A WORD OF WELCOME.

Lindenwood College stands for the highest ideals in Christian education. Body, mind and soul development is essential to a useful life. The purpose of the Faculty and Officers of Lindenwood College is to help each girl in her efforts to get the most out of what the college has to offer.

Co-operation is our watchword — students and teachers working together with a high ideal before they can accomplish the best results.

As you come to us for the first time we ask you to realize that you are one of a great family to live together, and work together for a common good. She that hath friends must show herself friendly. Put yourself into the work and play and fellowship, and we will all be benefited by your presence.

Never was there such a time as this. The world is calling to educated women for world leadership. Enter upon your work determined to qualify for the best things in life. Do not look for things to find fault with, but determine that the College is going to be better because you have been a student here.

Do not keep your troubles to yourself. Unburden them to us and we will try to help you in every way we can.

With best wishes for a pleasant and profitable school year of 1919-1920, I am,

Sincerely yours,

John L. Roemer.

MRS. JOHN L. ROEMER, Dean of Students

GREETINGS FROM THE DEAN OF STUDENTS.

Again we send this little book to bring to you the greetings of the Faculty and Officers of Lindenwood College. I am anticipating the new school year with much pleasure and assure you that your happiness and welfare will be of paramount importance to me.

During this great reconstruction period of the world's history a new kind of patriotism has come into being. The "Peace-time Patriotism" is of vital interest to all American women.

The government looks to the women of America to help in this great work. To you who have the opportunity of a college education, much will be expected. May your year here be a profitable and happy one.

I want you to feel free to come to me at any time that I may be of service.

Most sincerely yours,

Wm. J. L. Roemer.

GENERAL INFORMATION.

There is a great deal for you to learn when you first arrive here. Don't get discouraged if you can't get everything straight at once. Don't hesitate to ask questions of the "old girls." They have not forgotten that they were "new" girls once.

Absence From Classes and Examinations.

One unexcused absence will lower the semester grade from M to I, etc. Three unexcused absences will make the student lose her credit in that course.

No student will be re-examined in courses in which she has failed.

An unexcused absence on the day preceding or the day following a holiday will be counted as a double cut.

In the case of enforced absence from regular examinations, at the discretion of the Dean, the work may be made up by special examination or otherwise, as the Dean may determine. If the work is made up by special examination, this must be done at a time convenient to the instructor and the student, but must not interfere with regular class work.

Deliberate absence from examination gives no credit in the course and cannot be made up by special examination.

The boarding department opens Tuesday noon, September 9. The work of the College year begins at 8:00 a. m., Thursday, September 11.

Advisers.

During the first week of school, each student is assigned to some member of the faculty, who acts as her adviser during the year and assists her in the selection of her course of study.

Every two weeks the members of the Faculty look over the grades, and every student whose grade is below M is reported to her Adviser, who has a personal interview with her and tries to find out why the work is not satisfactory. Once a month the report is sent to the Dean's office. Any girl who is reported to her Adviser twice is summoned

for an interview with the Dean of the College, and her schedule is carefully gone over to find out just why she is not doing good work. This system has been used very successfully this year and enables the students to have a personal contact with members of the Faculty, which has been very helpful to both.

Lindenwood Bank.

The Bank is located in the business office, on the first floor of Jubilee Hall. The Cashier has regular office hours which are posted on the bulletin board at the door. All bills are to be paid in this office. Students are urged to deposit their money here to insure safety. Carrying money about or leaving it in the rooms oftentimes leads to carelessness and loss. The College stands responsible only for money placed in its care. The bank is for "depositing," not *borrowing*.

The Book Store.

The Book Store is located on the first floor of Sibley Hall. Here the general supplies of stationery, ink, pencils, etc., may be obtained. Your instructors will deliver your books to you, and after you have signed the receipt for the book it will be charged to you in the office of the Secretary, and deducted from the deposit fee of \$20.00, which you made to hold your room. At the close of the school year any balance which may be due you will be paid by the Treasurer.

Furniture.

Each student's room is supplied with single bed, mattress, pillow, study table, chairs, bureau, closet or wardrobe, and stationary washstand with hot and cold running water. The windows are furnished with shades. Students must furnish curtains if desired. Each student is responsible for the care of her room, and any intentional injury done to furniture, rooms or building will be charged to the offender. No tacks or nails may be placed in the walls. Pasting pictures on the walls is also prohibited.

Grocery Store.

A grocery store is maintained on the first floor of Butler Hall, which is open every afternoon at four o'clock. Like the book store it is conducted on a purely cash basis.

Government and Discipline.

The government is firm and kind. Such regulations as are absolutely necessary to the welfare of the students are made and enforced. The pupils are permitted to share in their own government to whatever extent their training fits them in the form of self-government in the matter of exercise and study hall. Our location permits a large degree of liberty to our students.

Individual and community responsibility rests upon the students. A Student Self-Government Association outlines the rules and regulations of student government under the supervision of the faculty. A handbook is printed, giving rules and information of discipline and government.

EACH STUDENT, UPON ENTRANCE, AUTOMATICALLY BECOMES A MEMBER OF THE ASSOCIATION.

Since it is the purpose to keep the atmosphere of the school wholesome and helpful, the faculty may dismiss at any time any student who may be exerting a harmful influence, or who may be found to be entirely out of sympathy with the tone and standard of the school, even though she has not committed any special act of insubordination.

