The Mission of Lindenwood College

The following mission statement of Lindenwood College was affirmed by the Board of Directors on February 17, 1987.

Lindenwood College is an independent, liberal arts college with a covenantal relationship with the Presbyterian Church. It is committed to the values inherent in the Judeo-Christian tradition and believes in the importance of value-oriented education for all of its students.

The College offers a wide range of undergraduate majors, both in the disciplines of the traditional liberal arts and sciences and in career-oriented areas. Its distinctive and flexible education programs, offered in both traditional and innovative formats, are designed to meet the individual needs of a diverse student body which includes both traditional and non-traditional college-age students. The College also offers a number of graduate programs which are intended to meet the needs of working adults in the St. Louis metropolitan area.

Lindenwood College, founded in 1827, has a distinguished tradition as a residential college and its alumni have strong ties with their alma mater. The College appreciates the support of her graduates and seeks to foster and preserve the spirit of the campus experience through alumni activities. Today, the College continues to offer a strong residential life program in the belief that the residential experience can contribute significantly to the academic and personal development of its students.

The College affirms its commitment to the principles of a liberal arts education and to the development of the whole person. To these ends, we seek to

...introduce students to the abiding values, knowledge, skills, and issues that shaped great cultures and civilizations, in this context, to nurture the process whereby an individual acquires useful guidelines for determining responsible decisions and actions;

...encourage students to develop their capabilities for examining, evaluating, and understanding themselves and others, as well as their relationship with their environment;

...provide a variety of educational experiences through which students acquire information and abilities relevant to their chosen area of life-work;

...develop within students a critical awareness of the impact of scientific, technological, economic, literary, political, artistic, and socio-scientific developments;

...promote respect of persons for each other, understanding of divergent views, ethical and intellectual integrity, empathy, a concern for justice and an appreciation of life-enhancing activity;

...prepare individuals for continuing their self-education and for engaging in rewarding work and service;

...foster responsiveness to social issues and concerns which face the local, national and world communities; and

...encourage the work-service experience as a part of the learning process and as a valuable dimension to a liberal arts education.

As a community encompassing students, faculty, administrators, staff, alumni, and friends of Lindenwood College, we are dedicated to a spirit of open and earnest inquiry and of dialogue among disciplines, to academic freedom and to personal responsibility, and to high academic standards and the pursuit of excellence. We are a community marked by collegiality, a genuine concern for one another, and a desire to be of service to the larger community of which we are a part.

The Lindenwood College Board of Directors, legal owners of the College, delegates to the President the responsibility for implementing and administering the institution's mission. The chief operating officer employs and delegates to various members of the staff and faculty the authority necessary to carry out the College operations. Each area of college life establishes and maintains standards of excellence which together assure the educational health and well-being of the institution and the students it serves.

The President's Message

Dear Lindenwood Student,

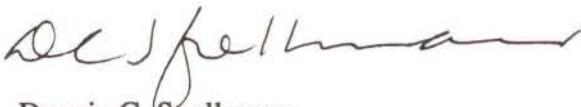

We're proud to have you as a member of our campus community. Exciting things are in store for you at Lindenwood College this year!

Lindenwood College continues to grow in its mission to provide the best education for you. We have added some new outstanding faculty members to enhance our already distinguished faculty. The Talent Accomplishment Program is an innovative advising system designed to help you develop your interests, talents, and accomplishments into marketable assets for your career after graduation. The Work and Learn Program, and the Community Work Service Program, are just two of the ways for you to gain valuable work experience on and off campus. We've added women's tennis to our stellar lineup of intercollegiate athletic opportunities, and this fall, the Lindenwood Lady Lions soccer team is the proud host of the 1993 NAIA National Tournament.

I challenge you to make this a terrific year: Get involved! Take an active part in your education; get to know your professors and classmates; audition for a college play or concert; or take part in an activity you enjoy, whether it be marching band, dance, a club or sport. All kinds of opportunities await you during your college experience. It's up to you to make the most of them, and the College faculty, administration and staff are here to support you the entire way.

Lindenwood has a proud history of excellence in education. For 166 years, the College has educated the whole student: academically, spiritually, socially and physically. Today, we continue that tradition with personal attention to each and every student. We look forward to seeing you on campus. Have a great year!

Sincerely,

Dennis C. Spellmann
President

Lindenwood College...

A Proud Past and A Promising Future

Amidst the beautiful linden trees, Lindenwood College was founded on the highest ground between two rivers well over 160 years ago; today, it is the oldest college west of the Mississippi. Since 1827, when it was founded by pioneering educator Mary Easton Sibley as a school for young ladies, it has enjoyed a reputation as an innovative force dedicated to liberal education in the highest sense and meaning of the term.

Mary Sibley, along with her husband Major George Sibley (himself a prominent pioneer and frontiersman, who helped chart the Santa Fe Trail), sought to establish an institution of higher learning which would make a difference in people's lives. They envisioned an institution which reached across all fields of knowledge, teaching a solid academic core along with the balanced sense of self-worth which accompanies dedication to the larger community and nation...an institution which was always up-to-date with the times, in teaching both the breadth of the liberal arts along with the attention to detail of the sciences, seeking to synthesize all knowledge in an effort to educate the whole person.

Lindenwood has changed through the years, in keeping with its innovative, pioneering heritage. Since 1968, the College has broadened its horizons by developing fully co-educational programs. Since 1974, a number of new programs and delivery-formats have been offered at both the undergraduate and graduate levels to meet the ever expanding horizons of our student population...a population which now includes a wide-range of working adults and professional people, in addition to record numbers of traditional aged college students.

This academic year, a record 4,000 full and part-time students will attend classes at Lindenwood College. One-thousand of those students will live and work on the beautifully-wooded residential core of the College. Campus residence halls and classrooms buildings are newly renovated and modernized. The College is in the process of implementing a state-of-the-art information technologies system, and has updated Macintosh and personal computer labs for student use; yet one more instance of consciously building upon its innovative heritage by modernizing today to meet the promise of tomorrow.

