

COMMUNIQUE

VOL. THREE, NO. 20; JAN. 28, 1985

'PARENTS NIGHT' SET FEBRUARY 4 - To recognize community support for men's and women's basketball at Lindenwood, the Athletic Dept. has scheduled "Parents Night" on February 4 at 7 p.m. at St. Charles West High School.

"We want to show our appreciation for the time, understanding and support of our athletic programs," said Athletic Director Marilyn Morris, "and we would like to invite the community to take part in this special night." Parents of Lindenwood students will receive free admissions to the games, special recognition at halftime and a reception after the games that will feature both the Lions and Lady Lions.

Beginning at 7 p.m., the women's team will host Southwest Missouri Baptist College, followed by a 9 p.m. game between the Lions and Concordia Seminary. Honorary coach for the evening is Allen M. Schwab, dean of college life. Reservations and further information can be obtained by contacting Morris at extension #214.

STUDENT IS AUTHOR OF MAGAZINE ARTICLE - Tammy L. Edmondson of St. Charles, a sophomore majoring in communications, is the author of "A Country Store," a feature article appearing in this month's issue of MISSOURI LIFE, a statewide magazine with a circulation of 30,000. The article is about Bert Malone of Seaton, MO, who owns one of the last old-style country stores in Missouri. Edmondson, a 1978 graduate of Ft. Zumwalt High School, transferred to Lindenwood last fall after attending St. Louis Community College at Florissant Valley.

COLLEGE TO PUBLISH ALUMNI DIRECTORY - Lindenwood alumni throughout the country who have lost contacts with classmates and fellow graduates soon will benefit from an alumni directory the college plans to publish next spring. Lindenwood has entered into an agreement with the Bernard C. Harris Publishing Co., Inc., of White Plains, NY, to publish the institution's first complete alumni directory.

One of the country's leading publishers of such listings, the Harris Co. will research and compile all information. It also will finance the operation through the sale of directories to alumni. Estimated cost is \$35 per copy. According to Harris officials, updated information will be obtained through questionnaires sent to all alumni this summer and followed up by telephone verification in December. Each alumni of Lindenwood will be given the opportunity to order the directory when their information is verified by telephone. Sales will be restricted to Lindenwood alumni.

"Although Lindenwood College will not benefit financially from directory sales, we will derive substantial benefit from the completely-updated alumni records," said James D. Thompson, major funds coordinator for the college. Further information on the 1986 alumni directory can be obtained from the Alumni Activities Office or from Thompson.

SOME HEALTHFUL ADVICE DURING FLU SEASON - Flu has affected many Lindenwood students, faculty and staff members as well as the community in recent weeks. Jane Henthorn, R.N., director of the Campus Health Center, urges students and employees to be considerate of others as well as themselves. "If you have a fever, avoid contact with others. Stay at home and rest," she advises.

AND, IF YOU'RE HEALTHY, ATTEND THE FREE FILM - Francis Ford Coppola's "The Outsiders" is this week's presentation for the Spring Film Festival, sponsored by the Lindenwood Student Government. It will be shown Friday at 7:30 p.m. in Young Auditorium. Admissions is free to Lindenwood students and \$1 for all others. "The Outsiders" is an intense film concerning poor boys caught in a tragic conflict with kids from an affluent background. The 91-minute film is rated PG.

POLICY CHANGES ANNOUNCED FOR COMPUTER CENTER - The Word Processing Dept. has combined with the Computer Center and is known now as the Computer Center. 1. Regular hours of the Computer Center are from 8:30 a.m. to noon and from 1-5 p.m., meaning all work may be picked up or dropped off during these hours, not before (although work can be dropped off at the Post Office before and after hours).
2. All work is to be scheduled in advance with a minimum one-week notice.
3. A properly-signed IDO must accompany all work that is submitted to the Computer Center. IDOs must state the date the material is needed. Work marked "ASAP" has the lowest priority.
4. The printer is checked three times daily - at 8:30 a.m., 11:30 a.m. and 3 p.m. If there is anything to be printed, it will be run at those times, and work may be picked up from your departmental slot located in the Computer Center.
5. Backing up files to tape is done every Friday morning. The computer is not available until 10:30 a.m.