Home Life.

The College takes the place of the home while the student is in residence, and great care is taken to foster the spirit of the home. The greatest freedom consistent with the best interests of each is given. Each student is counseled with on matters pertaining to her welfare by the Dean of Students. Individual responsibility is encouraged and the spirit of co-operation and family fellowship taught. Each

student is required to care for her own room. Neatness in housekeeping is credited. A prize is awarded the one having the highest grade at the end of the year.

Dress.

Any extravagance in dress is firmly discouraged. While no uniform is required, students are requested to bring only the most simple clothing. A dark tailored suit, and a small, plain hat will meet the requirements for church and street wear. For school use separate skirts and plain blouses, or Peter Thompson suits are advised.

The Dean of Students and the Dean of the College have adopted a plain tailored shirt waist suit for school wear. White is worn in the fall and summer and a black skirt and white waist for winter.

For dinner and the occasional social functions, students should provide themselves with ample clothing which would be appropriate for their age and school rank at home. Parents are urgently requested not to allow their daughters to bring with them evening dresses, sleeveless, and with extremely low necks. These are not suited to school life. The Dress Censor reserves the right to forbid the wearing of any dress which is deemed objectionable.

EXPENSIVE JEWELRY SHOULD BE LEFT AT HOME.

HONOR LITERARY SOCIETY.

PHI THETA KAPPA.

Phi Theta Kappa is the junior college honor sorority which was organized at a meeting of the junior college presidents in February, 1918. At Lindenwood this society will absorb and succeed the Kappa Phi Omicron society, which was established here in 1911. The purpose of the new society, as of the old, is, "To foster a spirit of devotion to study and the scholarly ideals among the students of accredited junior colleges." There are chapters at present, in

Stephens College, Christian College, Howard Payne College, and Lindenwood, and new chapters are to be installed in other junior colleges. Those elected to membership during the year are: Mary Lee Faris, Margaret Seymour, Mary Ellen Young, Kathryn Burch, Eva McGuigan, Josephine Cook, Bernice Thomure, Patti Hendy, Helen Salyer, Catherine Calder, Helen Chalfant, Loula Franklin, Florence Graves, Aida Haverkamp, Ruth Keeling, Marion Knapp, Ruth Mayfield, Eleanor Moehlenkamp, Leona Moehlenkamp, Helen Peck, Marie Reintges, Ella Riske, Helen Shepard, Olive Townsley, Pauline Weissgerber, Zelle Whitmarsh.

HONOR MUSICAL SOCIETY.

ALPHA MU MU.

The honorary musical sorority of Alpha Mu Mu was founded in Lindenwood College in May, 1918. This organization is to the Music Department what the Phi Theta Kappa sorority is to the Literary Department. Its object is to promote a keener interest in and greater enthusiasm for the study of music, and election to membership is the highest honor conferred by the department.

The following members were elected during the year: Gladys Howard, Ruth White, Lena Allison, Dorothy Smith, Mary Dunwoody, Edeline Geronin, Maurine McLachlin, Ann Niccolls, Lucile Roberts, Helen Shepard, Nellie Shuttee, Dorothea Sodeman, Dorothy Vinyard, Margery White, Mary Ellen Young.

HONOR EDUCATION SOCIETY.

DIDASKALION.

An education club was formed early in the year for the purpose of further enlightenment along educational lines. In this, the first year of the organization, it has done work worthy of note. The senior members for the year were, Suzaine Brecht, Helen Chalfant, Elizabeth Clark, Ruth Dolan, Bertha Eastin, Aida Haverkamp, Adrienne Jordan, Marion Knapp, Louise McGee, Marie Reintges, Helen Shepard, Margaret Smith, Irene Stephens.

EUTHENICS CLUB.

An Organization of the Senior Home Economics Girls.

This society was organized by the department early in the year and has created much interest in the work of the department. The senior members were: Helen Chalfant, Edith Owen, Marie Rientges, Pauline Weissgerber, Elizabeth Clark, Marion Knapp and Louise McGee.

Hospital.

The greatest care is taken of the students' health. The first requisite of an education is the care of the body. Physical exercise adapted to each student is required, and a trained instructor is charged with the duty of looking after the physical development of the students.

In case of sickness the students are put in care of a graduate nurse who has charge of the modernly equipped College hospital. The hospital is located in the south end of the second floor of Sibley Hall. Here will be found the hospital office adjoining the nurse's private room. Opening up from the office is a general ward for the less severe cases of illness. Back of the general ward are private hospital rooms for cases requiring special care and quiet. A diet kitchen and two modern bathrooms are provided for the use of patients.

In case of sickness the student is provided with medical attention and every convenience of a modern hospital, free of expense except for medicines.

In cases of serious sickness, requiring a private nurse and attention of a physician, the student bears the additional expense.

The Board of Directors completed the past year a "detention hospital," which is built with all the conveniences of caring for contagious diseases. This precaution was taken, although in the eighty-eight years of the College history little use has been found for such a building. The purpose of the board is to assure its patrons that under each and every possible contingency their daughters will receive the very best care and attention.

THE COLLEGE LIBRARY.

The Library occupies two large rooms in the south wing of Sibley Hall. It has eight windows, is well lighted at night, and is comfortably furnished.

