## DID YOU KNOW?

---

The *Merry Wives of Windsor* is the only Shakespearean comedy set in England.

The *Merry Wives of Windsor* is the only Shakespearean comedy set entirely amongst the middle class.

The *Merry Wives of Windsor* is the only Shakespearean play written almost entirely in prose, rather than iambic pentameter.

One of the central characters – Sir John Falstaff – was also in *Henry IV* parts 1 and 2, and was a hugely popular character. The legend goes that Queen Elizabeth I was so taken with Sir John that she requested Shakespeare write a comedy featuring Falstaff in love.
