

Linden  Week

COMMUNIQUE

Vol. 3, No. 28; April 2, 1985

'THE PRESIDENT'S MESSAGE'

My favorite time of the year is here - and I'm glad. Spring is in the air, in the ground, and in the hearts and heads of nearly everyone we meet.

Spring on a college campus like Lindenwood is especially exciting. For decades, our academic ancestors have been planting trees and shrubs. These blessings of nature now are awakening from their winter's sleep. Our present grounds' crew is at work already planting annual flower beds to bring us early color that will last throughout the summer.

To celebrate spring's arrival and to have a good time, Vice-President Jerry Rufkahr and his staff are planning a hot-dog roast at noon on Friday, May 3. Students, faculty and staff are invited. The cafeteria will not open for the lunch session, but the hot-dog outing is free to all!

One catch, though - we want the entire college community to don work clothes and give at least an hour's work sometime during the day to help clean up the campus for Spring Commencement, May 18. So, let's plan to eat some hot dogs (I'm the chief chef) and clean up the campus on May 3.

By the way, Spring Fling gets under way that day, so we're going to have quite a celebration on May 3.

SEN. DANFORTH TO APPEAR APRIL 10 - U.S. Sen. John Danforth (R-MO) will conduct an old-fashioned town hall forum on American government April 10 at 1:30 p.m. in Young Auditorium. Hosted by the Circle K Club, the event is open to all faculty, staff and students. The senator will make a formal presentation that will be followed by a question-and-answer period. He will be introduced by President Spainhower, while the question-and-answer session will be moderated by Rudy D. Beck, a St. Charles attorney. A reception, open to all without charge, will conclude the event.

Serving his third term in the U.S. Senate, he was the first candidate of his party elected to the Senate from Missouri in 30 years, and Sen. Danforth is the only Republican in the state's history to serve two full terms in the Senate.

'MORE POWER TO YOU' BOOKS ON SALE - Lindenwood's community radio station, KCLC, is offering area residents valuable discounts on goods and services with its "More Power to You" coupon booklets. They contain coupons with tremendous discounts, free goods and special services on auto repair, health and beauty items, clothing and apparel, entertainment, gifts and dining from merchants in St. Charles and St. Louis counties.

According to Leah Hollenberger, operations coordinator at KCLC, the coupon booklet is valued at more than \$1,100. Sales of the booklets are the station's spring fund-raising project to help finance the increase in power from 1,500 to 25,740 watts, a proposal approved recently by the FCC. The coupon booklets cost \$25 each, and they can be ordered by calling KCLC at 947-8281.

"Linden Week Communique" is published each Tuesday morning during the fall, winter and spring semesters and biweekly during the summer. Produced as a joint effort of the college's Public Relations Office and Printing Center, it is disseminated to all faculty, staff and students. The deadline for submission of editorial copy is 2 pm Monday prior to Tuesday's publication; copy should be sent to the Public Relations Office, #6 Roemer Hall.

TAKE THE TIME TO VOTE TODAY - President Spainhower urges all faculty, staff and students registered to vote to do so today before the polls close at 6 p.m.

And, he asking a special favor for voters to show their support by voting "yes" on Proposition 1. Passage would establish a community mental health fund to maintain and expand treatment, intervention, rehabilitation, counseling education and preventive services in the county. The fund would generate about \$920,000 per year from an eight-cent tax on each \$100 of assessed valuation (for an average \$60,000 home in the county, that would amount to a total, yearly tax of \$9). Funding would be earmarked for professional treatment for such family problems as stress, alcoholism, child abuse, domestic violence and drug abuse.

COMMUNITY CONCERT SET APRIL 14 - A varied program of classical and modern music is planned for the April 14 concert by the Women's Ensemble. Open to all without charge, it will begin at 4 p.m. in Sibley Hall. Composers to be featured range from Mendelssohn, Dvorak and Leonard Bernstein with selections from "West Side Story." The 22-voice ensemble is under the direction of Nancy P. Fleming, associate professor and director of choral music.

SIGNZ ZEE ZSHEET - CORRECTLY! - When you photocopy in the Printing Center, make sure you complete the sheet correctly, requests Manager Kris Cordes. "Please complete the form with the proper account number, the department copies are to be charged to and your full signature, not your initials. And, make sure that you have the correct account number before charging photocopies," she asks.

FACULTY FORUM SET APRIL 12 - "The Movie Cowboy as Moral/Mythic Hero" is the title of a presentation to be given April 12 by Allen Schwab, associate provost and Dean of College Life. Open to the community as well as faculty, staff and students without charge, the event is part of this semester's Faculty Forums. It will begin at 4 p.m. in the MAB, preceded by a social hour at 3:15. All participants are encouraged to bring beverages of their choice.

