IN THE DEVELOPMENT OF THE LINDENWOOD CHAPEL WE SEE THE FRUITION OF A LINDENWOOD GIRL —

During the year we have watched the formation of the chapel in different phases. So it is with each Lindenwood girl. Every aspect of her life here enhances the reality of individual cooperation.

Through assistance and instruction, the administration and faculty are effective as symbolic foundations and framework.

The significance of existence is gathered by many from many, through different stages of growth.

Isolated images in each being are integrated by the virtue of diverse organizations.

The merit of adopting a wholesome capability approaches the essence of beauty.

The positive achievement of a Lindenwood girl is witness to the necessity of the teachings of every phase of her life here. The endurance of visible and intangible value is mirrored in the constancy of the chapel; both are achieved aspirations.

dedication to Lindenwood Chapel

Without
Aspiration:
No labor, plans or zeal.
We have aspired; at last we reach
A goal.

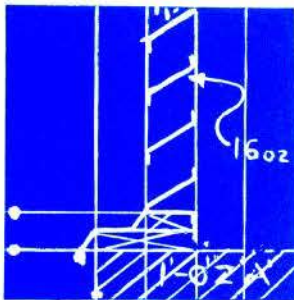

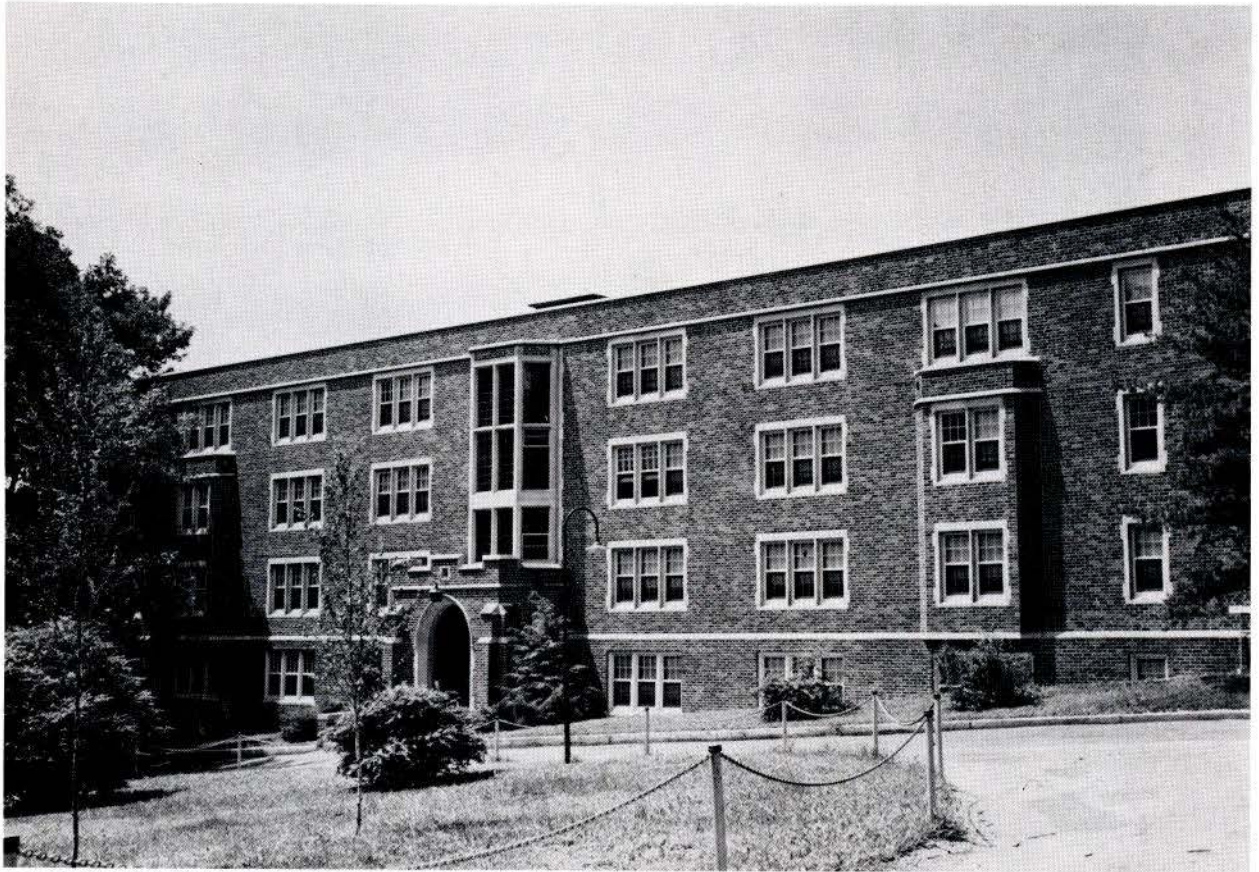

Beauty
Often greets us.
Yet ever-searching eyes
Will find familiar scenes can hold
New light.

Sincerely,
F. L. McCluer
