# NEWS LETTER

VOL. 140, NO. 1    OCTOBER, 1966

To the alumnae:

This is a Bulletin addressed to you, carrying exclusively your news. It is coming to you early in the fall in order to give you the new while it is as fresh as possible.

The first regular issue of *The Bulletin* will be devoted to the inauguration of John Anthony Brown, Jr. as the new President of the College, to be held Oct. 20. Class Notes for that issue will be due in the Alumnae Office Nov. 15.

—The Editor

## INAUGURATION OF THE NEW PRESIDENT

*Alumnae are cordially invited to be present at the inauguration of John Anthony Brown, Jr., as the new President of Lindenwood College on Thursday, Oct. 20, at 2 o'clock in the afternoon. The ceremony will be held on the campus, out of doors weather permitting. Mrs. Hamill, president of the Alumnae Association, has served on the inaugural committee.*

## ALUMNAE COUNCIL

The Alumnae Council was invited to the campus in August for an all-day meeting with President Brown. He entertained the Council at a luncheon in the lounge of the science building. Present were Barbara Ringer Hamill, president; Rosanna Veach Bruere, vice-president; Marguerite Metzger Hall, secretary; Sharlene Agerter, Margaret Burton Jones, and Gloria Bagwell Richardson, council members-at-large; and Dyke Steinbeck Barton, Alumnae Trustee. Guests at lunch were Dean and Mrs. Homer Clevenger, Mr. and Mrs. Robert C. Colson, Miss Mary Lichliter, Miss Lula Clayton Beale, Mrs. Jack Brizius, Miss Jane Wainwright, Mrs. George Roudeshush, Miss Mary Yonker and Mrs. Sidney A. McClanahan.

## LINDEN LEAF SOCIETY

It is with great pleasure that I write this report to the Alumnae of Lindenwood College on the first anniversary of the founding of the Linden Leaf Society. Since its initiation in 1965 more than 50 alumnae have joined the ranks as charter members. Contributions are in excess of eight thousand dollars—a most impressive beginning for this new society.

A donor qualifies as a member of this society by giving one hundred dollars or more through either the Annual Alumnae Giving Fund or to the Office of Development. A permanent plaque bearing the names of these charter members will be made with provision to add new names each year, and to add a "leaf" to the names of these first members for each additional contribution of one hundred dollars or more in succeeding campaigns. When a member has acquired ten "leaves", she is then eligible for a "Linden Tree" opposite her name. The years in which contributions are made need not be consecutive. A badge of distinction will be worn by those members attending Reunion Day. This past Reunion Day members wore yellow daisy corsages.

Besides the more than fifty donations we have received three memorial gifts to the Linden Leaf Society. We hope others will follow the example of this spontaneous gesture.

Marie Koch Brundige, '49  
Chairman of the  
Linden Leaf Society

**IF YOUR CLASS HAS  
NO SECRETARY—VOLUNTEER!**

Dear Alumnae:

It is with humility that I accept the presidency of the Lindenwood College Alumnae Association. I appreciate your vote of confidence in electing me to this office.

I have enjoyed the warm friendships of the many Council members in the past four years—and renewed friendship with the College administration. Since 1958, when the Alumnae Association was reorganized under the Council plan, I have watched with admiration the growth of our association. The activities have increased—more alumnae are aware that we now have an *active* Alumnae Association.

With the wonderful cooperation of the Council members and the College administration, I am confident that the alumnae program will continue to move forward with a resulting benefit to our great college.

We on the Alumnae Council believe education is the greatest heritage we can leave our young people.

Very cordially,  
Barbara Ringer Hamill, '32  
President,  
Lindenwood College

## ALUMNAE ANNUAL GIVING

### HAVE YOU BOUGHT YOUR SHARE IN LINDENWOOD'S FUTURE?

The Alumnae Annual Giving drive for 1966 got underway on the first of October. It is essential that every alumna contribute if our alma mater is to keep up with the rapid pace in the world of education. Gifts from individuals outside the College family are often related to the degree of alumnae support. So, if you haven't already done so, **please**, buy your **share** today. Be as generous as possible, and give often! Join the growing number of shareholders in the LINDEN LEAF SOCIETY.

**CLASS NOTES**

It will be a great assistance if you will notify the Alumnae Office of any new address six weeks in advance, telling us the date you will move. Class Secretaries will appreciate receiving news from all of you several weeks before their copy is due at College on: Nov. 15, Feb. 15, and May 15.

'02 The College extends sympathy to the family of *Elsa Halbach Flynn* (Mrs. John L.) who died on July 20 after a long illness. Mrs. Flynn lived at 2200 Maine st., Quincy, Ill.