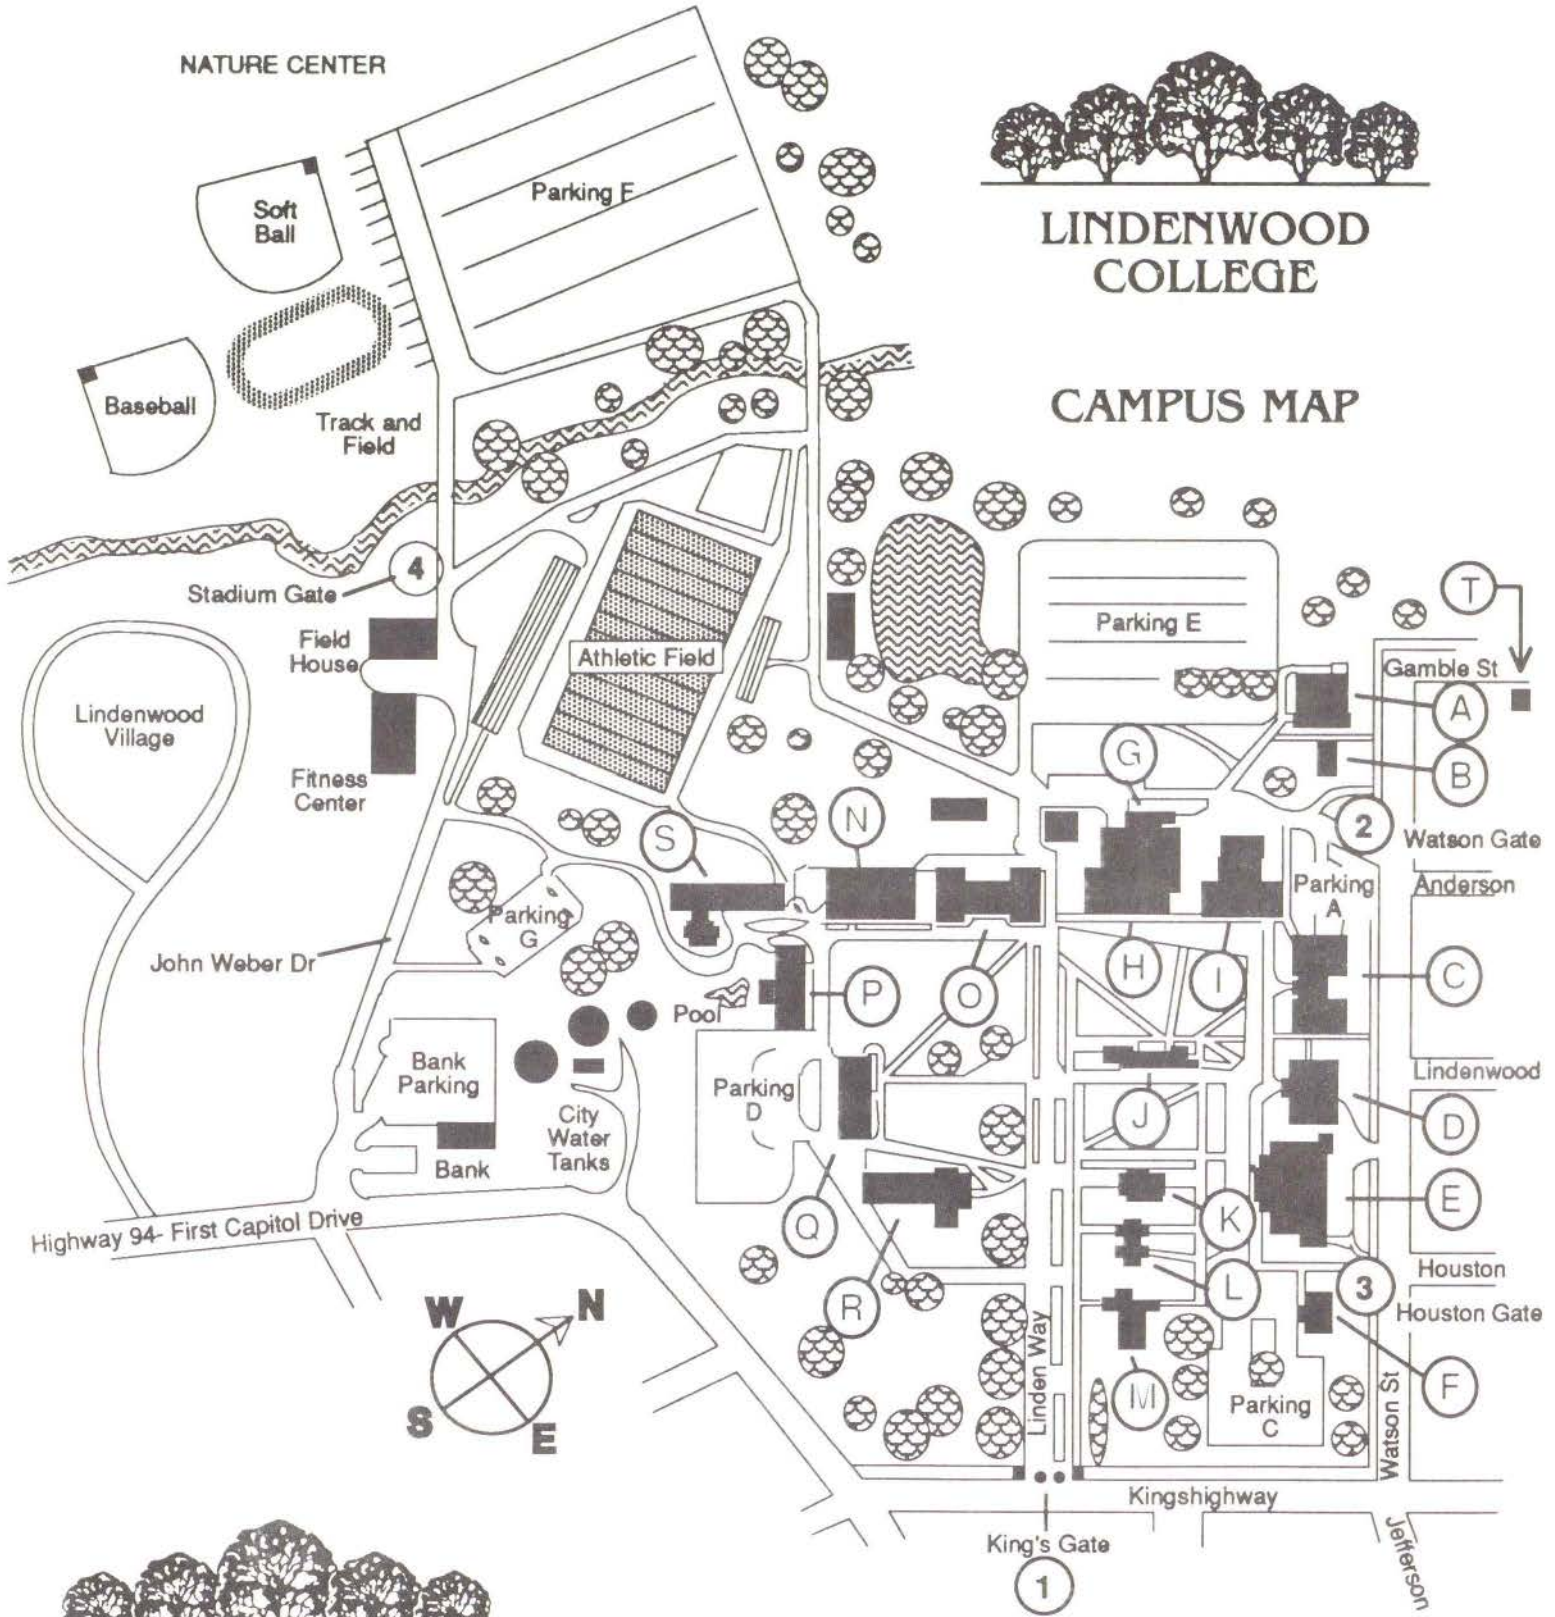

The innovative, pioneering sense or spirit of education which the Sibley's challenged Lindenwood to share with its students is certainly flourishing today. Today, over 10,000 alumni continue to distinguish themselves in virtually all fields and walks of life, reflecting not merely their excellent academic preparation, but their development as complete, balanced, whole persons. Lindenwood continues that tradition by responding to the culture and needs of life today in preparing liberally-educated (not merely specialized or trained), responsible citizens, seeking to balance formal learning in the classroom with a wide range of extra and co-curricular experiences designed to truly provide education for life-long learning...education which continues to prepare individuals for success, as responsible citizens, while insisting that they be their very best selves.

The Campus

Located on 182 acres near First Capitol Drive and Kingshighway in St. Charles, Missouri, Lindenwood College offers a picturesque setting with handsome architectural designs campus-wide and an arboretum of natural beauty, including the 166-year old linden trees for which the college is named.

