## NOMINATIONS SOUGHT FOR ALUMNI MERIT AWARD

Nominations are being sought for the 1984 Alumni Association Merit Award, an annual presentation to an alumna or alumnus who has demonstrated outstanding service to Lindenwood College, individual careers and/or to the community. The award will be presented during spring graduation ceremonies, May 12, 1984. The deadline for nominations is March 1. Nominations should be sent to Esther Fenning at the Alumni Affairs Office in the MAB.

Last year's recipients of the Alumni Merit Award were Tanya Yeldell Mallory of Chesterfield, a 1969 graduate of Lindenwood, and Mrs. Judith E. Bois of Prairie Village, KS, who attended Lindenwood from 1955-56.

## PRESIDENT TAKES TO THE AIR WAVES

Child abuse in Missouri and higher education were subjects addressed by President James I. Spainhower during two recent radio broadcasts aired by MissouriNet, a Jefferson City-based programming network. The two-minute commentaries, part of the network's "Point of View" series, were supplied to 13 affiliates of MissouriNet, reaching an estimated audience of several hundred thousand listeners throughout the state.

## LINDENWOOD REPRESENTED IN MARATHON

Tip your hats to Denise A. Begrowicz of St. Charles, a 1983 graduate of Lindenwood, who took fifth-place honors in the recent St. Louis Marathon. She was one of about 1,400 runners in the 12th annual race, and she recorded a time of 3:03:49 to secure a fifth-place spot in the Women's Open Division for the grueling 26-mile, 385-foot event.

Put your hats back on and tip them again to Duane K. France, chief of Lindenwood security and another entrant in the December 4th marathon. France, a first-time entrant who vowed to be back next year, recorded a time of 4:54:0 in the Men's Open Division of the marathon. The event took place in 33-degree temperatures and stretched through downtown and south St. Louis.

## NO HOME BASKETBALL GAMES SLATED

The Lindenwood Lions are on the road this week, playing at 7:30 p.m. today at Harris-Stowe College and at 7:30 p.m. Thursday at Maryville College. The men's next home game is January 9 when the team hosts Parks College for a 7:30 p.m. game at St. Charles High School, Waverly and Kingshighway streets.

The Lindenwood Lady Lions have no games scheduled until January 7 when the team hosts Millsap College for a 1 p.m. game at St. Charles West High School, 3601 Droste. Show your support for both the men's and women's basketball teams and make plans to attend the upcoming home games.

## **COMMUNIQUE**

### NEWSLETTER TO SUSPEND PUBLICATION UNTIL '84

Because of the semester's end and the upcoming Christmas and New Year's holidays, the publication of "Communique" will be suspended until January 9. For information to be included in the next newsletter, submissions should be sent before January 3 to the Office of News & Public Information, 100 Roemer Hall.

And, speaking of the weekly "Communique," don't pitch it, pass it! A limited budget prohibits the publication and circulation of the newsletter to everyone on campus. If you don't retain issues for future reference, pass your copy of "Communique" along to a friend, colleague or student so that the newsletter can receive the maximum readership for its cost.

### KCLC-FM TO AIR COUNTY SCHOOL CLOSINGS

Lindenwood College's public radio station, KCLC-FM, will broadcast information on the closings of all schools in St. Charles County during inclement weather conditions. Turn to 89.1 khz on the dial between 6:35-9 a.m. for the latest information on school closings and weather conditions.

### JOFFREY II DANCERS TO PERFORM

The well-known Joffrey II Dancers, the farm team of the famous Joffrey Ballet, will present a lecture and performance on January 25 beginning at 7 p.m. in Roemer Hall's Jelkyl Theatre. Tickets are priced at \$4 each.

The event, which is open to the St. Charles area community as well as all students, staff and faculty at Lindenwood, will feature nearly 20 young professional dancers enrolled in a unique program designed to prepare them as soloists for the nationally-known Joffrey Ballet and other professional dance companies. The Joffrey company serves as a showcase for emerging choreographers, composers, lighting and costume designers as well as training arts administrators and production personnel.

The January 25 lecture and performance, cosponsored by Lindenwood College's Lectures & Concerts Committee and the St. Charles County Arts Council, is one of several cultural, artistic and musical performances being offered to the community in 1984.

From and to the Lindenwood community . . . may your holiday season be especially happy, healthy and harmonious . . .
