Lindenwood Leadership

Robert Hyland

Robert Hyland has been serving as the Chairman of Lindenwood College's Board of Directors for more than 20 years. Emphasizing leadership and excellence, Mr. Hyland has led Lindenwood by example and commitment.

In the 1970's, Mr. Hyland was instrumental in the construction of the Lindenwood football stadium, which was used as a training field for the St. Louis Football Cardinals. As Lindenwood College moved into the sports arena, Mr. Hyland, along with College and community leaders, designed a plan to offer students a quality athletic program that would complement their academic endeavors.

For years, Mr. Hyland has demonstrated community spirit through his participation in civic, cultural, educational and social organizations. As Senior Vice President of CBS Radio, and General Manager of KMOX-AM and KLOU-FM, Mr. Hyland has earned national, as well as local, recognition and respect.

President Dennis Spellmann came to Lindenwood College in 1989 and has been tackling challenges ever since.

These challenges, or "opportunities" as President Spellmann calls them, are the key to Lindenwood's success today. From achieving record enrollment to maintaining high quality academics to renovating the campus and its buildings, President Spellmann continues to set high goals--and meet them.

His continuing goal, however, is in keeping with Lindenwood College's 164-year tradition: to provide excellence in higher education for students of all ages.

Leading a dedicated team of outstanding administrative, faculty, and staff members, President Spellmann continues to build on that tradition by holding a special interest in the well-being of each Lindenwood student. President Spellmann's genuine concern for students' academic, personal and spiritual endeavors sets Lindenwood College apart from other schools.

Dennis Spellmann

About Lindenwood Athletics...

A member of the National Association of Intercollegiate Athletics (NAIA) District 16, Lindenwood College fields intercollegiate athletic teams in 14 sports:

Football	Men's Soccer	Women's Soccer
Baseball	Softball	Wrestling
Men's Basketball	Women's Basketball	Golf
Men's Track	Women's Track	Volleyball
Men's Cross Country	Women's Cross Country	

In addition, Lindenwood students may take part in a variety of intramural sports offered during the school year. Intramural activities include team, dual and single competitions.

The Harlen C. Hunter Stadium and Sports Complex features an artificial turf field and has a seating capacity of 5,000. Students may also use the lower west practice field, as well as baseball and softball diamonds located behind the College's fieldhouse. A new outdoor track and sand volleyball courts are available. Students are welcome to use an outdoor pool behind Cobbs Hall. The Butler Student Center offers an all-purpose gymnasium with a full-sized basketball court and an adjoining game room featuring foosball, table tennis and billiards. Students may work out on weight machines or in the aerobic exercise room, which has stairstep machines, ergometers (exercise bikes), rowing machines, and a cross-country ski machine. The Dorothy Warner Indoor Swimming Pool is open during the cold-weather months to all Lindenwood students.

Head Football Coach

Dave Schroeder plans to continue building on the team's winning spirit this season. The Lions finished their first varsity season (second season of competition) in 1990 with a 6-4 record, the best new varsity football record for 1990 in the NAIA. Schroeder and his young Lion pack have set a goal of improving on last

Dave Schroeder
Coach

season's mark and to continue laying a strong foundation of a winning tradition for the Lion football program.

Two offensive cornerstones for that foundation are Lamar Wilkes (soph., QB, Ritenour) and Adam Saperstein (soph., TB, Lyndhurst, Ohio). The two combined for 2620 yards in 1990, and accounted for more than two-thirds of the Lions' 3434 yards of total offensive production last season. Saperstein had his best day in 1990 against Cumberland. He romped for 235 yards and accumulated 1059 yards for the season. While defenses were trying to contain Saperstein, Wilkes used his combination of adept passing and skilled running to add an additional dimension to the Lions' offensive attack.

On defense, Schroeder relies upon his wrecking crew to demolish opposing offenses to make room for the expansion of the Lions' strong foundation. His demolition crew chiefs are Charlie Kenyon (soph., OLB, Davenport, Fla.), and Jim Paddock (soph., SS, Middleburg, Fla.) Kenyon was the Lions' top defensive performer in 1990 with 67 tackles, nine quarterback sacks, three fumble recoveries, and two interceptions. Paddock kept pace with Kenyon by contributing 50 tackles, five quarterback sacks, and four interceptions to the defensive demolition efforts last season.

