THE BOYLE FAMILY GALLERY

UPCOMING EXHIBIT

LINDENWOOD'S SCHOOL OF FINE ARTS IS PLEASED TO PRESENT

Ed Boccia's Multi-Paneled Paintings

September 8 - October 3

Artist's Reception, September 16

4:00 - 7:00 pm

We are indeed privileged to present the Paintings of Edward Boccia. Many of the images have never been seen in public before. This is not a retrospective in the strictest definition of the term, because much of Mr. Boccia's work is not present.

As you may come to find, Edward Boccia is a man of many parts. He is a husband, father, teacher, painter, draughtsman, poet, and friend. Many of his paintings are inspired by his muses, whom he calls Latitia, Eugene, Giorgio and the Poet.

Mr. Boccia's oeuvre is always driven by the need to make the invisible visible. He makes connections to the past, present, and future through these players.
