Thomas Triplett, vocalist – Paul Grundhauser, guitar

I've been lately thinkin' about my life's time  
All the things I've done and how it's been  
And I can't help believin' in my own mind  
I know I'm gonna hate to see it end  
I've seen a lot of sunshine  
Slept out in the rain  
Spent a night or two all on my own  
I've known my lady's pleasures  
Had myself some friends  
Spent a time or two in my own home  
I have to say it now  
It's been a good life all in all

It's really fine to have the chance to hang around  
And lie there by the fire  
And watch the evening tire  
While all my friends and my old lady  
Sit and pass a pipe around  
And talk of poems  
And prayers and promises  
And things that we believe in  
How sweet it is to love someone  
How right it is to care  
How long it's been since yesterday  
What about tomorrow  
And what about our dreams  
And all the memories we share  
The days they pass so quickly now  
The nights are seldom long  
Time around me whispers when it's cold  
The changes somehow frighten me  
Still I have to smile  
It turns me on to think of growing old  
For tho' my life's been good to me  
There's still so much to do  
So many things my mind has never known  
I'd like to raise a family  
I'd like to sail away  
And dance across the mountains on the moon