WHAT DO YOU WANT TO SEE ON STAGE? - The Performing Arts Dept. is considering possible plays for the 1985-86 mainstage and studio seasons. And, it invites faculty, staff and students to recommend plays that they want to see performed. "In the past, we always have attempted to respond to the plays recommended by the entire community," said department Chairman Robert Peffers. "If you have a favorite play, please let us know as soon as possible so we can complete the season." Have a favorite play? Then call the department at extension #218.

PRESIDENT'S SECRETARY NAMED - Judy A. Shanahan of St. Louis has been named the new secretary to President Spainhower. A graduate of Normandy Senior High School, she is an alumna of Sanford Brown Business College. Prior to joining Lindenwood, she served as manager of a psychiatrist's office in Hinsdale, IL, for the past five years. She also has served in bookkeeping, personnel and payroll positions for a restaurant in Lombard, IL, and for the Jewish Hospital of St. Louis. Shanahan replaces Jane Pace who resigned last month to relocate.

TELEPHONE DIRECTORIES AVAILABLE - 1985/86 editions of the "St. Charles County Area Wide" telephone directory and "Yellow Pages" are available to faculty and staff members. They can be picked up at the Switchboard Office in Roemer.

- SOCIETY ELECTS MEMBERS FOR 1985/86 - Newly-elected members of the Lindenwood chapter of Alpha Lambda Delta, the national honor society for freshmen, are Brenda Eisenbeis, Douglas Hoggatt, Patricia Leitsch, Lisa Morris, Kristine Nolte, Gail Payne, Stacy Prell and Tayna Taff. Initiations are set for 7 p.m. April 14 in the Goodall Parlor of the MAB. Edith Graber, Ph.D., chairman of the Sociology Dept., will speak on the importance of scholastic achievement.

48-HOUR DANCE-A-THON SCHEDULED - Lindenwood's Circle K Club is sponsoring a 48-hour Dance-a-Thon April 26-27 to raise money for the USA in Africa Foundation, the organization addressing the starvation problem in Africa. The two-day event will be held from 6 p.m. Friday to 6 p.m. Sunday in the Student Center. The 40-member club hopes to raise \$500 through the sponsorship of individuals, couples and groups who will take part in the Dance-a-Thon. Refreshments and music by area disc jockeys will be provided.

According to Jim Thompson, advisor to the club, the idea for the event stems from the Columbia record, "We Are the World," produced by Quincy Jones and written by Lionel Richie and Michael Jackson. The record, which features 46 American artists, was recorded after the recent Grammy Awards. One of the hottest songs in the country, "We Are the World" has raised \$8 million for the USA in Africa Foundation.

Club members are distributing sign-up sheets to attract sponsors for the Dance-a-Thon. Further information and reservations for those who want to take part can be obtained from any Circle K member or by contacting Thompson at extension #320.

'CLUB JITTERBUG' SET APRIL 13 - "Club Jitterburg '85 - a Blast from the Past" is being presented April 13 by the Dept. of Performing Arts as a special evening of music, entertainment and dancing as a benefit for the studio theatre season. The fun side of the 1930s and 1940s is the evening's theme, and a cabaret show featuring Lindenwood students, faculty and staff will be followed by dancing to the sounds of St. Louis' "Hot Docs."

The event will be held in Ayres Hall. Cabaret entertainment begins at 8 p.m., followed by dancing until midnight beginning at 9:30 p.m. Refreshments will be handled through a donation bar. Tickets are priced at \$5 per person, or \$3 per person for groups of 10 or more. For reservations, stop at the Box Office in Roemer Hall between noon and 5 p.m. daily, or call 946-2004.

THE CAFETERIA'S "NO QUESTIONS ASKED" REQUEST - Fess up! You know you've probably got a spoon, maybe a coffee mug, a glass or even a plate stashed away in your desk, file cabinet or the window sill of your dorm. Well, Ayres Cafeteria is trying to round up all the missing silverware and china inadvertently carried away to offices and residence halls. It will soon be installing "No Questions Asked" boxes at key locations on campus, and it is asking that you deposit china and silverware in the boxes. It costs to replace missing items, so pitch in and save Lindenwood some unnecessary costs.

NO NEWSLETTER PUBLISHED NEXT WEEK - Because of the Easter vacation and a backlog in the Printing Center, "The Linden Week Communique" will not be published next week, April 9. Publication of the weekly newsletter will resume on April 16, with the deadline being April 15 for submission of editorial copy.

NO CLASSES FRIDAY AND SATURDAY - Faculty and students should note that this Friday and Saturday, April 5-6, are class holidays for Good Friday and Passover. Classes will resume at 8 a.m. Monday, April 8.