The construction efforts are continuing as Schroeder leads his young Lion pack into their second varsity campaign and third season at Lindenwood. He is joined by an outstanding coaching staff that has more than 200 years of combined winning experience in the Big 8, Big 10, Ivy League and high school.

Schroeder came to Lindenwood in 1989 with an impressive record of building winning teams. He was named District 16 Coach of the Year in 1986 and 1988 and District 12 Coach of the Year in 1982.

The Lindenwood College men's soccer team is looking forward to a successful 1991 season.

With ten returning lettermen and an exceptional group of recruits, the Lions should produce a team that will challenge the perennial power for a district title.

Also, an expanded junior varsity schedule will provide valuable training for the future.

This year's edition of the Lindenwood men's soccer team ranked 15th nationally in the initial NAIA poll. In the last two seasons, the Lions reached the NAIA District 16 playoffs twice, compiling an overall record of 19-18-3.

In his first season at Lindenwood, Head Coach Thom Champion is bringing years of experience to the Lions.

Champion holds a United States Soccer Federation (USSF) "A" coaching license, and is a member of the National Soccer Coaches Association of America. His collegiate coaching record stands at 96 wins, 41 losses and 9 ties.

Champion's collegiate coaching experience includes McKendree College in Lebanon, Ill., Harris-Stowe State College, and Cardinal Newman College.

He has also co-coached the Bud Light Women's Over-30 team, which won an amateur championship; and the White Star Over-30 women's team, which won a national title. Lindenwood's women's soccer coach Deborah Washburn played on both teams.

Former Lions head soccer coach Buzz Demling will continue to assist Champion, and Larry Kuberski will oversee the junior varsity team.

Thom Champion
Coach

WOMEN'S SOCCER

Deborah Washburn
Coach

The 1991 Lady Lions are looking forward to a challenging season after their third place finish at the National Tournament.

Recruits include outstanding high school players as well as highly experienced junior college and college transfers.

The team has worked hard during pre-season on fitness, tactics, and techniques. Look for the Lady Lions to play a controlled but quick passing game with lots of action in front of the opponents' goal.

The Lady Lions' goals for the season include a district and regional championship and a return to the national tournament.

Washburn has been named NAIA Coach of the Year, District 16 Coach of the Year three times, and has been recognized as "Central Region Coach of the Year" as well. This is her ninth season at LC.

All home meets to be held at
McNair Park, St Charles

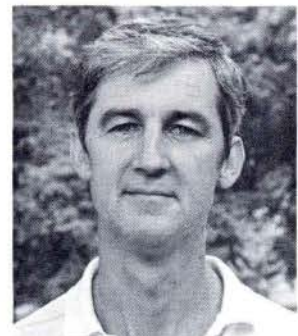

Cross Country Coach Gary White is looking forward to a strong, competitive season this fall.

The women's team has four returning members and six new recruits. Seven new members are joining the seven returning players on the men's team.

This year, Lindenwood will host the District 16 Championships on November 2 at McNair Park.

In 1990, both the women's and men's teams won the District 16 Championships and went on to the national meet. There, the men placed 18th and the women placed 27th out of 46 competing teams.

Coach White came to Lindenwood in 1989 to start the cross country and track teams. He has won 9 conference and four District 16 championships, and was named District 16 Coach of the Year twice.

Men's basketball Coach Art Siebels sees the 1991-92 season as a turning point in the program. With a tougher schedule, a road trip to Florida and the addition of new conference foe McKendree, the Lions face a challenging year.

