EXPERIENCE

School of Education Centennial Celebration

The School of Education will be holding a centennial celebration on November 7th & 8th 2018 to honor 100 years since Lindenwood became a 4-year University. This celebration will be connecting past, present and future students from The School of Education through events and unveilings that are aligned with the theme; "Honoring our legacy. Building our future."

School of Business Centennial Celebration

To celebrate 100 years, the Plaster School of Business & Entrepreneurship will host a Gala Celebration Dinner Dance on March 23, 2019 at the St. Charles Convention Center. The band, Trilogy, whose leader is a Lindenwood School of Business Alumnus, will provide entertainment.

Bear and Mircsov to Present at Conference

Kim Bear (IT) and Eric Mircsov (HR) will be presenting at the [Workday Rising Student User's Group](#) on October 1 in Las Vegas. The title of the presentation is "Touch Points between Student, HCM, & Financials" and topics include the connectivity of the academic function to both HCM and Student, Student Employment, Personal Information and more.

Rains as Panelist for CIO/CFO Think Tank

TJ Rains, Vice President of Information Technology and Chief Information Officer recently served as a panelist for [Argyle's 2018 CIO/CFO Think Tank](#) in St. Louis. The panel discussion focused on Working Smarter, Not Harder: Ensuring a successful partnership between finance and IT departments in the midst of IT innovation.

Cernik to Administer Practice LSAT

Joseph Cernik, Professor of Political Science & Public Administration, will administer a practice Law School Entrance Test (LSAT) on Wednesday, Oct. 10 at 4:30 PM in Spellmann 4190. While the exam usually requires 4-5 hours, this practice LSAT will consist of two sections out of the usual four and will take about 90 minutes to complete. After the test is graded, Dr. Cernik will conduct a workshop to help students improve their scores. Please share this information with students and advisees who have an interest in applying to law school.

Dr. Shonrock Visits Zoo Expansion Site

Dr. Shonrock serves on the St. Louis Zoo Association board and visited the association's newly purchased [425-acre complex](#). The complex is a part of a long-range plan to help the Zoo's mission to conserve animals. The campus will have a Conservation & Animal Science Center dedicated to sustaining endangered and threatened species as well as a public component with attractions that connect people with nature and animals.

Lindenwood Learning Academy Fellows Program

Beginning this fall, the Lindenwood Learning Academy Employee Fellows will provide opportunities for all employees to develop in the following areas: Communications, Diversity, Equity, and Inclusion, Leadership and Supervision, Service Excellence, and Technology Proficiency. [Read more](#)

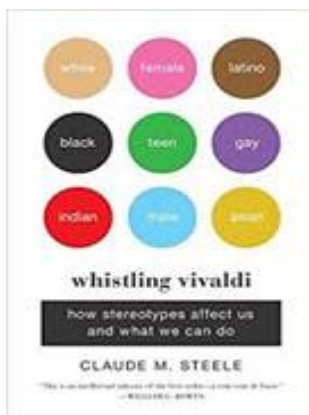

Smith on Panel in San Diego

Dr. Michael Smith, who teaches in the graduate School of Accelerated Degree Programs IT trimester program, was a speaker and panelist at the 2018 Data Governance and Information Quality Conference in San Diego, CA. Smith presented Data Management in a Changing Data World: Now, Next, and the Future.

Career Services Publishing Monthly Newsletter

New this fall, Career Services started publishing a monthly newsletter called the "Real Experience Report". The newsletter will highlight outstanding student experiences for current students and alumni. The newsletter will also keep students informed of calendar events and opportunities.

Lindenwood Learning Community

In order to learn more about how stereotypes and potential bias can affect the university climate and what can be done as informed allies, The Learning Academy is recruiting faculty and staff participants for a Lindenwood Learning Community. They will be reading the book Whistling Vivaldi: How stereotypes affect us and what we can do by Claude Steele (2010). Books will be provided to all participants. Questions can be sent to, Diversity, Equity, and Inclusion Employee Fellow, Stephanie Afful, safful@lindenwood.edu.

Scotty McCreery Concert

The Scotty McCreery concert was a great event! The Scheidegger center was almost sold out that evening. Scotty was even able to squeeze in some time for a quick meet and greet for ticket holders, CAB members and student video winners. The week of the concert, the Campus Activities Board encouraged students to make music videos of their favorite Scotty song in hopes of winning front row tickets and a backstage pass. This was the first concert a part of our One Roar Series. Special thanks to 92.3 New Country for giving out station giveaways and helping us kick off our One Roar Series. A kickin' good time was had bad all.

School of AMC Hosts First "Movie & Lunch"

The AMC is hosting an event called "Movie & Lunch" three times a semester. The event highlights Lindenwood's former and current students' creative work. Students, faculty, and staff are invited to bring their lunch while they mingle with AMC students and guest filmmakers. A short film is shown and there's a Q&A session afterwards. These events present a

chance for AMC students to meet with alumni and get a real perspective of the media business; all while continuing to build our community.

