

## Lisa Knoppe

### January 5

Little girl  
you are 21 today  
& it causes my heart pain  
because while I raised you  
to soar on your own  
I long for you to  
fly back to me

### The Pull

I want to run away from you  
or rather know I should  
you are the hammer  
to my tack  
But  
something about  
your love's magnetism  
always pulls me