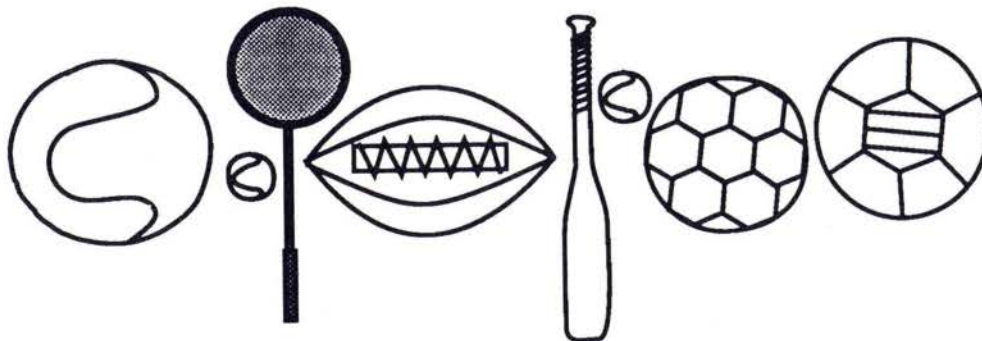

Art Siebels
Coach

Coach Siebels, in his fourth season with the Lions, has four starters coming back. They include All-Conference players Clint Bolser (6'1") and Jody Scott (6'4"). The experienced returning players will be joined by a tremendous recruiting class of nine freshmen and two junior college transfers. Dave Montandon, a 6'4" junior from Meramec Community College, was a starter on that college's national runner up team and will look to improve the Lions at the forward position.

Look for this year's team to be a strong man-to-man team that will pressure all over the floor, with the ability to shoot from long range.

The Lindenwood Lions will charge into this season with high hopes and have the capabilities of getting the job done.

WOMEN'S BASKETBALL

Steve Crotz
Coach

The Lady Lions basketball team posted a 19-10 record during the 1990-91 season under the direction of first-year coach Steve Crotz. Last year not only yielded a record for most wins in a season, but also resulted in the first-ever appearance in the District 16 Tournament and an unprecedented Show-Me Collegiate Conference Tournament Championship.

Crotz is anxiously awaiting the start of the 91-92 campaign as the squad returns seven letter-winners. Vanessa Van Parijs (sophomore, Eede, Holland), returns to anchor the Lady Lions' inside game. She is joined by All-Conference selections Angie Warren (sophomore, Hazelwood West) and Daphne Hozee (sophomore, Oostende, Belgium) in the back court. Other returnees include Chantay James (junior, Brentwood), Kristen Miller (junior, Northbrook, Ill.), Allison Klouse (sophomore, Fort Zumwalt South), and Jamie Hensley (senior, Monroe, Mich.). Ten new recruits will challenge for starting roles: forwards Tammi Boyce (freshman, Fort Zumwalt South), Judy Cochran (freshman, Nerinx Hall), Toni Hawk (junior, East Central C.C.), Marni Johnson (freshman, Farmington, Ill.), and Carol McLeod (freshman, Springfield Catholic); along with guards Jenifer Chronister (freshman, Rosati-Kain), Tracy Feibig (freshman, Webster Groves), Neel Hugh (freshman, Vireu, Denmark) and Stacey Worley (freshman, Mehlville). The Lady Lions will once again look to their defense to control their opponents as they were ranked 10th in the nation in team defense in 1990-91.

Prior to taking over the helm of the Lady Lions, Crotz coached at Brentwood High School for nine years. There, he compiled a record of 210-50 and 7 consecutive district championships. His teams made five state tournament appearances, winning the Class 2A state title in 1985, placing second in 1984 and 90, and placing third in 1986 and 89.

Recently, Crotz was named Lindenwood's Director of Athletic Administration.

Crotz holds a masters of education from the University of Missouri-St. Louis, and a bachelor of science degree in physical education and health from the University of Missouri-Columbia.

Lindenwood College's first year volleyball coach Laura Kassen expects her team to improve on last year's 9-28 record and third place finish in the Show-Me Conference. Kassen's excitement about the season is based on a combination of two elements: returning experience and quality recruits.

