The Hangar Kafe opened in April 2013 and is owned by Kiman Kingsley. The Kingsley family has been around the Miller area for more than 100 years and knows most everyone in the area. Kiman and his brothers also have a farming operation and a thriving crop dusting business as well as an Ag Aviation School.

The Hangar Kafe is housed in an airplane hangar and located on the Kingsley Field, a busy rural airport. This reflects how much the Kinglsey family loves flying. The walls in the cafe are painted sky blue and decorated with aviation photos, large model planes, and hot air balloons. The restaurant's cash register sits on an hot-air balloon basket. The cafe is open for breakfast, lunch, and dinner and has an all-American menu. All food is made to order, so if you have to wait, consider one of our many appetizers. The cafe has a great outside dining area also.

The cafe sits on a working airport, so it's quite possible while your eating you may see planes flying in and out.

We offer plan rides and hot air balloon rides, weather permitting. On weekends, skydivers land right in front of the cafe. Watch for all the special events. We have several throughout the year.

The Hangar Kafe is open seven days a week.
Sunday through Thursday: 6 a.m. - 7 p.m.
Friday and Saturday: 6 a.m. - 9 p.m.
