LINDENWOOD

Lindenwood ROTC to present colors for Rams

Lindenwood University's new Army ROTC program will have the distinct honor of presenting the colors before the October 1 Rams's game.

Six members of the Lindenwood Army ROTC program will present the U.S. and Missouri State Flags for the singing of the national anthem before the World Champion Rams face the San Diego Chargers. The members are going through training for movement techniques and protocol to prepare for this honor.

Lindenwood's Army ROTC program began this past summer with three students, and has grown to 19 in its short life. The program is open to students in all academic disciplines, and is designed to help students develop leadership and self-confidence.

For more information on the Lindenwood University Army ROTC program, please contact Terry Russell at (636) 949-4997.
