# THE LINDENWOOD COLLEGES HONOR ROLL OF DONORS

THROUGH MAY 15, 1976

# Lindenwood Supporters

## ANNUAL FUND

Through April 15, 1976, 739 alumni have responded with gifts, compared with 611 as of April 15, 1975. We estimate that over 1,000 will have participated by the end of the fiscal year. The total individual gifts received from alumni in 1975 were 912. The majority of gifts were between \$10 and \$25.

## COMMUNITY SUPPORT

After a successful 1975 Community Support drive totaling \$23,104 under the direction of Mr. Glen Goellner, the 1976 figure is estimated to exceed \$24,300. Mr. Ollie J. Miller, Jr., 1976 Chairman, reports over \$3,800 raised in new or increased gifts as a result of the matching gift challenge by the First National Bank of St. Charles. The annual Community Support effort was accomplished this year by 70 volunteers.

## PLANNED GIVING

An increasing number of Lindenwood alumni and friends are interested in the benefits derived through thoughtful estate planning — benefits such as minimizing taxes and guaranteed life income. Many include Lindenwood in their plans. If you wish, the Office of Development will be happy to assist you with your plans.

## TELEFUND

The second annual fund-raising Telefund was held in October, 1975. Over 50% of alumni contacted in the St. Louis-St. Charles area responded with pledges of almost \$2,000. The phoning was done from two points, Community Federal offices in St. Louis and Commerce Bank in St. Charles, by student and alumni volunteers.

## PARENTS' FUND

Several interested parents of students and former students gave generously to this fund. The participants may designate the use of the gift or give on an unrestricted basis. Lindenwood appreciates the parents' gifts in a very special way.

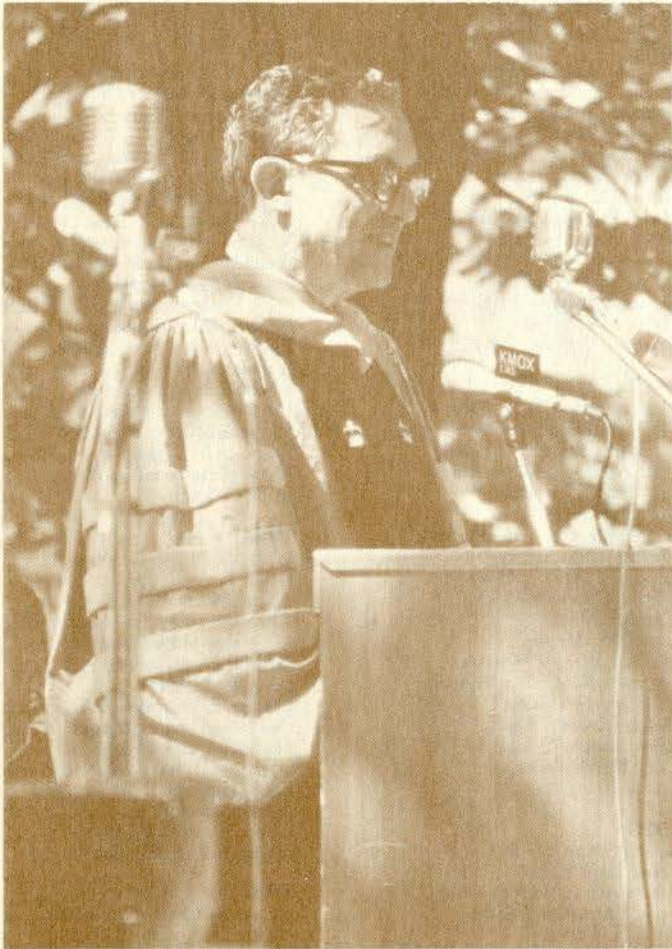

## MATCHING-GIFT PROGRAMS

Several companies matched gifts to Lindenwood by their employees this year. This matching gift program is widespread throughout the U.S. and many donors to Lindenwood may not realize their employer participates in this program. Upon request, a list of all participating companies is available through the Office of Development at Lindenwood.

## LINDEN LEAF SOCIETY

Alumni contributing \$100 or more annually become members of this special organization. Their generosity is much appreciated and we are proud of their fine support. Members are designated by an \* on the alumni list.

## President's Message

### Greetings:

The Lindenwood Colleges are continuing to grow in the development of exciting new educational programs and in service to students of all ages throughout the metropolitan area.

Resident students from all over the world lived on the Lindenwood campus this year and helped enrich the learning community as students learned from each other as well as in the classroom. American-born students helped serve

as tutors for students in Lindenwood's new "English as a Second Language" program, and learned about other cultures in the process.

Our total enrollment topped 1600 students this Spring and we managed to cut our operating deficit in half. Prospects for the coming year are most encouraging with an anticipated increase in resident student enrollment, and a further reduction in our operating deficit looking toward a balanced budget in 1977-78.

Lindenwood will begin celebrating its 150th anniversary next January, marking a century and a half of teaching and learning on the St. Charles campus. Those who contribute their time and money to help students learn are continuing a tradition that began with the founding of the original women's college. We value your interest and your support, and are pleased to recognize those who help make Lindenwood an exceptional place to learn, live and work.

If you are not among those who have had an opportunity to help support Lindenwood financially, I hope you will consider joining this wonderful group of individuals and organizations who believe in what we are trying to do at Lindenwood.

Sincerely,

William C. Spencer  
President