The Loan Desk is found at the entrance to the second room. It is here that all books must be charged and discharged, whether for home use or for use in another part of the Library. The card catalog is contained in a cabinet of drawers near the Loan Desk.

Library Hours.

Open daily except Saturday and Sunday: 8 a. m. to 12 m., 1 p. m. to 6 p. m., 6:30 p. m. to 8 p. m.

Saturday, 9 a. m. to 12 m., 1 p. m. to 4 p. m.

Sunday, 1:30 p. m. to 2:30 p. m., for reading purposes only.

Library Rules.

All members of the college are entitled to the use of the Library.

A registration list is kept at the Loan Desk. All new members of the college are expected to register in the Library and to read its rules before availing themselves of its privileges.

Rules Regarding the Loan of Books.

RESTRICTION OF CIRCULATION.—During library hours books which are needed for class work are kept in the Library.

Books belonging to the classes named below may never be taken from the Library:

- (a) General periodicals, bound.
- (b) General reference books, *i. e.*, all encyclopedias, dictionaries, atlases and other books of reference.
- (c) Books in certain special collections, also books too rare or valuable to be loaned, and books whose circulation may for special reasons be restricted by the Librarian.

LOAN AND RENEWAL.—Fiction, works of general literature, and other books not closely associated at the time with the work of any department, may be drawn for a period of two weeks. A book

may be renewed for the same period of time. A student may draw three books at a time—two non-fiction and one fiction.

FINES.—Every book not returned or renewed within two weeks becomes subject to a fine of five cents a day. Students having unpaid fines are not expected to draw books from the Library. No student is at liberty to use another's name in drawing a book. Library books may not be taken to the Infirmary.

RESERVE BOOKS.—A reserve book, *i. e.*, a book kept in the Library because needed for class work, may be taken out only for the hours during which the Library is closed. Failure to return such books on time incurs a fine of ten cents for the first hour and twenty-five cents for each hour thereafter.

RESERVATION.—An engagement book is kept at the Loan Desk for reservation of books to be taken for the hours of closing. The reservations in this book are not charges. A book engaged in this way must be charged by the Loan Desk Assistant before it may be taken from the Library. Students are expected to see that the books desired have not already been engaged by others.

CHARGING.—Every book taken from the Library must be charged at the Loan Desk. For failure to observe this rule the fine will be twenty-five cents for the first offense, and on repetition of this offense all Library privileges will be forfeited for one month.

RETURN OF BOOKS.—Every book taken from the Library must be returned at the Loan Desk, where the charge for it will be canceled. Borrowers remain responsible for books as long as the books are charged to them.

RECALL OF BOOKS.—All books taken from the Library are subject to recall by the Librarian and must be returned immediately upon receipt of a recall notice.

Rules Regarding the Use of Books in the Library.

Books should be used, as far as possible, near the shelves in which they belong. To avoid misplacement, all books should be left on the tables; never returned to the shelves.

Reserved books used only in the Library must be asked for and registered at the Loan Desk. Students are expected to return reserved books to the desk when through using them.

Ink, except in fountain pens, must *not* be used in the Library. Ink bottles must not be brought into the Library.

All are expected to co-operate in preserving quiet and order at all times, especially in entering and leaving the Library.

The Post Office.

The Post Office is located on the first floor of Jubilee Hall. A box is assigned to every student, and a fee of fifty cents is required before the key is given out. Packages may be mailed here, stamps bought, etc., as in any other post office. In each hall are mail boxes for the outgoing mail, which is collected twice a day.

Reports to Parents.

Complete reports of deportment and scholarship are sent to parents twice each school year, as soon as possible after the close of each semester early in February and June. However, in case any student fails in any subject all the grades made by the student that month will be sent to the parents.

All grades are kept on file and may be examined by those interested. Monthly reports will be mailed upon the request of parents or guardians.

Religious Culture.

Religious Culture is not overlooked. While the College is non-sectarian in matters of religion, it is insistent upon the knowledge of the Word of God and Christian training. Every student, unless excused by the President, is required to take at least one hour each week in the study of the Bible.

Addresses are given during the year by Ministers, Missionaries and laymen, upon topics that will give the students a larger vision of the Christian World work. Chapel services are held each morning and Vespers Sunday evenings. The Young Women's Christian Association is a most effective organization in the development of the religious life. Pastors of the city are given the names of young ladies who express denominational preference. Each student, after electing the Church she prefers to attend, is expected, unless excused by the Dean of Students, to attend the Church of her choice every Sunday morning. Attendance at evening services in the Chapel is required. Many of our students engage in Christian service in the local churches and teach in the Sunday schools.

Scholarships.

The Watson Fund provides a scholarship of one hundred dollars for every daughter of a Presbyterian Minister attending Lindenwood College. When the revenue of the endowment is not all used it is applied to the education of the daughter of any Evangelical Minister attending the College, who applies.

Choir.

A college choir will be organized under the direction of Miss Hatch. You are urged to try out for the choir if you have musical ability. Don't be afraid.

Choral Society.

The Choral Society is organized early in the fall and will be under the personal direction of Prof. Leo C. Miller, who is a choral director of wide experience. All voice students are expected to belong, and others may try out for places. This is an excellent opportunity to get musical training and in touch with college life. Do not fail to join.