837 First Capitol dr.  
St. Charles, Mo. 63301

'11 *Faye Kurre Prill* (Mrs. Max) was recently honored by the Centralia, Ill., Federated Women's Club for many years of service. She was designated as a club "jewel". Mrs. Prill's membership in the club dates back 52 years when she was a bride just out of Lindenwood. Mrs. Prill has taught children in the First United Presbyterian Church for 50 years. She was a deacon for several years and is at present an elder in her church. Her address is 131 S. Hickory st., Centralia, Ill. 62801.

'16 A note from *Elsie Porth Baldwin* (Mrs. C. Ernest), 11146 Mueller la., Hazelwood, Mo. 63045. "Having written to everyone who graduated in 1916, I was gratified that ten of us arrived for Alumnae Day! There was *Annie Holdoway Boyd*, *Helen Dodson-Chesbrough Kinell*, *Dorothy McClusky Koenig*, *Margaret Peck Larmer*, *Marjorie Manger*, *Kathleen Pieper Rauch*, *Irene Rogers Wagner*, *Helen Taylor Williams*, *Florence McConnell Blood* and myself. Illness was the main reason given by those who regretted—distance came next. *Lavone Hanna* sent greetings and regrets, having just returned from a Caribbean Cruise and a visit with all her relatives in the mid-west. We extend our deepest sympathy to *Laura Lieber Craig Murry* on the loss of her only brother. *Anita Leopold* also sent regrets, having just returned from a trip to Shreveport, La. *Winona Smith Hardiker* writes that hers has been a good life, she has traveled over most of the world. Because of poor health, *Cora Smith Walker*, *Gladys Funkhouser Reed* and *Helen Craig Davis* were unable to be with us, as was *Virginia McClure Juden* who was not physically able to travel. *Mary Gilmore Shannon* visited *Virginia McClure Juden* in Cape Girardeau several weeks before reunion time and was sorry that her vacation plans did not coincide with Alumnae Day. I received a letter from *Willie Minor Forsythe* saying that her husband retired five years ago, and they have made their permanent home on Lake Huron. Her description of the view from her picture window of the pines and birches made you want to hop a plane and see it! "*Helen Taylor Williams* entertained some of us with the high lights of her European tour taken last fall. She was thrilled to find some nice items in Lon-

don and Paris for her Antique Shop. Her knowledge of French was put to use. Helen almost fell into the Mediterranean at the Isle of Capri, vamped the gendarme at the Italo-France custom shop with her Christian Dior hat, and after all of this, was blessed by Pope Paul along with four thousand others.

"The dedication of Parker Hall was a lovely ceremony and close to the hearts of those of us who really remembered and loved Alice. The following Saturday, the Howard I. Young Hall of Science was dedicated. I wish that the old chemistry class members could see it, for it is, indeed, the most complete science building I have ever seen. It would be such a fitting gesture if each of us would send a donation to keep Lindenwood in step with the times!"

'18 The class extends sympathy to the family of *Dorothy Wilson Dunne* (Mrs. Glen M.) who died recently.

*Marguerite Tainter Ahrens*, *Kathryn Hansbrough* and I got together at Reunion Day, and greatly enjoyed the whole occasion, including the tour of the new science building and Parker Hall. We ought to have a much better representation at our 40th next May.

*Edna May Stubbins Davisson* suggests we prepare an address book for the class. What do you think? Her own address is 8372 Big Bend bl., St. Louis,

Mo. 63119. Edna May has taught kindergarten for 25 years in St. Louis. Her daughter is married to a captain in the Air Force, is stationed in Washington, D.C., and has a 14-months-old daughter.

We were remiss last year, because your Class Secretary "fell by the wayside" for most of a year, obeying doctor's orders. To the dear ones who have written over the last several years, I do say thank you. Your letters have been read and reread.

Sue Campbell Williams, 4949 N. Harrison ave., Fresno, Calif., is a grandmother. She's decided "that all grandparents are slightly touched".

Three classmates are in the new Columbus, O., alumnae group: Minnie Zeip Christensen, Katherine Routsong Hutchison, and Helen Roper Stark.

If you have any ideas for a round robin letter I'd be glad to co-operate.

Edna Baldwin writes "it seems like an eternity since we graduated, yet, when I visited the campus this summer, it seems I might have been there rather recently." Edna resides at 40 East Bellevue pl., Chicago, Ill., where she is engaged in psychiatric work.