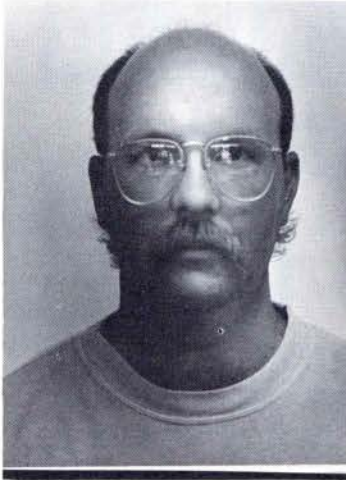

Laura Kassen
coach

The Lady Lions are returning two starters from last season: Stacey Hargrove (sophomore, Mesquite, Texas) and Melissa Cottet (sophomore, Fort Zumwalt South) will anchor the squad with their experience. However, they will be challenged for their starting roles by two returning players, five new recruits, and two junior college transfers. The returning players, Nicole Harlan (junior, Carlyle, Ill.) and Marla Smithson (sophomore, Francis Howell) saw limited duty last season, but are expected to make bigger contributions this season. Kassen expects the new recruits, Tina Batteiger (freshman, Orchard Farm), Angela Boland (freshman, Wentzville), Shelley Gibson (freshman, Potosi, Mo.), Stacey Mahrenholz (freshman, Fort Zumwalt South), and Jodi Wilson (freshman, Harrisburg, Ill.) to see a lot of playing time. Finally, junior college transfers Lynn Hall (sophomore, Tuscon, Az.) and Kathy Larsen (junior, Meramec) will be experienced additions to the Lions' attack.

Kassen spent two years as the head coach at Visitation Academy in St. Louis County. Visitation started their volleyball program in 1988. Kassen took over the program in 1989, and led Viz to a District Championship in 1990.

Kassen is a 1987 graduate of Southeast Missouri State University where she earned her bachelor of science degree in physical education. She finished her playing career at the University of Mississippi after transferring from Jefferson Junior College. While at Jeffco, she earned All-Conference and All-Regional honors in both volleyball and basketball.

WRESTLING

Don Frazier
Coach

Wrestling is in its second year at Lindenwood College, and Head Coach Don Frazier is looking for big things. In the 1991-92 season, with the College fielding both varsity and junior varsity wrestling teams.

With two returning players, three blue chip high school wrestlers, and several junior college recruits, the

Lions are pushing for excellence on the mat throughout all classes.

Returning seniors Kris Stillmann and John McBride went to nationals last year, and are expected to anchor this year's team with their experience.

Hazelwood West recruit Dan Callahan is a three-time state champion and high school All-American wrestler. He'll be joined by Hazelwood East's Rich Chalcraft, a state champion, and Mark Sansone of Fort Zumwalt South, a two-time state runner-up and three-time placer.

Junior College transfer Jeff Ditter, a two-time Junior College national placer, and two-time Missouri state champ, and Ben Mauriello of Las Vegas will also add strength to the team.

Frazier will be assisted by Coach Dale Schallert along with Craig Frazier and Brian Schroeder, two former college wrestlers.

Frazier is looking forward to an exciting year for the Lindenwood Lions.

Lindenwood College

Opportunities for a Lifetime

Lindenwood College offers you an exclusive approach to your higher educational needs and helps you attain a well-rounded base of knowledge you can use for a lifetime.

Academic Opportunities

Preparing you for your chosen career is the central purpose of Lindenwood's individualized, life-enhancing approach to your higher education needs. You may choose to acquire more in-depth knowledge in at least one of the following undergraduate majors: art (studio),

art history, biology, business administration, chemistry, computer science, corporate communication, criminal justice, early childhood education, education, English, fashion marketing, gerontology, gifted education, history, health management, human resource management, management, marketing, mass communication, mathematics, medical technology, music, performing arts, photography, political science, psychology, public relations, radio-television broadcasting, sociology, Spanish, special education, theatre, valuation science, and writing. Master of Arts and Science degrees are available in many of the above areas of concentration, including art, business and communication. The Master of Fine Arts (MFA) is available in theatre.