First Diversity Dialogue of the Year

The first Diversity Dialogue of the year was recently held with a topic of "Mental Health on College Campuses." Subjects of toxic masculinity, LGBTQIA, and micro aggressions were covered. The panel for this dialogue featured a diverse group of professionals from various schools and backgrounds who were able to provide wonderful insight to the discussion.

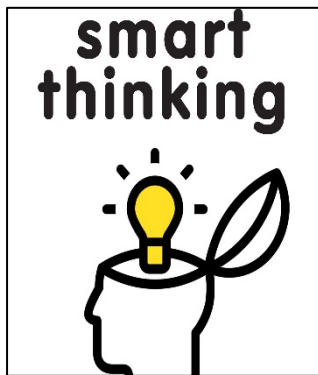

Implicit Bias Training

The DEI Task Force and Office of Student Life & Diversity developed a 2-hour implicit bias training. The goals of the training were to learn how to identify implicit bias, increase education, awareness, and resources regarding discrimination, and learn strategies to address implicit bias in your environment.

Economics Webinar for K-12 Educators

[Dr. Tawni Hunt Ferrarini](#) will present an economics webinar titled Cryptocurrency and Blockchain Technology on Wednesday, Oct. 10 from 6:00 – 7:00 PM. This session is free for all K-12 educators teaching in the disciplines of economics, business, technology, and social studies. The controversy surrounding cryptocurrency has led to full discussions on how blockchain technology can change the way property rights are recorded, validated, and authenticated.

New Tutoring Tools

[Smarthinking](#) currently provides our students with free online tutoring for a variety of subjects 24 hours a day, career coaching & interview practice, a library of videos that explain important concepts in several areas of study, and more. Now Smarthinking has added resources to help our students with Public Speaking. Public speaking is a challenge for just about everyone! Before students get up in front of the class, they can practice their speeches and presentations in a one-on-one audio or video session with a [Smarthinking tutor](#).

SUCCESS

Bruno Receives Patent for Headphone Design

After a years-long process, Senior Joe Bruno achieved something few others will ever experience—a U.S. patent! Bruno received notification this summer that his headphone design, which allows for easy removal and replacement of the individual earpieces, was approved for a patent. [Read more](#)

First-Pitch Raffle Winner Announced

Maria Dillard, alumna from the class of '97, was the winner of the Cardinal First-Pitch Raffle. She lives in Redondo Beach, CA and will fly in with her husband for the game on Sept. 22 vs. the San Francisco Giants. The raffle raised \$1,075 for the Lions Reserve Fund. Thanks to all who participated!

Family Day is Huge Success

The Student Involvement team and the Family Day Committee successfully hosted the 6th Annual Family Day! There were over 300 attendees at the business expo and over 400 attendees at the International Fest and Kids' Corner. There were also 3,500 people at the football game where the inaugural "Family of the Year" was recognized at half-time. Molly Tiemeyer and her family were selected to be our first annual Family of the year winners! Molly is a junior business major. Her family is originally from Texas but have recently located to O'Fallon

Parrish Presents Work from New Anthology

As part of [BookFest St. Louis](#), Gillian Parrish, Assistant Professor, MFA in Writing program, will present from work just published in They Said: A Multi-Genre Anthology of Contemporary Collaborative Writing. Parrish's contribution to the book is one of several collaborative pieces that she has written in a conversational form she calls "renga essays."

Gietschier Publishes Costas Interview

Steve Gietschier, Associate Professor of History, has published "National Voice, Adopted Son," an interview with sportscaster Bob Costas in the St. Louis Cardinals [Gameday Magazine](#). In July, the Baseball Writers' Association of America (BBWAA) honored Costas with the Ford C. Frick Award for excellence in broadcasting. The Cardinals honored him with a special night at Busch Stadium including a bobblehead doll. Gietschier met Costas while working as the research editor for The Sporting News, at the time the longest-continually published sports publication in the nation.

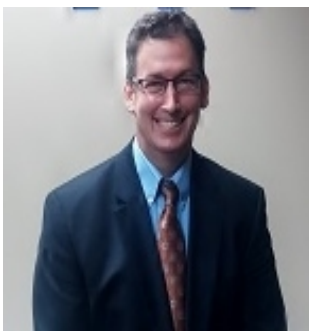

Cohen Monograph Under Contract

Professor Ted Cohen's monograph, *Making Mexico Black: Race and Nation after the Revolution*, is under contract with *Cambridge University Press* (forthcoming spring 2020). *Making Mexico Black* is the first book to tell the intellectual and cultural history of how African-descended Mexicans gained cultural, social, and demographic visibility after the Revolution of 1910. *Cambridge Press* is one of the best known and most respected academic presses in the country. Congratulations, Professor Cohen!