Last year Mary Long Fleetwood (Mrs. C. W.) received her M.A. in history from North Dakota State University. Her thesis was entitled "M. K. Armstrong: Minn-Kota Historian and Empire Builder". Mary writes, "My effort to rescue a chapter of pioneer history has been an absorbing and rewarding experience. I am sure that many years ago at L.C., Dr. Kate Gregg sowed the seed that grew into my present interest in the pioneers and all those themes that she and Dr. Parker assigned helped immeasurably in the preparation of my thesis. After so many years, Lindenwood training still serves me well. I hope that my daughter, Molly, before too long will also have a

A real occasion came to June Jordan Bowen (Mrs. Robert I.) last January when Jane Raber Walker and her husband, Clegg, visited the Bowens in Coleman, Tex. She writes that they heartily recommend a reunion for all classmates who have not been together since they left college. June enclosed a news review of the play "Mary, Mary" staged by the Peoria Players in which Jane played the title role. Quoting the news item, "She rocked the house with laughter time and time again and yet managed to project a sense of inner frustration that gave the role increased dimension". From half way round the world came a letter from Patricia Tuttle de Lemos. Pat and her husband, Peter, live in Rome at Via A. Fleming No. 93. She writes, "It doesn't seem as if it is 19 years ago that I left Lindenwood. My undergraduate work was finished at Purdue in 1950, where my B.S. degree was in industrial relations, and then, I worked for a while in a factory, an office, and then for General Electric, recruiting engineers. I spent a year getting my management training program certificate from Radcliffe-Harvard Business School. From there I went to Caracas, Venezuela, to teach English in a teacher's college. Finding out that I like teaching encouraged me to go back to Columbia to take a master's in teaching English. In '61 I was married to Peter deLemos, and we have been living in Europe, the last four years in Rome." The deLemos have a poodle and a German hunter. They love to travel and have been to Ceylon, India, Hong Kong, Tokyo, Kenya and Tanzania. Pat is an active church member, serving now as chairman of the board of her church.

Teddy Proctor Beard (Mrs. William G.) reports that her 16-year-old daughter Patty is trying out for her high school year book art staff, so they were looking through old year books for ideas—spent hours on *Linden Leaves*. "What a marvelous flood of memories! After leaving LC I went on to the University of Missouri where my roommate was Helen Spradling. (Helen now lives in Caracas, Venezuela, and has three children.) I married Bill Beard in June, 1948, at the end of my junior year, graduating in '49 with a major in violin. We then moved to Kansas City where Bill was manager of a life insurance company. For the past six years Bill has been vice-president of the Mercantile Bank and Trust. We have two younger daughters; Nancy, 13, and Mindy, 7." Both Teddy

and Bill are active in young life which involves working with high schoolers; they have had fun making a few TV commercials. Teddy says she does no serious violin programs, but gives Christmas and Easter programs for churches and other organizations. The Beards reside at 5101 Tomahawk rd., Prairie Village, Kan.

Martha Jean Mathis McDaniel (Mrs. Ernest L.) telephoned one day last summer from O'Hare Airport. She was "between planes" and took time to say "hi". Martha Jean's address is Box 678, No. Little Rock, Ark.

Pat Stull Blades (Mrs. William E., Jr.), 11023 Rockcliff dr., Huntsville, Ala. 35810, writes: "After making Huntsville our home the past 15 years (my husband, Bill is an engineer with the Missile Command at Redstone Arsenal), I received a call from Ruth Ann Ball Haymes and was informed that there were at least nine other Lindenwood alumnae in this area. Well, I promptly had a gathering at my house to see if we couldn't form our own LC group." And they did. Pat had news of other '49ers: "At our high school 20th reunion last year, I had a visit with Mary Lou McNail Chamblin. We had nostalgia about the same time, so we called Marge Fodness Easterday (Mrs. Harold) in Olivia, Minn. Was she surprised, after only Christmas cards for so many years!"

Gayle Leebby Anderson (Mrs. Richard) writes that her family now includes five children—four boys and a girl, from the ages of 9 to 15. The Andersons are delighted with their new home on the shores of Lake Minnetonka in Wayzata, Minn. Gayle's main club duties have been with the International Student Association. Last August, she entertained nearly 100 members of the group in her back yard, with Billy Graham's personal photographer, Russ Busby, as main speaker. Gayle welcomes all classmates and includes her telephone number: 473-4736. The Andersons address is Route 3, Box 73-D, Wayzata, Minn. 55391.