Two big Choral Concerts are given each year by the Society, and only regular attendants at the rehearsals are allowed to appear.

RELIGIOUS LIFE.

The Young Women's Christian Association.

The object of this organization is the development of Christian character in its members and the prosecution of active Christian work among the women of the College.

The work of the Association is carried on by the members, assisted by the Faculty Adviser and the officers.

Membership is open to any student or member of the faculty who is in sympathy with the purpose of the Association. Regular meetings are held on Wednesday evenings.

The Christian Association wants you to feel this is a personal invitation to you to join. It is a growing and developing organization and will be better for your active co-operation and for your new ideas. We need new ideas, and each girl should be able to find some phase of the work which will interest her.

The annual dues are one dollar, and the greater part of this goes toward maintenance.

Miss Emily Sharp, of St. Louis, Mo., is the President for the coming year, and earnestly asks your support in making this the greatest year in the history of the organization. Miss Lucy Proudfoot is the new Faculty Advisor.

Mission Study.

Interesting classes and groups for discussion will be held to study the social and religious problems of our own and foreign countries. These classes will be led by especially trained out-of-town speakers and members of the faculty; so that the students will become familiar with the latest information on missions.

VESPER SERVICES.

Every Sunday evening, in the chapel, a religious service is held for all members of the College family, and for anyone else who cares to come. The service is short, and the music is furnished by the College choir.

CHAPEL EXERCISES.

All students are expected to attend the regular chapel exercises at twelve o'clock every day except Saturday and Sunday, and the Sunday evening service, which is conducted by the College Pastor.

The students are expected to sit in the seats assigned to them by the President of the Student Government Association. If for any reason a student occupies any other seat, she must have the permission of the President.

COLLEGE ACTIVITIES YOU SHOULD TAKE PART IN.

YOUNG WOMEN'S CHRISTIAN ASSO-
CIATION.—Membership fee of one dollar a year is
required, and the members have the full use of the
Y. W. rooms.

CLASS ORGANIZATIONS.—All Classes have formal organizations, and every girl is supposed to identify herself with her own class and take part in the activities.

DRAMATIC.—Dramatic Association composed of the members of the Expression class and all other students who have dramatic ability.

CLASS PLAYS.—A cash prize is given every year by the College to the class which produces the best original play.

ATHLETIC ASSOCIATION.—Almost every girl is interested in some form of athletics, either as a participant or as an onlooker. The College requires that every girl who is physically able take some form of physical exercise. Classes in gymnasium work are arranged, also swimming, hockey, tennis, hiking, track, and baseball. At the opening of the semester each girl is examined by the College Physician, and then assigned to some form of gym work by the director of the department. Girls who are not able to take part in regular work are required to report to the Infirmary regularly and take the "rest cure."

You may become a member of the Athletic Association by merely paying your dues. Membership makes you eligible for any of your class teams or sub-teams, and puts at your disposal the use of the tennis courts, athletic field, etc. It also includes your entrance fees for class games.

Membership also gives you a voice in the management of the Association, and every student is urged to take an active interest in all affairs pertaining to the Association.

Don't forget to try out for all teams and help your class to make a good showing. If you don't make the team, remember that you can help by

being on the side lines. Here you can be an "Active" member of the Association, as a "game" attitude is needed on the side lines as much as on the team. Loyal support on the part of the student body is just as necessary for a victory as to have a fine team which is fighting alone.

Don't fail to join the Association.

ATHLETIC AMUSEMENT COMPANY.—

The students in each dormitory give amateur performances on Saturday nights for the members of the school.

STATE CLUBS.—Membership open to all girls from the state. Object, to promote greatest interest in and loyalty to the College.

LITERARY SOCIETY.—A chapter of Phi Theta Kappa, an honorary sorority to which all College students are eligible. Election to membership is based upon scholarship, conduct and general fitness.

MUSICAL SOCIETY.—A musical society, known as Alpha Mu Mu, was organized in Lindenwood College. Only students who are specializing in music are eligible to membership. Election is based upon decided musical talent, conduct, application to study and general fitness.

FACULTY.

In addition to being your instructors in classes, the Faculty are interested in you personally. One of the means which is taken to increase this interest both on the part of the Faculty and the students is the system of assigning each student to a member of the Faculty, who acts as her adviser. You are expected to go to her with any difficulties you may have or for any information which you want.

Be sure to become acquainted with all of the members of the Faculty. It increases the value of your college life to come into close contact with your teachers, who have wider experience and a broader outlook on life. The members of the Faculty are particularly interested in you and the success of your college career. Do not be afraid to ask their advice at any time. Your confidence is always welcome, but not demanded, so the initiative for special consultation rests with you.

It is to your advantage to make your Faculty adviser a friend through College. Go to call on all of the members of the Faculty, even if you do not have classes with them. It will help you to know them, and they are anxious to know you. After you have called, do not be afraid to go again, for they are always glad to see you.

LINDENWOOD COLLEGE.

History.

Lindenwood College is one of the oldest colleges west of the Mississippi River. Its early history dates back to 1827, when Major George C. Sibley, then stationed at St. Charles, and Mrs. Mary Easton Sibley, his wife, were impressed with the need of a school in the sparsely settled Southwest for the higher education of young women. A beautiful site was selected, overlooking the Missouri River, in a forest of linden trees. From the trees the name was given the school—Lindenwood. Under the direction of Mrs. Sibley the school was conducted, and from Major Sibley's diary it is learned that young women came by stage from all parts of the state and surrounding country to attend Lindenwood College. Many of the first families of St. Louis were patrons, and the enterprise grew steadily in numbers and prestige.