The College Buildings

Sibley Hall (1856) the oldest, and the most celebrated building on campus. Sibley Hall was named in honor of Mary Easton Sibley and Major George C. Sibley who founded Lindenwood in 1827. It replaced the original log cabin structure in 1860, and is listed in the National Register of Historic Sites. Sibley Hall now serves as a women's honors residence hall.

Margaret Leggat Butler Library (1930) named in memory of the co-benefactor and wife of Col. James G. Butler, contains 140,000 volumes including reference books, government documents and periodicals. Intriguing architectural designs and accents give a scholarly presence to this three-story building. Reference and library instructions are available to all students.

Roemer Hall (1921) dedicated to honor John L. Roemer, president of Lindenwood from 1914-1940 and his wife Lillian P. Roemer, this building serves as the main administration building of the College. Offices on the first two levels of Roemer Hall include: Office of the President, Graduate and Adult Professional Admissions, Registrar, Financial Aid, Business Office, Development, Purchasing, Public Relations. Jelkyl Theatre, on the first floor, offers a Mainstage for performing arts productions and other special events. Classrooms and faculty offices are located on the second and third floors of this building.

Fine Arts Building (1969) located at Watson and Gamble Streets, provides students with art, music, photography labs and performing arts studios, classrooms, practice rooms, the Downstage Theatre and recital/lecture hall, and lounges. The Harry D. Hendren Gallery, located at the main entrance, is the site of annual painting, sculpture, stage design, photography, craft and other exhibits which are open to the public.

Young Science Hall (1965) named in memory of Howard I. Young, former chairman of the Board of Directors, was completed in 1966. Natural science, mathematics, computer science, social science, and labs are housed in Young, along with seminars and conferences in Young Auditorium. The campus television studio, faculty offices, reading rooms and a meeting/reception lounge are also located in Young Science Hall.

Lillie P. Roemer Memorial Arts Building (1939) dedicated and named in memory of President Roemer's wife, who was also a former dean of students at Lindenwood, this building is usually called the "Memorial Arts Building" or "MAB." Radio stations KCLC-AM and FM (89.1) broadcast from the lower level of MAB with the Business Administration and Communications faculty offices and a computer lab on the upper two levels. The beautiful Arthur S. Goodall Lounge, on the first floor, is named in honor of Dr. Goodall, who held the longest membership on the College's Board of Directors. The Latzer Great Hall, located on the upper level of the Memorial Arts Building was named in memory of Cora O. Latzer, the mother of Mrs. Charles (Jane) Schott, whose daughter attended Lindenwood College. Latzer Great Hall is now the site of the Sibley Museum.

Butler Hall (1930) named in honor of college benefactor Col. James G. Butler, is the location of the Dorothy Warner Indoor Swimming Pool. Mrs. Warner, an alumna, contributed funds for the renovation of the pool to be used by students. Butler Hall also houses the Student Center, which has a formal lounge, organization and club meeting rooms, a gymnasium and Campus Life Offices.

Ayres Hall (1908) named in memory of former College President Dr. George Frederic Ayres, 1903-1913. Ayres Hall houses a men's honors residence hall along with Ayres Dining Hall. Special meeting/dining rooms in Ayres include the Heritage, Legacy and 1827 Rooms. The rooms were renovated through contributions by alumni and college friends including: Jane Schott, alumna parent; Maurita Stueck, former alumni board president; and Dorothy Trump, life member of the Board of Overseers.

The Gables (1915) houses the English Department faculty offices. It is located at the center of campus.

The Field House Athletic Center (Renovated in 1989) houses coaching offices for Lindenwood Athletic Programs, plus locker rooms and classrooms. It is located next to Hunter Stadium.

Harlen C. Hunter Stadium (1976-renovated in 1988) named in recognition of Mr. Hunter's contribution to refurbish an existing facility. This 5,000 seat stadium is the site of Lindenwood Lions men's and women's soccer, football, and other sports activities.

The Fitness Center (renovated in 1992) offers weight training and fitness equipment, and a combination wrestling/dance floor for student and class use.

The Residence Halls

McCluer Hall (1961) named in memory of former College President Franc L. McCluer and in honor of his wife, Ida Belle. McCluer Hall provides traditional women's housing with a lounge.

Irwin Hall (1924) named in memory of Reverend Robert Irwin, college president from 1880-93. Irwin Hall provides a traditional women's residence with a lounge.

Cobbs Hall (1950) named in memory of Thomas H. Cobbs, a prominent St. Louis attorney and member of the College's Board of Directors. Cobbs Hall offers traditional men's housing with a lounge. An outdoor swimming pool for all students is located behind Cobbs Hall.

Parker Hall (1966) named in memory of Dr. Alice Parker, former professor of English literature at Lindenwood. Parker Hall serves as a men's residence hall with a lounge.

Niccolls Hall (1916) named in the memory of Reverend Samuel Jack Niccolls, former pastor of the Second Presbyterian Church of St. Louis and member of the College's Board of Directors. Niccolls Hall houses women in traditional and apartment-style units. The Delta Zeta sorority is located on the lower level and the Phi Sigma Sigma sorority resides on the second level.

Ayres Hall (1908) a men's residence hall (see description under Lindenwood College Buildings).

Sibley Hall (1856) a women's residence hall with formal lounge (see description under Lindenwood College Buildings).

Watson Lodge (1929) named in memory of Judge and Mrs. John S. Watson, who were major benefactors to the building of Sibley Hall and the original College endowment. Watson Lodge serves as a residence for the Alpha Sigma Phi fraternity.

Stumberg Hall (1933) named in memory of Board of Directors member B. Kurt Stumberg, M.D., and once was the College infirmary. Stumberg Hall serves as a residence for the Delta Chi fraternity.

Eastlick Hall (1921) named in honor of Mrs. Nellie Eastlick, a niece of Colonel Butler. Eastlick Hall serves as a residence for women.

Gamble House, located on Gamble Street near the College, offers apartment-style living for married couples and older students.

Lindenwood Village, acquired in 1992, offers apartment-style living for male senior and graduate students, and married couples. **Echo Valley Hall** serves as a residence for the Sigma Tau Gamma fraternity.

The Off-Campus Centers

Westport Center, at 11960 Westline Industrial Drive in west St. Louis County, offers classroom facilities for the College's LCIE and MBA programs. Other classrooms may be located on-site at the request of area corporations and businesses.

The Synergy Center, at 5988 Mid Rivers Mall Drive in St. Peters, offers classroom facilities for the College's LCIE and MBA programs. The Synergy Center also contains the facilities for seminars and workshops.

Lindenwood Athletic Complex, at 191 Rock Industrial Park Drive in Bridgeton, is the site of the College's home basketball and volleyball games. The complex also serves as an indoor practice facility for the baseball, softball, and track teams.

Butler Hall Student Center

Butler Hall is the student center and the location of the Campus Life offices. Butler houses the following: formal lounge, private study areas, recreational gymnasium, swimming pool, arcade room, pool tables, vending machines, various organizational meeting rooms, snack bar, information desk, communications center, mail center, and the following offices: Director of Campus Life, Dean of Students, Chaplain, Director of Work and Learn, Director of Housing, Director of Advising, Talent Accomplishment Center, Career Development, Activities Office, and the Athletic Director's Office.

Student Organizations

Student organizations are an important part of college life, providing opportunities for students to design and implement programs, events and activities which extend and amplify goals of the College mission.

Students may complement their academic experiences by becoming involved with approximately 40 student clubs and organizations which along with the Student Activities Office, are the major scheduling source for lectures, movies, dances, entertainers, and a wide variety of other events planned to satisfy the diverse needs and interests of the Lindenwood College community.