Maurine Oakes McLean (Mrs. Nathaniel), breaking 15 years of silence with *The Bulletin*, writes to tell of her adventures since graduation. Following her husband's Army discharge in 1953, the couple moved to Waikiki, Hawaii, then on to Kailua. Their daughter Janet Mary was born in August, 1956, and son Douglas Oakes, in January, 1959. Three years later, the family moved to San Francisco, and then on to their present home in the newly developed area called Linda Mar, at Pacifica, Calif. Maurine's outside activities include active work with the P. T. A. and a once-a-week stint in the school library. Her husband is with the Veteran's Administration. The entire family spent the summer vacation touring the Valley of the Moon and the Russian River section of California. Maurine concludes: "It's so disappointing to look for

news of your class and find none . . . Write!" Maurine and her family live at 1286 Lerida Way, Pacifica, Calif. 94044.

Jane Colahan Mullen writes, "News of LC achievers prompts this letter. Alice Baber Jenkins had a showing in New York City last fall of her recent paintings. A painting of hers was selected by the Art of the Smithsonian Institute to be hung, and is hanging in the re-furbished White House. Her father also reports he has an original in his farm kitchen in Kansas, Ill."

Wonder if you in Rochester, N. Y., realize you almost have a Lindenwood Club? I can think of three now from the Class of '50 alone—Jane Colahan Mullen, 943 Woodbine ave., Nancy Fanshier Stroud (Mrs. John J.) 8 Larwood dr., and Betty Orr Nooner (Mrs. T. A.) 33 Greenwich ln. Hope you all can get together.

Kansas City, Mo. 64118

The May 7th Alumnae Reunion Day was one five of us will never forget! We wish more of the class of '51 had been there to share in the festivities. Our class was represented by Anne Baldwin Drewel, Jefferson City, Mo.; Jane Fox Elliott, Kansas City, Mo.; Joanne Sullivan Lindblad, Muncie, Ind.; Betty DeLisle Steven, Tonganoxie, Kan. and myself.

In May, Louise Kendrick Christensen (Mrs. Walter A.), 11223 Greenwillow, Houston 35, Tex., and I had a wonderful visit when she and her husband were in Kansas City for a convention. Eve Carpenter Lewis (Mrs. Don) joined us for luncheon.

Nancy and Julie Mon

Georgia Reed Mon (Mrs. Donald D.) has two daughters, Nancy, 10, and Julie, 7, who keep her busy chauffeuring and leading a Camp Fire Girls group. In addition to this, Georgia squeezes in golf, ice skating and tennis. "Don practices patent law in Pasadena, which is just down the mountainside." Georgia wrote of having seen Dr. and Mrs. McCluer

last February at the Southern California Alumnae Club. The Mons make their home at 1895 No. Grand Oaks, Altadena, Calif. 91001.

Jean Loo Harper (Mrs. Clifford R.) and her husband are now settled in Seattle. Last spring Jean had an art exhibit in Seattle—her first in 15 years. Jean's address is 353 South 116th st., Seattle, Wash. 98168.

Dr. and Mrs. McCluer had a post card in the spring from Maria Zarraga de Saldana, Marilyn A. Meyer and Shirley D. Price. "Just to say our thoughts are with you, and after ten years we're having a reunion in Madrid, Spain".

We extend our sympathy to Marilyn Fawley Inglett on the death of her father, Harry D. Fawley, last spring.

Mary Kirchherr Shoquist and I had a nice visit with Marilyn, her husband George, and their two children, Dale and Carolyn, in March when we were in Chicago to see the Matisse art exhibit.

The class of '52 must be doing something of interest. Everyone would like to hear from and about everyone else, so let's write!

What fun it was preparing the letter to you girls, and even more fun was opening the few, but enthusiastic, responses. Everyone asks "do you remember" and "what ever happened to—?" Each of you is remembered by so many more people than you would imagine, so by next *Bulletin* time, I hope you will not be women of mystery but will take a moment to send a card in just saying, if nothing more, where you are. It is my plan to write each of you separately when you respond to a class letter, and that way I can let Betty know that Mary wonders, and Mary wonders if Susie knows, etc., etc.

A letter from Betty Simpson Spaar tells that she and husband, George, publish a weekly newspaper at Odessa, Mo. Betty finished the University of Missouri School of Journalism in 1954. Betty and George have two eager M.U. youngsters, John and Joe, who look forward to being football players. A neighbor of the Spaars in Odessa is Kathy Hays Bubalo (Mrs. M. J.) who was at LC in '50-'51. Kathy and husband Mike have four sons, and they live only a block from Betty's family. The address for both families is just Odessa, Mo.

