the laboratories of this metropolitan city, they may apply the lessons learned in the classroom.

You will be impressed with this gateway city, located at the junction of the great Mississippi and the Missouri River. The Mississippi River and St. Louis are inseparable—beautiful excursions may be made on the river.