Major and Mrs. Sibley, being members of the Presbyterian Church, placed the appointment of a Board of Directors and the school under the care of the Presbytery of St. Louis. In 1831, ground was broken, and a log house erected, capable of accommodating thirty or forty boarding students. The school grew in favor and influence. While placed in the care and under the direction of an ecclesiastical body, it was to be ever maintained in the interest of all who sought its privileges. One provision, however, was insisted upon, and that was the teaching of the Word of God as part of the curriculum.

In 1853, the College was incorporated by special act of the Legislature of the State of Missouri. The appointment of directors was transferred to the Synod of Missouri, U. S. A.

July 4, 1856, Major Sibley and his wife executed a deed to one hundred and twenty acres of land to the Directors of the College. The Directors accepted the gift as a sacred trust, agreeing to maintain the institution, and to use it in accordance with the purposes of the founders. In accordance with the privileges of the deed, parts of the land were sold from time to time to erect buildings that

were necessary, until today only thirty-six acres remain as the College Campus.

Friends have been interested in the development of the College and, from time to time, substantial gifts have been made to insure its larger growth. In days gone by the names of Watson and Ridgley have been prominent. In recent days Lindenwood College has been generously remembered by Colonel James Gay Butler and his wife, of St. Louis, Mo. During Colonel Butler's life he gave several hundred thousand dollars in buildings and equipment. At his death he generously endowed the College. His wife took up her husband's life work and has added bountifully to his gifts, until the College today has property and endowment of over two millions of dollars. It is not the material side of the College life that is emphasized. While alumnae and students rejoice in being so generously remembered, yet it is the transmuting of material into spiritual life that gives the greatest joy. The wishes of Colonel and Mrs. Butler have ever been that Lindenwood College should stand for the highest perfection of—The Useful Life of Womanhood. The preparation of young women for the greatest efficiency in home, church and state is the ideal set before us and faithfully maintained. Since its foundation, the purpose of the College has been embodied in the saying of the World's Greatest Teacher—"Not to be ministered unto, but to minister." To this end Lindenwood seeks no other gain than that of serving the purposes of its founders and benefactors.

Location.

Lindenwood College is situated in St. Charles, Mo., within fifty minutes' street car ride of St. Louis. For beauty of location no city excels it. Situated on the highlands overlooking the valleys of two of the world's mightiest rivers, the eye never tires of looking on this picturesque landscape.

More than a century old—the first capital city of Missouri—it has kept pace with the progress of the state. Its paved and oiled streets, lighted from the famous Keokuk power plant, are the brightest of any city in the West. Its municipal water sys-

tem and the elevation of the city above the river give it entire freedom from fevers and malaria. Its substantial residences, its concrete walks, its abundance of shade, its macadamized streets and roads leading out in all directions; all these and more are facts of which its inhabitants may well boast.

The main lines of the Wabash and the Missouri, Kansas & Texas railways reach all points to the north, west and southwest. These two roads and an electric line, leaving every thirty minutes, give service to St. Louis at all hours. At St. Louis, connections may be made with all points of the compass. St. Charles is also situated on the Boone's Lick Trail, now a part of the National Road, and thus is on the direct line of all automobile travel east and west. The "Red Ball" route from Minneapolis to the South also crosses the river here.

Its 10,000 population, its wealth, its excellent public buildings, its churches, its schools, its hospitals, its public-spirited citizens, and its situation as a suburb of St. Louis make St. Charles a very attractive residence city.

The advantages of suburban and the privileges of city life are afforded Lindenwood students. The best concerts, lectures, operas of the nation, are within easy reach, and the students are permitted to attend the very best.

Art museums and centers of culture and music are always open to our students.

There are few schools so happily situated for all possible opportunities of college and culture.

BUILDINGS AND GROUNDS.

The College grounds cover an area of thirty-four acres, situate on one of the highest elevations in the extreme western part of the city. Within the city limits, having all the advantages of light, water and fire protection, yet so separated by extent of area as to afford the greatest freedom to the students in their daily exercises and routine of college life.

The stately trees, excellent walks and driveways, the close proximity to the beautiful country surrounding, make the site ideal for the location of the College. Under the direction of our landscape architect, the spacious campus is being beautified and a plan of future development being worked out.

The buildings are the best that modern architecture can devise and are provided with every convenience for the comfort and health of the students. In the past three years over \$400,000.00 have been expended on buildings and equipment.

Sibley Hall.

Sibley Hall was named to commemorate the name of the founders of Lindenwood College—Major George C. Sibley, and his wife, Mrs. Mary Easton Sibley.

It is a three-story brick building, which, when completed, cost \$70,000.00.

At considerable expense it has recently been remodeled and provided with every modern convenience. Hot and cold water is provided in the commodious washrooms on each floor, and the most improved sanitary plumbing has been installed throughout the building.

The first floor of this building is used for classrooms, the library and chapel. The ground floor for domestic science and domestic art. The second floor is used for classrooms and infirmary. The third floor is used exclusively for dormitory purposes. All the rooms are large, nicely furnished and well lighted.

