CAST BIOGRAPHIES

Collin Borisenko (Gibson/Homer) - Collin Borisenko is so grateful to share Gibson's story in his final Lindenwood Production. He has previously performed as Master Page in *Merry Wives of Windsor* at Lindenwood and at Miss Kitty's Saloon with Six Flags St. Louis this previous summer. After Graduating with his BFA in Musical Theatre this May, Collin will be playing John Hinckley in Fly North Theatricals Production of *Assassins*. Collin would like to thank his family, but especially his Mom for her constant encouragement and support. Lastly, he would like to thank Phil Gill for being such an amazing mentor, director, and role model these past four years. "The world is new and glittery, I run to meet it hopefully."

Isley Duarte (Edna) - Isley Duarte is a freshman BFA Acting major. This is her first production at Lindenwood. She would like to thank her amazing friends and family for their endless love and support

Cameron Durbin (Sam/Mr. Burns) - Cameron is happy to be in his third production at Lindenwood! He is a sophomore Musical Theatre major with a minor in music. He'd like to thank Phil and the stage management team for making this show great, as well as his friends and family for their support!

Valerie Grant (Colleen/Lisa) - Valerie Grant is a senior BFA Acting major. Some of her past credits include Mistress Ford in *The Merry Wives of Windsor* and Jessie in *Night, Mother*. Valerie feels bittersweet about performing for the last time at Lindenwood but is extremely grateful that her last show is *Mr. Burns*. Valerie would like to thank her parents and her cat, Pippa, for being so supportive throughout her college journey.

Bethany Miscannon (Jenny/Marge) - Bethany is a senior BFA Acting major. While at Lindenwood she has played the roles of Mammy in *Cripple of Inishmaan*, Lucy in *Mr. Marmalade*, and Margaret in *Silent Sky*, among others. Regional credits include Tara in *Fat* (Because Why Not? Theatre), and the Coroner in *Jaws: A Parody* (Magic Smoking Monkey Theatre). When she's not on stage Bethany enjoys reading, writing, and playing with her beagles. Bethany would like to thank her family, friends, and teachers for being her inspiration and support.

Melyra Shinez (Maria/Itchy) - Meyra Shinez is thrilled to be a part of this production of *Mr Burns: A Post-Electric Play*. This is her seventh show at Lindenwood University - where she is in her final year of studying Theatre. Other Lindenwood productions Ms. Shinez has been in include: *Little Shop of Horrors*, *Our Town*, and *Anton in Show Business*. Melyra owes thanks to her parents and sisters for their encouragement and sacrifices which have allowed her to pursue her art for the past 13 years.

Lillie Weber (Quincy/Bart) - Lillie Weber is insanely appreciative to finish her Senior Year as a BFA Musical Theatre major working on this crazy production. You may have seen her in *Little Shop of Horrors* (Audrey), *The Threepenny Opera* (Polly), or *Heather's* (Martha) here at Lindenwood. When not on stage, you can catch Lillie in making pies on Youtube (Hoosier Mama, Who's Your Girl). She is thankful for her family, friends, and professors for their guidance and support.

Tyler Woehl (Matt/Scratchy) - Tyler Woehl is more than thrilled to be portraying the character of "Matt" in this production of *Mr. Burns*. This will be his last show before he graduates from Lindenwood University. Other university shows Tyler has been in include: *The Cripple of Inishmaan*, *Mary Poppins*, *Our Town*, and *The Merry Wives of Windsor*. He will also be pursuing his film career in LA where he plans on spending the rest of his life! He wants to thank ALL of his friends and family who have constantly supported his career. He especially wants to thank his Dad, Michael Woehl for helping him become the person he is today. Enjoy the show!