Pat *Prinster* Nolle writes from St. Charles that she and husband Orville spent an Ozarks vacation with their sons Kurt and Jeff and daughter Sally. The Nolles were joined by Joann *Filling* Hartwig's family from Rockford, Ill. Pat says daughter Sally is her only prospect for Lindenwood, but she wonders whether they'll have her, because of "tom-boy influence" from her two older brothers. Joann's family consists of son Scott, nearly 8; daughter Jennifer, 5; and 16-month-old Brian. The Nolles' address is 9 Ridgeview rd., St. Charles, Mo. 63301 and the Hartwigs reside at 1730 Douglas ave., Rockford, Ill. 61103

The very first reply to my letter this fall came from Ann *Goodman* Salky, 451 Avon rd., Memphis, Tenn. Ann was one of the first girls I met at LC and I still recall what a pretty picture she made walking across campus with two other Memphis girls, Arleen *Becker* DeLozier and Joyce *Cooper* Gallant, a blond, brunette, and brunette. Ann attended Southwestern after leaving LC. She is married, and will send pictures of her children for a future *Bulletin*. Ann asked, as I have so often asked, "what in the world happened to: Helen Pendleton, Penny Patch, Ann O'Bannon, Marie Taylor, Annette Grolock" etc. She pulled out her *Linden Leaves* after hearing from me, and the names began ticking off.

Barbara *Harshbarger* Howard, 914 North Fifth st., St. Charles, operates a laboratory for seven doctors. She trained in medical technology at Quincy, Ill., later returning to LC to complete her B.A. last June. Barbara has four children.

Des Moines, Ia. 50317

The Nowlins had an exciting summer. We purchased a trailer and made our way to the west coast to see the senior Nowlins in LaMesa, Calif. We left Iowa the first of June and beat the heat and traffic. Spent five nights in Colorado, on to the Grand Canyon and then to the usual tourist attractions: Disneyland, Tijuana, Sea World, Marineland, etc. We returned home via Las Vegas and Salt Lake City. We had been home only two weeks when Owen received a transfer to St. Louis as state agent for the Aetna Insurance Co. We deposited the children, Terri, 8, and Eric, 6, with my folks in Madison and spent a marvelous week in St. Louis revisiting old haunts and friends. Coincidentally it was our 10th anniversary. We visited with Fern *Palmer* Bittner, and Groff, and Miss Dorothy Ross in St. Charles. At the moment, Owen is residing in a motel in St. Louis and I'm hoping to have the house in Des Moines sold or rented by mid-November at the latest. Please send any news to our Des Moines address and it will be forwarded to me when we finally get an address. This news brought a delightful letter from Betsy *Severson* Nimock (Mrs. John), 1215 Hampton Park dr., Richmond Heights,

Mo. Betsy and I went through kindergarten, grade school and high school together in Madison, Wis., and then to LC together, but it has been nine years since our paths have crossed.

The only way I can write our class news is with letters from you people, so PLEASE keep those notes coming.

A letter arrived recently from Judy *Anderson* George (Mrs. Richard H.), 2944 Mountain View dr., Laguna Beach, Calif. 92651, announcing the birth of her second son, Eben Anderson. Judy sings with the Laguna Beach Festival of Arts Chorale and her husband has had two roles in the University of California plays recently. Their son Peter was in a movie his father wrote in 1964 and has since acted with the Children's Theatre in Laguna Beach. He recently played a role in the local production of "Stop the World, I Want to Get Off."

Then I decided that I should use my Lindenwood education to best advantage and became a legal secretary. I am now associated with Storey, Armstrong & Steger, Attorneys. It is all very exciting and so very interesting—each day is a new challenge.

I have not had much news from you this summer. Sit down right now and drop a line. I hope each of you will plan to support the Annual Giving Campaign this fall.

Linda Markuly Szilvasy (Mrs. John) writes that since the first of the year John has been a chaplain for the 3rd Special Forces Group (the Green Berets) in training at Ft. Benning, Ga. "Before he left, we bought a home in Bellevue, Neb., feeling the most logical thing was for the children, Linda and Kevin, to remain in a familiar place and continue at their schools as John had requested duty in Vietnam. Despite the 'good sense' it made, as the weeks wore on, we found there was nothing in the world as important to a family as being together. John came home in June and we are now residing at 227 Grimes, Fort Bragg, N.C. 28307. John will probably go to Vietnam in February of '67. Being apart has had its effect on all of us." Linda is not going to continue teaching; becoming a full-time wife and mother all of a sudden looks very attractive to her. Linda says that "somehow mothers (especially part-time ones) do not double too well as a father! In short, we are all most happy to see the end of what was the longest six months in our lives. We are looking forward to being a whole family again.

and being in the service of our Country."
