TOTAL ALUMNAE GIVING	\$ 21,303.32
Total Donors - 950	

Each year, in the five years of Lindenwood's Annual Alumnae Fund Campaign, has been a slow, but steady rise in the percentage of donors. We have a 7% increase in alumnae donors over last year. However, the percentage of donors as compared with the total alumnae solicited is still disappointingly low - just a fraction over 10%.

The importance of a Fund Campaign - aside from the obvious, to raise money - is to enable our College to enjoy grants from corporations and foundations. How? The more alumnae participation in giving, the more willing these corporations and foundations are in giving us grants. They realize that a college's strength lies not only in the Board of Directors, the Faculty, the Students, but with us, the Alumnae. No private college or university today can survive, much less grow, without financial help from Alumnae and other sources.

The fund-raising accomplishments of this past year was a result of hard work on the part of many Lindenwood alumnae - the Class Secretaries, the telephone chairmen and callers, and the Alumnae Council. To them and to all Lindenwood alumnae who supported these efforts, the College is deeply grateful.

The benefits of Lindenwood were ours through the generosity of others. Now the present and future of Lindenwood is in our hands. So when October comes and we launch our Annual Fund Campaign its success, as always, will depend on your support. A gift to Lindenwood represents a loyal and interested alumna.