Jubilee Hall.

Jubilee Hall was the outcome of the interest which was stimulated by the seventy-fifth anni-

versary of the College. This building was begun in 1907 and ready for occupancy in 1908. It is a substantial brick building of three stories and a basement, almost entirely above ground. It was made possible by the generosity of Andrew Carnegie, Colonel James Gay Butler, John A. Holmes and Mrs. Wm. L. McMillan. Each room has a stationary washstand, supplied with hot and cold running water. The first floor of Jubilee Hall is used for administration purposes. The second and third floors for dormitory. A large, handsome, well-lighted and modernly equipped art room is made part of this building. In the rear of the main building is a large, modern dining-room. This room is amply lighted by long windows extending nearly to the floor, and furnishes pleasing views of the bluffs along the river.

Butler Hall.

Butler Hall is a practically fireproof building, named after Colonel James Gay Butler, whose interest in Lindenwood College led him to erect, at his own expense, this fine structure, which was formally dedicated February 19, 1915.

On the first floor is the "Students' Living Room," where the students can assemble and enjoy social fellowship. The room was furnished by Mrs. Butler, who spared no expense in making it most "homelike." Easy chairs, writing desks, leather sofas, tables, are to be found in abundance. Pictures of the master painters hang upon the walls. Everything that makes for comfort and refinement is provided. The second and third floors are used for dormitory purposes; hot and cold running water is in every room. Tub and shower baths are provided. Each dormitory is most complete in all its appointments. The aim of the College is to make a home for the students, and all the rooms are arranged with this purpose in view.

Niccolls Hall.

Niccolls Hall is named in memory of the late Samuel Jack Niccolls, D. D., who for a generation was identified with Lindenwood College as President of the Board of Trustees. The building was

erected by his friend, Colonel James Gay Butler, at a cost of nearly one hundred and twenty-five thousand dollars. The building is a fireproof brick, steel and stone structure, three stories in height. An imposing entrance way of Doric columns gives the building a classic Grecian appearance. Two reception rooms are to be found on the first floor and a sun parlor features the second floor. The rooms are bright and well ventilated. Every room is a front room, and on every floor tub and shower baths are provided. Niccolls Hall has a capacity of 131, and is the largest dormitory on the campus, being 140 feet in length and 81 feet 6 inches deep. It is provided with every modern convenience for comfort and safety. In the basement of this building soundproof rooms are used for piano and voice practice.

Margaret Hall.

Margaret Hall is named after Mrs. James Gay Butler, and is a handsome two-story building, located at the entrance to Butler Way and Kings-highway. The building has been handsomely furnished and is being used as a conservatory of music. The departments of piano, voice and expression occupy this building.

Science Hall.

Science Hall is a well-equipped structure, for the departments of chemistry, botany and biology. It is well lighted and heated and within easy access of the classrooms of Sibley Hall.

The Art Pottery.

The Art Pottery is a building erected during the spring of 1914, and is used for the burning of decorated china.

The Central Heating Plant.

The dormitories are steam heated. One boiler house furnishes the steam and the water for all the dormitories. The central heating plant is located some distance from the buildings and is twenty feet beneath the surface of the ground. Two large 150-horsepower tubular boilers of the Brownell type

are installed in the plant and are more than adequate to meet the requirements. Four large water boilers, containing 1,500 gallons, supply the buildings with hot water, which is always ready for the most remote room of any of the dormitories. The building is of stone and cement structure and fireproof. Efficiency and safety are always considered.

DO'S AND DON'TS FOR NEW STUDENTS.

Begin well! Remember, bad work for the first year handicaps you all the way through college.

Don't be discouraged if you have to wait in line for everything you want the first week. Make a complete list of everything you want at each place, so you need go through the agony only once. Keep cheerful!

Watch the Bulletin Boards.

Don't treat chapel as a social function. You will be disturbing to your neighbors, and, after all, they may want to hear.

Don't buy candy. Buy thrift stamps.

Don't go in your neighbor's room when she is away. Something might be missing.

Don't sit on the Campus and talk unless you are working; knit if you can.

Don't use your roommate's belongings without asking for them.

Don't forget to write home often. Your letters are watched for and time does not pass so rapidly for those who are home.

Don't wear your roommate's clothes. Keep your own individuality.

Get interested in non-academic activities.

Don't play with one girl exclusively. There are 250 in College.

Don't cut "Gym." This department issues conditions.

Bring a napkin ring to college with your name on it, if possible. You'll find it useful!

Don't bring a dozen trunks to college. A few simple, becoming dresses are all you will need.

Send a note to someone who is sick. They will appreciate it and remember long after you have forgotten the incident.

Don't forget to run in and see your mother's friends. They are always interested in you and your affairs, and will want to know about the College you have selected.

Don't forget to bring suitable clothes. (See page 76 of the catalog.)

Don't forget that a college education is an opportunity and an obligation as well.

Sign up for at least one form of athletics, and work hard at it.

Don't be extravagant. Your allowance won't stand it, and it doesn't make friends for you.

Introduce your guests to the Faculty.

Don't take guests to class without first introducing them to the teacher who conducts the class.

Don't get a crush! It's the surest way to get disliked.

Don't fail to make some mistakes—or you won't have any Reminiscences!

