MISSION

Welcome to Lindenwood University and the J. Scheidegger Center for the Arts. Tonight's event is part of our Academic Series, which supports our mission to afford cultural enrichment to the surrounding community. Since 2008, the J. Scheidegger Center has played host to an impressive list of artists, entertainers, and touring productions, including Jay Leno, Willie Nelson, Bernadette Peters, Amy Grant, The Beach Boys, and the national tours of *CATS*, *Jesus Christ Superstar*, and *Movin' Out*. Our 2017-2018 season is no exception. From laughs to legends to Broadway, there is something for everyone, and it's all Live at Lindenwood!

J. SCHEIDEGGER CENTER FOR THE ARTS

Students who choose Lindenwood University's School of Arts, Media, and Communications have the extraordinary opportunity to study at the J. Scheidegger Center for the Arts. A living laboratory for the arts, the Center includes two professionally equipped theaters, two art galleries for exhibiting traditional and multimedia artwork, a high-definition television studio, dance studios, music studios, traditional classrooms, costume and scene shops, and multiple computer labs.

THANK YOU

Our sincere gratitude to the alumni, friends of Lindenwood, and students who volunteer as ushers for each Main Stage production.