It is necessary for each organization to register with the Campus Life Office each year, providing the name of a faculty or staff advisor and a current list of officers and members. In addition, all organizations must register all social functions by obtaining and completing the Special Event Form, available in the Campus Life Office. All organizations seeking recognition at Lindenwood College may receive application information and forms from the Campus Life Office.

Current student organizations include:

Accounting Club — to promote career activities and opportunities in accounting, and prepare students for the business world.

Alpha Chi Alpha — social sorority

Alpha Epsilon Rho National Broadcasting Society — This organization promotes the advancement of broadcast education, establishes communication between student and professional broadcasters and fosters integrity in the use of broadcast instruments.

Alpha Lambda Delta — The national scholarship honor society which recognizes the academic achievement of freshmen and transfer students in their first semester at Lindenwood.

Alpha Psi Omega — national dramatic honor society

Alpha Sigma Phi — national social fraternity

Alpha Sigma Tau — Honor society for seniors based on a 3.5 cumulative grade point average.

American Humanics Student Association (AHSA) — to expand and enrich the educational experience of students preparing for youth and human service agency career fields.

Association of Collegiate Entrepreneurs (ACE) — aids in the development of young entrepreneurs worldwide, serving college students of all majors; including those who own a business, and those who aspire to become entrepreneurs.

Associates of the Fine Arts — a community organization associated with Lindenwood College for the encouragement and support of the fine arts.

Biology Club — to promote interest in the biological fields and to promote means of education for employment opportunities.

Christian Student Union — to establish and organize various ministries on and off campus for the purpose of aiding and counseling people while sharing the Gospel of Jesus Christ.

Circle K — co-sponsored by the St. Charles Noonday Kiwanis Club and Lindenwood College. This organization participates in community service on campus and throughout St. Charles and greater metropolitan St. Louis. Students have won numerous awards for leadership and service.

Delta Chi — national social fraternity.

Delta Zeta — national social sorority.

Education Club — to enrich an individual's ability to compete in the outside job market as a highly qualified professional. Professional growth is promoted through the sponsoring of guest speakers, workshops and the skills development lab.

English Club — an academic and social organization for students interested in the English language, literature, research writing, professional writing, technical writing, journalism, and communications; and to discuss topics in literature, language and writing.

Fashion Marketing — to develop student awareness and appreciation of the fine arts available not only from the world surrounding each student, but also from the world within the individual.

Fellowship of Christian Athletes (FCA) — a student-led group of athletes, coaches, and other interested people meeting to explore their faith as Christians.

Gospel Choir — a group of Christian students who meet to practice and perform traditional and contemporary Gospel music.

Greek Council — committee of representatives from each of the Greek social organizations and interest groups to coordinate Greek life on campus.

Griffin Literary Club — Broadside and Griffin Publications

History Club — to offer an area for discussion on historical topics, to promote camaraderie among members and to provide a channel by which members can become involved in their communities.

Intercultural Society — to promote an awareness of international students on campus, their culture, and to educate the other students about the different countries.

LINC (Lindenwood is Nature Conscious) — to develop student awareness and the concern for the environment in which we live.

Linden Scroll — an honor Society that works to advance the spirit of service and fellowship on the campus, to promote and maintain standards of scholarship, to recognize and encourage leadership, and to stimulate the intellectual development of the college student.

Lindenwood Student Government (LSG) — to provide leadership opportunities for students and to allow students to work together with other campus organizations to provide activities and programs for the entire campus community.

Lion Line Dance Squad — to promote school spirit, sportsmanship and fellowship for the school and to provide entertainment at school events through dancing.

Varsity Club — A service organization comprised of all varsity award winners.

General Information

Non-Discrimination Policy

Lindenwood College is an Equal Opportunity, Affirmative Action Employer. The College complies with the Civil Rights Act of 1964, and other legislation, as amended, including the Equal Pay Act of 1963, the Age Discrimination in Employment Act of 1967, and the Americans With Disabilities Act of 1990, and other legislation which prohibits discrimination in employment and access to educational programs because of race, color, national origin, sex, age or physical handicap. Lindenwood College is committed to policy of non-discrimination and dedicated to providing a positive discrimination-free educational and work environment. Any kind of discrimination, harassment and intimidation may be defined as any attempt on the part of individuals, groups and recognized campus organizations to deny an individual or group those rights, freedoms or opportunities available to all members of the College community. The College is committed to meeting the full intent and spirit of the anti-discrimination laws, not merely the minimum letter of the law. Inquiries concerning the application of Lindenwood College's policy on non-discrimination should be directed to the Campus Life Office or executive Offices of the College.

Drug-Free Schools, Communities and Workplace Policy

Lindenwood College complies with the Drug-Free Schools and Communities Act of 1989 and the Drug-Free Workplace Act of 1988, and seeks to provide a healthy, safe, and secure environment for students and employees. Lindenwood has implemented programs that provide for annual distributions, in writing, to each student and employee of (1) standards of conduct that clearly prohibit the unlawful possession, use or distribution of illicit drugs and alcohol by students and employees on College property or as part of any College activity; (2) descriptions of applicable legal sanctions under local, state or federal law; (3) descriptions of health risks associated with the use of illicit drugs and abuse of alcohol; (4) descriptions of available drug of alcohol counseling, treatment or rehabilitation or re-entry programs; and (5) clear statements of the disciplinary sanctions that College will impose on the students and employees. Lindenwood College also provides for the biennial review of these programs to determine their effectiveness, implement needed changes, and ensure that disciplinary sanctions are consistently enforced. Non-compliance with the regulations by students, employees, and the institution carries serious penalties, including the termination of all federal financial assistance and the possible repayment of funds received. Refer also to appropriate sections of Campus Residential Procedures and Behavioral Policies elsewhere in the Campus Life Handbook, and to the information booklets distributed separately to both students and employees.

Student Right to Know and Campus Security Policy

Lindenwood College complies with the Student Right To Know and Campus Security Act of 1990, and the Campus Securities Disclosures (section 458 of The Higher Education Amendments of 1992). The College has developed and implemented policies and educational programs, maintains pertinent institutional statistics, and distributes particular information to students, employees and applicants. **Policies** pertain to (1) timely reporting of criminal actions and other emergencies along with the College's response processes; (2) access to and the maintenance of facilities for the purpose of security; (3) law enforcement process, the authority of security personnel, and the working relationship with state and local law enforcement agencies; (4) possession, use and sale of alcoholic beverages and enforcement of underage drinking laws; and (5) monitoring of any off-campus student groups and facilities. **Education Programs** include those designed to inform the campus about (1) security procedures and the encouragement for students and employees to be more responsible for their own security; and (2) general crime prevention. **Statistical Records** include (1) incidents of criminal offenses (murder, rape, robbery, aggravated assault, forcible or nonforcible sex offenses, burglary, and motor vehicle theft); and (2) arrests on campus for violations of liquor laws, drug abuse, and weapons possession. Persons wishing to obtain additional information concerning the 1990 Act, 1992 Amendments, and College policies may refer to the Student Right to Know and Campus Security Annual Report.

Sexual Harassment Policy

Illegal discrimination, including sexual harassment, is prohibited. Harassment on the basis of sex is a violation of Section 703 of Title VII. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitutes sexual harassment when (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working or classroom environment. Retaliation against or intimidation of a person who has filed a complaint of sexual harassment is also prohibited.

