# Once Upon a Mattress

If you thought you knew the story of "The Princess and The Pea," you may be in for a walloping surprise! Did you know, for instance, that Princess Winnifred the Woebegone of the Land of the Foggy, Foggy Dew actually swam the moat to reach Prince Dauntless the Drab? Or that Dauntless' mother, the devious Queen Aggravain, rigged the royalty test for each and every princess to fail? Or that Lady Larken's love for Sir Harry provided a rather compelling reason that she reach the bridal altar post haste? And perhaps it wasn't the pea at all that caused the princess to have a sleepless night!

Carried on a wave of wonderful songs ("Shy", "The Swamps of Home", "Happily Ever After"), by turns hilarious and raucous, romantic and melodic, this rollicking spin on the familiar Hans Christian Anderson classic of royal courtship and comeuppance provides for some side-splitting shenanigans. It's the musical comedy fairy tale that made Carol Burnett a star in 1959. So don't be shy, join us for the delightful Once Upon a Mattress. Chances are you'll never look at fairy tales quite the same way again.