LINDENWOOD SONGS.

Melody, "Illinois Loyalty."

We're loyal to you, Lindenwood;
We're yellow and white, Lindenwood;
 We know you can stand
 'Gainst the best in the land,
For your standard is grand, Lindenwood, Rah!
Rah!

Then on with your work, Lindenwood;
Not one girl will shirk, Lindenwood.
 Our school is our greatest pleasure;
 On, girls, with great endeavor;
Three cheers for New Lindenwood!
Cha! he! Cha! haw!—Cha! he! haw haw
Lindenwood, Lindenwood, Rah! Rah! Rah!

Melody, "My Heidelberg, My Heidelberg."

Here's to our fair, new Lindenwood;
 Here's to the flag she flies;
Here's to the girls that boost for her;
 Their spirit never dies.
Here's to Marguerite, so white;
 Here's to our colors true;
Here's to each daughter of old L. C.;
 Lindenwood—here's to you!

Chorus:

Oh, Lindenwood, dear Lindenwood,
 Thy daughters sing thy praise;
That golden haze of student days
 Will linger 'round thy name.
And cherished be the memory,
 Through all the coming years,
When far away that memory
 Will fill our eyes with tears.

Melody, "Wisconsin."

Lindenwood to you, our College, we'll be ever true.
We are working, we are fighting, always just for
 you.
In the first rank you're the foremost, for the best
 you've stood,
We love and honor you, Our Lindenwood.

Melody, "When You Wear the Ball and Chain."

When you've got the ball and chain around your
ankle,
'Cause the teachers in their meetings of you speak,
There's no virtue in repentance,
You have got to serve your sentence,
Which is chaperons for a week.

You've a number and you bet the teacher's got it.
But these stripes are now in vogue, if you are vain.
If you're no good on the whole,
You won't be on the honor roll,
And you'll have to wear the ball and chain.

Prize Song, 1917—Music by Miss Mildred Howard.

Of all the schools in all the world,
It's Lindenwood for me.
In play and work you'll find, we're always fair and
square;
The girls and all the faculty show loyalty to thee.
For mem'ries dear and friendship we will ever care.

At Lindenwood we've lots of sports,
Our swimming stands the test,
Our hockey and our tennis, too,
Are full of lots of zest.
And when it comes to basket-ball,
We're simply out of sight;
Oh, Lindenwood, we love you;
Yes, with *All Our Might*.

Dear Old Lindenwood.

Here's from dear old Lindenwood,
Our College of wide renown;
You'll find it in grand old Missouri,
At the edge of St. Charles town.
Hail! To the White and the Yellow,
The Elms and the Lindens we love;
And for a grand, glorious future,
We look to the Power above.

Melody, "Stein Song."

Oh, there's many a school and college
For years and years have stood;
But for fun and friends, and knowledge,
The best is Lindenwood.

Alma Mater is our glory,
Our greatest joy and pride;
And we'll sing to her the story,
As we stand here, side by side.

Chorus:

Oh, it's L. C. forever,
We're school-fellows here together;
We will sing her our praises,
We will sing for Lindenwood.

Song of the Classics.

O, Latin and Greek and Mythology, too!
They say by your culture is rated,
So with Caesar in battle's victories we've fought,
And the silver-tongued lawyer translated;
The terrible Alps we in fancy have crossed,
Aeneas' sad tale heard related;
We've learned the Greek letters and charming old
myths,

And now say: Are we not educated?

We know Horace's odes and philosophy, too—
Word pictures of nature he's painted;
Of Terence and Ovid we've dutifully learned,
With Tacitus we are acquainted.
In fact, with all Latin, prose, drama and song,
In whatever age it is dated,
We've grown quite conversant; we'll never forget,
And now say: Are we not educated?

By iota subscripts and by accent marks, too,
By the aroist tense we're not bested,
By dative and ablative case and the like,
Our peace of Mind's no more molested.
Of Zeus and of Juno, Ahen and Mars—
Epimetheus who mankind created,
Of goddesses, gods, and great heroes we learned,
And now say: Are we not educated.

—Words by *Patience Kamps.*

—Music by *Lois Hanna.*

We Lindenwood girls are there on looks,
And full of pep, you see;
We've said enough about ourselves,
So we'll mention the faculty.
They are a very brilliant set,
And order they preserve,
And sometimes we are forced to go,
Before the student board.

But firm we stand for you, Lindenwood,
Our hearts and hands for you, Lindenwood,
Our colors we unfurl,
To wave for every girl.
You stand for the best that's in the land,
We sing our praise to you we love the best,
For you're the Wellesley of the West;
And our hearts will all be true,
When we wave farewell to you,
For we're White and Yellow, Lindenwood.

'Mid the hills of old Missouri, there's a school that's
dear to me,
Where the mighty "Muddy Water" wanders down
toward the sea;
Standing there among the Lindens with her open
doors for all,
Lindenwood, to every daughter, sends out this
reverberate call:

"Give, oh, girls, of L. C. training,
To the world your very best;
And forevermore be faithful,
To the WELLESLEY OF THE WEST."

And her daughters, 'tho they're scattered from Los
Angeles to Maine,
And from Idaho to Georgia, all take up the loyal
strain,
As they go about their duties in this busy land
today,
Be they teachers, wives, or artists, they, responding,
seem to say:

"We are striving, dear old L. C.,
To the world to give our best
And we'll evermore be faithful,
To the WELLESLEY OF THE WEST."
V. M. T., '17.