It is Lindenwood College policy that sexual harassment will not be tolerated and that disciplinary action up to and including termination will be imposed on employees engaging in such actions. Disciplinary action up to and including expulsion may be imposed on students engaging in such actions.

If you are aware of sexual harassment, or feel you are a victim of harassment, contact your supervisor or one of the College officers listed: Dr. Dennis Spellmann, President; Dr. David Williams, Dean of the College; Dr. Arlene Taich, Provost; Dr. Michael Mason, Chaplain.

Programs established to prevent sex offenses and procedures to follow should such an offense occur are contained in the College's Student Right To Know and Campus Security Annual Report.

Handicap Access Program

It is the guiding philosophy of Lindenwood College to make our facilities, programs, and classes as accessible to the handicapped individual as practical. In those instances where a room or building is not easily accessible, it may be necessary to bring the service or class to the student. It is the responsibility of the student to advise the College when special arrangements are needed. If College personnel are unable to accommodate a request for special arrangements, the request should be forwarded to the President's office.

Identification Cards

Student Identification cards are provided without cost at registration. The ID card, to be carried at all times, is required to obtain meals at the cafeteria, cash checks at the Business Office and attend various social, theatre/drama and athletic events. There will be a replacement fee of \$5.00 for lost cards. Students are required to present their ID card at the request of all college and residence hall officials. The ID card is not transferable and any alteration invalidates the card. It must be surrendered upon graduation or upon withdrawal from the College. The ID card may qualify the student for certain discounts and advantage when attending public events and performances, e.g. movie theaters, The St. Louis Symphony, the Botanical Gardens, etc.

Campus Mail

Each resident student is assigned a mailbox. Using your Campus Box number on all return addresses will insure delivery of your mail. Mail is delivered daily to all boxes, usually by noon. UPS parcels usually arrive mid-afternoon. Hours of operation will be posted in Butler Hall.

Student Center and Campus Life

Residence halls, along with the Butler Hall Student Center, provide the primary on-campus facilities for social activities as well as other student services. Hours of operation are posted. Campus Life includes offices for the Director of Campus Life, Dean of Students, Director of Advising, Director of Career Development, Housing Director, Activities Director, Work/Learn Director, Intramural Coordinator, Athletic Director, and the College Chaplain.

Social Events

Various student organized programs and events are scheduled throughout the year. Included are the programs, meetings and other events of the Lindenwood Student Government, Greek organizations, individual classes and campus organizations. These programs must meet with the approval of the faculty or staff advisor for the sponsoring organization and are to be scheduled with the Campus Life Office. Unless an exception is made by the Dean of Students, this scheduling must occur at least 14 days prior to the time of the activity. Scheduling requires completion and submission of a Special Event Agreement Form. Forms are available from the Campus Life Office. Authorized forms indicate any special requirements to be met by the requesting group relative to facility use or upcoming activity. In most instances special events use of campus facilities will require the presence of a faculty or staff member during the event. Generally this is the advisor for the group.

Personal Property

Lindenwood College does not assume responsibility for personal property or valuables and does not carry insurance to cover such property. Any incident of property loss or damage should be referred to personal homeowner insurance. The College can furnish documentation for insurance purposes. It is important to ensure safety for personal property at all times. The Security Office will make available to students an engraving tool which can be used to imprint driver's license or other identification numbers upon valuables.

Solicitors and Salespersons

Students, campus organizations or non-campus persons are prohibited from solicitation at any time for non-campus related activity. Any exceptions of this policy must be in writing from the Campus Life Office. Students are asked to be particularly alert to off-campus salespersons who pose nuisance and security threats. Contact the Campus Life Office immediately if you observe any questionable sales activity.

Telephones

The campus switchboard is located in Butler Hall. Dorm room telephones may be used to call off campus and other campus extensions directly. Pay phones are located in each residence hall and may also be used for outgoing and incoming calls. Proper care and respect for telephone equipment will guarantee this service. Phone courtesy and consideration of those using the phone is requested of all students. Long distance phone service is available.

Campus Bookstore

Owned and operated by the College, the Campus Bookstore provides textbooks and other reading materials, gifts, clothing, general school supplies, sundries and other personal items. Additional services of the bookstore are:

- Book refunds during the first two weeks of each semester, when accompanied by cash receipt and class drop card.
- Book "buy back" at the end of each semester and quarter.

Ayres Dining Hall

- Meals provided to resident students who present a valid ID card, or to others on a cash basis at the door.
- Served only during posted hours.
- Appropriate dress required (shirt, shoes, men should remove hats).
- Leave tables in clean condition after use by clearing trays, dishes and silverware to the dish washing area.
- No dishes, utensils or food may be taken from the cafeteria.
- Reasonable amounts of food as “seconds” are usually available.
- Lunches may be ordered in advance for “brown-bagging” to special outings or for lunching in Butler Hall.
- Luncheon tray for students who are ill and unable to leave their room may be requested.
- All trays, dishes and silverware must be returned to the cafeteria as soon as your health improves.
- Only authorized persons will be allowed behind serving counters and in the kitchen.
- Children must be managed so as not to disturb others in the cafeteria.
- Non-smoking areas are designated in the cafeteria.

Campus Appearance

Students, prospective students with their families, alumni, corporate executives and other financial supporters will visit the campus throughout the year. Please help present the best image of Lindenwood College by keeping your campus attractive and your attitude positive at all times. A friendly smile with directions for a campus visitor is remembered and highly respected. If you see any trash on the campus grounds, please pick it up and deposit it in a nearby receptacle. Also, please keep entrances to residence halls and campus buildings free and clear of congestion, litter and loitering. Your campus is your home and its beauty is something for you and your visitors to enjoy.

Bulletin Boards and Notices

Announcements of meetings and events by campus-approved organizations may be posted at designated areas on campus. These postings will reflect the integrity of your college and represent your meetings and events. Inappropriate or offensive materials may be removed and presented to the Campus Life Office. Off-campus persons or organizations may post announcements for the campus community; however, permission must be granted by the Campus Life Office and all off-campus publicity must be “stamped” as acceptable.

Fire and Tornado Alarms

All residents must leave the residence hall immediately when the fire alarm sounds. Walk to the nearest exit and remain outside until the “all clear” is given by a College official. The city tornado siren will sound with a steady blast. At that time you will need to go to the nearest designated campus shelter and remain there until the “all clear” is given by a College official. The City of St. Charles conducts a test of alarms on the first Monday morning of every month, when the weather is clear.

Security

Concern for personal safety and security is shared by all segments of the College community. The College provides facilities and programs that reflect this concern. The ultimate responsibility for personal security, however, rests with each resident. Complying with security measures, not giving someone else keys or security lock codes, and reporting incidents immediately, will greatly assist in making the residences secure.

The following precautions will help protect you and your possessions:

- Always lock your room and car, even if you just leave them for a few minutes.
- Do not keep or carry large sums of cash.
- Protect your keys at all times and report a loss of keys immediately to your resident advisor, resident director, or the Campus Life Office.
- Engrave any electronic equipment with your name, home, state and driver's license and/or social security number.
- Report strangers who appear to have an insufficient reason for their presence on campus.
- Do not violate campus security measures including locked doors, access rules and visitation policies.
- Report any known or suspected thievery to the Dean of Students. This will insure the safety of everyone's property. The Student Right-to Know and Campus Security Act signed into law November 8, 1990, requires the College to collect information on campus security. For more information contact the Campus Life Office.

