LINDENWOOD

Limited housing available second semester

Due to increased capacity, Lindenwood University has a limited number of housing spots available for the spring semester.

Housing director Michelle Giessman said she had about 85 openings available due to December graduation. She said Lindenwood's purchase of nearby homes and a few vacancies in two new residence halls increase the availability to just more than 100.

Giessman said Lindenwood's residential capacity now stands at 2,200. Anyone interested in attending Lindenwood for the second semester and living on campus should call the admissions office at 636-949-4949.
