

COMMUNIQUE

Vol. Three, No. Eight; Oct. 1, 1984

'THE PRESIDENT'S PREFACE'

Big events are scheduled on campus during the next 10 days. A great many of our staff, faculty and students have been involved in making plans for several months on such upcoming events as:

- Lindenwood's first Collegefest is set for this Saturday from 2-5 p.m. on campus. A variety of events and activities are planned to appeal to prospective students, parents and the community as part of St. Charles' annual Oktoberfest Weekend. I hope that everyone who has been asked to help with the Collegefest will respond in a positive manner. Full cooperation is needed to make this event successful in welcoming prospective students to our campus.
- Lindenwood's annual Alumni Weekend will be held October 5-7, featuring a variety of educational, entertaining and social activities. From all over the nation, alumni will be returning to campus. A record attendance is anticipated. Plan to attend this eventful and worthwhile event.
- On October 7-9, we will host the second annual meeting of the Association of Presbyterian Colleges & Universities (APCU). About 85 institutions of higher education are related to the Presbyterian Church. We are honored that these institutions, which work together through the APCU, have chosen our campus as the site for their annual gathering.

As you see these guests on campus this week, give them a smile and a genuine greeting. Whether it's a prospective student, a community resident, a returning alumna or a president of a Presbyterian Church-affiliated college or university, let the person feel how glad we are to have them among us!

POLITICAL DEBATE SCHEDULED WEDNESDAY

A debate between the Missouri Secretary of State candidates - Democrat Gary Sharpe and Republican Roy E. Blunt - will be held Wednesday at 7:30 p.m. in Young Hall Auditorium. Admission is free and is open to all students, faculty and staff and the community. Show your support and concern for this state race, and make plans to attend this political event. Lindenwood's community radio station, KCLC-FM, plans live coverage of this two-hour debate.

EDWARDS NAMED TO STATE TASK FORCE

Phil Edwards, director of off-campus facilities in downtown St. Louis and near West Port Plaza, is one of 16 individuals in the state named to the Governor's Crime Commission Task Force on Boating Safety. Formed recently by Gov. Christopher S. Bond, the task force is charged with formulating recommendations by November 1 on how state laws should be strengthened to reduce drunken boating and to increase boating safety on Missouri waters. Edwards also serves as an adjunct professor of business administration at the West Port and Mansion House centers.

'WHO'S WHO' NOMINATIONS NEEDED BY FRIDAY

Nominations are being accepted for student recognition in WHO'S WHO AMONG STUDENTS IN AMERICAN COLLEGES & UNIVERSITIES, an annual publication of biographical data on some of the country's top students. Lindenwood has been invited to nominate three dozen juniors, seniors and graduate students who exemplify excellent academic and leadership qualities. BROADCAST SOCIETY IS ACTIVATED

Further information and meeting dates can be obtained by contacting Leah Hollenberger, faculty advisor to Alpha Epsilon Rho, at KCLC-FM in the MAB.

I.D. CARDS NO LONGER HONORED AT LIBRARY

Student identification cards at Lindenwood no longer will be honored at Butler Library, reports Larry J. Fernandez, a junior majoring in communications. Under a new policy, the library will issue its own cards to students, staff and faculty. Librarian Victoria Frowine indicates that no one will be allowed to check out books without the new cards, which can be obtained at the circulation desk in the library.

JOB OPPORTUNITIES POSTED AT MAB

Student looking for part and full-time employment in the metro area can find a listing of job opportunities posted regularly outside Room 105 of the MAB. In addition, career counseling and employment information can be obtained at the CAP Center.

ARE THOSE LAZY, HAZY DAYS OF SUMMER GONE?

Apparently so, according to Jerry Rufkahr, vice-president of administration. All college air conditioners are to be turned off, effective today, and scheduled for routine service and reconditioning in the upcoming weeks.

UNITED WAY CAMPAIGN BEGINS TODAY

President Spainhower will be sending personal letters to all faculty and staff members this week, advising them of Lindenwood's participation in the annual United Way Campaign. In the meantime, faculty and staff as well as students are urged to view an 8-minute film produced by the United Way. It is available for personal viewing in Ayres Cafeteria from 11 a.m. to 1 p.m. Wednesday and from 1-4 p.m. in Butler Library Wednesday. You are encouraged to take a few minutes from your schedules and classes to view the film for a better understanding of how the United Way of Greater St. Louis helps within our community.