Substance Abuse Assistance

Lindenwood College will assist in any substance abuse problem which may arise. The Campus Life Office and College Chaplain will provide additional student assistance for anyone having a physical or psychological problem with alcohol, drug or other chemicals. Students may voluntarily approach a College official for assistance. In situations where a behavioral incident involves substance abuse and results in disciplinary action, the College's interest also includes the provision of screening, educational and informational assistance, and referral to other professional services. See: Guide to a Drug-Free Campus 1993-94.

Financial Aid Questions

The Admissions and Financial Aid Offices work closely with students and families to establish financial aid packages. That aid consists of some combination of Federal (Pell) Grant, State Grant, Guaranteed Student Loan, Perkins Loan, College Work and Learn Stipend, special external funding, Lindenwood College Scholarship and family contribution. Financial aid packages are finalized based on commitments by students, family and the college; all must be honored throughout the year to achieve successful completion of the College year. Any changes or questions must be taken to the Financial Aid Office, where personal and confidential discussions will help insure your understanding of the details.

Academic Assistance

In case of academic problems, students are encouraged to contact their professor, advisor or the Student Development Office. The Education Department may also be contacted about peer tutoring. A special program has been developed so that students may receive assistance at the earliest possible opportunity.

Talent Accomplishment Program (TAP) Center

Located in the left wing of Butler Hall, the TAP Center is an innovative advising system designed to “tap” in to the student’s resources through an assessment form called the Lindenwood Accomplishment Profile. Experiences, accomplishments, awards, interests and goals are catalogued upon admittance into Lindenwood College. The student continues to update the file each semester up through graduation. Only positive, affirming information is included in the file, and at the student’s discretion. During the student’s academic career, the student can “pull” their Talent Transcript to be used to accompany part-time, summer and internship job applications. The idea is to separate the Lindenwood student from the multitude of applications the personnel directors will be reviewing, to individualize students by submitting a signed and sealed TAP form from the College. During the student’s senior year, the transcript is molded to a resume-type format. The student can use the transcript as his or her resume, and a record of his or her accomplishments.

College Work & Learn Program (Work Study)

Eligible resident students may elect to participate in the College Work & Learn Program—a practical work experience under faculty, staff and/or administrative supervision. The program may:

- Help defray the cost of college education,
- Develop a sense of the importance and dignity of working,
- Combine with academic studies to build credentials upon graduation for entrance into the public job market, and
- Assist the day-to-day operations of the College by reducing overhead costs and enabling more College resources to be channeled to greater educational goals for students.

Students are assigned to offices, departments and facilities, and thus have vital “hands on” responsibility for the life of the College. More experienced upper classpersons with positive work records will be selected as group leaders. These students will receive more advanced on-the-job training and campus-wide recognition of their accomplishments. The amount of the College Work & Learn stipend is specified in the original financial aid package which is signed by the student. The signed agreement or contract between the student and the College represents a commitment by the student for covering these College costs through a conscientious and reliable work attitude. The normal stipend directs that a student work 10 hours per week for the College. No additional compensation will be made for hours worked in excess of the amount specified on the award letter.

College Work & Learn is a very serious program. If students do not fulfill their portion of the work agreement, they will be removed from the program and expected to find alternate means to pay for that portion of their education.

Community Work Service Program

Junior and senior students have the opportunity to expand their Work & Learn experience by participating in the Lindenwood Community Work Service Program. Students volunteer to work in community agencies for one semester to earn credit toward their tuition cost. This experience replaces the College Work & Learn Program for one semester.

Even more importantly, students acquire many skills and values through this program. They learn to meet, interact, and network with all kinds of people. Building upon the skills and experiences they have gained through the College Work & Learn program, Community Work Service opens students’ eyes to the larger world around them, to the necessity of expanding their learning and knowledge beyond the classroom. Students also earn a sense of pride, recognizing that they are growing through giving back to the community, not just as students or employees, but as citizens of a larger community. Indeed, placement opportunities quite naturally follow from this program and the networking, leadership, work ethic, and skills of responsibility it engenders and fosters.

College Withdrawal

A student who needs to withdraw from classes and college attendance must discuss these needs with the Student Development Office, Financial Aid, Registrar, and Business Offices as well as their academic advisor and instructors. A College Withdrawal Form with a procedural checklist will be provided for your convenience and to insure a positive departure with additional assistance and support for your decisions. This form is available in the Campus Life Office and should be returned upon completion to the Campus Life Office.

Insurance and Medical

Responsibility for medical care and insurance lies with the individual student and family. It is recommended that all students have current immunization or immunity from measles (including "second dose vaccine"), rubella, tetanus, mumps, polio, diphtheria and possibly hepatitis. Students will need to provide information to assure that family medical insurance is current and that necessary forms and identification are available. Students experiencing medical problems need to contact their Resident Advisor, Resident Director, or the Campus Life Office. For emergencies, notify your Resident Advisor or Resident Director, the Campus Life Office or Security. St. Joseph's Medical Center at First Capitol Drive just east of Fifth Street, and Barnes Hospital of St. Peters off Jungermann Road near the Cave Springs Exit on I-70, are two hospitals located close to the college. Lindenwood student-athletes must contact their coaches about medical requirements and any additional insurance. A student health insurance plan may be purchased as a supplement to an existing health insurance plan or as a primary insurance plan. Information on the plans are available in the Campus Life Office.

Student Responsibilities for Class & Campus

To maximize classroom and campus success for each student, and to insure a positive learning environment, the following conduct is expected of all students:

- Attend all scheduled classes.
- Be on time for classes. Enter room quietly, if late for any reason.
- Tobacco may not be used at any time during class.
- Coffee and soft drinks may be permitted by your individual class instructor; however empty containers must be properly disposed of after class.
- Talking during class is limited to class discussions only.
- Children will not be permitted to attend classes with a parent. Ask your faculty advisor or instructor for possible special arrangements if an unusual circumstance exists.
- Inform your instructor at the beginning of class, if you must leave that class for an important appointment while class is in session. In these instances, it would be helpful for you to sit near the door and leave quietly when the time comes.
- At the end of each class period, check to make sure the classroom, and especially your seating area, is properly arranged for the next class.
- If your class is on break or dismissed earlier than usual, please remain quiet while in the halls, as other classes may still be in session.
- College academic integrity and student honor are of highest importance at Lindenwood College. Therefore, students are not permitted to sign classroom, lab or lecture attendance lists for another student. Cheating, lying and plagiarism of any kind will not be permitted in the academic program, and will be considered a violation of College policy.

Your Campus Personality

Lindenwood College helps prepare students for their success in personal and professional services. Training and guidance for your future begins as you enter the Lindenwood gates.

Combined with classroom education, there will be many instances where you will also develop your personal and social skills for successful living. The following guidelines are mentioned to assist you and help insure that you attain the highest possible degree of educational, social and spiritual integrity as you attend college.

- Give proper respect to faculty, staff and others in authority.
- Be courteous to fellow students and authorized campus visitors.
- Choose your language and speaking volumes with consideration for others.
- Good grooming and personal hygiene are a reflection of your health, attitude and personality.
- Remember that smoking is hazardous to your health; however, if you smoke, please properly dispose of cigarette butts in ashtrays and sand-filled receptacles only. Check to make certain all cigarette butts are “cold” before emptying your ashtrays. A smoldering cigarette is a fire hazard. Paper, soda cans, and other trash are to be placed in receptacles designated for this purpose. Keep floor, hallways and the campus grounds free of litter at all times.

