POTENTIAL \$100,000 GIFT MADE TO COLLEGE

An Arkansas couple has committed itself to helping 25 Lindenwood students with the creation of a sustaining scholarship program for \$1,000 in assistance to each student during the next four years. Mr. and Mrs. Willard Walker of Springdale, AR, will provide a \$1,000 scholarship to each of the 25 students beginning this fall and renew the awards in each of the ensuing years until the students graduate in 1987. The couple's gift has a maximum potential of \$100,000 during the next four years. To receive the scholarships in ensuing years, students must maintain a 2.5 GPA and must not be on disciplinary or social probation. Names of the scholars will be announced this fall.

Friends of Dr. and Mrs. James I. Spainhower, the Walkers have been active in the work of the Christian Church and in various philanthropic activities for many years. Presently, Walker is a rancher and real estate developer in the Springdale area.

In announcing the scholarships, Dr. Spainhower said the Walkers' motive in establishing the gift was "their conviction that a college education is tremendously important in preparing an individual to cope in today's world." He said the Walkers receive pleasure in assisting Lindenwood in its expanded efforts to meet the education needs of those who turn to it for assistance.

REGISTRATION OPENS FOR FALL KINDERGARTEN

The Campus Lab School is accepting registrations for its fall kindergarten program for gifted children who will be five years of age by November 1st. Under the supervision of certified teachers, "the program will emphasize fine and gross motor skills' development, reading readiness, mathematics and math reasoning, the development of productive and critical thinking skills and language development, said Nancy Polette, director of the school. Individual testing is required for admission to the program, which begins September 6. Registration is limited to 20 so parents are advised to register early. For further information on testing and admission, contact the Campus Lab School at (314) 946-6912, extension #356.

VFW PRESENTS FLAG TO LINDENWOOD

The new "Old Glory" waving proudly outside Roemer Hall is a gift of St. Charles VFW Post #2866. The flag was presented recently to Dr. Spainhower and Duane France, chief of security, by Cmdr. Jake Jacobs and VFW members Roger Edwards and Lewis Phillips.

'LINDEN WORD' GEARS FOR SECOND ISSUE

The second issue of the LINDEN WORD, the college's quarterly tabloid which premiered in May, is expected to be published in late August. For the next issue, more than 32,000 copies will be printed for dissemination on campus and to alumni, civic and business leaders, Lindenwood supporters and corporations and foundations throughout the country. The deadline for submitting editorial copy and camera-ready college ads is July 29. Submissions should be sent to Randy L. Wallick at the Office of News & Public Information, 203 MAB.

PRESIDENT'S BOOK OFFERED AT REDUCED PRICE

Gene Goldstein, manager of the Book Store, has made arrangements with Bethany Press to offer President Spainhower's book, PULPIT, PEW & POLITICS, at nearly \$7 off the publisher's price of \$9.95. Published in 1979 when Dr. Spainhower was treasurer of Missouri, the 142-page book concerns his philosophy of "practicing what you preach" or his belief in the merit of linking religious faith and political involvement in order to produce opportunities for people. Copies of the book are available at the Book Store for \$3 each.