Pre-professional undergraduate courses are available for careers in law, medicine and veterinary sciences. Three-two programs (three years of study at Lindenwood and two years at Washington University in St. Louis) are available in engineering and social work.

Evening Division Classes

Since 1972, Lindenwood College has been meeting the educational needs of non-traditional, adult students. Classes are offered on a quarter schedule in the Evening College and the Lindenwood College for Individualized Education (LCIE) programs. The Evening College is highly recognized for its outstanding Master of Business Administration (MBA) program.

The LCIE program, nationally recognized as a model for adult learning, offers classes in an accelerated format. Students in LCIE attend seminar-style, clustered classes and earn nine (9) credit hours per quarter. Full-time and adjunct faculty, who are closely connected to their professions, instruct and assist students in networking, internships and assorted business opportunities.

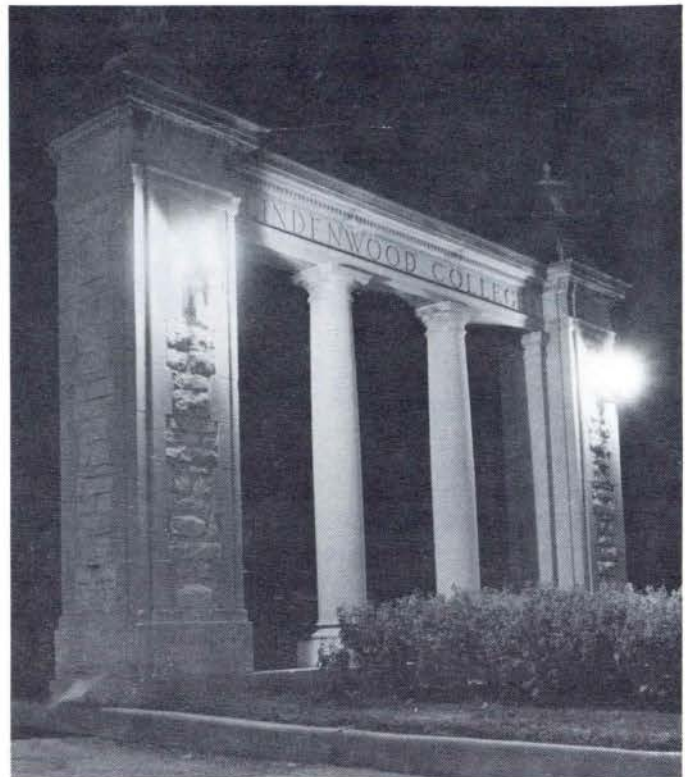

The Center for Professional and School Counseling offers degree programs on a trimester schedule.

Campus Life

Full-time resident students enjoy accommodations in seven dormitories, including women's honors and men's honors dorms. Residential buildings are adjacent to classroom buildings, the student life center and the dining hall for easy access across the quadrangle. Safety and security for all Lindenwood students is a primary concern, and policies defining visitation, quiet/study hours, and other regulations and courtesies may be found in the student handbook. Lindenwood College is an alcohol-free/drug-free campus that works to protect and develop the emotional and spiritual well-being of each student for a values-oriented educational experience.

Accreditations and Affiliations

Lindenwood College is accredited by the North Central Association of Colleges and Secondary Schools and the National Council for Accreditation of Teacher Education (NCATE). The College is a member of the American Assembly of Collegiate Schools of Business (AACSB).

*Best Wishes for an
Exciting Season!*

"I EARN MORE THAN MONEY AT UPS. I EARN RESPECT."

"When you do a good job at UPS you get noticed. I even got promoted. Now I'm a supervisor. Not bad for only working part-time and still carrying a full class load. I like being a success.

"I like going to the bank, too. When I started at UPS I made almost **\$10,000 a year** working about four hours a day, five days a week. And then along came my **promotion — and a nice raise**. I've worked before, but no other company ever treated me like this. Most students work in Operations. But they do get openings in Accounting, Industrial Engineering, I.S. and Customer Service. They're all great jobs.

"At UPS the money is good, but being appreciated for what you do is even better. I like that."

UPS in Earth City has job openings.