Community Relations

Students enrolled at Lindenwood College are obligated to conduct themselves at all times in a manner which is consistent with the College’s mission. As students express themselves socially on campus, interact with local businesses and residents, and participate in public events, they are asked to abide by all laws and campus policies, extended courtesy to others and bring honor and respect to the College. On such occasions, both on campus and away, the College will not tolerate from its students the intimidation or harassment of others, including loud, threatening or inappropriate behavior.

Resident Housing Administration

Room Assignments

Rooms are assigned by the Campus Life Office. Rosters are maintained as official records of the College. Unless specific arrangements are made to the contrary, students who do not arrive as scheduled may lose their housing priority. Room changes may be requested after the first two weeks of each term. Approval for the change is granted by the Campus Life Office. Students changing rooms must follow the check-out and check-in procedures supplied by Campus Life. If your roommate moves to another location on campus or withdraws, graduates or leaves the College for any reason, the Campus Life Office may request that you move to another room. Some students may request single room occupancy at an additional charge. For security reasons, all resident halls will be closed during Thanksgiving, Christmas, and Spring Break holidays. Exceptions may apply to special circumstances where students need to remain in the dorm during these holidays. These students may make arrangements for rooms during the holidays by contacting the Business and Campus Life offices in advance.

Damaged Or Missing Equipment

Students are charged for damaged or missing equipment. Charges are deducted directly from the housing deposit or billed directly to the student.

Room Keys

Keys to your room require your signature. Your room keys must be turned in to the Campus Life Office before you depart the College. Lost room keys require a \$25.00 replacement charge because it usually requires the door to be re-keyed for proper security. Campus Life asks that they be notified immediately if you lose your keys, and they will authorize replacement. Additional locks that you wish to place on your doors require the approval of the Campus Life Office and a copy of new keys to your room must be kept on file with Campus Life.

Checking Out

Prior to your room departure, the Resident Director is required to assess any possible damage that might have occurred to your residence. Students are charged for damaged or missing equipment. Charges are deducted directly from the housing deposit or billed directly to the student. Also, rooms must be returned to their original state: personal items removed, tape and staples removed from walls, left in clean condition with all trash removed and properly thrown away. For multi-occupancy rooms, the first person to leave is responsible for settling with other roommates any discrepancy about the physical state of the room to include damaged or missing equipment. Cleaning the room and returning the individual room keys to the Campus Life office is the responsibility of each individual. In the event a room is left dirty all individuals will be charged. If a problem arises, consult your Resident Director or the Campus Life Office.

Improper Check Out

Failure to check out properly may result in the loss of your housing deposit and/or room selection priority for the next term. An additional fee of \$150 will be assessed for improper check out and transcript transfers may be withheld until payment of this fee is received.

Residential Authority and Room Privacy

The College will make every reasonable effort to respect the privacy of students and give prior notice of entry needed into student rooms for the purpose of inspection, verification of occupancy and maintenance. The College reserves the right of entry without notice for such purposes as necessary to assure compliance with College policies and to meet emergency needs. If necessary, the right of entry will also include student-owned vehicles.

Residential Procedures & Campus Policy

Residential Life

Lindenwood College views a resident's experience in group living as an opportunity for learning to live and work with others of varying ages, cultural backgrounds and interests. Resident Advisors (RA's) are available throughout the buildings to provide a support system for the students. Each facility is supervised by a Resident Director (RD) who lives in the residence halls and who, together with his/her RA's, oversees the general safety and well-being of the residents, assists and supports students with the daily challenges of college life, and coordinates maintenance and housekeeping activities within the buildings.

The Director of Residential Services has overall responsibility for student housing and residence hall staff personnel. Students are both encouraged and expected to take responsibility and to be responsible to the community in which they live. Active participation in residential activities can assist residents in developing a sense of community spirit. Resident students who have questions, concerns or ideas regarding residential living may direct them to any RD, RA, or to the Director of Residential Services.

Room Furnishings, Possessions and Care

Students are expected to care for their rooms and halls, keeping them clean and free from damage through carelessness or neglect. All furnishings by the College are to remain in place and not dismantled or removed for any reason without specific authorization. Any plans for room modifications beyond the reasonable introduction of furnishings must be submitted in writing, in advance to the Campus Life Office for approval. Students may bring reasonable additions for their living space:

Permitted are: small portable refrigerators of 120 volts and 1.7 cubic feet or less, electric fans, shavers, hair dryers, electric blankets, coffee pots and self-contained popcorn poppers. Televisions and electronic equipment are permitted at reasonable volumes, and students bringing such equipment are advised to engrave it with the owner's name, driver's license or social security numbers and record the serial numbers on each piece of equipment as a security precaution.

Prohibited are: Waterbeds, pets, dart boards, cooking appliances (such as microwaves, toasters, toaster ovens and any others except those mentioned above), air conditioners, outside antenna, incense and candle burning.

NOTE:

- When purchasing curling irons try to purchase one with an automatic shut off, curling irons left on are a serious fire hazard.
- Clothing irons should be used with extreme caution and only on an ironing board. Ironing on beds and floors is prohibited.
- Weapons of any type, including decorative and ornamental are prohibited.
- Poster putty (white only) needles, straight pins, and white toothpaste may be carefully used for hanging room decorations; however, other adhesives, nails and tacks are not permitted for hanging decorations.
- Room painting is also prohibited, except when approved in advance and in writing by the Campus Life Office.
- The use of signs, flags and pictures as visible window coverings are not acceptable; and except for emergencies, windows are never to be used as an entrance or exit.
- Lofts must be approved by the Director of Residential Services prior to construction. Lofts constructed prior to approval are subject to removal and possible disciplinary action.
- Out of respect for others please do not smoke in hallways or public areas.

Visitation

Visitation within residence halls must be with concern for personal safety and security, and consideration for the well-being of all students. Specific regulations regarding visitation will be listed and posted in individual residence halls and may vary according to residences. However, like visitation within one's home, the privilege necessarily requires certain understandings, restrictions and responsibilities.

Accordingly, the College maintains a policy that in all residential facilities—including Lindenwood Village, Gamble House, fraternity and sorority housing,—visitation by members of the opposite sex within the hall is permitted only for occasional “open house” or other special events as authorized by the Campus Life Office. **In-room visitation by members of the opposite sex is prohibited.** This provision may be modified upon the approval of the Dean of Students.

Visits by parents or family members of the opposite sex are permitted by notifying the Resident Director and making a courtesy announcement to other students sharing the facility. Non-students, especially non-family juveniles under 18 years of age, and uninvited or inconsiderate persons are not welcome in campus residences, or on the campus, and are considered trespassers.

Violation of the regulations may result in immediate dismissal from the College.

Guests

Any guest of students visiting the campus and staying overnight must be pre-approved and registered with the Campus Life Office located in Butler Hall. A written request with signed consent from the roommate(s) and Resident Director must be submitted to the Dean of Students. No visitation will be allowed unless specifically approved on an individual, case by case basis. Male guests must be housed in men's residence facilities and female guests in women's residence facilities. All guests must pay cash for meals taken in the cafeteria. The College holds the student responsible for the behavior of any guest and informing them of College policies. There is a three-day limit on all visits.

Invited guests of residents must use the front door of the residential facility and be properly checked in according to the regulations of the facility. Arrangements should be made by the residents to meet the guest in the lounge or at the front door. Visiting guests must be accompanied by their host at all times when on campus and in a residential facility. Each resident host is responsible for their guest until the guest is escorted out of the residence and has left the campus.

