"Your Communicative Link with the Lindenwood College"

Vol. 2, No. #16; Nov. 7, 1983

## 'THE PRESIDENT'S MESSAGE'

The annual Homecoming and Alumni Reunion Weekend for 1983 are history - and good history! More than 100 alumni attended, and the comments by nearly all alumni were most complimentary regarding preparations made by the faculty, staff and students. A special word of thanks to Esther Fenning who coordinated alumni activities and to Janet Zak who coordinated the student events for Homecoming.

Congratulations and a tip of the hat to C. C. Lowry and the men's soccer team and to Debbie Suchman and the women's soccer team for providing many hours of fascinating soccer this semester. We are grateful for the hours and hours given by both coaches and the players.

Now, we move on to Coach Bob Benben and Coach Christine Storey and their basketball teams. We are anticipating some exciting games!

The Lindenwood Theatre and the Visiting Artists Series both are off to good beginnings. This campus is blessed with abundant opportunities to enjoy both stage and cultural presentations.

As we enter the twin holiday season of Thanksgiving and Christmas, plans are under way to make both holidays meaningful for Lindenwood students, faculty and staff. Announcements will be made soon for several festive events during the holidays.

Open to the community as well as students and faculty without charge, the presentation is part of the course, "Religion in America," being taught this semester by Aaron Miller, Ph.D., dean of faculty and provost. Thursday's lecture as well as another on November 17 featuring the Rev. ### COOPERATION LEADS TO SUCCESSFUL WEEKEND

Physical Plant Director Wayne Daugherty expresses thanks for the departmental cooperation and efforts of both students and staff that led to a successful homecoming and Alumni Reunion Weekend on campus. Much planning and cooperation among employees and students went into the event, which was termed one of the most successful in recent years. More than 100 persons took part in Alumni Reunion Weekend, a substantial increase from previous years.
