MEMBER FDIC

*Youth Savings is a tiered, interest-bearing savings account. The interest rate and corresponding annual percentage yield (APY) are tiered. If the daily balance in the account is \$1000.00 or less, the interest rate paid on the entire balance will be 4.89% with an annual percentage yield of 5.00%. An interest rate of 0.10% will be paid only for that portion of your daily balance that is greater than \$1000.00. The annual percentage yield for this tier will range from 5.00% to 0.10%, depending on the balance in the account. (APY calculations are based on a total deposit balance of \$10,000.) Rate is effective as of November 1, 2018. \$5.00 minimum opening deposit is required. There is no minimum balance required or monthly maintenance fee for Youth Savings. Fees could reduce earnings. Rates are variable and are subject to change at the bank's discretion. Rates are calculated on a daily balance method. Limited to one Youth Savings account per child. At the age of seventeen (17), the account will be converted to a Statement Savings account and will be assessed a \$3.00 service charge if the balance falls below \$100.00 at any time during the statement cycle.