Respect for Campus Authority

It is the policy of Lindenwood College—consistent with its efforts to foster an environment of respect for the dignity and worth of all members of the College community—that harassment, improper language and/or actions directed toward employees of the College will not be tolerated.

All staff and faculty, including Resident Directors, participate fully in the College lines of authority and are to be respected. Resident Directors have full authority to administer college policies and recommend actions, not only in residential facilities, but campus-wide, as well. Resident Directors have the responsibility to report any violation or areas of concern to the proper administrator.

Alcoholic Beverages

Present state law makes subject to arrest and prosecution any person under 21 years of age who consumes and/or possesses alcoholic beverages or supplies such beverages to a person under the age of 21. The College Administration and Board of Directors have further instructed that alcohol be prohibited on campus. The National Association of Intercollegiate Athletics (NAIA), affiliated with the College, has policies prohibiting alcoholic beverages at any athletic event on or off campus. Student problems relating to alcohol and its use will be brought to the attention of college authorities and may result in disciplinary action as directed by the College.

Drugs and Illegal Chemicals

The College, in compliance with local, state, and federal laws, expressly prohibits any use, possession or distribution of narcotics, illegal drugs, chemicals and/or related paraphernalia. Further, students receiving federal financial aid (Pell Grants, Guaranteed Student Loans, etc.) are required to sign pledges that they will not use, possess or distribute controlled substances; and they risk the cancellation of that aid by involvement in such activity. A medical use of drugs is permitted when prescribed by a physician. Violation of this policy may result in immediate dismissal.

Fireworks, Firearms, Explosives and Weapons

All fireworks, firearms, explosives and weapons are prohibited within the residence halls or on the campus. Snowballs, paint pellet guns, decorative swords and other items may be considered weapons if used in a threatening or intimidating manner against individuals, vehicles or buildings.

Fighting

Interpersonal arguments may arise as students relate to each other in the residence halls and on the campus. However, students who resort to fighting and intentional use of objects to inflict personal harm will be dismissed from the College.

Fire Protection Equipment

Fire extinguishers, hydrants and alarms are mandated by civil housing codes, state and federal laws. Any unauthorized use or tampering with such equipment is considered a violation of those statutes and college policy, and will result in disciplinary action, financial charges for damage, dismissal when abuses are severe or repetitive, and possible prosecution by civil authorities.

Quiet Hours

The primary purpose of the residence facility is to foster academic achievement. Where large numbers of people are living together, careful planning and the sharing of responsibility are essential to insure the best atmosphere. It is necessary that quiet hours be observed by everyone living in College residential facilities. The respect which the residents of the facility have for one another is a necessary adjunct to keeping noise to a minimum for those who wish to study or to sleep. The final responsibility for the effectiveness of the plan rests with the student. Undue or excessive disturbances to the usual tranquility of the Lindenwood College campus and surrounding community through the use of electronic or other sound-producing instruments and/or vocal levels are not permitted. The residence hall staff determines the acceptable noise level during specific hours of the day. Quiet/study hours are established at other times to allow for adequate study and resting periods for all students.

Your Vehicles at College

All resident students must register their automobiles with campus security. All vehicles are expected to follow standard rules of the road with regard to parking, speed limits, travel on recognized roadways and compliance with federal, state, and local laws. Only authorized persons are permitted to use College vehicles. The College does not assume responsibility for the loss or damage to vehicles or their contents while parked on campus. Fines are levied for parking violators. Repeated violations may result in loss of parking privilege on campus. Vehicles may be towed at owner's expense. Parking areas for handicapped students and visitors are designated at various points on campus. Fines will be issued to those violating the handicap parking spaces provided on campus. All fines must be paid before grades will be issued to a student.

Stealing and the Possession of Stolen Property

The possession of stolen property (whether from another student, the College, or the public) or related suspicious behavior (i.e. uninvited entry, deception, false statements) are not acceptable at the College. Violators are subject to criminal and campus disciplinary actions.

Campus Facilities and Equipment

Telephones, washers and dryers, public facilities and furnishings, and cleaning equipment and supplies are provided as a convenience for all students of the campus and to serve the common good. All students are expected to care for that equipment, use it properly and assist the College in preventing abuses by others.

Building Integrity and Hours of Operation

Buildings and facilities of the campus have regular hours of operation and policies and conditions for use. Students are expected to respect such regulations. Any persons who gain unauthorized entrance, as well as those assisting in that entrance, are subject to criminal and campus disciplinary actions.

Discipline

Disciplinary action for non-compliance with College policies may result in one or any combination of the following:

- Warning
- Social probation
- Restitution work assignment
- Assessment of fine or charges for damage
- Expulsion from residence halls or public facilities
- Dismissal from the College (dismissal may result without probationary action)

In serious situations:

- Parents may be notified
- A copy of the disciplinary report is placed in the student' permanent record file

If dismissed from the College, readmission requires a petition in writing to the Dean of Students which shows satisfactory understanding by the student of:

- Why the dismissal was necessary
- Why the student wishes to return, and
- What the student is willing to do in the future to prevent past problems from recurring and contribute to a more positive campus life.

The Lindenwood Community

An Understanding of Commitment

Lindenwood College is committed to the development of the whole person within a value system that acknowledges the College's Christian heritage and focuses on four-dimensional personal growth: mental, social, physical, and spiritual. Life on campus helps you as a student: learn how to learn, gain a broad range of knowledge and understanding about the arts, humanities and sciences; obtain social and physical enjoyment through athletic and recreational activities and special events; grow in capacity for work, achievement and leadership, and experience self-discovery and personal fulfillment that will serve a lifetime.

The College community seeks to foster peace and harmony by maintaining order and stability. Policies and rules help to establish order and serve the common good. The Lindenwood College Community is a voluntary society that asks you as its member to possess a loyalty to the institution and a personal commitment to growth, education and the community.

Your activities affect both yourself and others. In choosing to be a part of this learning community, you agree to be responsible and to choose your actions in such a way that they reflect favorably on yourself and the community. You are expected to abide by established policies and procedures, just as you are required by city, state and nation to abide by established laws. You are expected to conduct yourself at all times in a manner that exemplifies respect and seeks the best interest of all members of the community.

Responsible members of the Lindenwood College community demonstrate respect for self, others and their institution by:

- exhibiting personal qualities of honesty, fairness, integrity, and accountability;
- developing interpersonal relationships that enhance the quality of life on campus and treat other persons with respect and dignity.
- relating to others in a manner that assures their physical safety, emotional health and psychological well-being;
- abstaining from any form of intimidation and harassment that causes fear, threat or discomfort on the part of others;
- respecting the rights of students and staff to remain reasonably quiet in the residence halls, classrooms, library, and laboratories;
- respecting the physical property of the College and of other students;
- striving to enhance the physical and mental health of all persons by not using, possessing, or providing others with alcohol, illegal drugs and chemicals or other substances;
- accepting traditional Christian values of heterosexual relationships and marriage, and avoiding any manipulation or coercion toward other forms of relationship;
- abiding by all policies of the College and fulfilling all contractual agreements with the College;
- abiding by the laws of the city, county, state and nation.

When your behavior or attitude does not conform to these standards, you will be met with personally, patiently, and justly. Referrals may be made to a College official for personal inventory, self-evaluation, counseling and advice. Correcting behavior and fostering personal growth is more desirable than punishment. However, disciplinary action will be taken when it is warranted. The College reserves the right, with proper notice, to deny admission or dismiss a student whose behavior and living habits are judged to be detrimental to the welfare of the full community. Due process within this community has a greater degree of informality and flexibility of procedure.