Tune: There'll Be a Hot Time in the Old Town Tonight.

Yell, girls, yell, for L. C. has the ball,
Yell, girls, yell, we'll eat them bone and all,
For when we get that ball,
There'll be no ball at all;
There'll be a hot time in St. Charles tonight.
Rah! Rah! Rah!

Hip, Hurrah, Lindenwood, Hip, Hurrah,
Hip, Hurrah, Lindenwood, Hip, Hurrah,
Keep your eye upon the score,
While we roll it up some more.
Hip, Hurrah, Lindenwood, Hip, Hurrah,
Ray! Ray!

HIKER'S SONGS.

Tune: Oh, It's Nice to Get Up in the Morning.

Oh, it's nice to get up in the morning,
With the stars still shining bright,
Oh, it's nice to get up in the morning,
And dress by electric light.
You grab a bun and a bundle,
And you tiptoe down the hall;
You have pranced 'till twelve o'clock,
But you mind it not at all.
Oh, it's nice to sleep late in the morning,
But it's nicer to hike instead.

Tune: My Little Girl.

Dear Stay-at-Home Girls, we know you love us,
And have thought of us all day;
Dear Stay-at-Home Girls, you're dreaming of us,
Though we're many miles away.
You saw us puffing out on the highway,
And you didn't think we dared;
But Stay-at-Home Girls you needn't worry,
For we didn't need your care.

Yell.

Now, they're off, see them go.
Go—Lindenwood,
Win—Lindenwood!

Lindenwood Hymn.

School of our mothers, in days of yore,
Goal of their fond ambitions long,
Within the portals of thy door,
Ideals were formed and will made strong.
Thy honored rule was ever good,
Old Lindenwood, Old Lindenwood.
The tumult and the shouting dies,
The seniors year by year depart;
Still stands thy ancient edifice,
A stately and a noble pile,
With arched limbs of sacred wood,
'Round Lindenwood, Old Lindenwood.
Far called, old teachers pass away,
But new ones rise to take their place;
And all the pomp of yesterday,
Goes on with but a change of face.
Few hearts but throb with kindly good,
Towards Lindenwood, Old Lindenwood.
On, girls that come, and girls that go,
On all that walk beneath thy shade,
A heaven-sent gift wilt thou bestow;
A graceful and a gracious maid.
With brain for power and heart for good,
Old Lindenwood, Dear Lindenwood.

Amen.

—Louise Crandell.

Tune: Hand Me Down My Bonnet.

Hand me down my bonnet,
Hand me down my shawl,
Hand me down my hat and coat,
I'm going to a game of ball.
As we go marching and the band begins to P-l-a-y,
You can hear the people shouting,
The Lindenwood team is going to win today.

Tune: Sympathy.

You need sympathy,
Just sympathy.
You're not mighty as we,
So you'll not care or think it unfair,
If we beat you dreadfully, dreadfully,
Just you see for we know,
You'll be needing sympathy.

Tune: Good-bye, Betty Brown.

Good-bye! Buy a single trip;
Our fast team is going to sink your ship.
Give the ambulance a hurry call,
Takes our team to play basket-ball.
You can't beat us now, so run along,
Now's the time for you to change your song.
'Way down upon the Swanee river,
Is the place for the _____ team.

Stay-at-Homes.

You need sympathy, stay-at-homes,
Just sympathy,
You're not mighty as we,
So you'll not care,
Or think us unfair,
If we leave you softly at home,
While we roam;
But we miss you at least,
You say-at-homes.

Tune: My Little Girl.

Play on, L. C., for we are winning,
And we're going to win today;
If we lose, we'll keep on grinning,
For our team knows how to play.
There's a goal right there before you,
And a chance to win for us;
So we'll show our plucky rivals,
That the grin is not on us.

Tune: The Gridiron King.

Shoot a goal, O Lindenwood,
For we're going to win today,
And we'll show the girls at Howard-Payne,
That the L. C. team holds sway.
Pass down the gym again,
Victory or die,
And we'll give a rousing cheer, girls,
As the Lindenwood team goes by.
Rah! Rah! Rah!

PRIZE SONG OF 1918.

Words and Music by Marion Haire.

Oh, the girls all come to Lindenwood,
From North, South, East and West,

For education
And 'sociation.

In everything we lead the rest;
We always come out best.

Co-operation!
Our reputation!

Fancy anybody going away—

They always stay if they come here a day;
So here's three cheers for the dear old school
Where the honor system is the rule.

Oh! Lindenwood, in all the years to be
Our hearts with love will overflow for thee;
You are dearest to our heart,
And with tears from you we'll part;
There's no place like home, you see,
But Lindenwood spells home to me.

PRIZE SONG OF 1919.

Words and Music by Myrtle Smith.

You have heard of Smith and Vassar,
You have heard of Wellesley, too,
But Lindenwood's the college

Where the girls are all true blue.

Oh! Lindenwood, we're strong for you!
To white and yellow we are always true.

In music, sports and in our college work
We know that Lindenwood will never shirk.

And when it comes to our faculty—
Well, we have the very best!

Surely you are dear to us, oh, Lindenwood,
And leader of the great Southwest.
